

## DAY 4 - 12/8/2020 - 40 DAYS OF PRAYER

Lord, my focus must be on you, not on myself. My focus must be on serving your heart's desires not serve my desires.

Jessie Duplantis talks on his YouTube teaching that God told him to tell people God is coming. He talks about how the spirits around him ask to be born and they are circling around God in heaven. These spirits ask God to grant them to be born onto the earth, to go on a mission for God. We were an expression and a thought of God before we were created. When the spirit lands in the mother's womb, there is a flash on light according to some scientific research. You can listen to Jesse Duplantis on YouTube <https://youtu.be/za84C3uze4I>. There are 4 parts to the full testimony.

Repentance is not just a discipline of dragging myself through the process, but to ask the Lord what He thinks and how He feels about what you are repenting of, what you are doing. There is a difference between the robe of righteousness and the garment of salvation and we must prepare ourselves to meet God, the garment of salvation is the first garment but we need to grow in righteousness and holiness with understanding of how to approach God as our Father, but He is also the Judge. We don't have the fear of the Lord and lack the proper understanding of being able to approach God with reverence and awe. If we truly come into the presence of God, we will fall on our faces because the glory of God and His very presence is going to have an effect on us.

People who never prepare are not going to be ready. If a person does not unpack, clean out, deal with their stuff, then the person cannot be ready. Every year the Jewish nation prepares for Rosh Hashanah through to Yom Kippur. At the last trumpet call, there could be a catching away, or the rapture but when that has not happened, then it is all about judgment and our rehearsal for the judgment of God.

You are one of God's books, poems, scrolls and every year He counts you and examines you for what is required in the next year to establish God's purposes on the earth for His kingdom. Every soul is counted under the rod and an account given of whether the soul lives or dies over the next year. That is why the Jewish people thank God for their lives and are grateful they are still alive to repent .

There is an understanding that the courts of heaven open at Rosh Hashanah which includes the book of your life, the days you have lived. So this is the specific appointment with God where He examines you and there is a judgment over your life. You are fearfully and wonderfully made because you are part of God's mind.

Psalm 139:16 NKJV “ *Your eyes saw my substance, being yet unformed. And in Your book they all were written, the days fashioned for me, when as yet there were none of them.*”

This is Gods book of his thoughts and intentions of you , His purposes, His ideas.

The reason we repent is not because we have a list of sin, but because we have hurt the Lord through our sin. Imagine if you are God and you are watching babies being aborted, or Christians in China having their bones broken through torture. There is an intimacy with the Lord we need to develop. How does the Lord feel, not how do I feel. How do I comfort the Lord, not comfort myself. How do I give to the Lord and not just take. How much is God hurt by me? Sin is against God firstly, if I hit or hurt your child, how would you feel as a parent? God is the parent and He has emotions. How does God feel watching souls go to hell.

Jesus tells Jesse Duplantis that there is one day He is not looking forward to, the day of judgment where Jesus has to wipe away His own tears and tell people, depart from me, I never knew you. Mathew 7:21-23 NKJV “ *Not everyone who says to Me, ‘Lord, Lord,’ shall enter the kingdom of heaven, but he who does the will of My Father in heaven.* <sup>22</sup> *Many will say to Me in that day, ‘Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?’* <sup>23</sup> *And then I will declare to them, ‘I never knew you; depart from Me, you who practice lawlessness!’*”

When angels see us, they are looking at the image and likeness of God in us. When we sin, we break the image down in ourselves and others. When we are preparing to come into repentance, we are turning back into the ways of God. Let us repent firstly for the way we see ourselves, secondly how we see others. We cannot love our neighbour as we love ourselves because we do not love ourselves and most of us have self-hatred in our hearts.

Lord we have not appreciated the fact that you love us, that you actually created us. We were a thought in heaven, and I asked to be born and you sent me into my mother’s womb. Thank you Lord for the moment of my conception, thank you for fleshing out your thought and thank you for giving me life and I am still on mission. I want to bless my nine months in the womb, I bless my birth, I need to return back to the original thinking of God about me. Lord how many times have I cursed my birth, my life – what are we doing? We are messing with God’s thoughts! We were born into a body of iniquities which carries all the iniquities of the generations before me. Lord I have to relearn to think what God says about me.

