

DAY 33 - 10/09/2020 - 40 DAYS OF PRAYER

Apostle Natasha greeted everyone on the zoom call. She was saying how people are telling her of the healing they have received just by being faithful and doing the corporate repentance as we are fulfilling the mission of each zoom prayer call.

One person who is not able to be on the zoom call wanted to share that he had been a sufferer of Lyme disease for many years and he went to his doctor for a check-up. His doctor was amazed at the results of the bloodwork, for his results were much better than anyone could have hoped for. We are so excited at what God is doing in the lives of families, relationships are changing, people are changing, atmospheres are changing. People who have families, these families are often listening and praying with us even though they are not seen apart from the person who has signed into the call. We are trusting for families, generations, cities, communities and nations to be turned around and healed. We come to say thank you Lord Jesus. We come with thankful hearts that You are turning things around in peoples families, healing patterns in people's lives, ministering in places where things looked impossible. We lift up the churches connected to us on this call. Thank you for all the people who have been so faithful to be on this call every night. We give You glory and enter Your gates with thanksgiving and enter Your courts with praise.

Father thank you for breaking off the witchcraft, dealing with ancestral witchcraft and cleansing our generational bloodlines, You are cutting off the witchcraft and iniquities. We trust You for protection, and for covering us, in Jesus name. For those who are sick right now, please Lord, cover them in the Blood of the Lamb. We cover all the children and grandchildren, the animals, bank accounts, jobs, extended families, the Blood of Jesus speaks greater things, in Jesus name. Thank you Lord Jesus, the blood is covering all the houses, all electrical appliances, everything we own, complete covering of every person. Every spirit of not of Holy Spirit, you are not going to operate here, we refuse to operate or co-operate with all witchcraft in Jesus name. We are in the Father of Lights in which is no turning. We lay our lives on your altar and invite your fire to burn on us Lord Jesus. Anything that is not of you and is not in agreement with you, we refuse it and cut it off in Jesus name.

We are very grateful for the testimonies – Lord we are seeing reconciliation between people and cultures. Thank you Lord Jesus.

Person shared that we are building a memorial before the Lord, through these prayers. Something in my heart is changing and there is a different atmosphere in my family and in me. God is healing us, and there is an establishment of His presence. Thank you Lord for what You are doing in our homes, bringing a deep healing in families and marriages and children Lord. When we assemble every evening there is a memorial being built in heaven. We are so grateful, thank you Father. It is an honour to lay down our lives and see Your kingdom being established on the earth. Thank you for the sound of the voice of the Blood of the Lamb, thank you for peace, the purposes of God in every family, thank you for healing families who will usher in Your purposes for their family, in Jesus name.

Someone shared, as we were praying yesterday, I felt a pull in my head, like a restructuring and I felt much lighter this morning when I woke up and I thank God for my healing and deliverance.

Representative from Croatia said she has a small group and they went through a specific prayer regarding spiritual understanding. In this prayer, there is a part regarding the evil eye. *“Prayer for releasing the gift of discernment. Person joined late and heard Apostle Natasha speaking of the evil eye”* By Aslans Place. This was such a confirmation to her. This evil eye, third eye often causes a mixture in people and the word they hear is twisted.

(<https://aslansplace.com/language/en/the-prayer-for-releasing-the-gift-of-discernment/>)

Another person shared how her group were prompted by the Holy Spirit to work through Psalm 139. They gave their ways to the Lord and received a scroll and new rain for the land. Received DNA of a new era. They also repented as parents for not teaching their children. So there are other groups who are hearing from the Holy Spirit and it is the same or similar sound. Thank you Lord.

Prayed in tongues.

Vision of the Cross with Blood and Jesus over the map of the world.

We were dealing with lawlessness, what is happening in most of our nations, the lawlessness, people get away with all types of crimes, and all the criminal activities within the nations.

Mathew 24:12 NIV *“Sin will be rampant everywhere, and the love of many will grow cold.”*

1 John 3:4 NIV *“Everyone who sins is breaking God’s law, for all sin is contrary to the law of God.”*

Father, we have sinned against You and we have broken Your laws. In this time of teshuva we are repenting and returning to You in Jesus name.

