

DAY 22 - 30/8/2020 - 40 DAYS OF PRAYER

Apostle Natasha welcomed everyone. Why are we excited about day 22?

The number 22 represents the key of David. Isaiah 22:22 NKJV *“The key of the house of David I will lay on his shoulder; So he shall open, and no one shall shut; And he shall shut, and no one shall open.”* This is the key to unlock and lock, to bind and loose according to the purposes of Jesus Christ.

Isaiah 22:19-22 AMPL - *“I will depose you from your office, And you will be pulled down from your position [of importance]. “Then it will come to pass in that day That I will summon My servant Eliakim the son of Hilkiyah. “And I will clothe him with your tunic [of distinction] And tie your sash securely around him. I will entrust him with your authority; He will become a father to the inhabitants of Jerusalem and to the house of Judah. “Then I will set on his shoulder the key of the house of David; When he opens no one will shut, When he shuts no one will open..”*

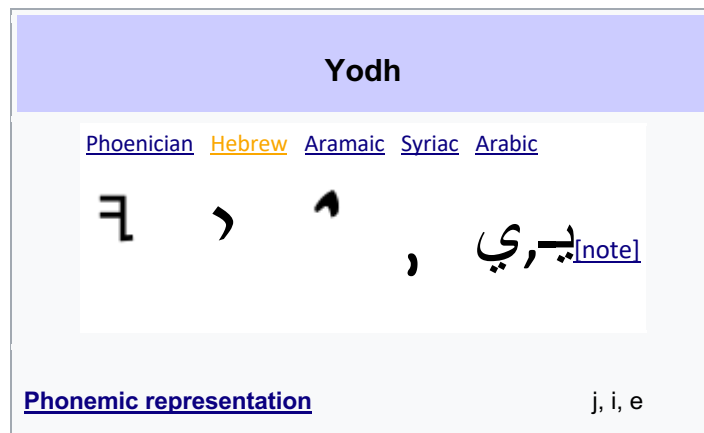

Person from Croatia shared about this morning’s meeting and prayer to return to Gods purposes, we want to return to His original plan for the Balkans. We believe children will start to prophesy and I am so excited to see how God is going to bring His plans about in these nations.

We are preparing for Rosh Hashanah, or the feast of Tabernacles or for the rapture. We will not live by bread alone. Jude 1:6 we need to go back to our first estate.

Jude 1:6 Amplified *“ And angels who did not keep their own designated place of power, but abandoned their proper dwelling place, [these] He has kept in eternal chains under [the thick gloom of utter] darkness for the judgment of the great day.”*

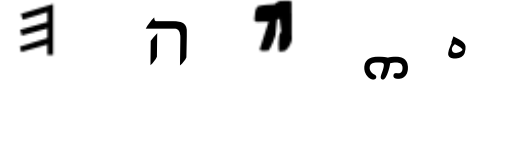

The demonic angels do not have the choice to repent, they only have eternal destruction. We still have the grace to repent. According to the Jewish teachers ‘Teshuva’ or repentance is made through prayer, giving to the poor and fasting.

The **Tetragrammaton** /ˌtɛtrəˈɡræmətɒn/ or **Tetragram** (from Greek τετραγράμματον, meaning “[consisting of] four letters”) is the four-letter Hebrew word יהוה, the name of the biblical God of Israel.^[1] The four letters, read from right to left, are ‘yodh’, ‘he’, ‘waw’ and ‘he’. (<https://en.wikipedia.org/wiki/Tetragrammaton>). It is like the breath of God, the ‘he’ like a double breath.

Vision this morning was for Balkans. Amazing how the vision continued, like the spirit realm just continued the vision. We ended up with a birthing move over the nation and children were seen in the vision, beginning to prophesy. That speaks to me about national revival. When babies or children begin to prophesy it is a big deal.

