

DAY 6 - 14/8/2020 - 40 DAYS OF PRAYER

You are supposed to be a priest and part of your service before God is to bring an offering. A priest starts his day by cleaning the altar to bring the sacrifice. The priest cleaned out the ashes from yesterdays sacrifices in order to bring the first lamb offering of the day. Jesus died between 9h00 and 15h00 and there was a solar eclipse which took place during this time on the day He died. Jesus is the full sacrifice and we are supposed to bring ourselves daily as a living sacrifice, we are saying *'God I will do what you say for me today'*, this is us as priests cleansing the altar and putting the lamb on the fire. We have to bring a living sacrifice to start our day off as priests. We have the satanic priesthood being very focused on doing their jobs, we need to become more focused. Where is our altar, where is our sacrifice, where am I laying down my life, carrying my cross to follow God. My repentance says, I understand that I and my generations have not done walked in the righteous pattern of the priesthood of God.

Father, I repent for neglecting your altar and temple, for not being faithful. I repent as a Christian, as a leader, as an intercessor, as part of the fivefold ministry, I repent for apostles, prophets, evangelists, pastors and teachers. I repent for the type of gospel we have taught. We were the ones who should have been able to rule properly according to your kingdom, but we have failed, we have not lived holy lives, we have not lived lives prepared for Jesus, we preached messages of self motivation, selfishness and come to Jesus, for Him to fulfil our desires. I repent Lord.

Anything in me which must die, I lay it down, spirit soul and body. Every time I moaned and murmured against you when you asked me to do something, not praying, not praying for your kingdom, but for my stuff, my needs I repent Lord. I have not asked you for what you need. Lord, I want to start at the brazen altar, and come to lay myself down before you Lord. Lord, I repent for having my heart set on my needs, my selfishness. Lord, I bring my sacrifice tonight, to come and spend time with you and lay down my life tonight. Lord, there are so many children being hurt, tortured, raped, I repent for this wickedness. We have caused this, our movies, our parties, our lifestyles, our sexual sin, help us Lord to really touch your heart. You are watching these babies being tortured and it is hurting you Lord. Father, please forgive us for our lustful selfish behavior, my relatives, my family, my nation, my society and culture. We use babies for 'muti' for witchcraft. We are despicable in your sight, we deserve judgment but for the grace of God, we should be dead, like in the days of Noah, where you repented where you had made man. Forgive us for bringing you to that place of sorrow for having created us. We need a new level of repentance, Lord, we are part of humanity which is very sick and defiled Lord. Forgive me and grant me a soft heart, able to connect with your heart and the intercession of your heart Lord. Please work this in me by your Holy Spirit.

Vision given of sense of heaviness and feeling drained. We are moving into the midst of a red hot burning altar. Looking up is the throne of God on the mountain. Looking up to the throne causes us to fall down, not able to stand in His glory. The Lamb is bleating and the Lion is roaring in response.

Some people are feeling tender and feeling the fire of God. Very thankful for the mercy and grace of God to help us lay off the old man, the religious spirit is being broken off. There is a sorrow

which leads to repentance and it is really amazing that my repentance can bring comfort to God. 2 Corinthians 7:9-10 NIV “ *yet now I am happy, not because you were made sorry, but because your sorrow led you to repentance. For you became sorrowful as God intended and so were not harmed in any way by us. Godly sorrow brings repentance that leads to salvation and leaves no regret, but worldly sorrow brings death.*”

Thank you Father we can have our wineskin renewed, have cleansed garments, be priests before you. We want the fullness of the maturity of the mind of Christ, we want to become like Christ who only did what He saw His Father do. We are only partakers of your divine nature to be servants unto you – be glorified through my life. John 5:19 NIV “*Jesus gave them this answer: “Very truly I tell you, the Son can do nothing by himself; he can do only what he sees his Father doing, because whatever the Father does the Son also does.”*”

Vision given of us sitting in the fire and the fire is burning hotter and hotter. A roll of paper is released in front of us, big roll of paper coming down like a scroll. We can reach up and touch it, the glory from the mountain is too much for us to stand and touch it. This is the scroll for what we need to do for the next while.

We thanked God for the scroll and received it, asking God for capacity and strength to stand in this fire, and to remain humble before You. We thank you we can eat the scroll so we can become part of Jesus.

Vision given of a white robe which is made up of layers of the word wrapped into layers making up the white robe. The scroll wants to wrap us and we are burned or seared and scroll wants to reach our hearts, to wrap our hearts in the word coming down.