2 Thessalonians 2:7 NIV *“For the secret power of lawlessness is already at work; but the one who now holds it back will continue to do so till he is taken out of the way.”* Thank you Holy Spirit for restraining the spirit of lawlessness. Thank you Holy Spirit for helping us to repent. We know when you are removed from the earth, major judgments will come onto the earth.

We read from the following Facebook article, Posted by Marty Breeden, 10 September 2020:
(<https://www.facebook.com/photo/?fbid=126378345862588&set=a.112219900611766>)

“Read these verses, and know WHY as a nation we are, WHERE we are!”

Matthew 24:12 (ESV) "And because lawlessness will be increased, the love of many will grow cold."

1 John 3:4 (ESV) "Everyone who makes a practice of sinning also practices lawlessness; sin is lawlessness."

2 Thessalonians 2:7 (ESV) "For the mystery of lawlessness is already at work. Only he who now restrains it will do so until he is out of the way."

My friends, I share these scriptures because, JUST AS in the "Days of Noah"...we are witnessing violence and LAWLESSNESS in a way that is staggering to the senses!

Sadly, we have MANY Black "Chiefs of Police" resigning nationwide, as well as other nationalities, because they are being STRIPPED of their authority to do their job, by these "New World Order" Mayors and Governors... MAKE NO MISTAKE!!!..

The antichrist system is in full swing, for even he is described as:

2 Thessalonians 2:3-4: "Let no one deceive you in any way. For that day will not come, unless the rebellion comes first, and the man of lawlessness is revealed, the son of destruction, who opposes and exalts himself against every so-called god or object of worship, so that he takes his seat in the temple of God, proclaiming himself to be God!"

We find ourselves living in a Godless and lawless nation now.... I really wish I could offer you hope that this nation will rebuild and rebound... BUT WE WILL NOT!!!

I, as many others believe that America is "Mystery Babylon" spoken of in Revelation 17 & 18 and our judgment will come in "ONE HOUR!" Our ONLY HOPE is Jesus Christ!!

We do not agree with everything in the article but we are looking at the article regarding the sin of lawlessness. Father, we are guilty for allowing our children to be lawless, we have accepted lawlessness amongst our children. Father, I am guilty, please forgive me in Jesus name. We don't want to disciple or discipline we want to be buddies with our children. Everyone must be given a prize but there is no reward for doing well. Now the people who actually would do well, don't see the point to strive to do well.

Mathew 24:12 ESV "And because lawlessness will be increased, the love of many will grow cold."

Lawlessness is iniquity which is sin carried through your generational line. Iniquity in Greek concordance is G458 'anomia' meaning 'transgression of the law, contempt and violation of the law, iniquity, wickedness'.

Law in Greek concordance is G3551 'nomos' which means 'something established by usage or by law, a precept or injunction, the rule of action prescribed by reason, to divide, distribute, apportion'. When we go to court we must know the law well enough to stand as a lawyer, to represent the law and the client. When you are a steward, according to the Greek concordance G3623, you are an 'oikonomis' – 'an economist, a steward, manager of a household or overseer of a farm or estate, a lawyer who understands correct protocol and distribution as a steward of the house he is serving in'.

When there is no law, or you are outside the boundaries of the laws of God, that does not mean freedom, it means you are outside of the law and open to whatever principalities and powers are working in the chaos of lawlessness. Jesus came to satisfy the law, He died so that the requirements of the law would be fully met. He was crucified as the required perfect spotless Lamb required by the law for a sin offering. Without the law there is no salvation. Jesus came to fulfil the law. Outside the law, Jesus cannot help you if the law does not apply to you. Sin becomes iniquity when it has formed into a stronghold and pattern in you and in your generations. Iniquity carries genetic markers which could look like alcoholism, additions.

There are laws that run the universe. One of the laws we live by is gravity. We don't float we stay on the ground because of this law. We don't want to be outside this law, you will float – we were made to walk on the earth. Without that law you would be floating and it is not freedom. To have a human body, the body must exist in the flesh. Your organs cannot be free outside of the body. The body is the parameter which has laws and holds all the organs together. Laws are not bad, righteous laws makes things work and prevent chaos. When we say we want to be free, be careful what are you saying. I do not want to be free from Gods laws, then I cannot defend myself with the law. So when I pray in the name of Jesus, I am praying in the authority of His name and the spirit realm listens.

