

DAY 19 - 27/8/2020 - 40 DAYS OF PRAYER

Apostle Natasha opened the meeting. Two people from America shared the news on hurricane Laura which has moved east from Texas. It was supposed to hit Shreveport and Louisiana but it moved to category 1 and it has moved eastward.

We lift up this call and we thank you for what the enemy meant for evil, you will turn it for good. Apostle Timothy prayed for this hurricane last night and there was much intercession for people to return to the Lord, to seek the Lord in this time. Lord Jesus, You are their only hope, no one can fight a hurricane so we pray people will turn to You in this time. We thank you for all the intercession in this time.

One person spoke of Lana Vawser's post which is a very encouraging post for those who are speaking about His return. The same Holy Spirit is operating around the world and so it is encouraging to see similar words, phrases and expressions because it is the same Holy Spirit speaking similar things.

On Sunday Apostle Natasha taught about covenant and the cutting or circumcision of our hearts. A person on the call was so excited about this message because it had impacted her and was a revelation of the covenant we should have with God.

God listens to our hearts as well as our mouths. Often our hearts are speaking louder than our words. God is interested over what we are mourning over, what are we crying about, are we weeping over our sin and the sins of our nations. Sometimes we say stuff out of our mouths but we don't mean those words as much as the conversations in our hearts.

Thank you Jesus, we can come into Your presence, change us into Your image. Use us for the nations Lord. We open our hearts and ask You to please lead us, teach us. We bow down and thank you for your protection and we surrender ourselves to You. Use us, use our mouths, life and heart for Your purposes Lord.

We trust God that He is using us to impact nations on these zoom calls. We are in preparation for the court date of God, which is Rosh Hashanah – 18 September – and we will be judged for our behavior, our words, our actions. If we have not repented, there could be a severity of judgment on our lives. If we have repented, then we are hoping to receive a good report from the Lord. There are three times a year God has set appointed times for people to meet with Him.

Read Leviticus 23 which details the feasts which are the appointed feasts of the Lord. The candlestick or menorah has seven parts, which represent the seven feasts which are made up into the three main feasts, Pentecost, Rosh Hashanah, and Tabernacles.

The church is still living in the feast of Pentecost which is about speaking in tongues and receiving the gifts. We are waiting for the Lords return and this year, if we look at the fulfillment of scripture and what is going on in the world, it feels like the return of the Lord is coming very soon. When the last trumpet is blown, Daniel 7:9, the books are opened.

Daniel 7:9-10 NKJV *“I watched till thrones were put in place, And the Ancient of Days was seated; His garment was white as snow, And the hair of His head was like pure wool. His throne was a fiery flame, Its wheels a burning fire; A fiery stream issued And came forth from before Him. A thousand thousands ministered to Him; Ten thousand times ten thousand stood before Him. The court was seated, And the books were opened’.*

We are preparing like this is an examination because the King of Kings is going to examine us and read our books. The old testament is a type and shadow.

Hebrews 10:1 NIV *“ The law is only a shadow of the good things that are coming--not the realities themselves. For this reason it can never, by the same sacrifices repeated endlessly year after year, make perfect those who draw near to worship.”*

When Jesus returns, He is coming with many saints see book of Jude. Jude 1:14 NIV *“Enoch the seventh from Adam, prophesied about them: “See, the Lord is coming with thousands upon thousands of his holy ones.”*

Book of Jude quotes Enoch, which is an old book, and this book is seen as relevant by many of the Jewish scholars. There are those who will be raptured, they return to be part of the millennial period on earth. All nations receive the dispensation of grace when Jesus sends his disciples out to baptize the nations. That means Jude is warning us of men who have twisted the message of grace. They are like and then it explains what these men are like. We expect the Lord to come again. Does He come in our lifetime, maybe, we don't know but the signs look like it is possible. Scientists are working on opening a portal in Cern, which is built on an old roman temple of worship of Abaddon. Amazing all the stuff happening in our day! Many children are disappearing and their blood is being used. What were we dealing with in those times of Jude. We were dealing with child sacrifice to Molech amongst other wickedness. Today we have lots of abortions and child sacrifice, pedophilia and use of the bodies and blood of children. Many government officials are involved in the child sacrifices.

There is a book written about TB Joshua:

Jesus has nothing to do with the pool of Bethesda. Jesus did not tell him to go into the pool. The church has no discernment on this stuff. Pastors and ministers have gained their power from wrong sources. TB Joshua is not a Christian.

