

DAY 11 - 19/8/2020 - 40 DAYS OF PRAYER

Apostle Natasha asked people to share from last night and the meeting this morning and people were commenting on what had impacted them in these meetings. Christ in you is greater than the world against you. Even if you messed it up, repentance can return you to the original thought and plan of God. God has a plan to return us to His purposes, even if we have made a mess of our lives. However, we must return, we must repent.

Revelation 4:8 NIV *"Each of the four living creatures had six wings and was covered with eyes all around, even under its wings. Day and night they never stop saying: "'Holy, holy, holy is the Lord God Almighty,' who was, and is, and is to come."*

What does it mean to be embodied in the flesh, we spoke about it last. We are the thoughts of God, Jesus is the full word of God and we are going to be gathered together in Him. I am recording the choices I make in my genetics and my choices allow demons to attach themselves to me because I have agreed with something which they can feed on. Our repentance is bringing our spirit, soul and body into agreement with God. Demons can only connect if I give them a connection. As we gather together as the thoughts of the Lord coming together, we manifest the purposes of God. We have capacity to bring life or death through our tongues, because we are the thoughts of God in our inner core. Jesus says in John 16:24 NKJV *"Until now you have asked nothing in My name. Ask, and you will receive, that your joy may be full."* The name of God who created and holds all things, when we pray in His name, some stuff is created or called into being.

Everyone is a thought of God, born of God, in every generation, in every era, in every type of family, nation and tribe. We are searching for God, but unless we find Christ, we cannot find God. Thank you for your eternal thoughts for each and every one of us, we lift up the Muslims to you and ask Lord, they are searching, Lord please activate the search for you Lord. Draw them, turn them to you. Lord, I repent for my heart has not been one of love and reaching out for their purposes. Lord, may the Muslim nations turn to you in their thousands. Your thoughts are too wonderful for us, and we look forward to your thoughts manifesting among the Muslim nations in Jesus Name.

Testimony given of an Afghanistan man who heard the worship at a church in Austria at a group and he was drawn to Christ and is growing in relationship with the Lord. We think everyone calling themselves Christians are truly born again and they are not. Calling myself a Christian does not qualify myself as a born again believer. According to Jessie Duplantis, some people wore garments of salvation, others wore robes of righteousness. Patriarchs were recognized by their rich robes. The angels said to Jessie many people are born again but they just carry on as usual and do not spent their time in being sanctified. We don't have meetings anymore calling us to repentance, to search our hearts, to return to God. Instead we preach a gospel of God who just loves me and I can do no wrong. That is a problem and has shut down the message of repentance.. We have been afforded more understanding, revelation and more access to the full gospel in the western world in this age than ever before, we are going to be

held accountable. We need to pray for the nations and ask the Lord for other nations. Forgive us as Europeans we have had the gospel for really long time and made a business out of it.

We come to lay down our lives spirit, soul and body, we crown you as God and King of all nations. Your thoughts of the nations are perfect in every way. We as the nations have not chosen you instead we chose idolatry. Lord, create in me a passion for the nations, for the 'other sheep'. We ask for the nations to hear your voice and return Lord. Give me a heart for the nations to pray until you have your full response in the nations.

John 10:16 NKJV *"And other sheep I have which are not of this fold; them also I must bring, and they will hear My voice; and there will be one flock and one shepherd."*

Thank you Lord for the honour to pray for nations tonight and for your beautiful creation in all nations. We lift up the Hindus to you Lord, they are searching Father for you. They are captives to many, many deities Lord, please connect them back to you Lord. May they find you and hear your voice. May they hear the sound of the Blood of Jesus, may the sound of the Blood become very loud over the Hindu nations, that many will hear and seek you and find you Lord. Turn their hearts to seek you Lord. You love them Lord, you grieve for them Lord and I stand in repentance for the Hindu belief and worship and pray for the Blood of Jesus to be heard.

Father, we lift up the Indians in all their religious sects and ask for the chains to be broken Father in the name of Jesus. All the chains brought about these people from the demons and the altars of these deities, Lord show yourself to them, break their chains, open their eyes Lord, let them see you, hear you and understand and return to you. May the cries of the missionaries who have prayed and laid down their lives be heard before your throne for the Indian nations. Thomas went to India –he was one of the twelve apostles. The message was sent, but people still have their choice.

A Christian tradition does not mean we have a personal relationship with God. Just because we have had messengers of the gospel in South Africa does not mean we are all born again and in February this year, a satanic church was opened in this nation, South Africa. So we have a choice. In Ethiopia, Philip spoke to the eunuch, Philip was transported by the Holy Spirit to meet this person. The eunuch returned to Ethiopia and the message remained among the royal clan and was not spread any further. So they still worship animism and other deities and the gospel has not been spread. Imagine we did not do our job and give the message or people say no. God will not force people to make the choice, people have to make their decision.

