As I am on my way to attend the ICA meetings in Dallas, Texas - I can only look back at the last 2 months and marvel at all that God has done in and through us! Not only has He released tremendous revelation concerning the spirit of Baal (the 'cow' god) but has allowed us to administrate a divorce from this god in several nations and continents. We know that this is indeed shaking the systems of the enemy's camp! We have yoked ourselves to the Righteous Ox, and seen an increase in the release of revelation and understanding concerning the government and administration of the Kingdom of God.

The Summit was awesome - we saw how heaven and earth's government begin to move in tandem to see the nations of the earth disciplined. It was so good to have Apostle Robert Henderson with us for the first time. His messages and the way he worked with our team was an inspiration to many!

Ian Clayton travelled to Namibia straight after the Summit and held some key meetings in Windhoek before we did a conference together in Swakopmund (on the coast of Namibia). It was our first time to be in Swakopmund, but the people were very hungry and God was able to release and administrate strategy for the nation. From there I travelled to Brussels, Belgium to attend the 10/10/10 conference of European Gatekeepers headed by Apostle George Markakis. It was good to meet other European apostles and we spent a lot of time before the Lord asking for strategy for Europe. We ended the weekend by divorcing Europe from Baal and marrying her to the Lord. I also then administrated the removal of the African / Congolese trading floor of blood (set up in Belgium during the reign of King Leopold) which is foundational to the world government systems being developed in Brussels.

From there we travelled to Cape Town for our school on Prophetic Protocol. It was excellent and I recommend that everyone get the messages. We are still processing all that God did, but suffice to say that after MUCH repentance, God began to release a new mandate for the prophetic and its place in His Kingdom government. (See full reports on all these meetings elsewhere in this newsletter.)

Since Rosh Hashanah, we have entered a new season and there is tremendous acceleration in our lives. It is

time to learn His ways and then we are to walk in them. The way we walk is important to God! We cannot just continue as usual. We should not be praying the same way or thinking the same way. Take some time to spend with God and allow Him to remove the old and enlarge you in this new season. It is the time when the kings of old went to war to enlarge their territory - make sure that you get all that God has for you in this season! Looking forward to seeing you all at our school with Dr Heard in November!

Apostle Natasha

This was our first Ariel Gate Summit and God certainly set a high standard. The flow of revelation and administration of governmental issues was incredible. Everyone walked away from this time challenged and empowered to "Let His will be done on earth!"

1. LET YOUR WILL BE DONE ON EARTH - NATASHA VERMAAK

Apostle Natasha teaches that both heaven and hell need human agents in order to birth something into the earth. If we are looking for

God's will to be manifested, we need to be His agents that will set a precedent and enact His government. In order to do this, we need to be yoked to Him and move in step with what he is doing. The ear 5771 is the ear of the ox and it is time for us to be yoked to the Righteous Ox and be His agents in the earth.

2. THE PROVISION OF THE KINGDOM - IAN CLAYTON

God has already provided all we need in order to extend His kingdom. This provision is laid up in the names of God. Ian unpacks each of the names of God and opens up the provision within each name for us to lay hold of.

3. GOD'S PATTERN FOR GOVERNMENT - NATASHA VERMAAK

Ministering out of Matthew 16:18, Apostle Natasha teaches on the ecclesia and begins to prophetically call them into place. She explains that God's ecclesia is part of His government and focuses this message on our need to learn His ways and how to walk in them. This ability to 'halak' will mark God's ecclesia!

4. APOSTOLIC REFORMATION (PART I) - ROBERT HENDERSON

Robert Henderson teaches that the great commission is about discipling nations more than it is about individuals. He challenges us that it is our job to disciple nations to a kingdom culture and not a church one. He then begins to teach on the 7 Mountains of Society and how we are called to influence them. IN this message, he talks to the Religion Mountain and the Family Mountain.

5. APOSTOLIC REFORMATION (PART II) - ROBERT HENDERSON

Robert Henderson continues his teaching and speaks to the Education Mountain.

6. GOD'S HEAVENLY GOVERNMENT - NATASHA VERMAAK

This message was preached on Yom Kippur and an awesome presence of God resided over the whole session. Apostle Natasha and Ian taught about the 10 levels of angels and their involvement in God's government. You will gain an incredible understanding of how government on heaven and government on earth are meant operate together.

7. THE GALACTIC COURT - IAN CLAYTON

This was another revelation packed message. Ian taught on the operation of Heaven's Galactic Court. He also explained that there are protocols in place for access to the court and that administrating in the spirit realm as Sons of God is something that is learned through maturity. A message full of spiritual meat!

8. APOSTOLIC REFORMATION (PART III) - ROBERT HENDERSON

Robert Henderson continues his teaching and speaks to the Government, Business, Media and Arts and Entertainment Mountains.

