

DAY 9 – 17/8/2020 – 40 DAYS OF PRAYER

Apostle Natasha greeted everybody and welcomed new people onto the Zoom “assembly”, we followed with delegates from different nations opening in prayer.

After these prayers, a vision was immediately shared:

Vision – As we started tonight, we are seen going through the cross, like a veil – as we go through the cross, it is like there are different sections that we are going through. In front of us is a big altar. We move towards the altar, depending on our repentance and level of repentance. As the people are busy praying I see the stars in heaven starting to move and they are forming like a whirlwind over and above this altar. It is almost as if it is forming like a funnel / portal over this altar. They are breaking through the cloud by day – it is like we are in the desert where the cloud was covering the entire camp and the stars are forming this portal over the altar in front of us. As we are busy praying, people are busy laying down their lives, the more they lay down their lives and the more they repent, we getting closer to the altar. Some people are very close, nearly touching the horn of the altar, and some people just made it through the veil. Then I started seeing the angel’s, cloud of host coming together and they are forming like seating / stairs going up into heaven and they are looking down to this altar that is busy burning below them. When the cherubim was mentioned in prayer, they started flying in circles above this altar and they are witnessing what we are doing right now. I can see the altar is burning red hot, but there are no sacrifice on it yet.

Apostle Natasha shared the following picture as an example of the vision:

(This is the Israel camp in the wilderness)

Apostle Natasha shared that if there is no sacrifice that means we need to bring the sacrifice and come into agreement, that we are laying down our lives on this altar. She

asked all participants to pray in tongues as Host of Heaven is waiting for all of us to come and lay on the altar.

There is like an amphitheater around the altar and we are in a time of transacting with Heaven. Heaven is going to move because there is a sacrifice – incense, pouring out of our prayers. Heaven can't move until we have transacted and we are transacting right now with our repentance.

Vision – We still moving in a prostrated position towards this altar, and it is like our repentance is fueling the fire of the altar.

There is a gathering in Heaven to hear our repentance for the nations and Apostle Natasha asked several participants of different nations to repent.

“We experiencing unstable Zoom connections.”

Apostle Natasha prayed for a clearing of the airways for every person connected on the Zoom call, as well as our connection to Heaven. Covered everyone on the call and the call connections under the blood of Jesus. Blood of Jesus is our connection point in heaven and in the earth.

All participants are once again requested to pray the covering prayer before entering the Zoom call and meeting commences. (See example Repentance Book – starting page 40)

Vision – Seeing two olive trees, see Apostle Natasha going towards them and wearing the same mantle (purple, red, gold) that was seen in a previous Zoom call. On her left shoulder a dove came and sat, in her right hand she received a staff. The Lord presented a scroll to her and above her was a cloud that started thundering.

We have a cloud thundering and that might mean different things such as God might be speaking from His Throne, cloud of witness, sacrifice and incense coming before the Throne and / or the unity of group assembled. We are opening the gate to Heaven and God is coming down.

Proverbs 23:7 *“for as he thinks in his heart,....”*. The word *“thinks”* in Hebrew Strong's (H8176) is *‘sha’ar’* and implies a gate. Hence, the way man is thinking is not only opening a gate but also opening a pathway for God to come.

The priestly clothing indicates that as we pray, we are opening up a gate and the King of Glory can enter in.

Psalm 24:7 *“Lift up your heads, O gates; and be lifted up, O everlasting doors; and the King of glory shall come in”.*

Psalm 24:8 *“Who is this King of glory? Jehovah strong and mighty, Jehovah mighty in battle”.*

Scripture Shared: Ephesians 2:2 *“in which you once walked according to the course of this world, according to the prince of the power of the air, the spirit that now works in the children of disobedience; prince of the power over the air”*

Apostle Natasha repents for agreeing with all we hear on the news, families getting depressed, fear in the family and the way we are being influenced in our thinking by the prince of the power of the air (Media / News / Facebook ext).

In Ephesians 2:2, the word prince is *archōn* (G758) meaning a *first* (in rank or power): - chief, (*ruler*), *magistrate*, *prince*, *ruler*. He is a prince of power of the air and that power is *exousia* (G1849) implying his executive and delegated influence, authority, jurisdiction, liberty, power, right, strength over the air.

Father God, we pray the Blood and the Cross of Calvary over the prince of the power of the air and say Jesus has all power! Jesus took back the power the enemy has and you will bow your knee to Jesus who has allowed us to pray and repent for this disobedience in this dispensation. Father, we are asking for the power, space and time to execute what we have to accomplish tonight. Lord, we cover the Zoom platform around the world with the Blood of Jesus and ask to surround us with angels from Heaven. Amen.

There is a fight over the Zoom call, and it is time for the Tribe of the Lion of Judah to roar. There is a roar out of the sacrifice because we are laying down our lives.

Praying for a sound proof room and a demilitarized zone around us.

Apostle Natasha again urging everybody to pray the covering prayers.

