A TIME FOR WAR

As we have entered the month of April, it feels like we have stepped into a war zone. The pressure is intense on every front. Home, work, health, family - the enemy has left no area of our lives untouched. We may be reeling under the attack, but God is not surprised and He has been preparing us for this.

Over the last number of weeks, God has been repeatedly entreating us to search our hearts and deal with the issues that we have regarding division, envy, jealousy, criticism and the like. He has especially been pinpointing areas of racism in our hearts. That's right - RACISM in OUR hearts. God has shown us that we still carry hatred and anger towards other people groups and it is displeasing to Him. He wants us to deal with this issue that still causes division amongst us - right here in Ariel Gate. To this end, our hearts have been laid bare before Him and we had to repent again.

We then received a word through Kate that the Lord still saw that our hearts were hard! The scriptures she gave us were Hosea 10:12 and Jeremiah 4:3. As we studied these out, the Lord showed us that we were just repenting with our lips and not with our hearts and He was not happy! We realized that we can no longer just repent, but we must also change our ways! If we have been critical of a person, we must repent and then stop criticizing. If we continually gossip about someone, or have an opinion about them, we must repent and place a guard on our mouths. It does not help to repent, then walk away and keep doing the same thing.

One of our seers had a vision where the Lord showed him a book of his life that was filled with seeds. When he asked what the seeds were, he was told that these were the seeds of iniquity in his life. He was then told that he must deal with these seeds of iniquity and that he would write an exam in September. The end of September is Rosh Hashanah and he did not know that! We also received another word through

Sharon Peters that God is giving us 6 months to sort out the issues in our lives that He has been highlighting to us. This again takes us to September - Rosh Hashanah. She said that there was grace available to us **now** to clean up our lives, but after the six months had ended it would become very difficult to deal with our issues.

I believe that the issues God is talking about are the thoughts and

intentions of our hearts. I preached many times that angels record all our words and actions and the motives of our hearts as well. Perry Stone in his new book, "Secrets from Beyond the Grave" confirms this.

It appears that each person's angel may be responsible for compiling any information related to that individual while living on Earth and for keeping a detailed record in the heavenly files that will be used at the Judgement Seat.

He also speaks about 5 books that serve a purpose at the Judgement seat:

1. *The Book of the Living* - your entire destiny was recorded in the Book of the Living
2. *The Book of Life* - by receiving Christ, your name was inscribed in the Lamb's book of Life
3. *The Book of Tears* - details of your words and tears and other actions are recorded in this book
4. *The Book of Remembrance* - as you give finances to the Kingdom's work and pray, your actions are marked in this book
5. *The Book of Rewards* - as you work on Earth for God and help others, your deeds are recorded in Heaven.

Some of these books will be opened at Rosh Hashanah in September and all our actions and motives will be placed before the Lord. He will judge based on these books and promotion or demotion will be our portion. So where do we start?

The Lord clearly showed us that our opinions, gossip and slander about others is feeding an altar and opening doors for spirits to operate against us. Rick

Joyner explains that the spirit of racism opens the door for the spirit of death. What we think are the 'small issues' in our lives are opening doors for the enemy and it is time to close the doors! It is interesting to note that the Torah readings for the last 2 weeks have been dealing with leprosy (rebellion) and how to get it out of your body and house!

We are coming up to Passover (during our convention) and the spirit of death is looking for an entry into our houses and nations. We have an instruction to place the blood on the doorposts so that this spirit of death will pass by. *"And you shall take a bunch of hyssop, dip it in the blood that is in the basin, and strike the lintel and the two doorposts with the blood that is in the basin. And none of you shall go out of the door of his house until morning."*

Exodus 12:22 . What does it mean to put the blood on the doorposts of our lives? We have to cover every gateway - our mouths, eyes, mind (Ian Clayton's teaching on Gateways will help you with this). We must repent for allowing the enemy access and then apply the blood to that doorway. This is OUR job as priests. Do not expect someone else to do it for you. Be diligent to cover every gateway to your life and that of your family. And then the scripture says, *"And none of you shall go out of the door of his house until morning."* This means that we need to stay 'in the house'. We need to stay in relationship and in submission in the house that God has planted you in. It is not the time to be running around visiting many places - your protection is in the house!

We are 1 week away from our convention and I believe this will be one of the most important conventions we have ever held. According to our seers, Heaven is also excited about this conference and many saints and angels are preparing to be there! Remember that Passover is a feast of the Lord and an appointed time to meet with Him. Make sure that you prepare properly - get the messages from the Wednesday and Friday meetings of the last month and work through them. I look forward to seeing each of you at the convention where we will stand together in our positions to administrate on behalf of the King and the Kingdom! *Blessings.....Apostle Natasha*
