We are in the decade of 5770 or ayin which is all about our vision. Where is our focus? The year 5771 was about aleph, The Father. We gained a fresh understanding of His Kingship and our identity in Him. Then came 5772, beit, which was all about the house. Understanding how to be sons, after the pattern of Jesus, that build the House of God and stewards of the economy of that house. Now we have entered 5773 or gimel. The Hebrew letter gimel is ג. The form of gimel is like a man walking with his head bowed in submission. The letter means camel or bridge and it represents the third person of the Godhead, the Holy Spirit.

At our summit, Katie saw that John the Baptist gave us a mantle that was very hairy and she saw the number 1581 on it. The Strong's Hebrew number 1581 is 'gamal' and means 'camel'. We received John's camel hair mantle in the year of the camel! He also told her that the reason he gave us his mantle was because we had the same 6963 and 5456 as he had. The Strong's number 5456 in Greek is 'phóné' which means 'a voice, a sound' and the Strong's number 6963 in Hebrew is 'qol' which also means 'a voice or sound'. John was the sound of one crying in the wilderness (Isaiah 40:3, Luke 3:4). His sound was one of repentance and a call to holiness. John, who was filled with the Holy Spirit from the womb, was the sound of the Holy Spirit preparing the way for the Lord. John's mantle is also the mantle of Elijah because John came in the spirit and power of Elijah. A spirit which confronts the governmental systems of the day and challenges them with the word of the Lord. Elijah also called Israel to repentance, he knew how to travail and administrate judgements from heaven. Elijah also wore a mantle of camel hair! This is the same mantle which was given to us.

For us, the year 5773 is about a man, filled with the Holy Spirit, walking in a camel mantle. I believe that God is looking for a John the Baptist or Elijah company. A corporate voice coming out of the wilderness calling people back to God. A company of people who look different to the current religious order. A company of people who eat a different diet and live a fasted lifestyle. God is looking for a company that is coming out of the wilderness ready to confront principalities and powers that have held whole nations captive. A company that will **be** *The voice of one crying in the wilderness: Prepare the way of the Lord; Make His paths straight, Every valley shall be filled and every mountain and hill brought low; The crooked places shall be made straight and the rough ways smooth; And all flesh shall see the salvation of God* (Isaiah 40:3-5) (I recommend that you listen to Apostle Natasha's messages on *The New Year of Gimel* and *Yom Kippur 5773* - both available from the office.)

God, the Father (5771), the Head is building His house (5772) through His sons who will walk out His instruction given by the Holy Spirit in 5773. God is looking for a corporate John who will call many back to righteousness. The essence of this message is embodied in the theme that we have chosen for our Next Generation conference. It is entitled KEEP WALKING and we are using an adaption of the Johnny Walker logo - a man walking! Johanan Halak. This is the year for John to walk out of the wilderness and be the voice of the Holy Spirit to this generation!

*Blessings... The Ariel Gate Team*

An African representation of the Army of the Lamb gathered at our 3rd Ariel Gate Summit to receive their marching orders for the next season. Every session - in the worship and the teaching - we were equipped, instructed and empowered to take our positions in 5773!
