

DAY 13 - 21/8/2020 - 40 DAYS OF PRAYER

We are giving God all the honour and praise for the testimony of God given by the one person from the United Kingdom as she has been working through the 2016 Repentance School and has been part of the last twelve days of this 40 Days of Prayer. This person's business had a opportunity to flow her product into rack space which was in top market retail stores. Her product is in the most prominent windows of London, we moved some stuff in the economic centre of the world. I think it is happening faster for her because of the way she has gone into repentance. She first did the 2015 repentance school which is a free download on our website.

The first thing Jesus says is repent for the kingdom of heaven is at hand, so your first response is repent. This is not I stole the cookie from the cookie jar, it's about making your voice heard, it will affect your life.

Another person testified about repentance, it is about boxes in her head and of all the information that needs to be put into the right boxes. Repentance brings you closer to Jesus, and the cleaner you are, brings you closer to God. When I finished thinking about what I am busy repenting of, there are already another 20 things to repent of next. Ariel Gate will help you find more stuff to repent of.

We are building an altar, and last night we were laying the wood in order and it took 2,5 hours before the fire ignited. Every time we are doing this call, something spiritual is taking shape and it is shifting what was before we started the call. We are speaking some things into existence by the way we are praying, then some demonic stuff is being shifted and the Lords purposes are being put into place. Thank you for everyone who is dedicating their lives to being on this call and most of us on this call are fasting. You are sowing into the nations because you are on this call.

If you are new on this group, we have an agenda, a portfolio and we recommend you go through the 2015 repentance school in order to have some understanding of what we are doing, otherwise it will take a while for you to understand and it will hold us back to push forward.

Another lady in Cape who is in the medical field is also finding God granting her favour in her business.

Lady in USA testified of being part of repenting for the church and then went to a meeting and could share with them about repentance and was amazed at how God brings the understanding and memories back.

Thank you for the privilege to lay down our lives body, soul and spirit before you tonight. Speak to us and cover us, each one of us on this call, our families, everything of us with the Blood of Jesus. Please search us and examine us and we are here to serve you as priests of your kingdom from all the different nations. Bring your coal and put it to our lips Lord. Isaiah 6:7 NIV *"With it he touched my mouth and said, "See, this has touched your lips; your guilt is taken away and your sin atoned for."*

We take our thoughts captive. 2 Corinthians 10:5 NIV *"We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ."*

We are moving towards Rosh Hashanah and we want to have pure motives and pure hearts before you, to be pleasing to you Lord. Psalm 51:10 NIV *"Create in me a pure heart, O God and renew a steadfast spirit within me."*

We call for your fire to burn on us. We cover this call and all its connections and airwaves, we cover everyone in the Blood of the Lamb and we glorify you Lord. Thank you for the privilege of repentance, Lord have your way in our lives. 1 Chronicles 29:11 NASB *"Yours, O LORD, is the greatness and the power and the glory and the victory and the majesty, indeed everything that is in the heavens and the earth; Yours is the dominion, O LORD, and You exalt Yourself as head over all."* To you Lord belongs all the glory, honour and majesty, for you alone are worthy.

The only reason we come in as gentiles is because we are in this dispensation of repentance. We know that as this time ends we come into the judgement as this dispensation comes to an end. If there is anything in me not pleasing to you, show me so we can identify and repent and the fires of the altars of heaven can ignite what we are building on this altar in prayer. We agree with your agenda Lord and are excited to see your kingdom come on the earth. Jesus be glorified and lifted up and as you are lifted up, may all men be drawn to you. John 12:32 NIV *"And I, when I am lifted up from the earth, will draw all people to myself."* May people on this call be able to talk to others and minister to them about Christ. We pray the Lord Jesus will be glorified and we say you sent us as your thoughts and we need to come back in the fullness of what God thought when He sent us. Isaiah 55:11 NASB *"So will My word be which goes forth from My mouth; It will not return to Me empty, Without accomplishing what I desire, And without succeeding in the matter for which I sent it."*

Ariel Gate has been repenting for many years and there is groundwork laid that others can come and be part of, that God can give understanding and revelation to people and it is not a struggle to receive the understanding because of the depths of the foundation He has built over the years.

Be glorified in all our communities and nations Lord. Bless Namibia on this call tonight and we call her book into the presence of the Lord. May Namibia find favour in the eyes of the Lord and may her book be acceptable in the Blood of the Lamb.

May Christians wake up in this nation of Serbia, may people be born again, Holy Spirit please move on Serbia. May the testimony of Jesus Christ be formed in Serbia.

Have mercy on New Zealand Lord and we stand with this nation and repent with them for mercy when their books are opened.

Lord we lift up the kingdom of Lesotho, the mountain nation, to be presented before the Lord and may you have a favourable judgment Lord. Thank you Lord for what you did for this nation

in the 70 days of prayer. You allowed peace to be in this nation, there was no coup and we thank you for what you will do with this nation in this time.

