

DAY 17 - 25/8/2020 - 40 DAYS OF PRAYER

Lord, I pray, please wash me, my mind. Father, have Your will in us today. Let us have Your thoughts Lord, not for ourselves but for the nations. Please bless Apostle Natasha and the seers and we pray covering in the Blood of Jesus. Strengthen us Lord that we would be strong enough to hear Your word and walk it out.

Lord as we pray for the farmers in America, as the wind blows let Your purposes come, protect Your farmers and please protect the produce on the farms in America Lord. We glorify Your name and we lay down our lives, we are weak and You are strong. Let Your word come forth in Jesus name. Father, thank you that we can stand in the gap for the farmers in America and all the damage done by the tornadoes on the farm produce. Lord, please help the farmers to have strategies and understanding on what to do. Please provide the finance and help us with the food shortages which could take place from the losses on the farms. Lord, in amongst the turmoil in America You are still the light and we ask for Your grace and mercy on all the farmers in this position.

Lord, have mercy on America, the beatings of the truck drivers, the hostility, the rebellion that is going on, we ask for mercy and grace Lord. There are many people praying and we are asking for the anointing on the intercessors to pray. Mercy for all the destabilisation Lord. Father, America still carries an anointing and a mandate from You and if they are destabilized, the world is impacted and destabilized. We ask for mercy Lord. These winds and hurricanes as they overturn what is in their path, so we as nations are being overturned in a similar way. Those that know their God will be able to stand firm. Daniel 11:32 NKJV *“Those who do wickedly against the covenant he shall corrupt with flattery; but the people who know their God shall be strong, and carry out great exploits.”* We are seeking Your purposes in this time Lord.

Father, we thank you that as farmers in South Africa, we can lay our lives down and pray for the farmers in America. May Your kingdom come on every farm in America, as You have planned before time. Every time we have farmed according to our wisdom and not Your strategies, it was about ourselves and our selfishness and outside of Your will, please forgive us. Break the curse over the farming community because of our disobedience Lord in Jesus name.

We are asking You for mercy Father, mercy for the poor who need the staple food, the maize, corn, and other produce which are significant to feed the poor. Please have mercy Lord in Jesus name.

Vision of a dragon with two heads. Top head is seeking blood and the bottom head is to bring fear. There are two hurricanes, one for fear and one for blood.

Pray in tongues and make sure you have done the covering prayers.

Vision given that as we have been praying in tongues, our prayers produce a net which is being woven thicker and thicker. But the net is tearing in certain places and is not strong enough.

Apostle Timothy Carscadden post on facebook 22/8/2020:

"Interesting facts about the names of these 2 hurricanes that are predicted to hit Louisiana and Texas:

Marco: Wholesome, Strong, Simple

Laura: Wholesome, Refined, Simple (Source: Behind the Name)

May their names release those attributes on our states."

Father we come to repent for Africa, many times the hurricanes come off Africa and some of the time it is due to witchcraft and water spirits.

Father, we thank you for this opportunity to lay down our lives spirit, soul and body, we repent for every part of Africa and Ghana for participating in water spirits and witchcraft. This is wrong and we have wronged You. Lord have mercy on us and grant us the blood of Jesus. All the forms of witchcraft that demand blood, we repent for operating in this witchcraft and ask for Your forgiveness in mighty name of Jesus.

We come to repent as Africans from all over Africa, we are putting on record we are repenting tonight because we are affecting America with our water spirit worship and witchcraft.

Father we come to lay down our lives in repentance for all forms of water spirit from top to end of Africa and east and west. We reject the water spirits and all associated spirits. We want nothing to do with them. We lift up America and cover her in Blood of Jesus and declare Jesus Christ is Lord and ask that the power of the Holy Spirit broods over this nation.

Hurricanes form over the warm ocean water of the tropics. When warm moist air over the water rises, it is replaced by cooler air. The cooler air will then warm and start to rise. This cycle causes huge storm clouds to form. These storm clouds will begin to rotate with the spin of the Earth forming an organized system. If there is enough warm water, the cycle will continue and the storm clouds and wind speeds will grow causing a hurricane to form.

Father, in the name of Jesus I stand on behalf of us as a nation and repent for every altar erected and which has brought about this retaliation against America, I repent Father. I repent for every people group who have put this altar together, this does not glorify you God. I repent for every trace of demonic worship. I repent on behalf of the leaders in Africa and in South Africa who were supposed to usher in your governance, I repent in Jesus name I ask for mercy.