There are laws that keep the universe going, so we don't want to be outside the law but inside the law, understanding our rights within the law. You cannot go to court without the law. Satan is against Gods law, this is an antichrist spirit and it will bring in lawlessness, or iniquity, as in against the law, or without the law or outside the law. The devil is defeated because you pray in the name of Jesus, you bind him according to the law. For instance, let's say I am a drunk driver and I am in court and I arrive drunk. I will be charged with contempt and I have witnessed and shown forth that I am a drunk. I have no testimony of soberness so if the judge looks at me he will judge accordingly, I will probably receive a harder judgment.

Mathew 24:12 NIV *"and because iniquity shall abound, the love of many will grow cold."* Lawlessness is about not wanting to be told what to do, not teachable.

1 John 3:4 NIV *"everyone who makes a practice of sinning, also practices lawlessness."*

We cannot defeat lawlessness through being lawless. It cannot be in me and part of me when I am praying, otherwise the principalities and powers have right of ownership on some parts of my life.

Heavenly Father, I ask for forgiveness, for mercy, I repent and take responsibility for the lawlessness which is in me, my self-righteousness. I have practiced lawlessness, I lay down my intents, motives, my will. I have done it my way and today I repent. The lawlessness has increased because of my iniquity and I am a witness working with the enemy. Where I have not been listening to the Holy Spirit I repent, I have loved myself, wanted to be elevated, I have become the same as Satan, lawless and filled with iniquity. Areas of my life has become cold to You Lord, not reading Your word, not receiving Your word. Forgive me Lord for the lawlessness in me Lord. I repent for the family structure and pattern of lawlessness, in my family, my community and in my nation. Lord forgive me, I don't want to be part of the lawlessness anymore. Lord please remove all forms of lawlessness out of me in Jesus name. Burn it out of me, anything

that looks like, functions like and smells like the enemy burn it out of me Lord. The pride of life, I have become lawlessness and I repent, cleanse me, judge me Lord. Forgive me Lord. Judge it in my nation, judge it in my city, we have literally identified with lawlessness.

Write Your laws upon my heart, change my heart Lord. Where I have taken Your name in vain I repent and ask for forgiveness. Wash me even down to my marrow my bones, my molecular structure, my mind, for as a man thinks in his heart so is he. I have thought and the iniquity has taken root in me, my family, my nation. I have allowed lawlessness and I am guilty, Father, we are guilty Lord, I ask for forgiveness, I have agreed with the enemy, and I am guilty. Lord wash me, wash us with the Blood of Jesus. Thank you for the Blood of Jesus which cleans and transforms me. Lord uproot all of this in me so that sin would have no grounds to grow in me. Here we are, Lord, we lay on Your altar, send Your fire on all that looks like the destroyer, the lawless one filled with lawlessness. I don't want lawlessness anywhere in me, spirit, soul and body.

1 John 3:4 *"everyone who makes a practice of sinning also practices lawlessness"*. We are repenting through this scripture. Lawlessness feeds the antichrist and I am guilty for I have fed the antichrist system through my rebellion and not allowing anyone to tell me what to do. I only do what I feel led to do, or if I feel like doing something then I will do it. Stubbornness and rebellion is iniquity. We are not talking about abuse, that is another matter altogether. We are talking about rebellion and refusal to be told anything by anyone. Not teachable, cannot be taught or told anything.

Thank you God You are peeling us like onions again Lord. I lay my life on Your altar, I repent for myself and my family and my generational bloodline. It looks like it is all in me, I lived a life of being a rebellious Christian, a demonic Christian, calling myself by Your name but doing everything opposite of Your word. I led intercession, but now I say what I was saying, praying was my own rebellious will and not Yours. I repent from the bottom of my heart. I enjoyed it, took pride in it, I was Luciferian. How You did not burn me up and judge me, I don't know, please forgive me Father, in Jesus name.