John 5:1-8 NKJV *“After this there was a feast of the Jews, and Jesus went up to Jerusalem.² Now there is in Jerusalem by the Sheep Gate a pool, which is called in Hebrew, ^[a]Bethesda, having five porches.³ In these lay a great multitude of sick people, blind, lame, ^[b]paralyzed, ^[c]waiting for the moving of the water.⁴ For an angel went down at a certain time into the pool and stirred up the water; then whoever stepped in first, after the stirring of the water, was made well of whatever disease he had.⁵ Now a certain man was there who had an infirmity thirty-eight years.⁶ When Jesus saw him lying there, and knew that he already had been in that condition a long time, He said to him, “Do you want to be made well?” The sick man answered Him, “Sir, I have no man to put me into the pool when the water is stirred up; but*

while I am coming, another steps down before me. Jesus said to him, "Rise, take up your bed and walk." ⁹ And immediately the man was made well, took up his bed, and walked.

Vision given of angels of some nations are standing waiting for us to pray. Particularly India, Pakistan, Italy and the areas of the horn.

For Satan to take over planet earth, Adam had to give that mandate to Satan. Now our mandate is to pray *'your kingdom come, your will be done on earth.'*

We are praying for India first. Thank you for the work You have accomplished on the Cross of Calvary. Thank you for Your Blood that was shed, You purchased from every tribe and nation Lord and we stand in the gap for India Lord. We come to repent for the many gods that are being worshipped. We cry out for the servants of God ministering in India, the gospel of Jesus Christ. We repent for not carrying them in our prayers and say Lord we lift them up that the spirit of the Living God would empower them in this nation that has so many gods. The Blood of Jesus is speaking, speaking and speaking in the name of Jesus. Pray in tongues.

Our mandate is Psalm 2 ask of me for the nations as an inheritance. Psalm 2:8 NIV *"Ask of Me, and I will give You The nations for Your inheritance, And the ends of the earth for Your possession."*

The nations belong to Jesus. He bought them. We don't care how many gods there are in India, there is only one who laid down his life and went to the cross, Jesus Christ, the Son of God, the Father of Light, the one who created all things and in whom there is no turning. James 1:17 NKJV *"Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning."*

May all the gods of India be bound according to Psalm 149. It is the honor of his saints to execute His will. We are preaching the word back to them, what God said about India. Every Indian who calls upon the Lord shall be saved. We are saying as the church of Jesus Christ, we are the church from various nations and we are calling for the souls of men who are already bought at the Cross of Calvary by Jesus Christ. We thank you that as the church we are here to show forth to principalities and powers.

Ephesians 3:8-12 NKJV *"To me, who am less than the least of all the saints, this grace was given, that I should preach among the Gentiles the unsearchable riches of Christ, and to make all see what is the fellowship of the mystery, which from the beginning of the ages has been hidden in God who created all things through Jesus Christ; to the intent that now the manifold wisdom of God might be made known by the church to the principalities and powers in the heavenly places, according to the eternal purpose which He accomplished in Christ Jesus our Lord, in whom we have boldness and access with confidence through faith in Him."*

1 Peter 2:9 NKJV *"But you are a chosen generation, a royal priesthood, a holy nation, a peculiar people, that you should shew forth the praises of him who has called you out of darkness into his marvelous light."*

The word 'shew forth' in Greek concordance G1804 'exangelo' it means "to declare, divulge, publish". The word sounds like evangelism. Who are we talking to first, who are the first ones to hear the gospel when we preach. When we declare the word of God, who is listening, God's angels in heaven and the fallen angels who are holding the souls of these people. These fallen angels must release the people when the people hear the truth of the gospel of Christ and choose Him.

We say to all the Indian principalities and powers, we are here as the church of Jesus Christ and we say to every person, you can be saved from your principalities and powers in Jesus name. We ask for all the fivefold ministry to bring the word of God to India so people can make choices based on the truth. Jesus Christ is the firstborn of the church registered in heaven. The people in India have the right to choose for themselves whether they want to come out of the blindness and deception from the worship of their gods. Father, we asking for truth for them.

Vision given of the priesthood and their clothing is messed up and not clean. The altar is used on a Sunday but Monday normal life of worship to other gods continue.

Vision of a bull with large horns. Angels are on their knees praying. Many amongst the cloud of witnesses are praying.