We repent for marine spirits which operate under the water in Jesus name. Father, thank you for this opportunity to come and lay my life down. Please burn everything not pleasing to you. I repent first for myself, for worship and sacrifice of water spirits. I repent for wanting power to manipulate, create atmospheres of control, to reign over the minds of people, I repent for our nation Father. I repent for South Africa, for taking our leaders and initiating them under the sea and under the waters, to give them power, anointing and authority. It is evil in your sight Lord and we repent and confess our wickedness. We serve these idols and water spirits and have exchanged the truth for the lie. May the power of the blood of Jesus break the ungodly covenants. Break this covenant with water spirits. Let every contract be nullified. We pray for continent of

Africa where we have sacrificed Lord, we repent. Those powers are evil and I reject them in Jesus name. Only the blood of Jesus can save us. We repent for Africa, we divorce those water spirits in Jesus name and declare mercy through the blood of Jesus. We are sorry Lord for all the acts of wickedness, there is only true gospel, there cannot be any other cross nor any other altar. Let these ungodly altars burn into ashes in my life in Jesus name I pray.

Apostle Natasha explained that as people are praying, we are gathering the evidence of repentance and prayers, like a class action before the Lord.

Vision given of land of Africa, the high places are bowing down like the land is going lower. As we do that, the ocean is pulling back towards our side. As we lower ourselves the ocean is being pulled back and losing its power.

Thank you for Your blood Lord Jesus. I divorce all the water spirits linked to my family and my clan. The blood of Jesus is what speaks to me and because of what Jesus did on the cross, I can tap into that personally and because you are my Father in heaven, I divorce the water spirit in the mighty name of Jesus. The blood of Jesus speaks on my behalf. I refuse to be a priest of this unholy altar of my family and I am pulling this altar apart and the only altar I am setting up is the Cross of Calvary with Blood of Jesus and therefore I am laying my life on this altar and I will only be a priest for Jesus. I refuse to be a priest any longer for these marine spirits in Jesus name.

I repent for the unholy inheritance from my family and clan side. I divorce the water spirits in rivers and dams and give up the spiritual gift of influencing the weather, projecting water, hurricanes, and producing witchcraft over nations. I divorce these marine spirits in the nation. I refuse to carry this gift. I will not be a priest of a water altar and even in my marriage I refuse to worship at this altar. I divorce these spirits and give up the power, the treasures, wealth which flows from those altars. These water spirits and altars will not speak to me, my children, my life. I repent for myself and all my ancestors back to Adam. I repent even for worshipping water spirits from Egypt as we came down Africa and established altars in the waters. Even as the church and as ministers we have built churches from power received from water spirits and manipulated minds, and controlled and hunted souls through this water spirits. Even in this lockdown, water has been harvested. I refuse to pollute and defile your church through this water spirit worship.

Vision given of America – It is lower on the African land side When Durban lowered, America came into balance with Africa. Northern part of Africa in Nigeria and Congo, land very high on their side.

Father, I repent for serving the crocodile and worshipping it bringing sacrifices and calling myself by its name. All the gifts and anointings and cultures we serve instead of You, I repent Lord in Jesus name. The traditions we boast about Lord I repent. We gave our souls and gave these altars and water spirits legal right Lord. We have not acknowledged you as God and have boasted and are proud and arrogant in the power of our idolatry. I want nothing to do with these altars and water spirits. Let every altar that we have built and served be pulled down in Jesus name. Lord, please pull the altars down from my family. We refuse to service this altar in Jesus name. What we have done against You is sin and it is an abomination. We choose You Lord and give You the right over our family. Break every altar Lord, every altar we have dedicated children and

generations to. We bring it all under the subjection of Christ and raise up an altar of Christ and lay our lives on that altar in Jesus name. Father we choose You in the name of Jesus.

Father, thank you for the Blood of Jesus as I come to divorce myself from the crocodile and divorce my sons from the water spirits including the water dragon, the crocodile in Jesus name. I come against the altars my family and in laws have built in Jesus name. I speak the blood of Jesus over these altars and I repent for serving them in the name of Jesus. Holy Spirit, I thank you for this opportunity. Never will my family name be part of this altar in Jesus name. We divorce ourselves from pride and arrogance in Jesus name. I pull my family altar down in Jesus name and I refuse to be the priest of this altar because I am part of the royal priesthood and because of what Jesus had done on cross.