Lord I agree with those who have repented so far, I am selfish, a rebel, and I hate being told what to do. There is a stubborn thing in me which stands up if someone tells me what to do. I get so mad when someone instructs me. I am choosing to hear instruction from You and from other people but I need mercy because I have a pattern of stubbornness and would refuse. I need to become stubborn against this pattern of rebellion. I agree with Your laws, Your precepts, I want to be inside the law, which is Your word, Your concepts, Your precepts. How will I see deliverance and healing without Your law. I need Your law, I want to love Your law, I want to love Your word. You are right and I am wrong and I have stuck to doing stuff because I refused to bow my head and bend my knee. Today I am choosing to bend the stubborn thing in me, it will bow. My tongue will confess, my neck will bend and my knees will bow. I am saying my life belongs to Jesus and he has the rights over my life and I have no rights over my life and I choose what He is choosing, for me. This stubbornness is as idolatry which means I love my lusts over what is right. I have chosen to satisfy my fascination, my comfort, my pleasure over the Lord. I have worshipped me, myself and I instead of You, Father, Son and Holy Spirit. Today it must die in my life, I refuse to sit and argue with You and with others because my opinion is so important to me. Jesus is not glorified in this behaviour and I refuse to continue in this iniquity. This rebellious proud selfish

part of me must die. I am asking for Your fire to come and deal with me, my emotions. I trust in You and I love Your law and I choose to love Your word and Your law in Jesus name.

1 John 3:4 says *“everyone who makes a practice of sin, also practices lawlessness”*. If you continue the same sin over and over again, you are entrenching sin which becomes iniquity. Father, the pattern of iniquity which is in my family, please burn it up. I want to look like the image of Jesus Christ. We need to look at ourselves, this is not a blame game, a pointed finger, this is me examining myself and asking God to cleanse me.

It does not help to go to the courts of heaven and you are as guilty as the other party. The only way the law works for you, if by agreeing the law is right and you are wrong. You must take responsibility and repent and then God can deal with it when you are right with him.

It is time to grow up, to mature, every time we want something, God does not have to rush to give us anything. We actually owe everything to God. The name it and claim it message is part of the *‘spiritual 2 year old’* tantrum, which becomes witchcraft.

Thank you Father for Your mercy and grace. I repent for all my demands and tantrums and wanting things from You as my right to have them. I repent for my wickedness, sin and iniquity against You. Have mercy on me and my generations. Forgive me, forgive us. Reset me and reset us generationally. Thank you Father, we turn away from this wickedness, thank you we can return to You. I repent for being hard hearted, arrogant, rebellious, doing it my way, not seeking Your path, made it all about me, my own pathways, my own desires. Forgive me Lord, where I have been a stench to You, a clanging symbol before You. Not being one with You. The preaching of the false gospel, where I grieved You, broke Your heart through my demands, my ways and my stubbornness. The devil is defeated because of Your laws. Forgive me for breaking those boundaries and laws forgive me, forgive us. Lord I want to be unison with Your heart Lord. Our rebellion is against You, forgive us Lord. It is sin against You, cleanse us and shine Your light into us. All the hidden lawlessness I am guilty, where I blamed others, justified my actions, these markers are in me Lord and I am guilty. Holy Spirit, send the fire and burn on us, burn everything that is grieving Your heart, standing against You. Thank you for forgiveness Lord and thank you for Your mercy.

Have you realised how selfish and stubborn you are during tonight’s prayer? Now think about this – if it is as strong as this in us as Christians, how strong is it in people who do not have the Holy Spirit. If we in the church are struggling with our rights and our demands, how strong is that pull in those who do not have the salt of the Holy Spirit. The level in the church of self-control, where is it? There is theft, sexual sin, false prophets, conmen and what do we do about it as the church. These people get away with it. Catholic priests who are in paedophilia . If the standard is so low in the church, why would our nation look better. If we cannot control ourselves, why should we expect the nation to be able to control itself, if I as a Christian have all this iniquity in me. This is the place we begin to empty out the cup of iniquity. Remember if the cup of iniquity is full, then it spills over onto the land which brings judgment. So it starts with me and you, it is our responsibility. It is in my house, your city, my nation, your nation, my city, your city. We are only at the first layer now, which is me. This is in me and I expect the laws of God to work for me but I don’t want to work through my sins. I want things a certain way, but want to get away with my sins. I have allowed the iniquities to rule over me. God You are right, and I am wrong and

