God is Establishing His New Order

Eleven years ago at the Feast of Tabernacles – September 27 1999 – we quoted the Israeli News Service announcing the first steps towards re-instituting the system of shifts of the Levitical priesthood. This was an historic announcement after 2000 years as we were entering into the new millennium of 2000! See the excerpt below from the 1999 newsletter:

CAN YOU HEAR THE SOUND OF THE SHOFAR?

At the sound of a voice like a shofar the gates of heaven will open. Rev 4:1 & 1 Thess 4:16-17

The gates of heaven are opening on Rosh Hashanah the 10 & 11 September 1999 and we are going to come up before the King. **We are in Hebrews 12, on Mount Zion at the registration**, “*But you have come to Mount Zion and to the city of the Living God, the Heavenly Jerusalem, and to an innumerable company of angels, to the assembly of the firstborn which are registered in heaven and to God, the Judge of all...*” And the books have been opened for THIS registration. (Daniel 7:9-10, Malachi 3:16-17, Rev 20:4, Psalm 139:16)

We have been under the Shepherd’s rod in the 30 day period before this day (season of Teshuvah) for evaluation and assessment; the plumbline has measured, we have been weighed and the angels have kept the records (Daniel 4:13). This is the time of the opening of the books (Daniel 7:7-9). These books refer to: the book of the righteous (Isaiah 26:2, Psalm 118:19), the book of the wicked and the book of remembrance (Malachi 3:16). When these books are opened, we will be promoted (or demoted) and commissioned according to the assessment of the seated court - because of our present time and season, this court **will assess us for millennial rule**.

PRIESTLY BLESSING ATTRACTS TENS OF THOUSANDS

September 27 1999 / Tishrei 17, 5760
Some 40 000 people crowded the Western Wall Plaza this morning to receive the traditional Sukkot holiday Priestly Blessing. Attending the ceremony were Chief Rabbis Yisrael Meir Lau and Eliyahu Bakshi-Doron, and the Minister of Religion, Yitzchak Cohen.

Thousands are expected tonight at yet another gathering involving Kohanim (priests of Aaron’s line) and Levites. At the Jerusalem Convention Centre, several organizations will take the first steps towards re-instituting the system of shifts (mishmarot) that functioned during the Temple times.
Arutz Sheva News Service

We tell the time by watching the fig tree, which is physical Israel (Matt 24:32). God was speaking through the announcement in 1999 that the time for the priestly allotments had come. He spoke again when the identification of physical priests in the land of physical Israel was announced in the newspapers! The technology was discovered which could identify ‘Cohen’ priests by a marking on the Y chromosome of the DNA. Cohen priests are those who are of the line of Aaron. So as Israel re-instituted the shifts for the priesthood, God made the genetic technology available to identify those of the Aaronic line. It is now almost Rosh Hashanah 2010 / 5771 and it is 11 years later. The time of identification of the new priesthood **for us** would be according to the order of Melchizedek – this would be on Mount Zion - the gathering of those identified as “just men made perfect” Hebrews 12: (just men = Tzaddikim).

Ian Johnson shared an important prophetic message at our conference in New Zealand, I realised that God was NOW instituting this new order in the earth! (see report on Page 3) He told us that on 15 July 2009, there was an earthquake on Resolution Island (which is at the southernmost tip of the South Island of New Zealand) which measured 7.8 on the richter scale. This was the strongest recorded earthquake of 2009. It occurred at 9:22pm. When it happened, he knew that the Lord was trying to get his attention. As he prayed about it, the Lord led him to Numbers 9:22 - 23

Whether it was two days, a month, or a year that the cloud remained above the tabernacle, the children of Israel would remain encamped and not journey; but when it was taken up, they would journey. At the command of the LORD they remained encamped, and at the command of the LORD they journeyed; they kept the charge of the LORD, at the command of the LORD by the hand of Moses.

Ian challenged the church that God was telling us, “It is time to move!” The cloud is moving and we need to break camp (leave the old wineskin) and move with the cloud. He cautioned us that if we chose to remain where we are when God moves, we would be left in isolation, without provision, protection or the presence of God! He encouraged us that moving with the cloud, also meant that we need to get into the cloud and have a face to face encounter with God so He can give us new vision for the future. We cannot break camp, but then keep trying to re-create the old wineskin or the familiar at which to camp

again. He also added that he had received this instruction the year before in July 2009 and now in July 2010, we were already a year behind God's schedule!