Chabad Excerpt – *“The word Teshuvah is usually translated as repentance. In fact, there is a well known prayer recited on the High Holy Days that Teshuvah, Tefillah, and Tzedakah, translated as “Repentance,” “Prayer,” and “Charity” can avert the evil decree. This translation is not entirely accurate. Teshuvah is better translated as “return” and signifies a return to the original state. Classically, Teshuvah is comprised of three ingredients: regret of misdeed, decision to change, and verbal expression of one’s sins. Technically, whenever one sins, one is mandated to do Teshuvah. However, the Ten Days of Teshuvah between Rosh Hashanah and Yom Kippur are specifically designated for Teshuvah, when the gates of prayer and repentance are more open than at any other time during the cyclical Jewish year.”*

“On a deeper level, Yireh Shalem has an alternate meaning: “Complete awe.” You see, on a soul level, Jerusalem is not just a patch of hilly earth or a dot on a map. It is that special place within each and every one of us where we are one with G-d and deeply in tune with His presence. Yireh Shalem (or Jerusalem) therefore means “complete awe,” a state where one is so in touch with G-d as to be in constant rapture.⁵ This understanding of having the holiness, the awe of God, the angels who are going holy holy holy are seeing different aspects of God and they are seeing amazing aspects every day of what the Lord is doing and has done.”

We need to return to the fear of the Lord as Christians. Repentance is more than what we have understood. I hope your understanding of ‘repentance’ is expanding and being shaken. We are seeking for the breath of God again, seeking the Holy Spirit again. ‘Yod He Waw He’ it is about the name of God. The ‘he’ ‘he’ is two letters in the name of God and the ‘he’ is about grace, for it is number 5 (it is the fifth letter in the Hebrew alphabet) and God gives us the grace to be alive. So we are returning to the reason God created us - why we are alive.

Psalm 139:17 NIV *“How precious to me are your thoughts, God! How vast is the sum of them!*

We are coming to the end of dispensation of grace, as we the church has been at the Feast of Pentecost. The church has only been about grace and the gifts of the Holy Spirit and we have not examined nor judged ourselves according to the word. Looks like we are at the end of the dispensation of grace, if we look at the amount of people who are rejecting God and rejecting the gospel of salvation. When the gentiles say no to repentance and wickedness and promiscuity has increased, this is a sign that there is a rejection of God and people are choosing to follow their desired lifestyles. Mockers and scoffers in the last days - this is happening now on public media. Then the Jewish nation will receive the Holy Spirit and we are hearing reports of Iranians turning to Christ. Let us repent for all mocking and scoffing in us and our generations and may the Lord have mercy.

2 Peter 3:3-7 NKJV *“knowing this first: that scoffers will come in the last days, walking according to their own lusts,⁴ and saying, “Where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of creation.”⁵ For this they wilfully*

forget: that by the word of God the heavens were of old, and the earth standing out of water and in the water, ⁶ by which the world that then existed perished, being flooded with water. ⁷ But the heavens and the earth which are now preserved by the same word, are reserved for fire until the day of judgment and ^[a]perdition of ungodly men.

Teshuva is a return and signifies a return to the original state “*Teshuvah is better translated as “return” and signifies a return to the original state.*” (https://www.chabad.org/library/article_cdo/aid/361890/jewish/Teshuvah.htmf) If you get a bad judgment and if you do ‘Teshuvah, Tefillah, and Tzedakah’, translated as “Repentance,” “Prayer,” and “Charity”, this can reduce the bad judgment or revert it completely or God may change His mind. We lost the original estate, and the book of Jude speaks of angels that did not keep their first estate. So they left their position in God like Adam left his position with God. Teshuva or repentance allows us to return to Gods original intention. If we can go back to the original estate, what does angels have to do with it. Angels can never repent, their rebellion can never be overturned through repentance, God is not receiving their repentance. Repentance for the angels are closed. According to the rabbinical belief, the gates of heaven open at Rosh Hashanah and close 10 days later at Yom Kippur.

Jude 1:6 NIV “*And the angels who did not keep their positions of authority but abandoned their proper dwelling--these he has kept in darkness, bound with everlasting chains for judgment on the great Day.*”

Jude 1:6 NLT “*And I remind you of the angels who did not stay within the limits of authority God gave them but left the place where they belonged. God has kept them securely chained in prisons of darkness, waiting for the great day of judgment.*”

Jude 1:6 Berean Bible “*And the angels who did not stay within their own domain but abandoned their proper dwelling—these He has kept in eternal chains under darkness, bound for judgment on that great day.*”

Jude 1:6 NKJV “*And the angels who did not keep their proper domain, but left their own abode, He has reserved in everlasting chains under darkness for the judgment of the great day*”.