Vision given of mountains which split and opened up. Scales on the feet of the person because of Nigeria and Congo land and water altars.

Father, You have sent me on missions to nations and where my feet have been Lord, I know that I was in the dragons lair and know they ensnare and trap people in demonic doctrine. Also the water area where this crocodile was birthed. As a son of the Most High God, I come to repent for myself and my family Lord, for cheapening the Blood of Slain Lamb to gain power, to have a million puppets on a string. For the witchcraft and power of sorcery Lord, I repent for hunting and seeking power. I repent for playing with people's minds and letting them live in fear and bowing to me because of their fear and their need of my power and transactions over their lives. I have sold them water to drink and the witchcraft was strong and able to draw people to return for more and more. I am not looking at what You died for Lord, I have tread where I did not want to go, but I went because You sent me for such a time as this. Let your word speak. Whatever clung to me, hooked into me, or spoke over me and thus got authority over me, my family, my church, my nation, I repent Lord, send Your fire on me. Examine me, inspect me, Lord, where I look like a con-artist, send Your fire and let it burn hot. Only what is of the Cross of Calvary, only that is what I want to remain. Burn the scales off me. Burn the fear and manipulation out of me. Any place the blood is speaking now because people died from my agreements and actions, I repent Lord. Where lives were taken to gain power, babies were sacrificed, people were sacrificed, where I fed the altars of Africa, anywhere I sowed into that, I repent Lord in Jesus name. Please Lord, send your angels to go to all the altars from where I came from and pull out the investment I made in these altars, pull the bricks out and let the altars collapse. I want to be removed out of the system of the dragon and the bloodshed. I want to come out of the wrong church into the right church of Jesus Christ. I lay down all the rings, books, covenants, logs of records and books of sacrifice and killing. Go and claim back what is yours Lord. I repent and say all that I gained to have power, the stones, headbands, belts garments, I give I all up and stand naked before You today and hold nothing of this. Send the Holy Spirit and bombs of the Blood of Jesus into these places where my feet tread because You own it and my feet were there and You own me. Burn whatever I have prayed that is out of alignment but what is of You Lord, have Your glory.

Vision given of many houses of witchcraft which joined together and the pull on that is very strong which led to people not being able to think clearly and becoming robotic in their capacity of life. As this person repented, many spirits going to the bottom of the sea to get away.

Vision of the breast of Nigeria drying up and almost level to the ground. This breast is connected to the Congo breast which is deflating and then inflating.

Vision of a dragon, like a fish monster thing. On the left side was a metal claw. It crashed into the ground and the ground got clawed up. A tall thin man with a straw like thing and he is blowing it up like a balloon. As we repenting, his right lung ruptured. The left lung is still functioning.

Father, in the name of Jesus, I lay down my life on your altar, spirit, soul and body. I choose to repent for my ancestors and all the worship and the rituals that we did in Jesus name. I want to specifically cut myself off and divorce myself from water spirits and I repent for all the rituals with the crocodile that we did as the Kikuyu tribe in the name of Jesus and all our witchcraft from water spirits. I am putting myself on the altar right now in repentance and I am pulling this altar apart that was set up by the Kikuyu people, and my family in Jesus name. I put the cross and the blood of Jesus as my altar in the name of Jesus.

We ask for Kenya, Uganda, the Congo area, we present north Africa and say we are willing to bow our knees in Jesus name.

Father, in the name of Jesus, I come and lay down my life on the altar and acknowledge this is the only righteous altar You have raised and no other. I repent for all my involvement in my ancestry, we have traded and have an inheritance with water spirits. We have given ourselves to them and we chose to go away from Your altar and I take responsibility and repent and renounce all that I have received from the water spirits. Please destroy the water spirits and altars in me, and my ancestry in Jesus name. Please destroy this altar and all places we agreed with those altars in Jesus name. I agree with the altar of the Lamb of God in Jesus name.

