

DAY 8 - 16/8/2020 - 40 DAYS OF PRAYER

We are the thoughts of God, made flesh in our mother's womb. Isaiah 55:11 NASB *"So will My word be which goes forth from My mouth; It will not return to Me empty, Without accomplishing what I desire, And without succeeding in the matter for which I sent it."*

Prov 23:7 NASB *"For as he thinks within himself, so he is. He says to you, "Eat and drink!" But his heart is not with you."* Hebrew Strong's word is *sha'ar* H8176 means split open, cleave, divide, a chink as in opening a gate. So the word 'think' is about a gate. As a man opens the gate of the thoughts of his heart, so he is. So your thinking in your heart opens a gate that takes you somewhere. What you open and close in your heart makes you the person you are. Your choices say more about who you are than who you think you are.

God sends the little spirits from heaven and gives them bodies, reference Jessie Duplantis on YouTube. At Rosh Hashanah every year God counts all the spirits he has made and we are going into the month Elul and Elul has 2 l's in the word which is double something, a double shepherd a double correction. Elul spells out *'my beloved is mine and I am his'*.

God breaths and speaks and creates stars and He has created you and I and everything is held by the power of the word, *"logos"*. God spoke a word into your mother's womb, and it is His thought, his original idea and He created His concept into conception. You were born because God originally thought. You are a thought of God! You are the one who asked to be born. God's thoughts were hijacked by the accuser after you were born. Somewhere the original intention of God which is you and other people because we were born in atmosphere of iniquity which takes us out of path of walking with God. Romans 7:18 ESV *"For I know that nothing good dwells in me, that is, in my flesh. For I have the desire to do what is right, but not the ability to carry it out."*

So God thought about you, created you because the gate in God opened up and sent you from heaven. In the Tanya studies, they talk about us being spirits sent from God and an angel reads your scroll to you before you leave heaven. If God has recorded the name of every star, he calls them by name, he knows every hair on your head, every cell in your body, when God thought then He opened a way for you to be born. Jesus is the full word of God holding everything together. The word was with God and was God John 1:1-4 ASV *"In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made through him; and without him was not anything made that hath been made. In him was life; and the life was the light of men."* He existed before anything else, and he holds all creation together. Colossians 1:17 *"In Christ all things are held together and have their being."* All things were created by him and for him and through him. So the word being Jesus is the power of God who has created everything.

If you look in the mirror you were a thought of God before you became who you see in the mirror. If the word cannot come back void then what God originally thought of me, I must become and reflect back to God, having accomplished what He was thinking. So what He was thinking is actually my destiny, not what I was thinking. So God is comparing His thoughts written in His book to me now. What did I do with His creation, because I got to make my own decisions and

to live my life. Have I twisted His thought and made it ugly or have I formed according to His pattern.

I came from the neural pathways of the tree of the mind of God, reference Caroline Leaf's book as she describes the brain and how it forms thoughts and what their images look like in our brains. God is perfect, holy, righteous and His thoughts are perfect. Neural pathways fire up and our excitement looks like fireworks in our brains or grey and dark if we are depressed.

2020 G epiphosko – to grow light, to dawn. From root word G2017 epiphausko - to shine upon a. Christ will pour upon you the divine truth as the sun gives light to men aroused from sleep.

The dawn is getting lighter, when the light starts to arrive. Word for 2020 is there is a dawning of a new light, new day, new Kairos time, new light, revelation. Epiphany also comes from the same understanding.

So you have come from the thought of this incredible being who has created all things, every star, every planet, every animal, plants, systems and He created you. As the light comes we are revealing God's original thoughts from heaven, we are a revelation onto the earth at this time of God's thoughts and intentions. Do not forsake the assembling together - do not forsake your thoughts getting together with other people's thoughts so you can have a gathering of God's thoughts, intentions, purposes to be administered because we have gathered together and thus display His glory. When we assemble as more than just one thought, when we gather together, there is different insight, a different spark. When we repent, we are cleaning out the thought so it can shine according to the light from where it came from.

Your brain looks like a tree and looks like a galaxy. When you think certain things your neural pathways develop. When you think then you are creating your own reality or your own world, good or bad. You have to study, meditate and read the word of God to align with His thoughts because you have power on the inside of you and there is life and death in the power of the tongue. When we speak we create realities that we live in. Life or death, blessing or cursing. Agreeing with God brings life, curses come through disobedience.