Mathew 25:1-3 NIV “*At that time the kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. ² Five of them were foolish and five were wise. ³ The foolish ones took their lamps but did not take any oil with them*” The five foolish virgins did not complete their preparation and only the five wise virgins were allowed to enter.

Why do people not want to repent in this time when repentance is still open? It is like the child who is refusing to eat something, but if someone else wants to eat it, the child wants it back. We cannot have it both ways, either we repent or we don't. Either we return to Christ or we continue in our deception.

Thank you Father, for the grace and mercy to return to Your original intentions and purposes through repentance. Father, thank you for your incredible goodness towards us. Our ways of walking are not always pleasing to You and thank you for the grace You have given us to be able to cry out to You and to be able to return to You. Thank you for Your goodness, Your amazing love, Your patience and infinite understanding and grace towards us. God, we exalt You, thank you Lord. You are an amazing awesome God in Jesus name.

Lord Jesus, thank you for this time we can come before You. Thank you for hearing our prayers. Thank you that we can 'teshuva' or repent and return back to You. Anoint us and increase the anointing as we continue through this time of prayer and fasting. Open our eyes to see what You want us to see. We give You the glory forever and ever.

Lord, show us what the principality does not want us to see. Lord, I want to know what You, Lord, want me to catch as a fresh breath or fresh revelation of who You are, Lord Jesus. Father we ask for what You want tonight as we lay down our lives in Jesus name.

Vision given - see massive feet. Tears washing the feet and as they being washed they look bronze. Reflections in the feet of reveal what we look.

Revelation 1:15 NIV " *His feet were like bronze glowing in a furnace, and his voice was like the sound of rushing waters.*" The feet of Jesus are reflecting what I have done in my life and reflecting what God wants from my life. God, Your thoughts are higher than my thoughts. Isaiah 55:8-9 NIV " *For my thoughts are not your thoughts, neither are your ways my ways,*" declares the LORD. " *As the heavens are higher than the earth, so are my ways higher than your way and my thoughts than your thoughts.*"

I understand we are going to answer for our sins and sin is the same all over the world. Sin is sin and it is leaving God and His purposes. Witchcraft, and manipulation all look the same. Sin follows the same patterns, no matter where you go, sin is sin and it is all the same.

Intercessor is experiencing pain in the left outside thigh.

We have had birthing this afternoon again for the Balkans. Also by the end of the meeting this morning, the Lord released the war horse with bells.

Zechariah 14:20 NIV " *On that day HOLY TO THE LORD will be inscribed on the bells of the horses, and the cooking pots in the LORD's house will be like the sacred bowls in front of the altar.*"

Zechariah 14: 17 NIV " *If any of the peoples of the earth do not go up to Jerusalem to worship the King, the LORD Almighty, they will have no rain.*" The word is very clear, no worship of the Lord equals lack of rain. Lord is jealous of His bride, He is calling her to return to Him. The thigh is about our devotion, and our faithfulness to Him. We need to return to our first love.

Revelation 2:4-5 NIV *But I have this against you, that you have abandoned the love you had at first. ⁵ Remember therefore from where you have fallen; repent, and do the works you did at first. If not, I will come to you and remove your lampstand from its place, unless you repent*

Vision given of hearing the Lord say ' *as I search your hearts in the wilderness and take you through fire of purification, I will reveal the strongholds in your minds*'. We have two minds, one is spiritual and one is carnal. One is of Christ and one is our flesh.

Apostle Natasha explained that at Rosh Hashanah, the Lord is going to open two books in front of me, one is His destiny and purpose for my life, the other one is what I actually did with my life and how does that measure up to His book and purposes for my life.

Vision given of a company of people ascending the mountain of the Lord.

What do we need to ascend His mountain.

Psalm 24:3-4 NIV *“Who may ascend the mountain of the LORD? Who may stand in His holy place? The one who has clean hands and a pure heart, who has not set his mind^[a] on what is false, and who has not sworn deceitfully”*

This vision could also possibly relate to Abraham’s servant who swore an oath to complete his assignment set by Abraham. The servant put his hand under Abraham’s thigh and made an oath to bring a bride for Isaac from the clan of Abraham’s family.