Father, I lay down my life on Your altar, spirit, soul and body as Congolese person. I am asking you to help me totally divorce the altars of the Congo. I repent for worshipping and serving water spirits in Jesus name. I no longer want to be a priest of these altars and whatever my ancestors and family raised, I want to pull it down in Jesus name. The only altar I want to worship from is the Cross and the Blood of Jesus. I divorce all water spirits in Jesus name right now. *(Person then repeated the repentance in the French language)*

Vision given of the pyramids in Egypt falling down and Congo fell down. Sword is sweeping across the nations looking for a high place where we have not bowed low. Now hurricanes have to find their own steam to move forward. The witchcraft has lost power.

Please Father, have mercy, mercy, mercy!

Vision given of the houses which had joined together according to the previous vision. Now the connections were broken between the marine spirit houses.

Vision of the dragons, the head of fear on bottom and blood on top head. The bottom one is still very strong.

We come to agree with those of America and their intercession and come into agreement with America and all the nations. We agree with Apostle Timothy and we ask for the breaking of all

the connections of voodoo which have connected from Louisiana, New Orleans and the southern part which connects to the sea.

Father, in the name of Jesus, I come to repent for all the altars that have been set up, especially in Louisiana, going up north, because Louisiana worshipped the snake through the slaves and Lord, I come to repent on their behalf to stand as an intercessor for them. I want to say Lord that they have been blind, like I was blind and my people in the Congo were blind when we were involved in witchcraft. Tonight Lord, I repent on their behalf and I want to say if You can save me, You can save them because much of their witchcraft comes from Africa. Lord, here at the source we cut the snakes head off in the name of Jesus.

Father we thank you as You drain the Congo from its points of witchcraft, that You drain the basin of Louisiana of witchcraft. We ask for the plug to be pulled in Jesus name.

Vision given of a sword between the strong houses. Sometimes the sword stands up and sometimes the sword is on its side. It is separating and preventing the houses from connecting. In other words no assembling.

Vision given of a brick wall or shield which came up in front of the hurricane and the net is about to break but a veil is coming down in front of the hurricane and a hand is pushing the hurricane down into the ocean.

You will be glorified, Your Son will receive the glory, not the hurricane, not witchcraft. Let Your name be lifted high and be glorified Father in Jesus name.

For witches to be witches they must live under the water for two weeks. Really senior witches live under the water for 2 or 3 years. They would come up from the water and many people will come to see them because they can prophesy. Prophesy and this water spirit worship is very connected. *(It's called divination – prophesy from a wrong source)*