We lift up the British Isles, the United Kingdom and pray for the United Kingdom to align with the kingdom of heaven and may that which is written for this kingdom by the Lord Jesus Christ, come to pass in Jesus name. We call for revival and may this nation return to the ancient Christian pioneers to first missionaries from Europe. St Patrick left England and became a missionary in Ireland. For the sake of John Knox, the Wesley's, we ask for impartation for those on the call representing United Kingdom. As they pray, Lord when you review the book of United Kingdom at Rosh Hashanah that there will be a good report and may you be able to speak blessings over this nation. We expect a new era of the kingdom of God in this nation. There is so much witchcraft Lord but there are also deep roots of true Christianity. We are praying the will of heaven in 2020 for the United Kingdom and may that kingdom bow to the kingdom of heaven. We ask for news that people are returning to their spiritual history of what God spoke over that Island. Freemasonry cannot have victory over the kingdom of God in the United Kingdom.

Father we lift this nation of Zimbabwe to you and remind principalities and powers over this nation that you are bound from head to toe according to Psalm 149. We say Jesus Christ is Lord, the blood has not ceased from speaking and intercession has not stopped at the mercy seat for this nation. We are in agreement with the intercessors who are praying and fasting for almost 90 days for Zimbabwe. We are charging the church in Zimbabwe to manifest who Christ is, to demonstrate Jesus Christ is Lord and that He is the one who is lifted up as King over the nation no matter the corruption and murder. No matter they are junk status internationally, there is a testimony of people in the midst of this. We bless Zimbabwe and agree with the opinion of God regarding this nation. There is a faithful remnant still worshipping you and we ask you Lord to hear us and have mercy on the poor on the needy, have mercy on the children and on those who cannot defend themselves in Jesus name. Lord, please shift this government, when they reach out to their gods, please shock them, let your voice be like thunder and lightning. Wake up the president, let them know the fear of God and may they turn. Do this on behalf of those who cannot speak, and have no way of changing anything. We trust our prayers are not in vain for this nation.

We lift up America and this nation affects us all regarding their politics and government. We pray for President Trump not to be removed before your established time. We stand on the word of God written for America and agree with what you have declared and we bless this nation. We call for the intercessors in this nation to wake up and pray and repent, where they have missed your purposes and have allowed things to happen such drug cartels, paedophilia, thank you for the exposure of this wickedness brought about by President Trump. Lord, frustrate the enemy, the witches, warlocks, frustrate the plans of the wicked. May the Blood of Jesus speak against the altars of wickedness. Protect the righteous Lord. We plead the Blood of Jesus over President Trump and his family in Jesus name.. We stand for righteousness and what America was built upon which agrees with the gospel of Jesus Christ. Hear our cry God as nations and save America. We stand as witnesses and say have mercy on America, have

mercy O Lord on the righteous in this nation. Let the righteous rise up. Break and frustrate the witchcraft sent against the righteous. Have mercy and break the enemy's chains Lord, frustrate the enemy in Jesus name. May the Lion of Judah roar over America in Jesus name.

We really want to bring others before you. We have been taught to ascend and to come into the presence of God. We have to go by invitation and not float around and do all types of stuff. Witches can prophesy, have dates, names etc and so what. It can be accurate but does it carry the heart of God. I don't think people check it out, they just want the experience. God will look at why we are coming into his presence, what are our motives and agendas. We must examine what is in our hearts and ask the Holy Spirit to expose our hearts to us so we can repent.

Kenya is a nation with much tribal conflict, corruption, and there is stealing of funds which were due to doctors and a fight going on right now to bring in the abortion bill. Father we thank you, there is a personal book, a book of the family, book of the tribe and the book of nations. Father we thank you we can lift up Kenya to you. This nation belongs to you and you have plans and purposes for Kenya. What is not glorifying your name, we repent for all that is happening that is not glorifying your name. We stand and say God we have forsaken you in some ways and only you can bring us back because of the blood of Jesus shed for Kenya, because of the victory on the Cross of Calvary. Remember Kenya, Lord, let your purposes advance regarding Kenya. Let the people turn back to you and we call on the name of Jesus and trust you for God fearing leadership in Kenya.

Canada I repent for unbelief and pride and selfishness and believing we can do it, the thinking we are okay, the belief in our human abilities. I plead the Blood of Jesus for Canada and speak the blood of Jesus over the freemasonry hold over my family. Pour out your love over this people Lord in Jesus name. We lift up the revivals of 70 years ago in Canada, the moves of God from Canada. Lord, we remind you of that from 'sea to shining sea' the missionaries who died brutal deaths by the red Indians, up to the Inuit Indians by Alaska. Lord please have mercy on this nation, especially as their book is opened at this time that this recent president is making alliances which are against You. Forgive them Lord and have mercy on this entire nation Lord in all its provinces in Jesus name. May the healing and destiny for this nation break forth in Jesus name. May this nation feel the revivals in your bones again. We bless Canada and call her into her destiny in Jesus name.

Vision given of little seeds bursting into fire, or being ignited.

We pray every seed planted come forth in Jesus name. Ignite revival fires through this nation. Bring your purposes into fruition Lord and we call these righteous seeds forth in Jesus name. Remember Canada did stand for Israel in the previous president's time Lord, remember in Jesus name.