He continued his prophetic instruction in his next message where he explained that the way to prepare for God's NEW order is to call for His fire on the OLD order. He looked at Elijah and the prophets of Baal. When God is ready to bring a change of order, he causes a confrontation. And Elijah came to all the people, and said, "How long will you falter between two opinions? If the LORD is God, follow Him; but if Baal, follow him." 1 Kings 18:21

BAAL means "lord, master, possessor, and married". God is calling us to decide once and for all who we are married to. Are we in covenant with Him or with another god? If we say we are married to Him, then we need to divorce every other god who claims that we have made covenants through our history and we need to call for fire to burn up everything in us that looks like any other god. We need to start by making this decision!

While the priests of Baal are trying to get their god to answer them, Elijah repairs the altar that had been set up by Joshua. He takes 12 stones that represent the 12 tribes and builds an altar to the Lord. We all know the story, he pours water on the altar three times so that it is completely surrounded by water. Elijah then calls for fire to burn up the sacrifice. God does send fire - and the fire burns EVERYTHING! The stones, the dust, the sacrifice and the water. NOTHING is left!

This is a picture for us. When God is going to institute something new, He completely removes the old. Notice that he burnt up the entire altar - including the stones. When God does something new, He will remove old ways, even if they were of God. The altar that Joshua built

was godly, yet God burns it up. The 12 stones represent the government of Israel and he burns it up completely....

In this way, God makes the way for Elijah to go and commission a new order and a new government - Jehu and Elisha. It is time for us to have the courage to marry the Lord and call for fire on the old order. There is an urgency since we are already a year behind. When this message was released in New Zealand, Kate saw the Revelation 10 angel being released who declares, "there shall be no delay". Ian Clayton said the numbers were significant it was the 10th day of the 7th month of the year 2010. He added 10 +10+7 and said that 27 was significant! Look at the news article eleven years ago - September 27, 1999!

On Sunday, 11 July 2010 it was the first day of the Jewish month of Av 5770 - the first nine days of Av are considered days of "birthing" and commemorates the death of Aaron (Ahron Ha Kohen) and the start of the rule of a new priest! Then there was a solar eclipse from Easter Island to Hawaii on that same day! A confirmation that something shifted in the heavenlies and on the time line.

Rosh Hashana begins at sundown on 8 September 2010. We have 30 days of Teshuvah (starting at sundown on 10 August 2010) to prepare for THIS opening of the gates and seating of the court. Thirty days to break camp and decide that we are moving with the cloud. Thirty days to divorce all and any other gods (idols in our hearts) and marry the Lord. Thirty days to get face to face with Him and receive new vision.

God is establishing a new order and it is from Mount Zion - May your name be inscribed in the book for a good year!

Blessings

WIND & FIRE IN NEW ZEALAND

This was our first Ariel Gate conference in New Zealand hosted by our firehouse there, Moed Ministries. This was one of the most incredible conferences I have had the privilege of attending. God faithfully established His purposes through apostolic / prophetic administration. He dealt with the church of New Zealand, bringing them to repentance, restoring order and vision and commissioning them for the next season.

Apostle Natasha started the conference with a key message from Psalm 78 on honouring the fathers and receiving your inheritance. As we prayed over the offering taken during the message, we experienced a powerful breakthrough for the next generation. Kate also saw that we received the keys of government from John Key, Queen Elizabeth II and the governor-general, Anand Satyanand. (Kate received this name in the spirit, not knowing who it was.)

Ian Clayton then spoke about our inheritance in Jesus. Sharing from the Old Testament precedent of Elijah and Elisha, he shared that God will bring separation in order to release an inheritance. Also Jesus needed to leave (be separated) before the Holy Spirit could be released as our inheritance to fulfil our mandate to preach the gospel to Jerusalem, Judea, Samaria and the ends of the earth. He then taught how the Holy Spirit is our covering and how to move with the Holy Spirit in order to fulfil your destiny.

That afternoon, Ian Johnson shared on the spiritual history and inheritance of New Zealand. He showed how spiritual developments in New Zealand parallel events in Israel. He then shared about a Maori man named T.W.Ratana who had been an alcoholic. In 1917 he was sitting on his porch and saw a cloud come towards him. The cloud was the Holy Spirit and it came upon him and told him that he needs to choose the one true God and leave all his other gods. He then got saved by revelation and began to preach the gospel to the Maori people. Three thousand people were saved under his ministry before the European

church in New Zealand began to persecute him and shut him down. After 6 years of preaching he was in burnout and went into deception. His legacy was lost and people only remembered him for the bad ending. We repented of not receiving what God did through this man and also for stopping the move of God through him. Apostle Natasha got the Maori people to stand and receive the repentance and release forgiveness. They were then re-mantled with the mandate given to TW Ratana. It was really awesome to see this mantle being restored!

