

THE BIRTH OF A NEW SEASON!

2009! Wow! What a year! Since Yom Kippur, the acceleration is such that 2010 is looking pretty scary!

At the start of 2009, we understood that like the Tribe of Merari each person had a job, to carry their piece of the tabernacle. The tent could then be erected wherever the cloud stopped! We practised this in each conference, school and meeting! When doing this, the Lord helped to examine our hearts and ask Him to judge us (Song of Moses). This was preparation to usher in the ark of God at our convention in April. Change began to mark everything from then on! The release of the book 'Repentance' marked a season of increased repentance for us all. God allowed us to expose and deal with the spirit of Jezebel on a new level in our lives, also over cities and nations. (Cape Town and Windhoek schools).

The more we repented, the more we began to see a revelation of His glory. The Cape Blood and Cross school opened a stream of revelation concerning the ark, the Mercy Seat and the Cherubim. Bishop Heard's school (The Blood) established a solid theological construct that brought clarity to many.

The 999 conference at Christian Tabernacle, Houston, Texas was a personal turning point when I realised afresh that the saints (the cloud of witnesses) are still invested in our cities and communities. The understanding of Mantles has grown exponentially from here.

Yom Kippur was a solemn time for us all as God rebuked and corrected us, leading to much repentance and tears before Him. Chastisement shows that He is receiving us as sons and the fear of the Lord is becoming more tangible. Hebrews 12.

The Blood and Glory School (Johannesburg) opened up what the glory of God actually is, how it operates governmentally, and how we participate. We may not understand it all, but we are committed to manifesting the glory in our lifetime. New understanding of the mantles of glory was released at this school and this too continues. Our conference in the Free State; Sons of God - do not lose your birthright - was one of the 'weightiest' conferences ever! Repenting for blood altars (concentration camps), incorrect handling of mantles and dead works was just the beginning.

God seems to be raising a House of Judges, positioned in Mount Zion to legislate His law. Our repentance level is increasing with the revelation we are receiving - we go down before we go up! We understand that we are surrounded by so great a cloud of witnesses and it is time to run the race set before us! (Hebrews 12:1 - 2)

This year, Ariel Gate moved into a new season. One which requires a greater level of commitment to the

purposes of God for Africa.

We discussed this with Sharon Buss after our last convention and decided that we would no longer be able to put the required input into the administration of End Time Handmaidens and Servants Africa and also do all that God has called us to do as Ariel Gate.

In light of this, Apostle Natasha resigned as an End Time Handmaiden and also resigned from her positions as ETH representative for South Africa and ETH Director for Africa. Sister Gwen has written that "she understands the change in direction and sends her blessing on our new and ongoing endeavors."

The administration of ETHSA has been handed back to Sister Gwen. We thank God for the privilege of serving Sister Gwen and ETH and will always honour her as the spiritual mother she has been to us!

Pastor Matthew releases a prophetic word to us concerning a new authority that is being released to us in the Jewish year 5769.

Cleaning the Kingdom Wells Part 1 & 2 - Cristian Cortes

Pastor Cris taught about the 5 wells of Abraham. He exhorts us to clean them out as we need the inheritance that Abraham prepared for us in order to deal with Babylon. He also teaches us the 7 steps to maturity based on the days of creation. Awesome message!

Growing Up in the Kingdom of God - Matthew Bismark

God is looking for us to grow up and be sons. We must learn and submit to God's process of maturity now.

The Number 9 - Adeyemi Adefarasin

Apostle Adeyemi opens our eyes to the spiritual significance of this number and how it relates to what God is doing in the earth in this strategic year.

The Treasury Room of the Heart - Ian Clayton

The treasury room of our heart is the place where mammon sits and rules over us. Ian taught how to deal with the spirit of mammon on a deeper level.

Joseph, Egypt and the Great Economic Crisis - Adeyemi Adefarasin

God is looking for the Josephs to stand up in Africa and develop and administrate strategies so that when the world comes to us for food, we will be ready.

