

RELATING AND ALIGNING WITH THE HOUSE OF ARIEL GATE

THE HOUSE OF ARIEL GATE VISION

Future Perfect.

MISSION

The House of Ariel Gate interlinks kingdom pioneers and empowers them to interpret Godly strategies and implement them in their spheres.

PREAMBLE

The House of Ariel Gate is called to impact nations and is responsible and accountable to God to fulfil **HIS** vision and mission for this House.

We see ourselves as an army mandated to accomplish various Kingdom missions throughout the earth. The level of enemy engagement is dangerous and requires strict adherence to protocol and obedience to orders.

The access to the spiritual realm that is granted to the House of Ariel Gate is at a level where abuse and misbehavior will have serious eternal consequences. (This is something to seriously consider).

ALIGNMENT AND COVERING

Not everyone is called to be a member of the House of Ariel Gate. Many are simply meant to walk with us for a season to receive revelation, restoration and empowerment.

Submission to apostolic authority positions one to receive from the river of life, the resources and abundance that is flowing from the Throne of God to the apostolic house. As one honours and submits to the protocols of the House, one is able to receive impartation and empowerment for their destiny.

Should you be looking for apostolic covering, a covenantal relationship is needed. This document is aimed at those who feel God is calling them to such a covenantal relationship with Apostle Natasha Grbich and the House of Ariel Gate. However, a covenant relationship does not need to be entered into in order to receive what is flowing freely in the house.

Alignment and apostolic covering are always determined by relationship and heart attitude towards authority. The measure of alignment and covering you enter into with the House of Ariel Gate will be determined by each individuals positioning of their heart towards Apostle Natasha and the leadership of the House.

Covenantal relationships with the House of Ariel Gate are currently defined in four categories and the relationship benefits and covering form part of these relationships.

No person (natural or legal) has any right to claim membership, representation of or covering by House of Ariel Gate without the express written permission of Apostle Natasha Grbich of The House of Ariel Gate and only after the prescripts for such membership have been fully met.

1. ARIEL GATE MEMBERS

A Firehouse member is one who has walked through the process of alignment with the vision and mission of the House of Ariel Gate by building relationship with and submitting to a Firehouse leader and will:

- a. Manifest the House of Ariel Gate DNA, recognizing that this is a body that God is grafting you into.
- b. Recognize the joint destiny and a shared vision.
- c. Believe that the House of Ariel Gate is your primary spiritual home and because this is your home, there is a responsibility of financial support / tithes.
- d. Endure and survive battles together with the other members.
- e. Have a servant heart.
- f. Be expected to attend Firehouse meetings and serve the Firehouse leaders.
- g. Have been officially recognized as a member.
- h. Continue to walk with the House of Ariel Gate and Apostle Natasha and actively serve in all events, or as many as possible – make conferences a priority.
- i. Attend the House of Ariel Gate Conferences and other events which are arranged as it is in these places that the House of Ariel Gate is pushing to land the mission and purpose of God assigned to that event.

2. HALAKERS

Halak is the Hebrew word for 'walk'. Those who wish to walk through the process to becoming members within a Firehouse are called 'halakers'. Refer Page 3 - Process of becoming a Halaker and Member.

3. FIREHOUSES AND LIGHTHOUSES

One cannot 'start' a Firehouse. There is a process which begins with a Lighthouse being formed when a member of the House of Ariel Gate shows leadership with gathering a group of people within their local area and there is prayer and intercession which grows and is recognized by Fransi van Wyk and/or Apostle Natasha as a true Lighthouse which is carrying the DNA of the House of Ariel Gate. The Lighthouse operates and develops under the training of Fransi van Wyk and Apostle Natasha Grbich.

The Leader of the Lighthouse has a responsibility to continue to be part of the House of Ariel Gate and attend meetings and grow in the teachings and remain in covenantal relationship with Apostle Natasha Grbich. The Lighthouse develops into a Firehouse which is identified by its ability to work with the Church in Heaven to receive and administrate 'coals of fire' from the Throne by proclamation, decree, judgment or instruction as in Ezekiel 10:7. It consists of a group of people (part of the eternal church present on the earth) and may be distinguished from other firehouses by location and/or function.

Neither a Lighthouse nor a Firehouse belongs to the leader – the Firehouse leader or Lighthouse leader are stewards of the Lighthouse or Firehouse for the purposes of the House of Ariel Gate to

be manifested within that locality and according to the mission set out by the House of Ariel Gate and Apostle Natasha Grbich.

4. VISITORS

Visitors are those who attend events from time to time, who give no significant continuous support, and on whom the House of Ariel Gate places no requirements outside of the event.

THE PROCESS OF BECOMING A FIREHOUSE MEMBER / HALAKER

Firstly, you must inquire of the Lord as to whether the House of Ariel Gate is where God wishes to plant you – only then can you begin the process of Halak.

As part of the process of ‘halaking’ – decide which Firehouse you plan to serve and grow in. Often this will be dictated by the geographic area. Then you notify the Firehouse leader of your intent to submit, serve and become a halaker. You will be required to complete the form – **Intent to Halak** – as well as the Application Form. Your Firehouse leader will go through the Relating and Aligning document with you. The completed forms are returned to the Firehouse leader who will in turn submit a copy to head office. The Halaker begins the journey by being commissioned to complete a specific fast for 21 days.

As an halaker we will get to know one another in the good times and the bad times and will learn to work through issues and overcome obstacles. Deal with offences and celebrate victories until the DNA of the House of Ariel Gate is evident in our lives. This process can take up to 5 years.

The Firehouse leader will oversee the process and be your line of authority to the House of Ariel Gate. However this is not a limitation but rather a process of growing in relationship with the Firehouse leader and with Apostle Natasha.

Official Recognition as a Firehouse Member

Only Apostle Natasha Grbich decides when a person becomes a Firehouse Member and does this in consultation with the Firehouse leader who is overseeing the applicant.

The halaker will be taken into the House during one of the House of Ariel Gate annual conferences. The halaker will stand under the chuppah and respond to the following questions:

- Do you know God has called you to be a member of the House of Ariel Gate?
- Do you voluntarily choose to become a covenant member of the Apostolic House of Ariel Gate?
- Do you understand and align with the vision and mission of the House of Ariel Gate?
- Do you understand and accept your rights and responsibilities as a member of the House of Ariel Gate?
- Do you agree to honor and submit to the leadership of the House of Ariel Gate?
- Will you submit to the protocols and code of conduct of the House of Ariel Gate?
- Do you agree to love and honor other Firehouse members – understanding that every joint supplies and we need each other in order to reach the measure of the stature of the man, Christ Jesus?

Termination of Membership or Halakership

A review of the person’s membership can be done and the membership can be formally terminated if :

- Member or halaker terminates the covenant in writing.

- The halaker or member has not been actively engaged with the activities of the Firehouse and the question has arisen of whether the person is still part of the House. Then the Firehouse leader will meet with the member together with Apostle Natasha Grbich to ascertain whether the person still wants to be part of the House of Ariel Gate and whether the covenant relationship is still valid.