We lay down our lives on Your altar, spirit, soul and body and call for Your fire on us Lord. I come to repent for our stubbornness, being hard headed, refused to please You Father. I repent for my rebellion and not walking in Your straight path. Not being willing to sacrifice my ideas, desires and being proud and arrogant. I am guilty and my generations are guilty. I repent for idol worship of false gods, bringing false fire, operating in the false prophetic Lord, I and my ancestors are guilty. We have not put You first Lord. We are not in harmony or symphony with You, Father. I hurt Your heart Lord, and I am not pleasing to You Lord. My life is like a stench instead of sweet fragrance before You Father. I have operated out of my agendas and not according to Your purposes, Father I am guilty and I am sorry, I repent. I repent for not fulfilling Your will, being lazy, distracted. Please have mercy, Lord, I am guilty. Please forgive me Father in Jesus name.

Numbers 5:18-22 NKJV *“Then the priest shall stand the woman before the LORD, uncover the woman’s head, and put the offering for remembering in her hands, which is the grain offering of jealousy. And the priest shall have in his hand the bitter water that brings a curse. ¹⁹ And the priest shall put her under oath, and say to the woman, “If no man has lain with you, and if you have not gone astray to uncleanness while under your husband’s authority, be free from this bitter water that brings a curse. ²⁰ But if you have gone astray while under your husbands authority, and if you have defiled yourself and some man other than your husband has lain with you”— ²¹ then the priest shall put the woman under the oath of the curse, and he shall say to the woman— “the LORD make you a curse and an oath among your people, when the LORD makes your thigh ^[a]rot and your belly swell; ²² and may this water that causes the curse go into your stomach, and make your belly swell and your thigh*

Father forgive me and my generations for all our adultery and sexual immorality against You firstly Lord, and we have also sinned against our spouses. The marriage bed is defiled Lord and we are guilty. Father, have mercy on us, I acknowledge my guilt, I am guilty Lord of being unfaithful to You and I am sorry. Lord please forgive me, I want to return to You, I want to become faithful to You, loving You again with the love I first had, I want to return to my first love and become pleasing to You. Please forgive me Father in Jesus name.

Romans 7:19 NASB *“For the good that I want, I do not do, but I practice the very evil that I do not want.”*

Father, I repent for I am more drawn to practice evil than walk in your ways. There are generational patterns of iniquity in me Lord, and today I repent and take responsibility for these unrighteous and ungodly patterns in me and my family. I want to walk in Your way, to be found

righteous in You Lord. Please examine me and kill every way in me that is not pleasing to You. Help me Lord, please forgive me in Jesus name.

We come and bring this law of sin in our body, Lord. We cannot set ourselves free, but blessed be the Lord, who has set me free of the law of sin and death. Lord, we want to switch over from the law of sin which has gripped our minds, where we are still enslaved to the sin. Lord cut us off and deliver us from the law of sin in Jesus name.

Ezekiel 21:12 NIV "Son of man, cry out and wail; pound your thighs in anguish, for that sword will slaughter my people and their leaders— everyone will die!"

Father, have mercy on us, have mercy on the nations Lord. Please do not destroy us in Your anger. We have done wickedly against You Father. I repent, for myself and my generations for our disobedience, our rebellion, our abominations and transgressions against You, Lord. I am guilty, please have mercy Lord. Forgive us Father, in Jesus name.

Vision of another person repenting at the bronze feet of Jesus. As I looked at the images it was like I was choosing which image I would be like.

We repent for all our adultery against Jesus. My time is so filled with my desires and needs and I do not put You as first priority. I am guilty of wasting time, pleasing myself, not spending time with You or seeking You in order to know Your desires and thoughts. Lord, You are not my first love. I have left the position of my first love, and I repent for doing this Lord. I placed people on a higher level than You Lord. I repent. I have filled my hearts with things of the world. I repent of all the plants and seeds I allowed to grow in my heart which has defiled my relationship with You. I have defiled my marriage bed, the place of intimacy with You Lord. Help me to turn back to You, to return to my first love. Help me Lord to become sanctified and purified, acceptable to You Lord. I repent for my own perceptions of intimacy with You Lord, my standard is not Yours Lord. I want to return to You to become Your bride without spot or wrinkle. I have pushed You away, please restore me to my first love in Jesus name.