Father, I repent for some of us carried the message and did not carry it far enough. Where we did not bring the gospel, we did not preach the good news of Jesus Christ. We were busy with slavery, wars, making money and whatever kept us busy. So generations later people are going to hell because they are born into iniquity without the gospel. Thank you for the television programmes which are spreading the true gospel of Jesus Christ. Thank you where the gospel is going forth in the nations. Father we want to say, where have we been? What have we been doing as my father's family, my mother's family and we come and repent where we lost it, we had a missionary calling and we lost the calling and I come to repent.

Wikipedia defines Animism - *encompasses the beliefs that all material phenomena have agency, that there exists no hard and fast distinction between the spiritual and physical (or material) world and that soul or spirit or sentience exists not only in humans, but also in other animals, plants, rocks, geographic features such as mountains or rivers or other entities of the natural environment: water sprites, vegetation deities, tree sprites, etc. Animism may further attribute a life force to abstract concepts such as words, true names or metaphors in mythology. Most African tribes worship inanimate objects like trees, rocks, areas by the rivers, by waterfalls, worshipping and creating an altar for spirits to connect.*

Father, I lay down my life, I repent for myself and my generations for all the worship I brought through to other gods, by worshipping stones and trees, animals and inanimate objects. I disconnect from these stones and trees and other objects. I have worshipped creation and declared creation to be my god. I repent for all the blood spilt over stones, trees, artifacts. I repent for burying dead animals under trees, candles, clothing in the land. I repent for all the altars I have established on the land, in the waters, in trees and rocks. Lord I have created altars and washed in waters believing those spirits can cleanse and heal me and this is idolatry and I am guilty Lord, please forgive me. Father, we worshipped these objects and the deities and we turned our hearts away from you Lord. We are guilty Father and repent of this wickedness against you in Jesus name. We even worshipped the roots and plants which we believed would heal us. We want to return to you Lord, please save us, heal us, forgive us in the name of Jesus. We want to return to your original thoughts and plans in Jesus name.

Thank you Lord, for your Blood which was shed for us. We lift up the first nation Indians in the USA. All the worship of animism, that all things have the spirit of gods, and eating of the hearts speak of eating power. All the rocks, trees, birds, animals, and land which we worshipped. Totems we created to speak of the deities we worshipped. I repent for the worship of the false resurrection, the false gods. Lord I repent for we came as Europeans turned people away from you Lord, we took away their children, and gave them a false gospel, God forgive me. We presented a gospel which suited us God. Please Lord turn these nations to become sheep nations Lord. May revivals of the Lord Jesus breakthrough in their cities and communities. May they come to know the true and Only God, Jesus Christ.

If you study anthropology, many tribes have ancestral stories about the flood, know about these giants because it is in their generational stories. Many countries have had the gospel preached in them. Perhaps we did not do our jobs the way we should have.

Revelations 3:7-8 NKJV *“And to the angel of the church in Philadelphia write, These things says He who is holy, He who is true, He who has the key of David, He who opens and no one shuts and shuts and no one opens. I know your works. See, I have set before you an open door and no one can shut it; for you have a little strength, and have kept my word and have not denied my Name.*

We have the many people who grew up in church, who famous and then chose another way. I repent for wanting the world more than you. I preferred to compromise rather than following you. We still bury children’s placenta in the ground. We don’t have an excuse Lord, we are

guilty Lord. Forgive me and my generation for what we have turned the gospel into, a gospel of accommodation. We did not want to hurt anyone's feelings, we wanted to hear positive stuff only. God we have lived by a gospel that is not the truth of the Gospel of Jesus Christ. The coronavirus has shaken us and we have to take inventory and thank you for doing this Lord. Thank you for shaking us. Lord we repent for giving up the truth of the Gospel of the Kingdom of God and creating our own gospel for our own kingdoms. Lord we are guilty,

Vision given of a man on mountain holding a book. Now the book has a red bookmark and lying on the ground. We looking at two or 3 pages stuck together which had been torn out of the book.

Excerpt from Mario Murillo article which states *'I believe the Pentecostal/Charismatic movement holds the greatest promise of catalyzing a national miracle. Specifically, because of the truth of the baptism of the Holy Spirit. Pentecostals have had the longest unbroken move of God in history. That is until now. This movement is now weak, disoriented, divided, and rapidly losing relevance. It needs electrode paddles applied to her faintly beating heart. We were done in by our own version of a deep state. We were infiltrated. The engine that drove Spirit-filled momentum has been replaced. A masterstroke of Satan—decades in its construction—worked to weaken many Spirit-filled leaders. Satan fooled leaders into replacing gold with bronze.'* Read the rest of this article on the abovementioned post (<https://www.facebook.com/mariomurilloministry/posts/3382633745132398>)

How can there be a generation who do not know about revival, yet who think communism and socialism is an option. What did we preach, what did we show them. We got tired, lazy and just got laid back. God forgive us. Some people came from families who prayed, had revival experiences, some people came from dead religiosity. If we don't call for God to change us, revive us, the next generation will not know the truth. We need to plead with God because we have generations who do not know God.