We are called to be a royal priesthood, a peculiar people. Our job is about Jesus. It is to show forth Jesus Christ and glorify Him. Many people go to water spirits to get power and there is a mixture in the priesthood, specifically the priesthood in India. Part of the job of the priest is to know what is holy and what is unholy, the pure and impure. If you cannot discern that then you are not a priest. A priest must be able to discern between the two. It is not about loving everyone. Priests are there to separate between the clean and unclean.

We repent for having a mixture as our priesthood. We have no discernment through our compromise of our hearts. We repent for fear of man instead of fear and reverence for You Lord. We repent for the issues and motives in our hearts which cause blindness, deafness, and we are unable to discern between holy and unholy. We are guilty of bringing a mixture before You and then we want You to accept whatever we bring. Lord help us to have the fear of the Lord, to bring You what is acceptable to You, by Your standards not ours.

Heavenly Father, thank you that I can be a part of this prayer group. I repent for not discerning between holy and unholy. The pride, the belief I know it all. Help us Holy Spirit to discern correctly and to discern the between righteousness and unrighteousness. The priesthood we are part of is filled with mixture Lord. I repent Lord for Your heart must break as we do not portray who You truly are.

I repent for not leaving my cultural gods behind, for not giving up all the family idols and temples Lord. Where my family is still part of the worship system in India and are still bringing the sacrifices, I repent Lord. I want to repent for being part of the catholic system who was full of mixture. I repent for all the child slavery and human trafficking and the selling of children and I repent for all the unrighteousness in all our denominations. Our mixture of priesthood is not a

good testimony of Jesus Christ. I repent for all the child slavery, and wickedness against children. Forgive me, forgive us and all the ministers in India in Jesus name. I choose to lay down my life and I bring my dirty ministerial garments to You and ask You please Lord, send Your fire Lord. Shake people, do not let them sleep, bring the fear of the Lord. Move among these people Lord. I am reminding You Lord of Your missionaries who have given their lives for the gospel. May the blood of the martyrs speak for India. May their testimony rise up before You Lord. There are many people with a testimony in India, Lord. Those who are filthy, have lied, have bought and sold human beings are not the picture of the true church in India.

Vision given of a lot of rubbish and filth. The pathway is being cleared up and seer sees the beginning of the highway of the Lord. The swords of the priests are not being wielded. They keep putting the swords down and then they pick it up again and then put them down again.

Vision of man with white robes and royal blue tunic. Angels still praying. Cloud of witnesses praying and some crying. Prayers are being recorded in a book.

We pray for those who are tired and weary of doing good, you will hear the word of the gospel. The true gospel will be preached again to the hungry and weary. Every hippocampus, seahorse riding on the minds of the people, we ask the witchcraft to be cancelled in the name of Jesus Christ. Thank you for India. We come as intercessors and we cry for India. India, you will stand with broken chains before the King of Kings. We call India into her destiny in Jesus name.

We remind you Thomas went to India. We ask for mercy that the people did not all choose Jesus and in this day in 2020, let them choose Lord, that there will be a spreading of the gospel. We divorce these gods, especially Shiva, in Jesus name.

I come to repent in Jesus name. I come to lay my life on Your altar body, soul and spirit and I come to repent and plead for the children tonight. Lord there is no protection for the young generations. Children are put into slave labor and prostitution. We have benefitted from this slave labor because we received cheaper products but the children were put into extreme conditions of slavery to bring those products into being. The young girls are married off to adult men. Their perception of a bridegroom becomes messed up and they have been given a perverted sense of the true Bridegroom, Jesus Christ. I repent Lord.

Vision of book being witnessed by Thomas and another person.

Vision of menorah being lit and there is light. The utensils are still dull but the light has come on. As the graders are pushing the dirt off, new ground is being revealed. Now the word can penetrate the ground.

We divorce Brahma the creator, Vishnu you are not the preserver, Shiva the destroyer, also called the lord of the dance. Brahma there is a real Father, Vishnu there is a real Holy Spirit, and Shiva there is a true Lord, as far as we are concerned we are divorcing you in Jesus name. We also divorce the elephant god and I want to repent for serving all these gods Father. I am

guilty and my family generationally are guilty for our idolatry and worship of these gods and goddesses and we have not given them up and are filled with a mixture and have produced a false fire and not stood in righteousness before you as part of your priesthood. I am guilty Lord and I come to repent for my iniquity and sin which is against you Lord. I have become so engrossed in my culture and accepted all these gods. I repent when I hear Your voice, I only do what I think and then I continue with my idolatry, bringing offerings and sacrifices to the other gods, covering my bases. I repent for not holding You in high regard, I don't see the value in the Cross of Calvary and I don't acknowledge the death and resurrection of Jesus Christ. I divorce each and every god that is worshipped in India. I choose Jesus Christ and want to stand in alignment with Him and what He paid for on the cross. I am so sorry Lord that I hurt Your heart as I flip flopped between You and all the other gods and put You on the same level as the other gods. You are the King of Kings and Lord of lords and You are far above all gods. Have mercy on us as India. Father, when Jesus is lifted up He will draw all men to you. Draw India to You, open their ears Lord, may they hear You. Those men who are praying in that nation, we join with their prayers and Your prayers Lord and call her into your kingdom tonight in Jesus name.