This set the platform for the evening session where Apostle Natasha took everyone to court to divorce all the Maori gods. We dealt with all the gods that Katie had identified in vision as well as a few others. We dealt specifically with tattoos that were on the Maoris that bound them to the gods. Then we married the Maoris and New Zealand to the Lord and there was great rejoicing!

The next morning, Ian Johnson preached on "The Cloud is moving". He shared that in July 2009 there had been an earthquake at Resolution

Island that measured 7.8 on the richter scale - the strongest earthquake of 2009. The clocks on the South Island stopped at 9:22 and he equated this with Numbers 9:22. It was time for New Zealand to break camp as the cloud was moving. He prophetically proclaimed this to the church of New Zealand and challenged them as to whether they were ready to move with the cloud. He also felt that people had to go into the cloud to receive a new vision.

Ian Clayton then ministered about the different types of angels, what they do and how they are mandated to help us. He then moved into a message about the scroll of your life. How it manifests, how to read it and how to administrate the scroll.

In the afternoon, Apostle Natasha taught on the Ecclesia. An excellent message on the structure of the church that is based on the synagogue. The understanding of God's

government for His church really landed in this session. That evening, we had a real birthing session - the intercessors birthed renaissance for the nation of New Zealand and Moed Ministries birthed a

governmental baby. It was awesome to see! Then Ian Johnson stumbled around extremely drunk in the spirit preaching a phenomenal word about the fire coming down on Mount Carmel. He explained that the fire burnt up the old structure represented by the 12 stones of Joshua's altar and the water and the dust - it consumed everything! He explained that God wants to consume everything and cleanse the land before establishing a new order. Then he called for fire to come! As you can imagine, it was holy chaos!

Then Kate saw the Revelation 10 angel being released and standing on New Zealand. Ian felt that the date (10/07/10) was significant and Apostle Natasha explained that it referred to Revelation 10: 7 and 10. God had birthed something new in New Zealand and they had to eat

the book and prophesy again!

Apostle Natasha's final message was one of the best I have ever heard. She preached about building according to the pattern. She did her 'mud-man' message amidst great laughter, explaining Lucifer's trading floor and the fact that it is our destiny to take his place. This incredible message was delivered under a heavy apostolic unction and landed as a commissioning to the church of New Zealand which they accepted. At the end of the service there was a real release of a word of unity for the church and we were able to honour the prophets (both Ians) and receive them in the nation of New Zealand. It was a really healing time for everyone.

At the last session of the conference Liz Fitzgibbons from Ireland (who had been doing the worship) ministered. She spoke about the fear of the Lord and her personal journey and

relationship with the Lord. At the end of the meeting, we re-commissioned her to restore the ancient sounds and revelation of Ireland.

Then we honoured Grant and Samanatha (who head the FireHouse) for the price they paid in doing this conference and for standing firm in the middle of the storm that erupted around the conference. They really did an incredible job and Ariel Gate in New Zealand - Moed Ministries is well and truly established!

NEW MESSAGES HOT OFF THE PRESS

Apostle Natasha has been in a flow of fresh revelation since the convention releasing some life-changing teachings! These are some of the messages from our latest Wednesday and Friday Meetings - we highly recommend that you get them in order to help you prepare for the summit in September!

HALAK - Friday, 23 July 2010

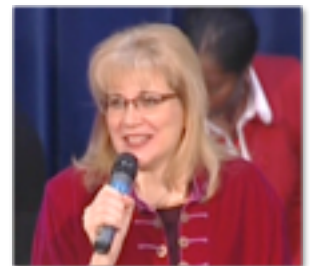

Lucifer walks (halaks) up and down on the fiery stones and he is thrown out of heaven because of the abundance of his trading. It is time for us to learn how to walk (halak) on fiery stones and trade in righteousness.

DEALING WITH THE HIPPOCAMPUS - Wednesday, 28 July 2010

Apostle Natasha explains how our thoughts can be demonically influenced through the hippocampus. Learn how to set your brain free through prayer!

BAAL - THE COW/BULL GOD - Wednesday, 11 August 2010

Excellent teaching on Baal worship. What is it, where does it come from and how has it influenced every culture on earth. Learn specifically how this principality rules over Africa and get divorced from it!