Scripture Shared:

Ezekiel 10:2 *“And He spoke to the man clothed with linen, and said, Go in among the wheels, under the cherub, and fill your hands with coals of fire from between the cherubs, and scatter them on the city. And he went in before me”.*

Ezekiel 10:6 *“And it happened when He had commanded the man clothed with linen, saying, Take fire from between the wheels, from between the cherubs; he went in then and stood beside the wheels”.*

Vision: Cloud coming down and nearly touching the ground. I can hear bells and see angels.

Apostle Natasha says coals are coming from Heaven. Usually a decree will come from the cherubim holding up the Throne of God.

Vision: Sees a memorial for things done at Ariel Gate. The Lord is taking away the old things and it is stamped as complete. Also still hears the moan of Jesus in Gethsemane.

God is recognizing all the work of whatever kind that Ariel Gate has done and it is coming up before as a memorial. Seraphim and cherubim “work” on structure. Ariel Gate has been building and God is saying yes to what has been done at Ariel Gate.

Apostle Natasha compares it to a tax assessment – there is a measuring, weighing and inspection happening and then presented to God as a memorial. Apostle Natasha is given a new scroll that means new directions, new assignments and new strategies for the new year. Jesus’s groaning “*birthing*” is for next season when we move out if the Leo sign. We are on Day 9 that is a pregnant number as the number 9 is about birthing.

As Apostle Natasha receives the new scroll, we all need to open our hearts, gates for the next place so we can build on it. Decree is coming out of a mobile Throne. In Ephesians 2:2 it says “*we walked according to the course of the world*”. The word course in Greek (G165) is *aiōn* and means *age or era*.

Apostle Natasha responds to Heaven with repentance - “Lord, we will no longer walk with the world and its views, mindsets and philosophies. We choose to, and will walk with the Lord. As children of God, we will not walk with the prince of the power of the air, we refuse to partake and be executors of his rebellion, we will not be stubborn and we ask God that you dismantle every structure in us, in my family line and ancestry that is built upon the rebellion and corrupt powers of the prince of the power of the air. Father, we repent for our disobedience and acknowledge that we willingly and knowingly aligned with the prince of the power of the air. Forgive us Lord”.

Vision: People are laying on the altar and the Lion of Judah is roaring over them. As the roar of the Lion goes over them dead sand is falling off them. Lying on hot sand and as the dead sand falls to hot sand, it forms a glass.

Vision: We are choosing Christ again and white horse(s) are released in battle. Apostle Natasha is in a war room and many warring people around her. Apostle Natasha is with the Lord and there are lots of armament.

War room is a place of intimacy and instructions are coming forth.

This prince of the power of the air, *working* in the children of disobedience means he gives energy to disobedience. But as for us, our spirits will rule and reign, as we were destined to function by God who created us.

Vision: Wind is picking up and blowing over us. It is fanning the flames that is between us.

When Holy Spirit blows over us and fire come we need to give God something to burn. In Judges 13 the angel spoke to Manoah and his wife about Samson whereupon they immediately sacrificed a young goat and as the flames on the altar went off toward heaven, the angel ascended in the flame on the altar. *The principle is, no sacrifice / fire or incense, no smoke and no smoke, Heaven doesn't move.*

Isaiah 55:7 *“Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return to Jehovah, and He will have mercy on him; and to our God, for He will abundantly pardon God”*

God's thoughts are like a tapestry of your life or like a poem of your life. If we think like our generations, we miss a stitch and then we need to undo and get the right stitch to get to our destination.

Imagine God thinks of you as His cardigan (in completed pattern), but you are making baby booties. Your GPS is off and you're not in right destination. Your thoughts are like co-ordinates to your destination

Vision: Sea of glass and there are pockets of silver, gold and gems (precious stones). Angels are collecting these for weighing.

Our repentance achieved silver, gold and gems. There are things being formed in relation to what we are praying – it becomes building material from earth. Our repentance create material out of fire, to build with, for our hearts are to see Jesus crowned, honored, lifted up – to praise and worship Him as He deserves.

We are building in the spirit with our prayers as well as what we are repenting for. Our repentance becomes the connection point for God to work with if we pray His way.

Vision: Angles with books and they are writing in a book. All of us have books that are being written in. We are in a dress rehearsal for what is coming from Rosh Hashanah.

The feasts of Israel are rehearsals and the word feast in Hebrew (H2282) is 'chag' and literally means rehearsal.

If you are part of a concert the practice is longer than the actual performance. If we are looking to manifest the glory of God we have to practice. We are literally practicing to walk / carry the glory of God.

During this Zoom meeting / intercession we got silver, gold and precious stones and we practiced laying down our lives tonight. How amazing is that. Can you imagine that your repentance, you being able to lay down your live, brings out gold, silver and precious stones? And fire as well. This is energizing God's angel's to do things on the earth. We are giving power to God and His angel's to do things on the earth by repenting from being part of the wrong altars.