What if repentance is returning back to the original thought God had about me and cleaning up all the rubbish I collected in the world, being rebellious and disobedient. You are a revelation from God to your generation, to this time on earth. In other words you are like a light switched on if you are connected to God, you are carrying God's light. God spoke through the prophets but now he is speaking through the very expression of His son. Hebrews 1:3 NIV *"The Son is the radiance of God's glory and the exact representation of his being, sustaining all things by his powerful word. After he had provided purification for sins, he sat down at the right hand of the Majesty in heaven."*

So on the inside of you, you are carrying a universe. If you examine a leaf under a microscope, it looks like a universe. You are made in the image of God.

Imagine Lucifer looking at the thoughts of God being born and then he collects them, assembles them for worship of himself, to be his source of power. Demons are empowered from people drinking blood, eating flesh, sacrifices, sexual iniquity, we are worshipping and empowering ungodly altars and deities. So when we repent we stop worshipping these entities and are cutting ourselves off from these altars which empowered some deity through all the generations. Repentance is smashing up the temple of the enemy, taking down the throne and removing the power of the enemy.

So repentance is us returning to the original intent and purpose of God and every thought and every pattern of thinking in me must belong to God because sin is changing the design of God. When we agree with God we return to the original idea or thought of God which is anointed because it belongs to God.

Thank you for this message Lord, thank you for sending us to earth to glorify you. We repent for all the abortions, which were your thoughts and your intentions and purposes. Lord we have murdered, killed and rejected your thoughts towards humanity.

Vision of us surrounded by mirrors and there are veils over our faces. As we choose life, so the veil opens and the mirrors crack. We need to choose life and choose His intentions for life. Father in the name of Jesus, I choose Life and not death. Death is the wages of sin and Jesus bought me from death because of my sin, including my ancestral sin. I lay down my life, spirit, soul and body. All the principalities over my life be restrained according to Psalm 149. I declare I have come from God as His thought, full of light and I refuse to be formed through compromise, witchcraft and compromise and manipulation. I choose life and agree with God, His ten commandments, what He says. I agree with it all and I pull my soul and body into agreement with my spirit, for my spirit has come from the glory and my soul is going to submit and obey because obedience is better than sacrifice. 1 Samuel 15:22-24 "*Behold, to obey is better than sacrifice, and to listen than the fat of rams.*"

Vision given of a whirlwind around us. As we praying, the spirit is around us and the veil is lifting off more.

Vision of being in the garden of Gethsemane with a scroll. Lord is bent in prayer and travail and asking for the cup to pass and then he chooses to step into the fathers will. Three strand cord looks like a helix. Strong burst of water is pushing the church into a direction of '*thy will be done*'.

We need to agree with '*thy will be done, thy kingdom come*'. Lay down our agenda, our desires, our thoughts, our will. We need to choose the will of the Father, the purposes and thoughts and intentions of God.

As Jesus chose in Gethsemane, thy will be done, I must choose even if there is difficulties in my life. I am choosing your will Lord and I declare the Fathers will be done on earth as it is in heaven. We are coming into agreement tonight to choose your will to be done, your kingdom to come on earth as in heaven. We are your original thoughts and we are returning to submit to you, what you are saying, what you desire. As you are about to count all the sheep of your pasture, this

gate is like a gate keeper or shepherd so when we come back to God, we are returning to our creator and we are agreeing with what He said when he made us.

Vision of a whirlwind moving and as we agreed with Gods will, the whirlwind moved and when it stopped, the mirrors broke and we stand looking up the mountain which has thunder and lightnings. The whirlwind is positioning us to go up the mountain.

The name of this ministry is Ariel Gate. Ariel is Judah, the lion. We are in the time of Judah or in the star constellation of Leo and it has to do with the lion. What is a gate, the way we think. So it's the time of the lion and it is the time to think like a lion. So as a man thinks or opens the gates, that is what he is choosing to become. So ariel or lion of God, there is a way of thinking that looks like Jesus opening a way. One of the names of the Lion gate is the sheep gate. The time is for Judah to go first to take territory for the tribe of Judah was first to go behind the ark.