Dedication Service - Sharon Buss

Our last dedication service was administered by Sharon Buss, the Vice President of End Time Handmaidens. Her message encouraged us to always allow the love of Christ to constrain us in all we do.

The Way of the Tree of Life - Ian Clayton

Ian teaches about the ark of God like you have never heard it before. This message ended our convention and positioned us for a new season.

We believe that our 4:14 Africa convention was a defining conference for Ariel Gate. Since the beginning of the year, we had been preparing a place for God to tabernacle among us. Each person who is a part of Ariel Gate was assigned a part and a responsibility to carry in prayer. We knew that we were preparing a meeting place for the Lord at this conference. Throughout the week, God had us in His fire - in the worship, in the Word, in the intercession! We understood that He wants to manifest Himself in the earth and we are His chosen vessels! We ended the conference with the ark of God coming into our midst and Apostle Natasha felt we finished in 2 Chronicles 16:1 'So they brought the ark of God and set it in the midst of the tabernacle that David had erected for it.'

ALL MESSAGES AVAILABLE ON DVD AND CD

Earlier this year, we recalled the prophetic word that James Goll gave us in 2006 when Ariel Gate was launched. God said He would teach us to have houses of fire - FIREHOUSES! (See the complete word alongside.)

We did not really understand this word then, but have since gained some understanding from God on it. He wants us to build dwelling places for His glory - understanding that He is a consuming fire and it takes holiness to stand in the fire. (Isaiah 33:14). Although unsure of how it will work out - we know that He will teach us. We have begun in faith, establishing FIREHOUSES in several regions. Each with its own flavour and focus but all carrying the same DNA.

FIREHOUSES are established through intercession. We must begin in the heart of God, aligning with His throne that is established on righteousness and justice. Working with an Ezekiel 10 pattern, FIREHOUSES receive coals from the throne of God and administrate them in their regions. Each FIREHOUSE is administrating a different coal (or word from God) so they each carry a unique anointing and grace to fulfill their mandate.

CAPE TOWN

The FIREHOUSE in Cape Town is mandated to hold the southern gate of the continent in strategic intercession. They carry an Elijah mantle that extends from the church into the marketplace.

ZAMBIA

The intercessors in this FIREHOUSE are all businesspeople who impact all spheres of the marketplace for the Kingdom. They are also actively involved in building a school, clinic and overseeing farming projects in rural areas.

POLOKWANE

The ministry of Don't Cry Africa administrates the FIREHOUSE. They are committed to helping children at risk. They clothe, feed and teach basic life skills to orphans and children in rural areas.

BOTHAVILLE

The FIREHOUSE at Perez Ministries has a heart to see people from the Free State overcome wounds from the past and move into their kingdom destiny. They work with many farmers to release them into Africa to be a blessing!

GEORGE

The Kingdom Business Network raises kingdom business people that will impact the marketplace. Intercession is a large part of their mandate and they have a responsibility to raise up continental intercessors.

WELKOM

This FIREHOUSE is based at a House of Prayer for the city. From this place they feed many orphans, have a business support network and also unite intercessors from across the province to pray for the nation.

NAMIBIA

This FIREHOUSE gathers intercessors from all denominations to pray for the nation. They are a gate for apostolic and prophetic voices to speak to the nation.

NEW ZEALAND

Moe'd Ministries is a FIREHOUSE of apostolic intercession for the nation of New Zealand as well as other nations. Their mandate is to keep the 'East Gate' with honour and integrity.

FIREHOUSES

Excerpt from Prophetic word given by
James Goll
30 April 2006

For I will teach this ministry – Ariel Gate and the End Time Handmaidens and Servants - I will teach this ministry how to have **fire houses**. I will teach you how to have **houses of fire**, of healing presence and of worship. For there will be house groups raised up. You say, "Is this a church planting movement?" Many have said no. But the Lord says "Man's view is incomplete concerning what church actually is."

Have I not called you to be My people and have I not called you to multiply - that is My church.

Have I not called you to be a people of My presence – that is My church.