Vision given that on Sundays we dressed like we are married to God, but the other days, we go party and forget about holy.

We repent and lay down our lives on Your altar Lord. I repent, Father, I am guilty because we go to church on a Sunday then we live our lives in arrogance and rebellion and then we come back on Sunday as if we are fine with You. We don't even think of You Father. I am guilty of just being a party girl/boy, for drinking and for doing drugs and forsaking You Father in Jesus name. I do not do what You want, what would please You, I am not following Your thoughts about me, but following my own desires and script. We don't love You as our first love. Help us Lord to return to You in Jesus name.

We stand in repentance, this is me, Lord, this who and what I have done to You Lord and I am guilty. Please forgive me in Jesus name.

Dream is given of a congregation coming out the doors of the church, there is a minister and other people. The person having the dream, was busy washing the floor, and was offered a package

of white clay. Minister was speaking words, but was involved in infidelity. The church was not taking God seriously about cleansing.

I repent for being the one who does not accept all you have for the temple, the church, the body of God. I stand guilty Father and I ask please open my eyes and ears and bring me to repentance. I agree with you Lord for the unfaithfulness and infidelity in Jesus name.

Thank you Father, that in this time of grace we are choosing to return. Thank you for the time is not up for the human race. You have not given up. Thank you for the time You give for us to repent. Thank you Father there is a way being made for people to return to You in families and nations while there is time to repent. You have put up with my infidelity my unfaithfulness. We are choosing Your image not mine. It about what You say it is.

Intercessor felt pain subsiding and the pain feels like beating like a heart, moving slowly.

So we are following the conversation with God as the person is carrying the pain on his body and it is a spiritual issue.

Person said we idolize churches and their teachings and we do not check the word against the bible. We follow man instead of the Holy Spirit. We put man's word above Your word, Lord.

We repent for not checking your scriptures for ourselves and just accept whatever is taught or spoken to us without confirming it with your word and your Spirit. We are guilty of pleasing man instead of pleasing you Father. This is spiritual adultery Lord against You. Our hearts are set on people and the church culture we are in. I want to return to Your way and come into the image of Christ, not any other image, not mine, not an image of a tribe, culture or family. We surrender to you Lord. We repent for bowing to false gods and I repent Lord for we thought it was you Lord.

Intercessor felt the weight lifting but pain not fully gone.

Vision given of the two minds. Lord stood behind the person and put His hands on the head and said to the person *'many times the thoughts of man's heart keep him from entering in'*. The man asked what thoughts? Pride, racism, lusts, rejection and thoughts that are not pleasing to God. These thoughts form strongholds in our minds and defile our inner man and our lives do not look like sacrificial lives before the Lord.

Lord, I lay myself down and come to repent for pride, ungodly judgment, feeling worthless, rejection, lust, fear, stress, I bring it to Your altar and lay it down. Racism, my mind is not focussed on Your will, I lay these thoughts down, Lord burn them up. I want the mind of Christ. I surrender Lord, I repent for these things in Jesus name

Person repented for the treatment of other nations in South Africa. I lay my life down body, soul and spirit. Psalm 139 says search me thoroughly and know my heart. Know my thoughts and see if there is any hurtful way in me. I repent for feeling superior, for having a racist approach, xenophobia, Lord forgive us our arrogance in how we treat people. Forgive us Lord for being so arrogant and think we are so much better, so clever, we have an attitude of superiority. Father forgive me for doing what is not of You. I want to return to Your image in Jesus name.

Apostle Natasha explained that every nation has this type of attitude towards foreigners and people within their nations, it not just South Africa. People who have gone to other nations have often come across this attitude. People are suspicious and generally people don't just embrace people. The ANC welcomed nations and opened the borders. Then we had xenophobia. It is a normal complaint throughout the world. We are a selfish people. In Canada a ship was refused landing at America and Canada and these refugees had to return to the land they had fled from and went into the concentration camps.

I repent, I am selfish, my stuff is my stuff and why should I share it with anyone. I am going to fight about it until You tell me, I must share. Sometimes we just give out and that is also without wisdom. We must find the righteous balance.