Ghana, in Jesus name we lift up this nation and what is not of you Lord, may all unrighteous seeds which have been sown, Lord let those seeds not be able to function. May revival break forth in that nation. May the blood of Jesus wash that nation Lord. We are clearing the ground for you to come Lord, we lift up the administration structure, the justice system, the parliament, the government, the cabinet, everything not of God wipe it out Lord, it is time for you to reign in

that kingdom. Some good books were written in Ghana and brought change in our lives, remember Lord.

Uganda, this president dedicated this nation to God many years ago. We do not know who you want as president but we do not want bloodshed. As this political agenda in this nation heats up may the intercessors wake up and pray and the books are about to be open and we are in agreement with what you want Lord. We come to agree with what Jesus died for Uganda, what did he say over this nation and what is His blood speaking over this nation. Wake the intercessors up, thank you for their role in this nation, bless this nation and may there be a radical turnaround to you and as the books are presented, may they have a good judgment in Christ and good things decreed from heaven. May people turn and make right with you Lord. May your sovereign will be done in this election Lord.

Malta, we continue to stand as citizens of your kingdom and ask for what Jesus is still speaking of the reconciliation of all tribes and nations. May the Holy Spirit hover over all the communities and people of this nation that the message of reconciliation be received and reconciled back to Christ. Unless you build the house we build in vain. Lord may they have a good report Lord. May the missionaries who have laboured before and are still labouring, may their labour bear much fruit in Jesus name. Raise up a company of intercessors to be able to repent through their history that their book can be released with a good report. We ask for revival, for miracles, for whatever is needed for a move of God to take place in Malta in Jesus name.

South Africa, thank you we have presented all the nations from South Africa and now we can present this nation. We are in a struggle and our hope is in you Lord to bring us through because in Christ we can do all things. We want your will Lord, we want your scroll for this nation, as it is in heaven may it be done in this nation. You are our father, we belong to God, the God of Abraham, Isaac and Jacob and thank for what you have done as we prayed for all the nations. We are expectantly looking forward to the report and may all the wood, hay and stubble burn up and may gold, silver and precious stones remain. We recognize the satanic altars on the ground and we will continue to choose holiness and repent and cry out for the wickedness in our nation. We will continue to pray for the president and government who are so entrenched in corruption. Forgive us for voting these people in, for profiting from the poor, help us Lord to keep repenting so that you can have mercy over us, as you decree over this nation.

We are in agreement for France and pray for the president. There is a huge stake in this nation from South Africa and may the travail of your soul be seen in France Lord. There are French Huguenots who came from France to South Africa which is an incredible inheritance from France to South Africa and we bless France to return to what you had amongst the French Huguenots. Thank you for the rich heritage and saints of God in that place and we call her back into her destiny and may you raise up an army of people to repent and return to their heritage in Christ in Jesus name.

Vision from the beginning, river with lots of grass and trees and hear voice saying 'get ready to jump in the river as the waterfall will start'. As the nations are being prayed for, the flow of the water goes to edge of waterfall. Two lion paws with a throne or chair is seen and the nations flags lay on the water and they flow underneath the chair or throne.

For Namibia, saw fruit trees growing rapidly in the desert and these trees were blooming and carrying fruit at same time. Clouds were rolling in towards Namibia.

Then for the United Kingdom I saw crown jewels struck by lightning and turn to ashes and the crown of the Queen crack and fall off.

For Zimbabwe I saw a snake which was grabbed by its tail and pulled out of a hole in the ground and its jaws were forced to open up for something to come out.

For America I the flag put onto water, first the flag was bunched up and then straightened out and a time-bomb was defused and disconnected. Something of the restoration of their belief was reset.

For Kenya I saw giraffes returning and people with long necks with bangles returning, possibly Masai returning. Could be restoration coming of something.

For Canada I saw the maple leaf being restored to life. The land is divided by rivers, but being joined into one.

Uganda is a dry barren land, season in and season out but rain doesn't come. Now hope has risen up for the rain and crop to come.

For South Africa a false flag is removed, and the true flag is on the water but has lot of marks and blood on it. The holes and dirt are coming out and the flag is healing. A scarlet thread is being pulled and this is affecting other nations around us and false veils are being pulled off them.

Also for France vision give of wine presses and butterflies coming out. At first the wine very weak and the butterflies are under developed but then the wine became thicker and more red and the butterflies strengthened and could break through the bubble which had restrained them.

French Huguenots were called the butterflies because of how they gathered in the forests. The king threw them out of the nation, and many of them started the wine industry in South Africa. The butterflies in this generation have become stronger, so they will move with the Holy Spirit in an even greater measure.

Bless everyone tonight, be encouraged to run with the Lord. It can get very detailed and I am passionate about the nations because Jesus is passionate about nations and He is sitting at right hand of the Father interceding for the nations to be represented on the sea of glass. So thank you Lord for the opportunity to pray for all these nations.

Thank you for this privilege Lord, please seal everything under the blood of Jesus. Please show us, give us visions and dreams to stand and do your will in these 40 days. Thank you Father.