Have I not called you to bring in My government – that is My church

Have I not called you to be a reconciler in the nations – that is My church

Have I not called you to be a healing balm to a generation of pain, dysfunction, neglect and disease – that is My church

Have I not called you to be a voice crying in the wilderness – that is My church

Have I not called you to plow open fallow ground – that too is My church

And in the midst of churchology shall come forth a redeemed people that care not about the brand name that they wear – that too is My church

I will teach you how to have **fire houses** of abandoned worship and circles of healing and that too will be My church.

So mark this day down, mark this day down.
Mark this day down.

I will teach you about community. I will teach you about covenant loyalty, I will teach you that there I command the blessing. There I command the blessing of life. It is in that place of unity and covenant loyalty. There I command that Aaron's anointing flows.

I will teach you, I will teach you about apostolic lifestyle and serving and weeping and rejoicing and caring. I will teach you how to be light in dark places. I will teach you about community. Yes, many of you will be part of pockets called congregations, but you will also be a part of the community. A community that will transcend sectarianism. A community of abandoned worshippers and believing believers that will be salt and light and yet brought together. I will teach you the lost art of an apostolic lifestyle.

And there I will command a blessing.

The Blood with Bishop Richard Heard

Bishop Heard gave us a line upon line teaching on the fullness of what the blood of Jesus accomplished for us. We learnt that the blood is not just about atonement for sin, but was shed so that we could experience wholeness in every one of the 7 realms of our lives.

The Blood and the Glory with Apostle Natasha

The blood of Jesus always precedes the glory of God. But what is the glory? Apostle Natasha began to look at what the glory of God actually is and how does it come near to us. Excellent teaching on the mantles of glory, the garments of glory and the chariot throne of God.

Next Generation with Ian Clayton

This was our first conference for young adults and it was a resounding success. Ian taught us many of the basics of moving in the supernatural

realm and interspersed the teaching with many practical activations. We all felt truly empowered and able to believe that we CAN do all that God has called this next generation to do!

Free State

Our Free State conference was one of the most intense

conferences we have held - heaven's interest and investment in what we did was truly evident throughout the weekend.

Apostle Natasha taught on the mantles of the saints, how to receive them and how to handle them with honour and integrity. This was one of the first events we held in the new Jewish year of 5770 and the shift in seasons was evident. God is rebuking and disciplining His sons so that we can inherit our birthright. This conference confronted all the places where we are in danger of selling our birthright and becoming a profane person like Esau.

Namibia

KEYS TO UNLOCKING THE SUPERNATURAL

Ian Clayton introduced us to life in the supernatural realm that is our inheritance as sons of God. This weekend re-awakened passion in many of the people of Namibia to seek God in fresh ways.

LET US GO UP TO THE MOUNTAIN OF THE LORD

Apostle Natasha and Ian shared the pulpit at this strategic conference. They taught on the spirit of mammon and trading with heaven. They also dealt with the principality of Jezebel over the nation as well as the spirit of Athaliah. We then restored Namibia's marriage covenant with the Lord.

George

Apostle Natasha presented a seminar on the **Blood and the Cross**. She taught how important it is to view all our christian life through the lense of the Blood of Jesus. When we leave His blood out of the equation - we are in danger of moving in witchcraft and idolatry!

We live and preach a bloodless gospel and it is growing weak and directionless Christians. We need to return to knowing him as Paul wanted to know Him, "that I may know Him and the power of His resurrection, and **the fellowship of His sufferings**, being conformed to His death".

Schools & Conferences

Our second school on the **Blood and the Cross** was held in Cape Town in July.

Cape Town

This school built on the foundation laid at the first Blood and Cross School. It was held over Pentecost and Apostle Natasha taught on the significance of our Marriage Covenant with the Lord. From that place, she moved into revelation about the blood on the Mercy Seat, the offerings and the portal of glory between the wings of the cherubim over the ark.

In July we held a **BEYOND THE VEIL** Intensive with Ian Clayton and Apostle Natasha. Ian 'fried our circuits' again with fresh insights into the supernatural realm. He also challenged us to raise up a new standard of integrity and accuracy in the prophetic arena. Apostle Natasha taught on the spirit of Jezebel and dealt with this spirit over the city.

