PREPARING FOR 5772

The Jewish year 5772 begins in our Roman calendar on the 28 September 2011 and is called "Rosh Hashanah". This is understood as the Day of Judgement, among many other titles. See Daniel 7:9 and Revelations 4:1 – the day begins with the blowing of the trumpets! Early this year we received two words to emphasise to us that this Rosh Hashanah is going to be especially significant and that we should prepare for it diligently. One word instructed us to deal with the issues in our lives that have plagued us for years. God said that He releasing grace to deal a death blow to these things once and for all. The other word was that we would "sit an exam" in September and the Lord would be the Judge.

Now we know that Rosh Hashanah is the feast when the Lord is seated as a Judge and the books are opened (Daniel 7: 9). We are weighed and promoted or demoted for the following year. But this year seems to be especially important. It feels like it is a cut-off time similar to when God finally passed judgement on the Israelites in the wilderness. He had grace with them and gave them time to repent, but when they continued with their complaining and unbelief, He eventually judged them and decreed that they would die in the desert. They would not enter the promised land. I believe that we are in a similar juncture of time.

God has been speaking to us over the last number of years to sort ourselves out - deal with the cyclical sin and unbelief issues in our lives. If we do not do that, he is going to disqualify us from building with Him into this next season. A scary thought!

So what is He going to judge us about? The Jews believe God is looking at the last year which was 5771 - this year 5771, was about being yoked to the righteous ox - God wanted us to be married to Him alone. He dealt with us about divorcing all our other gods. Have we done this? He wanted us to deal with our iniquities and all those issues in our bloodlines that caused us to be 'bent' away from God's purposes. This is why we have been working through the repentance book again and again, we have been dealing with our iniquities.

Then we had to be yoked to Him to learn His ways. Our April convention was all about walking in His ways - have we been doing that in our personal lives when no one else is around to see what we do? Where is our integrity and what is the condition of our heart – really? God will not be mocked - we cannot be 'pretend' Christians anymore. This Rosh Hashanah is a dividing line.

So we are taking this 40 day fast very seriously as we prepare for Rosh Hashanah. It is time to believe the word that God has spoken over us. God does not want to be liked, He wants to be believed! He wants us to believe that He has made us more than conquerors. He wants us to believe that we can overcome as we abide in him. It is time to overcome

40 Days of
Prayer and Fasting
to Prepare
for 5772 / 2012

We will start the fast at sundown on Sunday, 14 August and end at sundown on Friday, 23 September. We are not prescribing how you should fast - you need to seek the Lord on that. What I will say is that we had a prophetic word from Frans that we should 'spare not the flesh' in this season!

Why do we fast? Fasting is about creating capacity in your spirit man. When we stop eating, we starve ourselves of the revelation of the last level so we can develop an appetite for something new in God. This is especially necessary in a transition. We prepare to enter a new season and a new place in God, by ceasing to eat the food of the last season.

Fasting means 'to shut the mouth'. While we fast, shut your mouth - not only to food, but also to idle words of gossip, complaining and murmuring. Remember, the Israelites were disqualified because they complained one time too many. The unbelief in their hearts was established by the words of their mouths. Be wise and keep your mouth shut!

I recommend Dr Gwen Shaw's bible study on fasting - Your Appointment with God. As you read it, you will receive an impartation to fast!

sin, time to overcome doubt, time to overcome selfishness and laziness, time to overcome hurt and criticism - it is time to overcome every obstacle in your life that is stopping you from being built into the House of God.

God has been giving some incredible teaching about the House of God. (It is a NOW word and you have to get it!) **Heaven is My Throne, earth is My footstool , what is the House you will build for Me?**(Isaiah 66) God is looking for His house to come and dwell in. One that is not made with hands. The year 5772 is about God's House. The number 2 corresponds to the second letter of the Jewish alphabet "bet"- which speaks of 'house'. This next year's emphasis is all about God's house. Building His house from His blueprint! Stacey Campbell told us - heaven to God is dwelling among His people. He has always wanted a House where He can live with His people.

God wants a house to dwell in. He wants to live in the midst of His family. It is our destiny to become living stones built into this House. Every time we refuse to bow the knee to God - we are refusing to build a house for Him and we are denying Him His inheritance. Just think about that, our rebellion and sin stops God from having a House, yet we ask Him every day for our own houses and blessings for our family. Does that not sound like Haggai 1:9 **You looked for much, and behold, it came to little. And when you brought it home, I blew it away. Why? declares the LORD of hosts. Because of my house that lies in ruins, while each of you busies himself with his own house.**

We are the ones causing the Lord to be "homeless"!!!!!!!

At this Rosh Hashanah, I believe that those who do not want to build His House will be left in the desert with their miracles and their murmurings! God is ready to build His house in 5772, have you repented of your iniquity and laid down your life so that you can be built into it?

Blessings.....Apostle Natasha