it is hurting the nation now for the next generation and the children who have grown up are full of being entitled and so my attitudes have produced seed and harvests. I am going to start stopping me in the small little things, because my stopping myself will be withdrawing permission to rebellion in me. My first inclination is to be stubborn and I repent of this in Jesus name. I have caused this iniquity in the nation. If I as a leader in church have done this, what can the leaders in government then do, what hope have they got. Forgive me and help me in Jesus name. Help me to bend quickly, to repent quickly, to change course quickly that when we pray for the nation, something would change in us as the church. We are not a good example to our government. The church is corrupt and so we cannot point a finger at the government for the church is corrupt. So I point a finger at myself and say every place in me that is not holy and righteous in Christ, Lord convict me, help me to repent so that I can be changed and transformed to the image in Christ in Jesus name.

Vision given - this repentance is being recorded. Cloud of witnesses and angels are watching us. Nations can be impacted through our repentance. There is a rod being formed out of this.

Person said we are going to be weighed, measured through this.

Another person said it would be used as evidence against the enemy in the courts of heaven.

Apostle Natasha shared that the day of Rosh Hashanah is like a court case. When God looks at you, he looks at all the prayer, the repentance, and His ruling and judgment over your life is formed from what you have done, and this then impacts the nations. God may replay the record as a testimony in the courts and therefore can rule for the person, family and nations based on what has been repented of and recorded. The principalities want suffering, war, sickness and so forth. They have to find a good reason before God to do these things. Now we are giving God the reason to bring a good judgment over us and nations. Or, to limit the judgement or limit what the enemy wants to bring about. We better make sure we do a good and thorough repentance because it has an impact for us and nations and it must hold ground in the courts of heaven.

Sometimes we have been in a battle and the lord calls for a memorial, or the records of what has been prayed and repented of. (Remember when we started tonight, a person felt we are setting a memorial before the Lord.) Many times angels write the records of the memorial. And a memorial can increase. Zechariah means God has remembered. Often God has the angels writing records to form memorials. The enemy brings their records of all our sacrifices at altars, our iniquity which not been repented of. So hell brings their memorial into the court room. The greatest memorial is Jesus and the Cross but we need to bring our part. Jesus did it all to save you, your part is making sure your garments are clean, the sanctification is your job. Examine yourself and see if you still in the faith. You need to keep to your first estate.

People often want prayer but not do any work, they cannot hold their deliverance. Sometimes it is not helpful to pray for someone who then continues to live an unsanctified life, they then are often worse off than when they had received prayer. In Gods courtroom, nothing is hidden. The demonic have the documentation, God has the documentation and you cannot hide anything.

Lord, I take responsibility for my city and my nation, where I have been rebellious, stubborn, not wanting to be told what to do. I stand in the gap for those who are burning cities, unbridled anger,

the rebellion and lawlessness that I think I can get away with, everything in me which has taken advantage to loot and empower myself and connect with other rebellious people to fuel and feed a satanic altar. Lord, I repent, burn it out of me. Burn it out of my city and my community and my nation. I want to return back to the Lord Jesus Christ. I return to the laws of God in this nation. I want to see Jesus lifted up in my nation. Where these altars are requiring bloodshed, I repent for not being a voice, my church not being a voice, just accepting and allowing the lawlessness. I repent Lord for this is affecting other nations and I am taking responsibility and repenting for this Lord. Forgive me, in Jesus name.

At the beginning of Covid, everyone was unsettled, alarmed. Don't think the day of judgment has happened. Don't be deceived about pride, self-exaltation, arrogance, antichrist. Only the Lord will be allowed to release the antichrist. But the Holy Spirit is not allowing the lawlessness to be as bad as it will become, unlimited seduction, wicked deception, because they did not love the truth. Many people will be deluded. If you love the truth, it will help you not to be deceived, but also don't be arrogant.