My heart is inclined to selfishness, and self-protection. Part of that is wisdom and part of it is selfish. I need to learn to know the difference and find wisdom and Your balance Lord. We are required to live in this world. There is a blessing for the looking after the alien and stranger. Where we have used refugees as slaves without rights, because they are illegal and come from other nations, I am guilty. There is a right to protect and there is a righteous balance and we need to find that.

Intercessor said pain is dull pain below knee in the calf.

Mario Murillo explains in one of his you-tube clips: (<https://youtube.com/watch?v=wLh94ZynVTQ>)

"LSD came first and it was a perfect copy and imitation of what it would feel like to receive the Holy Spirit. So today there is a false representation of the young people who are going to be raised up to become warriors and righteous and holy and ready to speak about repentance. We are about to have a lion revival."

"Remember when I told you this...a new kind of Christian leader will soon appear on the American stage. They will not fit any present mould. They will be the catalysts. They will usher in the next great awakening. They will appear because conditions will demand their appearance."

Book called 'Vessels of Fire and Glory' by Mario Murillo. There is a new kind of leader emerging. We are good at doing what we do, but perhaps we are not doing what we should be doing. The book 'Purpose Driven life' book, has encouraged people to look for purpose as individuals. The church has no purpose outside of Christ. The work of Christ is to destroy the works of the devil. We have individual assignments within that purpose. The prophetic have no idea they taken an atomic warhead and redefined it as a cigarette lighter. The prophetic is to give up their reason for living and be set apart to speak the words of God without regard for advancement and consequence. You cannot prophesy with a lying tongue. You cannot prophesy with two sources.

Our lives are an assignment which must line up with the Word, with Jesus Christ's purposes for nations and His church.

God is bringing the church back to her assignment in the purposes of God for nations and His kingdom. It is not us who are so anointed and awesome. It is about God, Who is so awesome and it is not by our strength but by His Holy Spirit. God is bringing back His balance in His body.

We are not saying don't express yourself but where we are over the top and it is all about my ministry and my life, we are in idol worship of self. It is not that you don't have a job, yes you do but it is in the balance of the purpose of the mandate of God. For instance, we can spend the time praying for people as individuals, but then we would never pray for the nations. So we would not fulfil our assignments to establish the purposes of God on the earth because we aligned, agreed with God and we did it as servants unto God.

It is not about not praying for you or for others, there are times to pray for the individuals but we must be wise and understand the times and the purposes of God. Being in alignment, in protocol and hearing God, it must not always benefit you because that can become inward and incestuous. There is a place of serving the purposes of God and the only thing we got out of the prayer was gladness that we could pray for those nations. We are sowing in order to reap which is a principle. It is a privilege when God calls us to prayer and we are sowing.

Person felt strategy of the enemy is to keep people in a cycle of problems and no breakthrough. Then a God given strategy is to sow and pray for others, for nations and the body of Christ.

Person shared how fulfilling it is to walk in Gods ways and let Him give us the tools to say this is the direction for tonight. Very exciting. What have we been doing in churches, worshipping one man show. Look what He is showing us while we are praying for the nations. The riches belong to God in the nations. While praying for the Balkans, her body felt torn. These are people who are made in Your image, she felt the pain of Gods heart on her body. How much joy in watching what God is doing. It is like God is cleansing and the person is walking and repentance is so beautiful. When we are shown what is lacking in us, we are ready to repent, for our hearts are yearning to do His will. It is not about your purpose but your purpose is wrapped in purposes of the King, Jesus Himself.

1 Corinthians 13: Person shared he was repenting through this – we can prophesy but without love, there is only noise . Then agree with the scripture to love the Lord with all our heart. There is no place for something else. When you fall in love with someone you are consumed with that person. Over time you lose that love, even if all the actions are right, but there is no love, it just becomes works and leads to becoming self-centred.

Where did we not submit to the Lord, did not bow our knees, we need to be renewed back to the awe of God, who He is. We need the Lord to reveal Himself to us again. Our thoughts and our time must be about returning back to You. We are searching for You until we find You. We are seriously wanting to love You fully again. We are seeking the things that are important to You Lord and not us. We bow our knees, forgive us Lord for going off in different directions. Whatever the latest prophetic buzz or book or word or vision looks like, we are not getting caught up in that.