Lord, we stand in adoration for you are our Loving Father and the Consuming Fire. Father I have not renewed my mind, I have not truly and intently repented to return back to your temple. Please forgive me Lord for I have not meditated on your word, put it around my neck, yoked myself to your word who is Christ. Lord, I am supposed to have the mind of Christ but Lord forgive me for I have played at religion and not made myself available to mature in the mind of Christ. I have not fully been prepared to lay myself on the altar to repent, not taken your desires seriously, not understood what it means to be fearfully and wonderfully made. Instead I wanted to establish myself in my own strength, my own patterns, built Babylon in my life. Forgive me for the filthy garments and the deception in my thinking that I am ready for your wedding feast. Lord please sanctify me, sanctify my generations, community and nation. God, I am departing from the culture of my thinking and turning to walk in the pattern of Christ, what you have desired from before the foundations of the earth. Thank you Lord for allowing me to

have breath to still be able to repent. Forgive me for my hardheartedness, rebellion, pride and arrogance, I have hurt you Lord, Please forgive me Lord. May this repentance be pleasing and acceptable in your sight. Lord we long for your word to be imprinted and imaged in us, that you will look upon us and see your beloved Son. I pray this in Jesus name.

Father God, thank you for not giving up on us. You say you will never forsake nor leave us and you are faithful. You are a true God and we love and appreciate you King of Kings. We lay our lives down before you and say you are worthy and holy, you are mighty, there is no other god like you. You make all things new, Lord your mercies are new every morning. You are the beginning and the end, the Alpha and the Omega.

God assesses us at Rosh Hashanah and then we have ten days until Yom Kippur. The Jewish understanding of the preparation includes fasting, repentance and feeding the poor. Are you proud of everything you have done during this past year and in your life. What do you think God says and feels about your life?

Vision given of the woman at the well. Also see the aborted babies and Gods eagerness to send them and the eagerness of the little spirits wanting to come and then how He receives them back to Himself.

Apostle Natasha referred to a book “Visions beyond the Veil” by H.A. Baker. There are testimonies of children visiting heaven, visions of children being taught in heaven.

God is building His army but if we do not deal with the issues in our hearts, we will not be able to stand in the purposes of God. Tonight is about dealing with our hearts in order to return to God with all our hearts.

Vision of two people rising up, one went up and the other person was stopped. The one who was stopped, did not repent fully, had offered incomplete repentance and also relied on other people to make the repentance for them.

An un-repented life will star in the movie of life called Left Behind – was a comment from the one delegate on the call.

Lord you came to perfect us, but the only way we can be perfected is to humble ourselves and be willing to repent and be prepared by you. God propel us Lord, help us to not disqualify ourselves but to take on the likeness and image of Christ. There is no other way that our garments will be rendered clean. You are returning for one who is dressed in purity and righteousness, without spot nor blemish. Help us O God, in Jesus name.

Repentance is being built into me, to become a reflex, a way of life, to humble myself before God. 1 Corinthians 3:13 NKJV “ *each one’s work will become clear; for the Day will declare it, because it will be revealed by fire; and the fire will test each one’s work, of what sort it is.* “

Our thoughts, intentions and the works of our lives will be exposed for what they truly are, and will be measured against the thoughts and purposes of God.

It is all about drawing close to the Lord and it is not about being religious. It cannot be about me, that is idolatry and if I am just using the bible to manipulate God and get what I want, that is not truly an intimate relationship with the Lord. I need a fresh revelation of God every day.

Father you know my heart, I lay my life spirit soul and body before you. Father every place I hated myself, hated other people, every perverted ugly opinion and thought process in me I repent. Every time I did not love others like you wanted me to, I repent. Often our mouths speak cliques but we do not really mean what we are saying – I repent Lord. I repent Lord where my heart is speaking differently to my mouth and neither is glorifying to you. Lord, please bring me back to your original pattern, I want to be a pleasure to you, to glorify and love you in Jesus name.

A religious person will just use God to fulfil their list of desires, but if you can pick up the heart of God and feel what He is feeling, that is a whole different deal.

Seek my face and I will seek your face. We need to come closer to Him and in that intimacy we will know the heart of God. Psalm 27:8 NKJV *“When You said, “Seek My face,” My heart said to You, “Your face, LORD, I will seek.”*

Jesus has already won the battle but we need to do the preparation in our lives of what Jesus has already done. He is the Advocate and we are repenting and coming into agreement with the Lord.

How far do you repent until it is enough. Well, you should feel the weight lift, or the release come. For instance if you are crying in repentance and intercession and then the tears stop and you fall asleep, that is the weight which has lifted. It differs every time and you learn to work with the Holy Spirit.
