

DAY 7 - 15/8/2020 - 40 DAYS OF PRAYER

We need to come to an understanding that Jesus went through terrible pain and torture for us. We are the reason He bled was for our sin. We need to take responsibility and identify with our wickedness and sin to truly repent because Jesus paid a terrible price for our forgiveness and our healing. God deserves the glory from our lives and it is not about being religious or having a list to repent through, but being convicted and allowing the Holy Spirit to work in our hearts.

Our sins and the sins of our ancestors have built walls between us and God and we need to identify with our sins and breaking the heart of God, and in our brokenness of our own hearts, to then come and repent and identify with the pain of our Father, which we have caused to Him.

One person was giving a testimony of how she grew up, was saved, but there was no understanding of how to deal with the patterns of iniquity in the family line. Only when receiving the gift of repentance, did understanding come of being able to be daily conformed to the image of Christ, being transformed from the old man to the new man.

Another testified of repentance being like a reset button, whereby we can return to align back to the purposes of God. Even the scriptures reveal the One full of Grace was preceded by John who called us to repent. Repentance helps us to deal with roots of sin and iniquity. A life of repentance, a daily lifestyle of repentance, brings about the purposes of God to prevail in our lives. A repentant life brings the mercies of God. The 'name it claim it' doctrine is very arrogant.

Father, thank you for the journey back home to you. We are like prodigal sons, some things we have never dealt with, or depths of issues we have never seen in ourselves nor dealt with, Lord we want to come and do a thorough repentance and come corporately to repent.

Lord, we come to lay ourselves down, spirit, soul and body and we come according to Romans 12, we crucify our flesh and everything in us which is not pleasing to Jesus. We ask Lord to soften our hearts to know your heart, to understand your suffering for us, to be able to love you more and for the enemy to be displaced in our homes, families, nations and government. Jesus Christ is still alive, His Blood is still speaking, there is a testimony of Jesus Christ still speaking to every nation, every family, and every tribe. Lord Jesus may you have every part of my body, my soul and my spirit to use for your glory Lord. Be glorified Lord!

Vision was given of gates that were opened and a lamb carried on a golden altar and on the other side a lion walking towards the lamb. Incense lifting up but there were bear traps in some places preventing the incense to rise in certain areas. Blood dripping from a faucet into a cup.

So in other words, some people will be trapped into some sins or iniquity which prevent their incense or prayers, or intercession from rising before the Lord. Anytime you hide issues, it is like being in a bear trap which will hurt you, keep you captive, restrain you from moving forward.

Father there are weaknesses in me, and under the right situation, in the right pressures, there are certain things I would be able to do if I was put in that position. In my flesh there is no good thing, I come to repent for the weaknesses in my flesh. Father there are bear-traps waiting to take us captive, please Lord grant us wisdom and understanding to not be ensnared. Lord please don't let us grow weary of doing good, be intimidated, get upset, be ensnared through our flesh and the weaknesses in us. Lord we ask for the anointing for discernment to see the traps, we want to hear clearly and accurately from you. I repent for deafness of my ears and dullness of hearing, Lord please help me in Jesus name.

There is a saying which states '*angry as a bear*' so we repent for anger and wrath towards the government, where we are angry at the world, all the words we have spoken out of our anger, out of our bitterness Lord, I am guilty Lord. All the words, accusations, conversations in my heart and out of my mouth which have fueled anger, and this anger is not your anger Lord, it is not a righteous anger, Father I repent. Ephesians 4:31 and Colossians 3:8. James 3:5 KJV "*Even so the tongue is a little member and boasts great things. Behold how great a matter a little fire kindles*". Father I repent for kindling fires from my words and using my tongue in anger and harboring anger, bitterness and unforgiveness in my heart towards anyone including our governments Lord, please forgive me and cleanse my heart by the Blood of the Lamb.

Father I repent for the willful sin against you Lord, intentionally sinning against you and others, manipulating and seeking to control situations and others no matter the cost to them. I repent for the witchcraft and rebellion in my heart and the heart of my generations against you Lord. I repent for the stubborn pursuit of my agendas, my desires, my lusts of the heart and flesh Lord instead of pursuing your holiness and righteousness. Lord I am guilty and take responsibility for all this is transgression against you Lord. Please Father burn it out of me, pull it out of my DNA, my genetic structure, I ask you Lord, any place it is rooted in me, kill these roots of willful sin in me and deliver me from this iniquity Father in Jesus name.

1 Samuel 15:23 KJV "*For rebellion is as the sin of witchcraft and stubbornness is as iniquity and idolatry.*"

Willfulness definition meaning '*the trait of being prone to disobedience and lack of discipline, stubbornness, desire to control at the expense of everything and everyone else, intentional*'.

Vision seen of the bear-traps closing and roots taken out of our bodies.

Vision given of some of us are in the lamb tribe and some in the lion tribe. Some of what generations have repented of is scribed on them but there is a lack and a gap. However repentance is pulling the whole army closer and pulling them together. Gap is decreasing.

Explanation of the vision by Apostle Natasha - People who are willing and are repenting are moving closer to the altar. Those who repented and their lives were used by the Lord are also part of filling the gap to the altar. Ezekiel 22:30 KJV "*And I sought for a man among them, that should make up the hedge and stand in the gap before me for the land that I should not destroy*

it; but I found none.” We are those people alive on the earth today who can fill the gap and stand and repent.

We have been operating just like witches, engaged in charismatic witchcraft, willful rebellion, stubbornness, iniquity and idolatry. We have worshipped ourselves and tied ourselves into the bear traps. I am guilty and taking responsibility, Lord. I am stubborn and operate in witchcraft. In this time I am returning to the Lord, I want to come and repent and lay down this wickedness of wanting things my way. If it is not from you, I don't want it Lord.