We want to be caught up with Jesus, we want to love Jesus more, otherwise we are just a noisy cymbal, not achieving anything. Lord we want to seek and find You as a group, find Your heart and as we praying for the nations, and in these prayers we are finding You. There is a place of

awe. There are treasures in the darkness as we praying for the nations. We thank you for allowing us to touch Your heart by touching the nations. We are learning to be disciplined and are growing in You. Children under the age of four cannot share with others, they believe all things belong to them. Imagine all our *'name it claim it'* prayers prove that we are only 4 years old spiritually.

Lord I repent for we have been taught how to get stuff for ourselves. I repent for all my selfishness and my desires are only for my wants, lusts. I want the right balance, Lord, I want to come and give up my way and learn Your way. Father, we have taken the prophetic and made it into an irrelevant gift for my own desires, I repent Lord. Please forgive me for my selfishness and manipulative control and I have made my life all about me, it is self-worship and self-idolatry. This becomes a doctrine of demons and seducing spirits. Help me Lord to see and hear and judge correctly what am I busy with.

Intercessor said the pain is gone, the wound needs to be filled. We have no tears left to cry. Big olive has been crushed over us and we are sponged and dripping with oil. Infilling of oil is taking place on the inside of ourselves.

Vision of Balkans - saw high priest dressed in gold with crown on his head. Lots of priests dressed in white and gold belts. There was cleaning of utensils being done in the Balkans. There was a birthing of the order of the high priests for the Balkans. There is a new order coming in. All the statues of the old guard fell down. We are under the order of the priesthood of Melchizedek. The temple is being cleaned from religion and false perceptions. Priesthood is being cleaned up. Garments are being cleansed, and the temple is being cleansed.

Thank you Father, for repentance once again. There is a way to return to the place You want us to be. Repentance is a returning to Your original breath. Every cell in our body can come alive in us again. Restore us into Your purpose, what Christ wants will be restored. Receive the inheritance and do away with the works of the enemy over nations. Even as You call us, Lord, may the Bride return back to the Groom. Thank you for this grace and favour to return Lord. Thank you Holy Spirit that You are the guarantee, thank you we can experience you anew through repentance Lord. Thank you, Thank you, Thank you Lord. We are grateful. You are the only King who go ahead of His army to fetch what belongs to Him. Other kings send others, but You came from heaven to save us. Thank you Lord, You have come for us. Thank you Lord, You are coming for nations, you are coming for India, thank you for coming for India and the Balkans. Thank you for your mercy Lord and Your incredible Love. Receive us Lord, receive Your bride in every nation. Receive Your bride Lord. The fivefold ministry office is to prepare the bride in every nation to be received by her bridegroom. Usher in the kingdom of heaven and let the bridegroom receive His bride.

Vision given of a massive teardrop falling down on us. Like the river ankle deep, knee deep then waist deep. It washes the bronze foot and the only stable image on the foot is Jesus having died for us. The other image is under the water.

It is the tears and intercession of Jesus that is washing His bride of every other image and restoring His image. He is the reason we live, move and have our being in Him. He is washing us and weeping over us. Thank you Father, our Bridegroom is preparing His Bride. We give You the honour, glory and praise Lord and we trust You. You will finish what You started. You are

the author and finisher of our faith. Forgive us for our imaginations and wanting to be like others, I repent. I don't want to write or follow my own script, I want Your script, what You thought, what You want, that is what I come to agree with. I repent for taking from other people's scripts, my insecurity, rejection, rebellion, selfishness, all the things that make me grip onto other identities.

You made me, You have given me an identity, it is in You, You are the author and finisher of my faith. It is Your book and I come to align with my book written by You and held in You. If I can return, so can my family, city, region, nation return. So we are agreeing with Your story, burn everything else off me in Jesus name.

We are starting a Jesus revolution. We are here to look like what Jesus wants of His bride. Jesus will weep tears of joy when He receives His bride and she is stunning in His eyes.

This is what the bride looks like to the Bridegroom. She is very beautiful to Him.

Song of Solomon 4:9 NKJV *"You have ravished my heart, My sister, my spouse; You have ravished my heart With one look of your eyes, With one link of your necklace."*

All the visions, word, prayers you have allowed us to pray tonight, thank you Father. We take the word and turn the key to open the door to what you have purposed through your word. Lord we lock the door behind us so that we cannot go backward. From glory to glory we are going forward.