So the word is looking to clothe us, we are to wear the scroll. It is granted for church to wear white garments. We are in the conversation with God – yes Lord we want to be clothed in the word, we want to function from this scroll. I agree with your purposes Lord. Revelation 19:8 KJV “ *And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints.*”

Vision given of many on the highway and there is a pushing forward. We are entering into Christ. (Romans 6:8 NIV “*Now if we have died with Christ, we believe that we will also live with him.*”)

Scripture given of Genesis 1:26 NIV “*Then God said, “Let us make mankind in our image, in our likeness, so that they may rule over the fish in the sea and the birds in the sky, over the livestock and all the wild animals,^[a] and over all the creatures that move along the ground.”* We need to realign to the original image of God after repenting. Take off the old man and put on the new man. What if that is a garment, there is an act of choosing, so we are praying to choose correctly and put on the right garment.

You gave us the gift of repentance, God we choose to die to self, we choose you, we choose your Son and we choose your Holy Spirit in the name of Jesus. Ephesians 4:22-24 NIV “*To put off your old self, which belongs to your former manner of life and is corrupt through deceitful desires,*

and to be renewed in the spirit of your minds, and to put on the new self, created after the likeness of God in true righteousness and holiness.”

Vision given of large olive tree plantation, massive trees with huge fruit, and the fruit is falling off the trees to the right which is where the Lion is. To the left, there are rivers where the Lamb is. We are moving towards the olive trees.

Vision given - we have come to a huge altar, which is a main altar, and the priests are lying down around it, coming into submission to Him.

Vision of meteor on fire, with a clock on the face in it and keep hearing it is time and the meteor is moving closer and saying louder and louder, it is time.

We pray for Israel to be wrapped in the word of God, in this scroll coming down in this vision. Your presence is around us Lord and thank you for the mandate and scroll representing your heart. You are revealing the secrets of your heart to us Lord. Jesus you are the living word and we lift our eyes to you, who is the living word. Help us to pray correctly and we lift up Israel to you, your word says pray for Israel. We plead for Israel, for the whole nation, wherever they are scattered. We pray for the boundaries of Israel and cry out for her. The enemy is dressed in sheep's clothing, the wolves are among us Lord. Help us to smell what is off, let us become tender and sensitive to your prompting Lord and may we have discernment. Lord, as the scroll lands, we want to be humble before you, may Jesus receive the reward of his suffering. May Israel be hidden in your heart, open your robe and save Israel, we want to be under the shadow of your wings. Every place we have been out of your will for Israel, I repent as an individual, my family, generations and nation, I repent. I see the memorials and white stones and the enemy wants the portals and places where Jacob laid his head, where he wrestled with you. May the ancient wells open up again so the nations can drink again from these wells. We come as a company before you, in this fire, that this will be a memorial to you and your purposes will land and be distributed into the nations tonight. Lord anoint the ear, toe and thumb of Israel as a priest into your priesthood. We call Israel back into their destiny as a nation, priesthood, tribe and tongue into you Lord.

Vision of many of the priests going through a mikvah or washing themselves and their hands are out to receive.

Vision of the olive trees being shaken and lots of olives falling onto the ground and angels taking olives to the press to press the oil out of the olives. We are in a place of receiving a download from God – we are in the cleft of the rock. We on the threshold but not fully in yet.

Vision given there is a lamp-stand on the rock with two olive trees behind it and it is about Rock of ages.

Vision of a clock in quarter segments and one segment is for the Christians, one segment is for the muslims, one segment is for the armenians, and one segment is for the Jews. God turned the clock a full circle. Jewish people crying.

This speaks of turning the time and the shepherd is calling the sheep because he is about to count the sheep, Elul is like a shepherds rod. You about to teach us again, help us again to return to what the heart meaning of your word is about, not just knowledge but the heart of your word in the name of Jesus.

[excerpt from https://www.chabad.org/theJewishWoman/article_cdo/aid/424441/jewish/The-Jewish-Heart. “the Hebrew letters that make the word “Elul,” *aleph, lamed, vav* and *lamed*, are an acronym for the phrase (from the biblical Song of Songs) *ani l’dodi v’dodi li*, which means “I am to my beloved and my beloved is to me.”]

Vision given of the Rock of Ages, with the law inscribed into it. Jesus stood up from his throne and He was a sacrifice upon the altar and He was the altar and his blood was dripping all over the stone. Then heard the voice saying I am the High Priest of Melchizedek.

