This was our 5th Ariel Gate Convention and even as we started preparations for the convention last year, we experienced a calm and an ease that we had not known before. As the delegates arrived, they all confirmed this sense of peace, but with a heightened expectation!

And God amazed us all AGAIN! He did over and above what any of us could have asked or imagined. The times of intercession and prophetic action were incredible with God allowing us to administrate some awesome things. (PLEASE NOTE, that the CDs contain ONLY the speaker's message. The DVDs have all the worship and prophetic administration on them.) This is a brief overview of each of the sessions:

OPENING NIGHT - NATASHA VERMAAK

Apostle Natasha gives an overview of the road we have travelled to come to Mount Zion. She touches on our marriage covenant with God, our water baptism or circumcision and the price paid to reach Mount Zion. Apostle Natasha explains that Mount Zion is about God's government and she begins to lay a foundation on what that government looks like. Excellent teaching on the pattern of government established in the synagogue and how it compares to that of the New Testament church. She then explains that Jesus said He would build an ecclesia and THAT would be His governmental structure. This message is an introduction to Kingdom Government.

THE VAGABOND SPIRIT - LANGTON GATSI

Apostle Gatsi releases a powerful message of deliverance to those who have been kept captive by a vagabond spirit. A spirit that does not allow you to settle and prosper in a land. He teaches how this spirit operates and how to identify it in our lives. He then gives line-upon-line teaching on how to repent and destroy the records in the earth and establish a covenant of peace with the earth. Excellent, must-have revelation!

YOUR ETERNAL PURPOSE - EMMANUEL KURE

Apostle Kure challenged us all with the statement that, "You have no right to die until you have fulfilled your God-given purpose." He reminded us that God has a destiny for each person and that we need to be diligent to fulfill it. We must ensure that we do not allow the enemy's strategies of delay and distraction or fear of reprisal to stop us.

THE TITHE - ADEYEMI ADEFARASIN

This is one of the best messages on tithing that I have ever heard. In his characteristic manner, Apostle Yemi takes us all 'a little deeper' into the tithe and what it means to God. This biblical teaching is laid out methodically, answering many practical questions that we have concerning personal and corporate tithing. Be ready to be convicted and challenged!

FIRE ON MOUNT ZION - JILL O'BRIEN

Apostle Jill taught on the baptism of fire - what is it, why do we need it and how do we get it! She had us all crying with laughter as she related her personal testimony of receiving the baptism of fire. She then laid hands on all who wanted to receive this fire - a powerful time of impartation!

THE ECCLESIA - NATASHA VERMAAK

Apostle Natasha builds on her earlier message on Kingdom government. Using Matthew 16:18 as a basis, she explains that Jesus said He would build an ecclesia in order to prevail against the gates of hell. The present church is not prevailing because we have not understood the concept of 'the ecclesia'. She breaks it down and begins to shed revelational light on this important concept. This material is essential to our grasping Kingdom Government.

POSITIONED FOR DIVINE OVERFLOW - DR RICHARD HEARD

Dr Heard brought a positioning word to us as the spiritual father of the House of Ariel Gate. He explained that in this season God is shifting us and putting pressure on us to get into the position that He needs us to be in. When God commanded Elijah to go to the Brook Cherith, it was because He planned to bless him THERE. If Elijah has stayed where he was, he would have missed the blessing of God, because he was HERE instead of THERE! It is time to be where God has called you to be!

SEVEN LEVELS OF FATHERHOOD - DR RICHARD HEARD

Dr Heard teaches that as a church we have not been able to get behind the veil because we have not understood the concept of fathers and sons. It is only as this inter-generational relationship comes to order that we are going to be able to corporately move beyond the veil. He goes on to identify 7 levels of fatherhood and some of the characteristics of true fathers and sons. This message is packed full of revelation and instruction for those that have ears to hear!

FIREHOUSES

In this session we shared an update on what has been happening in some of the projects that our Firehouses are involved in. We took some new members into the House and also explained how to become part of the Ariel Gate House.

RESTORING THE GLORY OF THE EARTH - EMMANUEL KURE

Apostle Kure spoke about the weapon of sound - how it opens gates, marshals angels to war and brings healing, to name a few purposes. He taught how the enemy understands this better than the church and is using sound warfare against us. He gave us several prophetic insights into the situation in South Africa that were extremely helpful as

directives for how to pray for our nation. He then did a prophetic

action to deal with a curse made on the land of South Africa by an ancient chief. Very powerful!

BEING RAISED UP TO RULE - JILL O'BRIEN

In this closing message, Apostle Jill encouraged us all to press through the difficult and often painful times of God's process. It is only as we allow Him to do His work that we become overcomers who will be able to rule and reign with Him. We must grow into the righteous trees that will provide shade for the nations!

WATER BAPTISM - CD

Apostle Natasha returns to teach apostolically on the foundations of our faith. In this series, she releases fresh revelation concerning water baptism. Ministering from Colossians chapter 2, she explains that baptism is our circumcision under the new covenant and our passport to a new life.

WHAT IS MOUNT ZION? -

Recorded just before our 2010 Ariel Gate Convention, Apostle Natasha teaches that one does not come to Mount Zion overnight, but it is a process that God leads you in that takes many years. She also teaches on what Mount Zion is. It is a mountain of the Lord, but what does that mean, why do we want to go there and what does it mean practically to live there..
