The last month has been a journey for me as I have felt the weight of responsibility for the revelation that God has given us stewardship over. Our Free State conference was HEAVY and WEIGHTY in the spirit. (Full report on page 2.) God spoke to us about not selling our birthright and proceeded to rebuke us in every area where we have been doing that. I was disciplined for not stewarding the Moravian Prayer mantle correctly and had to judge every place where it had been used incorrectly. Very sobering!

Hebrews 11 & 12 is the passage of scripture that we are living in at the moment. We are surrounded by a cloud of witnesses that have eagerly looked forward to this day. They have done their part and now it is our turn. God is showing us every sin and weight that is holding us in old patterns of iniquity. He is delving deep into our hearts to pull out the ungodly attitudes and unrighteousness. This is proving painful, but we know that it is working for us a greater weight of glory (2 Corinthians 4:17)

At the Blood and Cross Seminar in George, I challenged the church there about the gospel that we live and preach. I find it is by and large a bloodless gospel. We want what Jesus died to give us, but we do not want to talk about His death or His blood. If we are seeking for the prophetic destiny of a tribe outside of the blood of Jesus - then we are in racial pride. If we are seeking the transfer of wealth outside of the blood of Jesus - then we are worshipping mammon! Where is the gospel of the cross of Calvary? It seems that we only want to know Jesus on our terms.

Paul says in Phillipians 3: 10 "that I may know Him and the power of His resurrection, and the **fellowship of His sufferings, being conformed to His death**". I believe that this is how He wants to be known. In the power of His resurrection, understanding that He has overcome ALL things. In the fellowship of His sufferings - Jesus wants to know us in our suffering. If we never suffer anything - how will we

know Him. Being conformed to His death - this means that we will take on the likeness of His death. This is how to know Him.

I have preached this many times from the scripture Matthew 7:23. We must know Him and ensure that what we birth was conceived with Him and not another god. But I believe God is now telling us HOW He wants to be known. He is looking for those willing to suffer for His sake. If we are to stand alongside witnesses and martyrs in Mount Zion (Hebrews 12:22), they understood suffering. Just read Hebrews 11: 36-39. Some were stoned, sawn in two, scourged - and we complain when our air-conditioning is not working! God

wants to know His sons and He wants to know them in the fellowship of His sufferings, He wants to know them in the power of His resurrection. I have been reading a book by John Crowder called, "The Ecstasy of Loving God". It tells of the martyrs who were so enraptured with Jesus that many did not even feel the sword or the stones that executed them. God is calling us back to this type of love relationship with Him. As it says in Revelation 6 - they overcame by blood of the Lamb and the word of their testimony and they loved not their lives unto DEATH'.

The company of people that are coming to Mount Zion (Hebrews 12:22) are those that KNOW their God. They have been tried in the fire and come through as gold, silver and precious stones. Katie recently had a vision of me in Mount Zion and she saw that around about there were some other people and ministries on smaller mountains. She heard the Lord tell her that these mountains were dunghills. God is not looking for us to build our own thing, but He is wanting us to come to Mount Zion - the mountain of the Lord - and be counted with 'the spirits of just men made perfect'. However, there is a protocol for ascending the mountain of the Lord - we are in training because we want to be found in Mount Zion.

Blessings

Apostle Natasha

FREE STATE CONFERENCE 2009
16 - 18 October 2009

Our Free State conference was one of the most intense conferences we have held - heaven's interest and investment in what we did was truly evident throughout the weekend. We started with Apostle Natasha teaching on the passing of mantles and how to position yourself to receive one.

We spent much of the next day in repentance for blood altars in the concentration camps in Bloemfontein and the roots of bitterness in our hearts about this. We also repented for abusing the mantles of saints that had gone before, for our own ends. Apostle Natasha received prophetic word to begin to judge what people had done with these mantles, specifically with the Moravian mantle that she had imparted to many people since 1999. As we did this, the fear of the Lord fell on us and we felt the rebuke of the Father.

The last morning, God spoke to us as sons out of Hebrews 12. He had disciplined us and it had been painful, but we knew it had been for our own good. The presence of God in the worship was awesome and Apostle Natasha delivered an encouraging word that strengthened us immensely. We ended the conference with a refreshing anointing from the cloud of witnesses that left many people drunk in the spirit!

We still do not understand all that God did over this strategic weekend, but we are determined not to sell our birthright!

This Seminar laid a solid platform in George of the centrality of the cross and the shed blood of Jesus. Apostle Natasha explained that if we are seeking for the prophetic destiny of any one tribe outside of the blood of Jesus - then we are in racial pride. If we are seeking the transfer of wealth outside of the blood of Jesus - then we are worshipping mammon! Jesus' blood and cross is the door through which we enter destiny.

This hard-hitting message dealt with the jezebelic principality over the city and the stronghold of mammon over the Cape to Cairo Highway.

We realized afresh at this seminar that God is no longer playing games. He wants a Bride and an army to march with Him, but it is going to be on His terms and in His pattern.

I think Bert's CD is phenomenal!

My favourite song is 'The Glory of God', I believe it carries the cry for the glory that we are all feeling right now. I recommend you get your copy before they sell out.

Apostle Natasha

Many of you know and love Bert Cloete who leads worship at our Ariel Gate Conferences. IT'S NOT OVER is his new solo album that has been prophesied by many from our platform. Apostle Natasha is very excited with the sound being released - there is some great African jabula music as well as deep worship and intercession for the nations.

The anointing of worship and travail that Bert carries is all over this album and we know you will be blessed by it!