Baal worship - the worship of the cow or bull god - is a foundational stone in many cultures of the earth today. It is found in every generation and draws people away from worshipping the One, True God. In the teaching you will learn about Baal - who he was and what Baal worship looks like and then how to divorce yourself from this god.

CD - R45

Apostle Natasha begins by explaining Lucifer's mandate as a covering cherub and the abundance of his trading that caused his exit from Heaven. She then unfolds God's grand plan for mankind that has been in place for eternity. Learn what God's destiny is for us and how Adam was simply a starting point.

GATEKEEPERS OF EUROPE

10-10-10

It was a privilege to be invited by Apostle George Markakis to be a part of this strategic gathering of European apostles over the 10 October 2010 (10/10/10) weekend in Brussels, Belgium. We were gathered to seek strategy from the Lord for the continent of Europe.

After much prayer from the leaders, I was able to deal with the trading floor of blood that was set up in Africa and specifically, The Congo, during the reign of King Leopold. We repented for the blood that had been shed in that nation and halted the use of it as a trading floor for world systems based in Brussels. Awesome!

Europe is named for the Princess Europa - a Phoenician princess (of Tyre) who the god, Zeus, fell in love with. He transformed himself into a bull and kidnapped her. He took her to Crete and made her his lover and they produced 3 children, according to legend. Europe is named for this princess who is married to a bull. This image is even on their money! We, as European leaders, agreed that Europe had married the wrong husband (the bull) and needed to divorce the spirit of Baal. It was interesting that we did this on 10/10/10 and the Strong's Hebrew number 1010 is *Beth Baal Meon* (The House of Baal). The Strong's Greek number 1010 is *bouleutés* (a councillor or member of the Sanhedrin). So we were gathered as a legal Sanhedrin court to deal with the House of Baal in Europe! We divorced

Baal and chose to marry the right husband, Jehovah. We then signed a written decree confirming this marriage covenant on 10/10/10. We further declared that we wanted Europe's Godly inheritance back and we wanted Europe to return to its original name of "The Christendom".

While we were busy, Hrvoje Sirovina (who accompanied us on the trip) saw a council table where men sit to gamble for nations and the souls of men. As we administrated the above, we put a sword through their "gambling" table and it began to crack! I was excited to hear this vision because it relates to a word that was released through Jill Austin in 2007. *"I had an open vision and saw a gambling casino covering the earth. They were global players who were playing for the world's resources (like gold, silver, oil, water, inventions, medical breakthroughs, high level technology, etc.). They had no problem committing genocide against entire nations to obtain these valuable commodities. They were playing with cards and gambling for high stakes. Their faces became like dogs... But then I saw the Kingdom players of the Lord - His Holy Mafia - who also came and sat at the various tables to play for world resources. They were undetected. They were the Lord's 007 agents like a "James Bond", playing a very deadly and dangerous game."* (You can see the full prophetic word at www.masterpotter.com/articles)

We are humbled that God would use us at this strategic time in Europe! We re-set a window of blessing for Europe and closed a demonic trading window. Thank you all for praying - you share in the spoils of this war!

Namibia
Conferences

"Come let us press in to know the Lord" Hosea 6:3

After the September Summit we travelled with Ian Clayton to Namibia to do meetings in Windhoek and an Ariel Gate School in Swakopmund.

In Windhoek Ian revisited and reviewed some topics he had taught before, answering questions that helped to establish previous teachings. There was a real hunger among the delegates and we were excited to have a large group of young people who were helping in the conference. For many of them, it was their first time to hear Ian and they were all greatly challenged by him. On the last night Ian prayed a release for each one of them and they in turn prayed for us as they formed a fire tunnel for the remainder of the delegates to walk through. It was amazing to see these young men and women activated in their faith and praying for others with such passion. May this be the start of something significant among the youth in Namibia.

Apostle Natasha joined us in Swakopmund for the Ariel Gate School. Her Worship, Counselor Shitaleni, opened the school with a powerful prayer that dedicated the whole town to Jesus and called in the Kingdom over the region.

Apostle Natasha and Ian modeled prophetic revelation and apostolic administration excellently as they worked together on most of the sessions. There was excellent teaching into the structures of Kingdom government.

The first session really impacted me. Ian taught on Heaven's scroll for your life. How you receive it and what happens when you are still attached to ungodly scrolls. Apostle Natasha picked up the teaching and drew parallels to Baal worship. We divorced Baal in the nation and renewed our covenant with the Lord.

God is doing an excellent work in Namibia. Each time we go, we see the Kingdom extending in this nation.