In this next week, we are going to Elul, and it is about the teachings of the heart. The cleft of the rock is about Jesus himself. Moses is put into the cleft of the rock, the rock is Christ. There is something we going to see, because the visions are about the rock, the two olive trees, Gethsemane, so Father thank you for you are calling us into an intercession for the olives are about to be crushed. There are two olive trees, two shepherds, two witnesses, we going to be counted and our lives examined and Israel is in a whole new season with what is going on there now. This could be either good or not good – time will tell.

We want to come and be wrapped up in Christ. Lord your original intentions for us is what we come to agree with. You showed Moses your glory, your future, your names, there is a new revealing of who God is to me personally, because if I go into a different level of repentance, I need to know Christ more.

In the one vision, we are praying around the altar. Father we do come to this altar, we lay down our lives, we are part of this sacrifice, this offering.

Elul means, *my Beloved is mine and I am His*, so God is calling us to love him more than ever before and to return to Him.

We are going to allow God to crush the oil in this season, so Father we come to lay down our lives at this altar, we ask for your whole will and purpose and agree with the sacrifice of Christ and say our lives must be about Jesus.

Vision given as we are lying on the white hot burning altar, something shook and the old stuff on us fell off and our clothes are cleaner.

Vision given of hearing a cry, priests lying down and crying and interceding to hear His heart

We agree, we want to be connected to the heart of Jesus, we want to lay down everything that would hinder Jesus revealing His heart to us. We give everything up and repent of anything which would prevent us knowing Gods heart, being connected to His heart. We want your heart, here

is our hearts, search us, we willingly give ourselves to you. Burn up everything in us which does not look like Jesus. We want to know Jesus more, Lord we are desperate to know you more, to come into a deeper more intimate relationship with you..

Spend time praying in tongues.

Vision given of scroll coming down which touched us. We are on our knees rocking and praying. A mantle with blue tassels is draped over our shoulders and it is dripping with oil and being pulled up to cover our heads.

Vision given we joined with heaven and the intercession of Jesus and He is calling for those who the Father had given him.

Vision of us on our knees receiving robes of blue, purple and red.

We come and agree to have our heads covered, to fully submit and agree with your word. You are talking about a lot of things, we want to pray like never before, we want to please you like never before. We agree with what you want. Be exalted and lifted up in our lives. Thank you for the blue tasseled garment and the oil. Remember the woman who touched Jesus received healing, she had touched the tassels on his shawl.

If I can receive healing for myself, then my family, community, cities and nations can receive.

So we are receiving an anointing tonight and we don't know what exactly that means but we agree with the Lord.

Vision given of a great portal of time as a Kairos time has opened. There has been an establishing of an altar which we are laying on. We going to step into greater things which includes repentance which is on the scroll. We are coming forth as the burning ones, full of light. He is sending his seraphim to work this us this 40 days.

Vision given of a scroll joined us and the garment and our heads are covered. A waterfall is coming over us from the scroll. We break the word which is coming into the nations. Water coming down but not touching us yet. The oil is connects us to the scroll.

We are still trying to understand what time we are in now. According to a rabbinical understanding the planet Jupiter is called Zedek which is about righteousness or the Righteous One. The planet Saturn is called Shabbetai and is about the Sabbath. Jupiter and Saturn are close to one another in the heavens at this time so maybe the time we are in has to do with the Righteous one and the Sabbath which is all about Him.

Vision given of when chest bone is broken, the heart is exposed and person sees the entrails are being washed.

We are looking to understand what time we are in and the starting time is 18h30. The number 1830 Hebrew concordance means *dama* to weep. The Greek concordance number 1830 means *exeraunaó* search out, search diligently. So perhaps we are being asked by the Lord to pray with Him in Gethsamene, to know something of the pain in His heart for His nations and His people and to weep and search out His hearts desires for all nations.

Vision of us still on the altar, all the dross falling off, and the fire getting hotter, bigger, brighter. Oil and water mixture about to start flowing over us. Olive trees have been shaken and small olives are growing. The olives which were taken away are being inspected. The crushing is to take time progressively. The lion is watching us, the lamb is under the tree. Lightning in the distance and not as close. There is a clear portal above us, circle of clouds around us.

Vision given of us moving deeper into the heart of God and we able to get a new awareness of what He wants, how He is feeling, becoming more aware and alert to what He wants.

Vision given of prayer shawl came over our heads, we just looking at the multi layered garment, a focus without distraction to the left or right.

This is just a session, so as we go on, so the information and revelation will unfold.

Next week Thursday, we will be in the 28 days before Rosh Hashanah, which is the 1st of Elul which means return to your beloved.

Ended off with watching Jesse Duplantis about the spirits of babies which are the thoughts of God, and they are calling to be given souls and bodies to come to earth..