Every place we are arrogant, I am arrogant, know everything, have the answer for everything, Lord I repent. I repent where I cannot be told anything, I repent for my Christian arrogance. I look like Lucifer and the antichrist and not like Jesus. Jesus who knew everything, humbled himself, so my arrogance is pompous and puffed up. I have done this Lord am guilty. Send Your fire and burn it up in me. I repent Lord. God forgive me in Jesus name. The antichrist opposes and exalts himself above God. I repent for all places I think I am greater than You.

Lord, I stand in agreement that I am guilty, I bring my hardened heart before You, I acted like a fool and said there was no God. I hardened my heart when You spoke through pastors, teachers, apostles and prophets. God there was no depth in me because I had no teachable spirit, I have lied to You and myself and lived a false Christianity. I have not been a light on top of a hill because of my arrogance, my pride of life, forgive me. I gave the enemy place to grow his seed in me and then I still boast in my salvation. I am rebellious and it is Your law that I have rebelled against. It is Your law that was to draw me to Christ and salvation and I have been stubborn and rebellious against You. Lord may my repentance be recorded and please Father, have mercy on me. I am attending tonight and I am willing to repent, I want to be a perfect sacrifice, I am serious I am here to die. Eradicate anything which does not look like Jesus Christ.

2 Thessalonians 2:1-12 NIV *"Concerning the coming of our Lord Jesus Christ and our being gathered to him, we ask you, brothers and sisters, ² not to become easily unsettled or alarmed by the teaching allegedly from us—whether by a prophecy or by word of mouth or by letter—asserting that the day of the Lord has already come. ³ Don't let anyone deceive you in any way, for that day will not come until the rebellion occurs and the man of lawlessness^[a] is revealed, the man doomed to destruction. ⁴ He will oppose and will exalt himself over everything that is called God or is worshiped, so that he sets himself up in God's temple, proclaiming himself to be God. ⁵ Don't you remember that when I was with you I used to tell you these things? ⁶ And now you know what is holding him back, so that he may be revealed at the proper time. ⁷ For the secret power of lawlessness is already at work; but the one who now holds it back will continue to do so till he is taken out of the way. ⁸ And then the lawless one will be revealed whom the Lord Jesus will overthrow with the breath of his mouth and destroy by the splendour of his coming. ⁹ The coming of the lawless one will be in accordance with how Satan works. He will use all sorts of displays of power through signs and wonders that serve the lie, ¹⁰ and all the ways that wickedness deceives*

those who are perishing. They perish because they refused to love the truth and so be saved. ¹¹For this reason God sends them a powerful delusion so that they will believe the lie ¹²and so that all will be condemned who have not believed the truth but have delighted in wickedness.

If you look at this scripture, Satan deceives through displays of power, and lying wonders. We repent for every place we have allowed ourselves to be bewitched, fascinated with prophecy, signs and wonders which turned out to be not true. I have allowed these things to influence me, to deceive me and I am not looking at the whole gospel and checking it out with the Holy Spirit. I ask Lord forgive me, have mercy on me, for every time we want to know about our destiny, we run to the next prophet, forgive us for standing in line and paying people for their prophetic words. I repent for the spiritual abuse, but we also demanded it from people, for we wanted these prophetic words because we were looking for the easy destiny without doing any work of sanctification. You are not my microwave (quick fix), this is not instant deliverance, it is a progressive work of sanctification. Forgive me Lord. We have been buyers in your house of prayer. It is not like we are not able to ask for stuff, but we must first satisfy Gods heart.

How would you feel if your children come into your house, walk past you, go to the fridge help themselves, ask for money, ask for the car keys and then leave. You would feel abused... Forgive me God for abusing Your mercy, Your loving kindness and taking You for granted.

Vision - Books are being written up and the Lord is sealing the written records with His right thumb print, which has blood on the thumb.

The right hand has to do with blessing, son of my right hand. Jesus is on the right hand of the Father. Psalm 98:1 *"His right hand, and His holy arm, have gained Him the victory"*. Have a look at the right hand, it is about dealing with enemies. The Blood of the Lamb on his thumb which is about the apostle and He, Jesus Christ, is the Apostle. So Jesus is accepting the repentance. He is going to go for war for us, beat our enemies. Without a thumb and big toe, you cannot stand, cannot walk properly or hold a weapon.