ISRAEL PRAYER JOURNEY

SEPTEMBER 2010

Apostle Natasha and a group from Ariel Gate joined Apostle George Markakis (Greece) for a prayer journey through Israel over Rosh Hashanah. They carried out several specific prayer mandates including prophetically marrying the Lord in front of the gates of hell!

My first highlight was Marissa, the Filipino woman of God who runs 24/7 prayers and does the foot washing ministry in Israel. This for me, was the highlight of my trip. She moves in a pure, unadulterated, apostolic mandate and her and the people God brought her way, hear God in an amazing way! She told us that God says Asia and Africa need to arise to fulfill the Father's kingdom mandate for the end times. Coming from a humble apostle of the kingdom of God, who has offered her life to live in Israel, to serve from the mount of Olives day and night, praying, you really take note.

Lerato Moleko

The prayer mission had undoubtedly many spiritual highlights. To actually stand at the gates of hell at Ceaseria Phillipi and publicly declare our marriage vows to our Lord and then seal it with communion was special.

Irene Venter

Being in Israel for the first time was overwhelming! To be on Mt Zion, THE Mt Zion! To be in the Upper room worshipping our Lord was awesome! The Bible came alive and now I feel like I know nothing. I want to study much more! Most of all I enjoyed being on a trip where we had a mission and mandate from God and not just a sightseeing tour.

Christine Eysele

We were invited by Ariel Gate Cape Town to go up to the mountain that is above the mountains. (Is. 2:2) The school was held on the Galgeberg at Robertson in the Western Cape with its spectacular view of the valleys below.

And the sons of the prophets said to Elisha, Behold now, the place where we live with you is too small for us. 2 Kings 6:1

The prophets spoke to Elisha (who represents the apostolic) and they were crying for enlargement... Sharon has been carrying a burden for the prophetic for years that enables her to teach with passion and great authority. Her heart is for the enlargement and alignment of the prophetic with the purposes of heaven. She has a desire to see it come to maturity and accomplish its tremendous task of affecting regions, nations and the world. Her word has brought order, helping us to mend our ways.

Apostle Natasha gave an excellent governmental word on walking (HALAK) in the ways of God. She was stressing the importance that all prophetic word must come from the council room of God and **only** from there. Only those who have stood in the council of God can be a spokesperson for Him. (Jer. 23:18) Her word brought correction and we were convicted by the Holy Spirit.

Merle Shenk's teaching was solid and well rooted in the Word. It was about bearing lasting fruit in the kingdom. He also spoke about the woman at the well. She was able to receive Jesus' two rebukes on

her lifestyle and He therefore revealed to her who He was - something He seldom did.

We learnt that in Jewish understanding, a prophet is recognised because of His holy lifestyle that sets him apart and not from what he prophesies. A mature prophet is more concerned with pursuing a holy life than with becoming accurate in his prophetic utterances! He should sanctify himself continuously, making his body the ministering agent of his soul so that the Spirit of God may rest upon him.

Frans shared from his own experience about the abuse and warfare a prophet suffers when not being under apostolic covering and protection. He now understands that he cannot stand or function as a prophet on his own. He explained how aligning oneself according to God's government brings protection and blessing.

For most of us it was a time of serious conviction and repentance. God dealt with the deep issues and secret motives of our hearts. We understand now that the government of God is established by our lifestyle of obedience, holiness and humility – it is the holy walk that gives power to our decree.

Our feet were directed back to the ancient paths of God, where we are called to prepare a way for the Lord, to make straight His paths... We were commanded to walk in them, and not stand still.

MORE NEW RESOURCES

At the prophetic Protocol School in Cape Town, Apostle Natasha gave this foundational teaching on the true mandate of a prophet. She takes us back to the counsel rooms of God and challenges the modern day prophetic ministry to re-align with God's original plan and pattern.

Be prepared to be convicted and challenged!

CD - R45

We have lost something of the understanding what it means to be an Ecclesia.

In this message, Apostle Natasha teaches us about what Jesus intended the government of the Church to look like and how it was always intended to rule. This is a clarion call for the church to move to a new wineskin and be the Ecclesia that Jesus died for us to be!

DOUBLE CD - R65
DVD - R95

Before God can do anything on earth legally, He needs a man (or woman) to set a precedent. God wants a Bride for His Son, but He cannot legally allow us to be that Bride because we have been in covenant with many other gods (Jezebel, Baal etc). Apostle Natasha explains that God uses Hosea to set a legal precedent. He marries a prostitute so that God can marry us!

CD - R45
DVD - R95

When a man wished to betroth a woman, in Jewish tradition, he would present her with a headband of 10 silver coins. Apostle Natasha teaches us that Jesus is also presenting His Bride with a headband (or governmental headship) that she is to steward for Him. Learn what it really means to be betrothed to Jesus and the mandate that He has given us as His Betrothed.