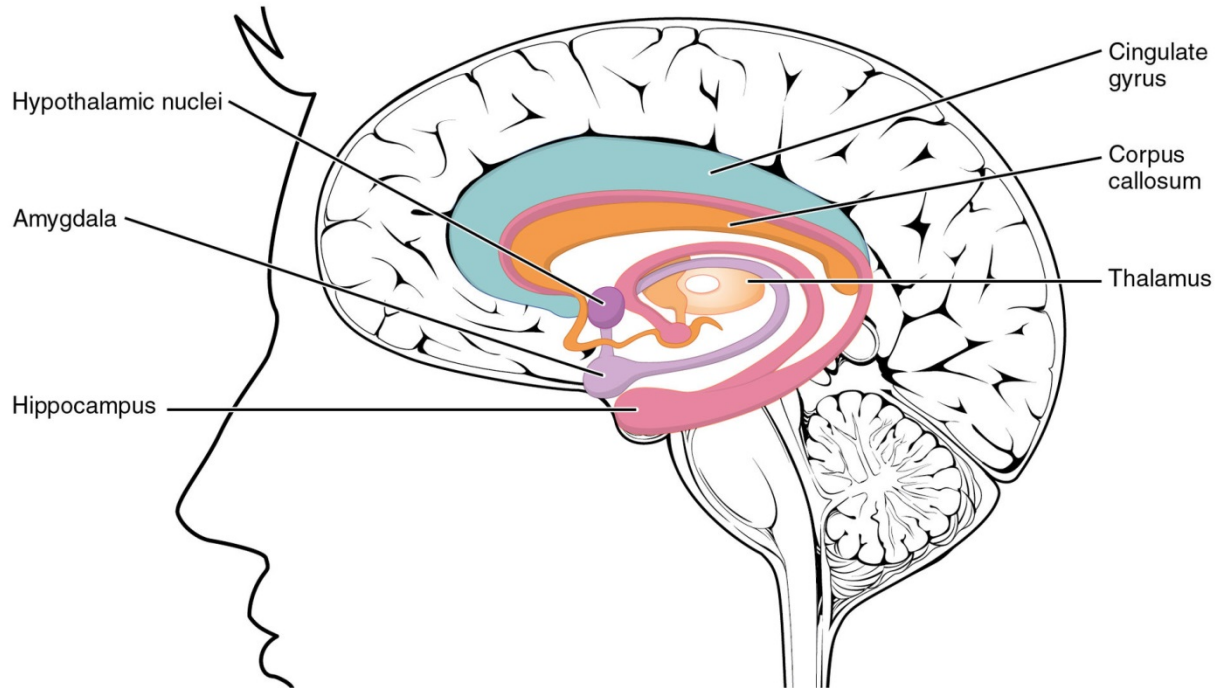

Vision given of lots of horses under the sea and a single man is standing on the horses and pulling the horses. As we praying he is calling for more horses.

Poseidon is the Greek god; Neptune is the Roman god; riding on sea horses and chariot pulled by sea horses.

The word horse in Greek Strong's concordance # 2462 is 'hippo'. In the middle of your head is the hippocampus so this deity is driving by mind control. Remember vision was people are walking around like robots. So we are giving our hippocampus in our brain to false worship.

*The **hippocampus** (via Latin from Greek ιππόκαμπος, "seahorse") is a major component of the brain of humans and other vertebrates. Humans and other mammals have two hippocampi, one in each side of the brain. The hippocampus is part of the limbic system, and plays important roles in the consolidation of information from short-term memory to long-term memory, and in spatial memory that enables navigation. The hippocampus is located under the cerebral cortex in the allocortex,^{[1][2][3]} and in primates it is in the medial temporal lobe. It contains two main interlocking parts: the hippocampus proper (also called Ammon's horn)^[4] and the dentate gyrus.*

Father, in the name of Jesus I give You my brain and hippocampus, all the lobes including the hippocampus and I refuse to be a horse or sea horse to any principality to ride or have anointing to move because of my thoughts and memories. I am pulling the stuff out of me in Jesus name. Please heal the pineal gland in me Lord, in Jesus name. I close any third eye in me in Jesus name. I refuse to serve Ra and the pyramids in Jesus name. I declare my mind belongs to Jesus Christ. I am my beloved and He is mine. My brain is mine and my brain and mind is under the jurisdiction of the Lord Jesus Christ.

We stand as intercessors and ask for the people trapped in mind control in America to be released and people delivered from mind control in Jesus name.

Vision of slaves with the chains coming off their hands and feet.

Please Father, let the mind control break in Jesus name. All the mind control which has fed a demonic agenda, may those chains burn off and people come into their right mind.

Vision given of horses under sea with the rider, some of the reins broke. Some horses went to left, others to the right, some horses fell. Pulling force is slowing down and momentum lost and the hurricane going deeper into the ocean.

We magnify Your name, we exalt You Lord. Thank you Lord, for this group who have the heart of the nations Lord. Thank you Lord, for this time of repentance and we can repent before You before the window of the gentiles closes. We love You Lord, and thank you Father in Jesus name.

Thank you Father, for Your hand in this. Be glorified in all the nations and setting the captives free to hear Your voice and to hear the sound of the Blood of Jesus. May these people move and have their being in You Lord. Thank you for taking the hurricane and throwing it into the sea. Thank you for what You have done and are doing Lord. We agree on earth with what You are doing in heaven. Your glory be established and may the sound of the Blood of Jesus come forth in Louisiana in Jesus name.

Father, in heaven, thank you Father, You are so glorious and mighty and we bow before You. Thank you for Apostle Natasha and Apostle Timothy and the church and seers. Thank you for the intercessors and thank you for Your hand is mighty. Your armies are on the way. Thank you that You save us and we give You all the glory, Amen.

What the enemy had assigned for evil, God has assigned for good.

Thank you for cancelling the enemies assignments and may Your voice sweep across the nation and the nations of the earth Lord. You control the wind and the rain and we worship You for the creative gift You gave to the earth. May hurricane Laura bring a cleansing and no evil will be brought by these hurricanes .

From America we release a blessing upon their lives, their ears to this group on the zoom call.

