Now, therefore, you are no longer strangers and foreigners, but fellow citizens with the saints and members of the household of God, **having been built on the foundation of the apostles and prophets, Jesus Christ Himself being the chief corner[stone]**, in whom

the whole building, being fitted together, grows into a holy temple in the Lord, in whom you also are being built together for a dwelling place of God in the Spirit.

Ephesians 2:19 - 22

God is looking for a holy habitation where He can dwell among His people. This has been the desire of His heart from the beginning. Where is the house you will build for Me? Isaiah 66 is a cry from the Lord that we have been hearing since we first started our conventions back in 1996. We have always understood that He is looking for us to build a house and I remember preaching this at our first convention.

Ezekiel 43:10 *Shew the house to the house of Israel, that they may be ashamed of their iniquities: and let them measure the pattern.* Like Abraham and Moses and David, we must first SEE the city, the house, the temple. We must be able to read the heavenly blueprints and measure them against what we have built. Then we can see where we have missed

the mark (sinned) and REPENT. Because the scripture continues in verse 11 *...And if they be ashamed of all that they have done, shew them the form of the house, and the fashion thereof, and the goings out thereof, and the comings in thereof, and all the forms thereof, and all the ordinances thereof, and all the forms thereof, and all the laws thereof.* Only if we repent of building our own way, will God show us *“the design of the house, its structure, its exits, its entrances, all its designs, all its statutes, and all its laws.”* (Ezekiel 43:11 NASB)

We have embraced a lifestyle of repentance in the House of Ariel Gate and I believe this has been instrumental in bringing us to this place. In the last month, God has impressed on us that it is time to return to our foundations. Our obedience to this word has brought a fresh season of conviction and repentance in our midst. The Holy Spirit, our plumbline, is showing us where we have drifted from God's pattern of holiness and purity. The fire of God is beginning to burn the places in our hearts where we have become gospel-hardened and He is drawing us back to His original intention. He is looking for a House in which He can dwell among His people.

For this reason, God is releasing fresh revelation concerning the pattern and design of the House - as He said He would in Ezekiel. At our Namibia conference, God had given the Ephesians 2:20 scripture as a theme. As I looked at this scripture, God began to release fresh revelation that just blew me (and everyone else) away! I HIGHLY recommend that you get the messages from this convention as they are foundational for where we are going!

Ephesians 2:19 says that together with the saints, we are members of the household of God. This means that we are all part of the same house. We are living stones that are BUILT together to make a house or dwelling place for God. The foundation of this house is the apostles and prophets (another message all on its own) and Jesus is the corner(stone) it says. Let's look at that word for corner. The Greek word here is 'akrogōniaios' meaning at the extreme corner. It is made up of 2 Greek words 'akron' (highest or extreme) and 'gonia' (Angle or corner). The root word for 'gonia' is 'gonu'. This word means 'knee, to kneel down'. So we can interpret this word corner to mean 'extreme kneeling down'. And what are we doing when we kneel down? We are submitting ourselves to something, we are bowing before someone to show honour, we are lowering ourselves, humbling ourselves to worship something else.

This is what Jesus did when He went to the cross. He bowed down to the will of the Father. "Father, if it is Your will, take this cup away from Me; nevertheless not My will, but Yours, be done." Luke 22:42 He bent himself to the will of the Father. It is interesting to note that the word iniquity means to bend. When we bow down to another god in worship, it produces iniquity in our generations. But Jesus bowed down and submitted his own needs and desires to that of the Father and in doing so became the cornerstone of the house that God is looking to dwell in. He gave up His son as the pattern for building. A life laid down, an extreme kneeling, before the Father is the only way that God will build His house.

God can only build with you, if your life is laid down. To the degree that you can be bent to His will, is the measure of your ability to lead or build anything in His house. True apostle and prophets are those whose lives are laid down so that they can be built upon. If you are still 'standing up' claiming your rights as a son of God, minister of the gospel or whatever - you are not built into the House that God is planning to dwell in. God only builds with material that looks like the pattern that was set in his Son - the chief cornerstone.

This IS the foundation and how do we measure up? Are we still standing or can God build with us? The scary thing is that if we are not built into His house, we are built into another house! We are making a habitation on the earth for something other than God! God is showing 'the house to the house', let us be wise and repent so that we can be changed and conformed to His image.

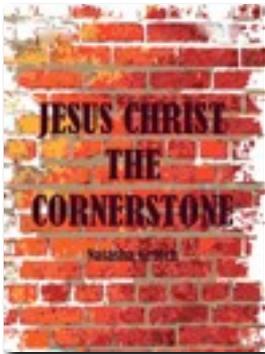

Blessings.....Apostle Natasha

This was the first conference to be hosted by ARIEL GATE NAMIBIA. At previous conferences, we saw strategic instruction and impartation being released in and for the nation of Namibia, but this time Apostle Natasha was able to land a solid foundation which was amazing to watch. Lorraine had a key scripture for the conference - Ephesians 2 v 19 – 22 with an emphasis on v 19 and 20. Apostle Natasha took this passage and really began to open up the foundations of the House of God. Her first teaching on the Chief Cornerstone set the tone for the rest of the conference. She taught excellently into how the cornerstone is set in place and what it cost Jesus to be accurately positioned so that the rest of the House can be built. This is such an excellent teaching that it is impossible to accurately share what was released. You really need to “**get the cd.**”

From this place she moved into a very clear teaching on the Apostolic, our need to judge and be exercised in judging and finally an excellent understanding of the role of the Prophet. It seems like once the foundation is accurately laid there is a better understanding of the five fold ministry gifts.

Ian Clayton shared the platform with her and spoke into our understanding of the Blood of Jesus. He brought an excellent teaching into the Baptism of Unity in the Body and then ended with a session on the Favour of God. Both Kate and Frans brought very powerful visions and prophetic instruction throughout the weekend. It was a real honour to attend this conference and see the demonstration of God’s Sovereign Power and Wisdom in action. His Government is landing despite circumstances and His Kingdom has no end!!

This whole conference was a call back to the ancient ways of God. Apostle Natasha preached some ‘in your face’ truths that convicted and challenged us. The workshops were practical tools to help us live out our destiny. What a ‘God surprise’ to have Stacey Campbell minister to us on what Heaven is to God - a real end-time message! Then Ian just capped it all off with his hard-hitting message on holiness and the way of the cross. The worship by the Healing Wings team was awesome, the prophetic words brought the fear of God and the apostolic order demonstrated the government of God over this whole event. If you were not there - get the DVDs and be challenged to your core!

Some comments from delegates:

The conference held by Ariel Gate was truly a Super Natural experience for me. I have been completely inspired to keep on walking out God’s will for my life.

What an honor it was to be part of the Next Generation Conference! The gripping Krugersdorp chill stood no chance against fire brought in by the Holy Spirit. Hearing the Lord’s Word spoken exactly as it is, I realized how limited my understanding of the Kingdom, it’s dynamics and the Lord’s Will and Purpose is. “My children perish for lack of knowledge”; I realized how tired I am of oblivion, I want to know my God; I want to live and breath Him and make Him smile.

That was awesome with spirit filled sessions, made me realise there is more to our part as next generation and preparing for future.

We can live out our purpose in life that we agreed upon with God or carry on with our worldly life and miss the boat...