Father, I repent for I am part of this generation who got tired, did not want to fight anymore, gave up for whatever reason, whether my family was religious, too strict, whatever the issues were. Father I am praying for my generation, for my nation, God forgive me for teaching people that you are just easy and they can be casual. I repent for preaching a gospel of lies. How do I help them, how do I bring the message of truth now. We need the baptism of the Holy Spirit again Father, of fiery tongues, a fresh Pentecost. Sorry Lord for making it all about me and I have forgotten about those around me. Forgive me as the church, the apostles, prophet, evangelist. teacher and pastor. Forgive me for the type of messages I have preached. People are desperate to hear the truth.

Mathew 28:19 NASB *"Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit"* I am sorry that we have not done this, please forgive us Lord. We even stopped disciplining our children Lord, please Lord have mercy on us. We are seeking to return to you Lord.

Vision given of tears washing the papers and they came apart. As they dried the ink was drying on the paper. The paper is about how to preach the gospel and how to win souls.

We skipped winning the souls and wanted miracles, signs and wonders instead. Lord the one true God of heaven and earth, I humble myself and repent for not accepting the gospel and rebelling against you. Lord for bringing false fire to your altar, for creating a golden calf and a false gospel, an acceptable gospel. God I am guilty of all of this and it is against you Lord that I have sinned. Have mercy, please Lord hear my cry as a living sacrifice, for the harvest, send me, touch my mouth with the coal of your word. I pray for the hungry and blind, we need the Holy Spirit. Lord I cry out for the hunger and thirst for your truth and your Holy Spirit. You don't put a candle under a bushel. We were called to be salt on the earth, we were called to have a different spirit. Renew our strength Lord. We hunger after your righteousness. We lay our opinions down. Have mercy Lord and may we receive the true gospel and raise up true intercession. Strengthen us Lord by your spirit who raised Christ from the dead. Quicken us Lord. We have grieved the Holy Spirit and closed his flow, because of our ideas, the lust of our flesh and our pride of life, have mercy Lord. Hear our voice Lord, please have mercy on us. We want to return back to our first love, we turned our back on the first love. Forgive us and allow us to return. May the flesh break and may your spirit come and be the aroma of life in these generations alive today in all the nations. I repent for what the camps and schools allow, a prosperity and hyper grace message. Forgive us for interpreting the scriptures according to our opinions, We have minimized your image and created our own. Let the scales fall off my eyes, circumcise my heart Lord, forgive me Lord. May it be recorded tonight that we are pleading for nations in the name of Jesus. May this be a reasonable act of worship to you Lord.

I repent for government and schools where we have allowed sexual immorality and the teachings thereof in the schools. We have removed the word of God from the schools. We have removed moral understanding and we need the word of God. We have all gone astray and set a course for our children to go to the abyss with no path of truth. Break our hearts Lord. May the schools look again into the word of God and turn back for the sake of your name and the generations. May the Holy Spirit come again into the schools. May children be filled again with the Holy Spirit. May babies come from the womb filled with the Holy Spirit.

Lord I see so many times where God has been pushed out of the schools and there are many problems. You are the only one who can help and heal. There are so many homes where there are no fathers and many times the principals have the same wounds. We repent Father for putting you out of the schools and displacing you as our Father. You are the answer Lord. The government wants all religions preached but thank you for those who are standing up and saying they will preach the true gospel. Lord establish them, strengthen them in Jesus name.

I repent for making it all about my comfort and I fear the attacks and ridicule of mockery if I preach the true gospel. I repent and ask you to burn it out of me tonight. We have a job to do and God help us Lord.

Prayer in tongues.

Vision given we rejected the truth and created our own instruction. The scroll rolled up because there is no place to land.

Luke 12:11-12 NKJV *“When you are brought before synagogues, rulers, and authorities, do not worry about how to defend yourselves or what to say .For at that time the Holy Spirit will teach you what you should say.”*

Luke 21.15 NKJV *“So make up your mind not to worry beforehand how to defend yourselves For I will give you speech and wisdom that none of your adversaries will be able to resist or contradict.”*

Let us be labourers to bring forth the harvest, in the name of Jesus. We are scared of bringing the hard answer because we are afraid of the reactions. We need to hold to the word and set our foreheads like flint for the gospel of truth to be preached. That does not mean we have to be blunt, rude, arrogant or nasty but we must learn to communicate the truth of the gospel especially to the next generation. Use wisdom, ask the Holy Spirit. Lord we have one foot in your kingdom and the other foot in the world and we come to repent. We must live a holy life because that has a testimony and a sound to the generations around us. I repent for not having a testimony for those who are around me. Forgive me for fitting in with the reality around me and not creating a different atmosphere. Forgive me for there are eternal consequences to my fear of man. I need the fear of God Father. May we have dreams of the fear of God which would motivate us.