Vision given of big ears to tune into higher frequencies and to receive backroom information. Not just information in the front room but secrets in the kings chambers. A little bird, a dove, will tell you what is spoken in the king's chambers. This ministry is moving from strategic to militant. What God is putting on us is to enable us to wade through the weeds and see what is hidden amongst the weeds. Division and derision is what God has planned for the enemy. A disaster has been prepared for our enemy and you will be one of the groups who will decree. Grow the network to be a rolling tide. Wave after wave will drive back the enemies in Jesus name.

Vision given of horses disbanded. All the prayers that was prayed by America was shut in a glass jar and could not come out, with our prayers this evening it helped remove the glass dome and it could be released. Someone is standing on the rock and looking into the mouth of the hurricane and as he speaks life into the hurricane, his words get blasted over America.

Vision given of felt wind blowing, but it feels like a normal wind, as if it lost its velocity.

We seal what was prayed and declared and thank you for your revelation and to those who can come alongside you as a team. There is movement in the heavenlies because the saints have declared the word of the Lord.

Prayer over Ariel Gate : May there be another level and provision beyond measure that there would be ample supply of provision. Pray for excess provision in order to bless others with. Bless Apostle Natasha and her office she walks in and may there be increase.

Call was closed.

Questions that was addressed after the call:

- **What are water or marine spirits?**

These are demonic spirits who inhabit or hold territory in various places of water. In ancient Europe people would throw coins into wells in order to hear a prophecy. Water spirits are very active in the false prophetic. In Africa, people would often sacrifice or bring something acceptable as an act of worship, to rivers where they had to cross and were fearful of the crocodiles, or snakes or the currents in the waters.

Water or marine spirits often lure people through fear and witchcraft into worship of them. For example, people through the generations have offered their children, offered virgins, offered their first born, offered other people, offered food, offered blood and whatever else they believed the altars in the waters were demanding from them. The witchcraft in our family ancestry would have required worship in some form or manner of water spirits, be it in the seas, rivers, dams, there would have been offerings brought to cross over safely, to not be attacked by crocodiles or snakes. Sacrifices and offerings would have been made for power and ungodly anointings to bring some purpose to fruition. These offerings are acts of worship and in all of our different nationalities and cultures, we are all guilty of bringing some offerings and worship to water spirits. Therefore we repent first for ourselves and our generations of ancestors and then for others and nations.

Jennifer LeClaire gives a description in her book called '***The Spiritual Warrior's Guide to Defeating Water Spirits***'. Chapter 2, page 29 – excerpt:

"The oceans and waters of the earth are filled with beautiful creatures – and some of them are dangerous. Take the Striped Surgeonfish as a natural example. With its nearly neon green and blue stripes, this fish is stunning – but its spine is venomous. Hideous marine demons are trolling below the surface of the water with a deadly agenda to kill, steal and destroy lives. You cannot see them any more than you can see spirits of fear or rejection, but they are actively engaged in aquatic ministry.

Perhaps the closest parallel we can make between natural sea creatures and marine demons are the jellyfish. Some jellyfish merely sting – others are deadly like the Sea Wasp Box Jellyfish (the deadliest in the world), the Portuguese Man O' War (which is technically a colony of organisms)

and the Irukandji jellyfish. Marine demons are like venomous jellyfish. They release toxic imaginations as they work to wrap their tentacles around you. The attack can sting your soul or body. If you don't discern the attack quickly enough and sustain multiple stings, it could kill relationships, steal your peace of mind or health and destroy opportunities God has planned for you."

- **Apostle Natasha mentioned that she will stand in the gap and repent for the Chinese, even if she is not Chinese. Explanation was requested:**

The process of repentance is called identificational repentance. That means that once I have worked through my own repentance, I can start standing in the gap for others. I can take on their sin as my own and start repenting for them as if it was me that committed these transgressions. This doesn't mean that the other person doesn't need to repent, it only means that I will stand in their place until they are able to stand for themselves and Holy Spirit reveals to them that they are not in a right standing with the Lord.

Taking Apostle Natasha's example: as far as she is aware she doesn't have any Chinese heritage (*but these day's who knows as the nations are so mixed*) If the Holy Spirit gives her the unction to stand in the gap for the Chinese, she will pray and repent for anything and everything she can find that needs to be repented of in the Chinese culture, she will bring the nation of China before the Lord and ask that Jesus will receive the full reward of His suffering from the Chinese, that is due to Him.