We held several business seminars this year (2 in Johannesburg, one in Zambia, one in George and one in Welkom) that were a great success. Lance Nel led the workshops which trained business people in 'the Prayer of Business'.

Lance believes that while intercessors are an asset to any business, the owners of the business are the stewards of that enterprise before God and need to hold that seat in the natural as well as the spirit. These seminars are designed to equip and activate businesspeople into this realm.

Towards this end, he activated delegates in 'seeing in the spirit' and receiving mandates from heaven for their particular business. He also demonstrated how to pray through these mandates so that they can manifest in the earthly realm.

A second part of the seminar dealt with training in the courts of heaven. How to deal with the accusations of the enemy against your business and legal, spiritual attacks on your business. Again, through practical workshops, delegates learned how to access the courts of heaven and how to answer these accusations through repentance.

All the participants testified that they left with a new view on praying for their business and felt equipped to tackle it on their own.

It's a Guy Thing!

Earlier this year, we held a **MENS ONLY** meeting in which Lance Nel held a no-holds barred session addressing issues like pornography and lust. Sharing from his own battles, he talked about the keys that God had given him to ensure continued victory in these areas.

Many of the guys who attended were really blessed by his message and believe that this type of teaching needs to be done more often in the church.

2009 Must Have Messages

AVAILABLE FROM OUR OFFICES

Australia

It was wonderful to be with Pastor Cris and Karen Cortes at their annual Positioning for Ruling & Reigning Conference in Perth, Australia.

Pastor Cris set the tone for the conference with his message on being positioned for fruitfulness. Like Abraham, we have to leave our land (identity) and culture in order to establish the kingdom culture. God requires a sacrifice that will produce smoke in order to move.

Pastor Mike Keating (moderator for the AOG, WA) issued a powerful challenge on being able to HEAR THE CALL of God. God is calling us, but can we hear it?

Apostle Natasha explained that the call has gone out throughout the ages. Speaking from Hebrews 12:1 - 2, she reminded us of the witnesses and martyrs who had laid down their life and now surround us - waiting. They are waiting for us to come into place as we are the last runners. She taught about mantles and honouring those who have gone before us.

Apostle Yemi shared powerfully on spiritual gates and how to take possession of them. The area surrounding the church has many aboriginal sights which are preserved and revered and people began to understand the significance of these sights and how to warfare in these places. He also taught us how to deal with spiritual gatekeepers.

Following this teaching, Apostle Natasha led everyone in repentance before speaking about God's plan for mankind. She explained that we are designed to carry the Glory of God within earthen vessels and demonstrate God's glory to the angels. There was such breakthrough as people began to understand their mandate and foundational change happened in many lives.

By the last evening, Apostle Natasha took us out of the wilderness and brought us to Mt Sinai that we could marry the Lord. She taught on the Jewish understanding of a wedding and how God wanted to marry His people at Sinai. Many had not heard this teaching and were blown away. We dealt with all other covenants and stood to marry the Lord.

We ended the conference truly positioned to rule and reign in the next season!

New Zealand

Our first trip to New Zealand was INCREDIBLE! We laid the foundation for our first FIREHOUSE in New Zealand. Grant and Samantha Mahoney (the leaders) have spent years praying into the foundation and preparing the ground and 2009 was the appointed time for Apostle Natasha to set the foundation in order.

Every meeting was strategic and Apostle Natasha was able to release and impart a deep stream of revelation. She also laid an excellent foundation as she taught on apostolic intercession.

On the last evening, there was a vision of the gates of heaven over the nation beginning to open. Many false gods and a high priest of religion had set themselves as gatekeepers at these gates to keep them securely shut. As Apostle Natasha ministered and led people in repentance, many saints and angels appeared at the gate to begin to push with us. We were in a struggle to get the gates to open completely.

As we continued in prayer, we saw Jesus appear and this East Gate of Glory opened - not only for New Zealand, but for the world. It was an AWESOME time and we are so grateful that God allowed us to be a part of it.