Lord Jesus I repent for all the covenants made with these gods and all their religions. I repent and ask for a cutting off and a divorcing between myself and these gods. Lord I ask for the Muslims in India to be saved. We ask for a multi harvest from amongst all the Muslims. Please bring about a mighty revelation of the true and living God. Raise up the fivefold ministry in India to bring the true word of God. May there be a washing and watering and purity of your harvest in India. May there be a refining fire through India. May your sword stand strong in India. Every Muslim residing in India, may there be a mighty turnaround.

Vision of cross and light flowing from the cross over the nation. Wind is blowing the garments of the Muslims and some are turning around.

Father, in the name of Jesus I want to pray for my Indian family. I want to bless you for my Indian family. I am praying they will turn their eyes upon Jesus. They will come out of Hinduism, out of Islam and anything else that does not glorify You. Lord I am praying that they will meet Jesus. I am praying for all my family. Father as a Hindu, I repent for my Hindu family, for all the feasts they attended, for keeping all the rituals and for allowing themselves to be hooked to their gods. There is a ceremony of hooking their flesh and we repent. I repent for every time my family serviced the altars of the gods of India. I want to repent that we brought yoga and transcendental meditation to the world. I want to renounce and divorce every one of these gods. I want to say I really belong to Jesus. I am laying my life down on the altar, spirit, soul and body and I invite Your fire to come and burn out of me all of these things I inherited through my Indian family in Jesus name. If You can save me, You can save my family. If You save my family, then You can save India as a nation in Jesus name. I choose You Jesus Christ as my Lord and Saviour.

Vision given of the angel of India receiving a scroll from heaven. The other 3 angels have jugs of water to minister to this angel.

Apostle Natasha told the story of ministering in a certain church. Someone saw the angel of the church who looked terrible, looked like he was scraggly and as Apostle was ministering, the angel began to heal from the worship and the ministry.

Thus this angel has been in a massive fight for India and our prayers have released water and ministry to this angel so he can continue to fight.

We repent for all the wigs and extensions purchased from India which has more than likely been dedicated in a temple to one of their gods in India.

Ezekiel 36:25 NIV “ *I will sprinkle clean water on you, and you will be clean; I will cleanse you from all your impurities and from all your idols.*”

Vision given of the angel busy drinking water and having water poured over him. The cloud of witnesses have left. A thumb print of blood has sealed the end of the scribed prayers.

Vision of fresh water flowing over the land. Land is parched but the water is immediately going into the land. Temple has lot more light and much cleaner. So the priesthood is being washed and cleaned to some degree.

So there is a flow from the throne, fresh water, not contaminated and we have been written up in our books as having prayed for India.

So every time I pray for India, all the books and prayers related to when I have prayed for India, come into the courts. Every time you pray it has been written. It is like building a portfolio of prayer to come before the courts of God for nations.

A person shared of how stirred they felt as we prayed for India. Very little percentage saved. They are a huge volume of people and a very small remnant of believers.

Another person said he knows we are fasting but every night he is served humble pie. He is having to prepare a curriculum vitae in reality and now realizes that is what he is doing in the spirit.

Another person said she had done prayer walks in that nation and has seen villages saved. So be encouraged for India to be saved.

Lord Jesus, we thank You for being allowed to partner with You in this great cause. You gave Your only, You gave Your best. Jesus You were prepared to disrobe Yourself of Your glory so that India can be saved. Whatever was not of You tonight, please burn it up with Your fire, what is of You may that be established for Your glory. Thank you for this place where You are revealing Yourself so that souls may be ushered in to Your kingdom. May your hand of protection be over us, our families, businesses and those in partnership. Cancel every form of backlash and retaliation Lord. Touch our bodies to execute your assignments again in Jesus name. There are many who are ready to receive revelation and vision. If You can use us, we are willing.

May the Lord bless you and keep you and may his face shine upon you with nothing missing in Jesus name.