Thank you for the grace and opportunity to repent for pride, arrogance, criticism. I repent for stubbornness in our nation. I repent for making our own plans, if you won't help us, we will help ourselves. I repent for not trusting you Lord.

We as men and especially Afrikaner men are stubborn and have hard stubborn hearts Lord and I come to repent for myself and for us as a nation. Lord, please cleanse us, help us, forgive us and our generations Lord. Help us to teach others to repent and we come to submit to you in the name of Jesus.

Lord as the Zulu nation, I repent for all the stubbornness that we are known for, the spirit of rebellion that we have carried as a nation. Lord, I repent and ask for the cleansing of the Blood of Jesus.

Vision given of a sundial coming into alignment with stars. The traps are connected to things on the earth. We are attached to a pole like a merry go round, as we repent, we start to shoot off and have to let go of stuff. Our sins are pulling us down towards the traps.

The lion is about the Lion of Judah but we are also in the constellation which speaks of Lion of Judah and a star called Regulus. So we understand there is something coming out of the lawgiver which has to do with fighting for territory. The next constellation is all about the virgin or birthing something and then after Rosh Hashanah, we go into the constellation of the scales or judgment.

The Lion of Judah has bought all the territory, all the land and he is the Lion and the Lamb. He is the lion roaring and staking out his territory. We want the territory He bought in us as well. All the hidden things in our hearts which we have not dealt with, we are willing to deal with these issues so that you will be glorified. We are here in agreement with the Lamb who was slain and we are here to make up what is lacking, use us Lord, use our repentance to make up what is lacking. We are stubborn, full of witchcraft, we made the gospel a fairy tale, and produced and dispensed a gospel all about me, myself and I. The Jewish people are also stubborn and in witchcraft as well. We need you desperately Father, we are bringing the incense to the altar. Burn what can be burnt out of us Lord.

Vision of us given scrolls from those who had gone before and a scissors cut the bands which were pulling us back. The tap opened more and there was a greater release of the Blood.

Vision of the scroll firmly set in the ground and the Lion walking through the olive grove and inspecting the trees, which ones were watered by the tears of people crying. Lion comes back to the scroll, as people give testimony regarding repentance. There are twelve priests, each holding a white stone. Six priests on each side, thus making the shape of a horn. The old priest is holding scroll in place so it doesn't go back to heaven. Joshua 1:2 is on the priest KJV "*Moses my servant is dead; now therefore arise, go over this Jordan, you and all this people, unto the land which I do give to them, even to the children of Israel.*" The old priest has moved away bowing before the king and he exited. Then the twelve priests brought their white stones and placed them on the scroll where the scroll meets the earth. As we pray and repent, the stones are being chiseled to form a solid line. The Lion is inspecting the stones.

White stone referenced in Revelation 2 and reading from 2:12, in this passage Jesus is addressing the church in Pergamos and is dealing with Satan's seat, not giving up but remaining steadfast and faithful, doctrine of Balaam which has to do with the prophetic selling their gift for reward, and the doctrine of the Nicolaitan's. Revelation 2:17 KJV "*He that has an ear, let him hear what the Spirit says unto the churches; to him that overcomes will I give to eat of the hidden manna and will give him a white stone and in the stone a new name written, which no man knows save he that receives it.*" The white stone has to do with receiving a new name,

Vision given of the Lion who is roaring and his roar sounds like a trumpet. The scroll is covered with honey and dripping.

Crossing the Jordan river is about going low, being humble, crossing over, leaving something behind and going somewhere else. If something is going on with Israel now, there are various allegiances being made by nations. Father we ask you to help us build a memorial on day 7 that thus far we have come by the grace of God. We are praying for our nation, families and the harvest which needs to come in and those who need you Lord in Israel. Give us grace to pray the right prayers Lord tonight in Jesus name. Let us not miss what you want to do tonight. Let us not be found wanting Lord. Lord, the Satanists have really being good priests and we are very lax – forgive us Lord. Help us to lay down our lives according to the pattern you are looking for. We are serious about wanting to serve at your altar and we ask you to help us to do what you want us to do, to be fully obedient to you. There is much we do not understand, grant us the scriptures and visions to pray what we need to pray. Grant us wisdom and understanding Lord in Jesus name.

While praying for Israel, vision from yesterday. Fire coming over Israel. Fire of comfort and protection. Time for shalom is coming but not yet here. Then now saw planet earth and people going through processes to align. Some people praising, some repenting, some falling on their faces. So all these people from various nations need to come into alignment with your purposes.

Lord help us to align with your global purposes. We know no matter how small or little it looks, the prayers we are praying can shift something on the earth. If we pray what is on your heart, nations can be shifted. We want to stay the full course of 40 days, we have only done 7 days. The picture has not settled, help us to be on target and understand all the information.

Vision of a scroll wrapping around as a global wrapping of the nations. First 6 stones are together and the lion has roared over them and the blocks have fused together. The last six stones are not yet in place.

Jesus as the Rock, is of the eternal kingdom and we are living stones, building a house of worship unto God. As we have assembled together as living stones, we are manifesting something the Lord prophesied of in Ephesians 3:10 KJV *“to the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God.”* Thank you for bringing us from so many people, tribes, tongues and nations, that we may form a memorial in the midst of this time of teshuvah.

Thank you lord you are aligning our hearts and giving us understanding of the call to repentance and you are forming a block, like a voting block, part of the counsels of heaven, because we are in agreement. Our prayers have significance for nations and for Israel,.

Vision of the Lord in the garden of Gethsemane and His cry and his prayer of unity is touching the Father's heart. The cry that went up permeated the entire heaven but in the end he chose to obey and that is the other side of where we need to choose to obey.

Read John 17 prayerfully.

Lord, we bless you tonight and thank you for tonight.