Vision given of the altar hearth and it's a place where you put your thoughts on the altar. In Ezekiel the pattern of the temple to be built has a hearth, the grid which is on top of the fire, that is called Ariel in Ezekiel. To be the lion that roars you must be the one on the fire that is roaring. Fire roars, a red hot burning fire is a roaring fire. Jesus chose to lay down His life, so we too lay down our lives so that the roar of the laid down life of Jesus will roar through our laid down lives into the spiritual atmosphere.

We should be prophesying and releasing word from this gate but we can only do that from a laid down life as a burnt offering. Ariel Gate is the gate of the lion and the sheep, we are the lambs or sheep of God and we come to His altar because we want to worship the Lord, we want to serve Him, be obedient to Him. We thank you Lord, we lay down our lives on your altar and invite your fire to burn up what is not part of your original thoughts about me, my life. Father, Son and Holy Spirit burn up in me what is not your original thoughts. I want to come into agreement with you, may I be part of the incense rising before you, become pleasing to you. How incredible are your thoughts of me, of us. You released us onto the earth and we are assembled together tonight and this is a collaboration of the thoughts of God.

We thank you and bless you Lord for what you are doing in our lives and in our generations. Thank you Father for aligning us back to your thoughts, purposes and original intention. There is a coordination and a straightening of our walk Lord and we are grateful for what you are doing.

Take communion and thank the Lord for what He is doing and what He has done.

There is a pattern in the word of God. Jesus was the word of God, sent by God. You are a word or the thoughts of God, sent by God.

John 1:1-2 ESV *"In the beginning was the Word, and the Word was with God, and the Word was God. ² He was in the beginning with God."*

We have come from above, we are sent from God and we are supposed to bear witness of what God has placed in us, of the purposes and plans of the kingdom of God and to choose to believe in Christ the Son of God, to have eternal life.

Jesus was sent according to John 3:31-36 ^{ESV}“*He who comes from above is above all. He who is of the earth belongs to the earth and speaks in an earthly way. He who comes from heaven is above all. ³²He bears witness to what he has seen and heard, yet no one receives his testimony. ³³Whoever receives his testimony sets his seal to this, that God is true. ³⁴For he whom God has sent utters the words of God, for he gives the Spirit without measure. ³⁵The Father loves the Son and has given all things into his hand. ³⁶Whoever believes in the Son has eternal life; whoever does not obey the Son shall not see life, but the wrath of God remains on him.*”

Mathew 22:14 NIV “*For many are called, but few are chosen.*” We are called but we need to choose is a pattern is the word.

John 17:4 NIV “*I have brought you glory on earth by finishing the work you gave me to do. And now, Father, glorify me in your presence with the glory I had with you before the world began.*” There is a pattern of being sent on a mission, finishing the mission and returning to the glory you had in God.

Isaiah 55:11 “*So will My word be which goes forth from My mouth; It will not return to Me empty, Without accomplishing what I desire, And without succeeding in the matter for which I sent it.*”

Pattern of the word accomplishing the desires of the Father before returning to Him. You are a word sent to the earth and have a mission to fulfil, complete, before returning back to the Father.

Vision given of the 3 strands one is Jesus, the church is behind him on that strand. Water is flowing strongly and pushing the church.

Vision given of the letters I H S – in his service. I H S as a triangle. Throne of God behind Apostle Natasha.

Thank you for the revelation given tonight, help us to absorb and grant us capacity and understanding in our spirit man and in our souls and may our bodies manifest the truth of your word in Jesus name. We choose to listen and receive what the lion is roaring and we ask that you would speak to us to become the living stones, fully empowered to do the full works you have desired on the earth. Cover us in the blood of Christ, keep us in the peace and presence of our Lord Jesus Christ. Lord may this war be paused and put on hold and no backlash encountered. We thank you for the living reality of what your thoughts are for us Lord and thank you for Apostle Natasha and may she be covered and hidden in the blood of Christ.

Vision of us standing before the mountain, and the Lord gave us the backpack for wood in order to go up the mountain.

We are going to put the wood onto the altar in order.

Our sacrifices must be brought in His order and protocol otherwise it cannot be received. The word '*in order*' calls for angel armies to come.