Vision of a warrior feeding his horse and giving it water. He has taken off his armour. There is a pile of lances and they are broken. He is looking at the swords to see if they are sharp. He is mending his armour, breastplate and right side. Took leather and kneaded it to soften it and is sewing the leather onto the armour at the elbows, wrists, shoulders and waist. Armour fits nicely. Swords are being weighed and are at the right weight.

The pride and stubbornness caused a crack in the breastplate. Our repentance was dealing with the breastplate, we were healing our own armour because our heart were changed. Some people prayed for a resetting in us and our nations.

The lance was for long range warfare, the sword is short range warfare. The sword represents the word coming out of your mouth, as part of you. When you pray and release the word, it should have the right weight and be in balance to deal with the enemy it has to deal with. Some people just learnt to name it and claim it, not a good thing not a bad thing. No balance. When swords are made, they are made for what you could lift, as in weight, your height, your capacity. There is a measurement pertaining to the word in us, some people pray and nothing moves, some people pray and stuff moves. You have to get the measurement and balance right.

Vision - When we started the session, I saw the scales of the law. The black leather strap, binding, that is bound around a Jewish person's arm, was wrapped around the scales. The box was on one side of the scale. The box is on the down side on the right side. The repentance was burning as we repenting, for some people it is like a blast of fire when they repent. Behind the scales are two silver trumpets on either side. Saw a timer, like a counting timer, when sheep go into the pen.

So prayer is shifting the scales of justice. What you have bound yourself to in these 30 days is going to weigh for you, as your righteousness in how bound you are to Jesus. We dealing with being within the law, the Jews will bind their arm with this black leather strap as they recite the law, *"hear O Israel, you must love the Lord Your God with all Your heart"*. So the Jews are saying I bind myself to this word. God is asking us how much do we love Him, and how much of you is bound up in Him. That is being weighed, your devotion, your abiding in Him, is being weighed in the scales of the Lord.

Isaiah 56:7 refers to *"My house shall be called a house of prayer for all nations"*. That word prayer is *'tefilla'* which comes from the word of the binding of the arm, the *'tefillim'*. This means that you can only speak from a place of what you are bound to. The level of you, being bound to Christ, is going to give you the ability to tip the scales. What does it mean to tip the scales? It means that "a drop" could become the tipping point, where the scale is tipped over, which could be positive or negative impact. When God comes to judge your nation, maybe your life and you being bound to God may provide that little bit of life, to allow God to judge for a good judgement on your nation.

Isaiah 33:20 NIV *"Look on Zion, the city of our festivals; your eyes will see Jerusalem, a peaceful abode, a tent that will not be moved; its stakes will never be pulled up, nor any of its ropes broken."*

Being bound to the Lord, who is our judge, He is the Judge we need, our Lawgiver, and He is becoming our King, and He will save.

We declare in every country we in, Jehovah is becoming the Judge for our country, he is the giver of the law in every country and we want Him crowned King in our country and He will save us from the situation we have put ourselves in. Something that was weighed against us and our nations has been tipped. We have been on this Zoom prayer for 33 days and we are very serious about giving You, Lord, our lives in this time. We are serious about our nations, our families. You are giving us a prophecy, that there is a tipping point and we are trusting You that there is a holy remnant of people being raised up to fast and pray. Thank you for those who are hearing the sound. There are groups who are hearing a similar sound of the Holy Spirit and there is an affecting of spheres of influence on the earth. Thank you for every person on the call and we bless you Lord for what we could do tonight.

Father, in the name of Jesus, I say thank you Lord for the prayers that You allowed us to pray. Thank you Lord that you even allowed us to pray tonight and what You are dismantling. Thank you for showing us our weaknesses and allowing us to repent and return to You. It is such a gift and privilege You have given us. Thank you for Apostle Natasha and the anointing on her life. Thank you for the seers and all the intercessors. We praise You for all You have done Father. Thank you for the memorial and we thank you Lord for being able to come and pray and repent. Thank you for Your protection over us all and may all the prayers be sealed with Blood of Jesus. May the war be paused and all backlash paused. The battle belongs to You Lord and we thank

you for a complete covering by the Blood of Jesus and we honour and thank you, in Jesus name.
Amen