Revelation 21:8 NIV *“But as for the cowardly, the faithless, the detestable, as for murderers, the sexually immoral, sorcerers, idolaters, and all liars, their portion will be in the lake that burns with fire and sulfur, which is the second death.”*

We are cowards Lord, full of fear of man, we could not utter the truth and we were afraid of what people would think and the consequences in relationships. We are liars because we brought a false gospel for we are cowards and did not think about the eternal consequences of not speaking your truth, your gospel of life to others. We turn away from cowardice and turn to you for boldness and strength. Let us open up the doors in our thoughts to what has been pleasing to you in name of Jesus.

I repent for accepting alternative doctrines of spreading the gospel, and not willing to put in the work, but expecting others such as the pastor, prophet or priest to do the work. I repent for I disqualified for being able to handle your scroll, win nations and land nations on your sea of glass. I repent for all places in me and in my generations back to Adam. All the teachings I have received I lay down. All the contracts which prevent me from receiving your scroll, burn everything in me which is not of you, everything in which is not aligned to the cross of Calvary. Make me a clear clean vessel, able to pour out to others of your living water. I want to be a disciple for you Lord. I want to be like John in the wilderness crying out to people to prepare the way. Where I hinder your purposes, Lord burn those places up in me. Let me be a landing place for the Holy Spirit, to hear His voice and to respond to His promptings. I repent for the fear of man in me. Clean me out Lord, to be a shining light in the darkness and every voice in me that is not the voice of life calling in the wilderness, burn it out. Burn out the conflicting stuff in me. I ask you to empty me out and pour life in me. I cannot fix myself, here I am a servant before you, let your kingdom come, your will be done. I am willing to be a vessel for your

kingdom to land, a light to be used by you to guide people back to you, here am I, send me Lord, let your will be done. Form us into what you want us to be. Not what anyone, any culture, says, but what you say Lord. May we see your instruction so clearly, may we follow your will clearly.

Vision given of people don't get how bad hell is, it is the absence of God. If we realize the total absence of God, we would have the fear of God.

2 Thessalonians 1:7-9 NIV “ *and to you who are afflicted and to us as well when the Lord Jesus will be revealed from heaven with His mighty angels in flaming fire, dealing out retribution to those who do not know God and to those who do not obey the gospel of our Lord Jesus. These will pay the penalty of eternal destruction, away from the presence of the Lord and from the glory of His power.*”

I repent for my culture dictating how to preach the gospel. Where my culture dictates that my religion is very private and very personal, I have locked out the Holy Spirit, closed down the true gospel and given no room for the Holy Spirit to speak. I repent Lord for hurting your heart.

Vision of us on the ground in sackcloth and ashes. Holy Spirit is blowing over us. Small scrolls came into our spines and straightened and healed our spines. Oil running from our backs down our sides and from our heads to our feet.

We repent for giving the gospel by way of prophecy to evangelise people. Father, this brought a misconception of who you really are. It just gave a certain facet of the gospel but did not give the full gospel. Just gave the sugar, the sweet. I repent for this Lord. I come to repent and stand in the gap for thrilling and chilling the people with no drawing to sanctification and holiness. All the places we as prophets have used this gift to uplift ourselves, build our names, and created a gospel out of prophecy but did not point people to you Lord. Lord I repent for prophetic evangelism where we have caused people to marvel at us and our gifts, we drew people into idolatry. Lord may you have mercy and forgive us Lord with an outpouring of your revelation of Jesus Christ.

People who had been granted miracles and prophetic words are not necessarily right with God. We need to repent and receive truth and correction. Jesus said repent for the kingdom of heaven is at hand. The response of protocol is repent. If we don't repent we don't receive. People can be healed but not taught to repent and return. People used to cry and receive the Lord and we have lost that ability to repent and cry before the Lord in godly sorrow.

Do we have the ability to make God proud or make people proud of you. How are you seen by God? Are we spineless? God is grieved by our inability and inaction of speaking for God. We need the favour of God, not the favour of men.

If we get into a situation, we have knowledge of the gospel and the gospel is in us and the Holy Spirit will assist us. The Holy Spirit will inspire us and help us. The demonic world will try to shut us down.

Vision given of the oil which is continuing to flow and we covered in the oil. As the oil flows over us we are rehydrated with the oil.

Thank you Lord be glorified and let your kingdom reign in all the nations to come in Jesus name.
