

## DAY 39 - 16/09/2020 - 40 DAYS OF PRAYER

The Lord is holy and we are in the processes of becoming a holy priesthood.

Psalm 29:11 *“The Lord will give strength to his people and bless his people with peace.”*

Father God, we lay down our lives willingly on Your altar, spirit, soul and body. Lead us in what You want us to pray, Your agenda, Your heart. We gather today as a corporate body, to hear the intention of Your heart. Open our spiritual eyes Lord to understand Your flow. We fully come alongside Apostle Natasha and we ask for Christ to mature us. Be exalted God, have first reign in this meeting. Be seated on the throne of our praise. May the Blood of Jesus cover us and surround us, protect us. We trust in the living God, the one who is not a man, that He should lie, we tremble at Your word, Lord. We agree with the Blood of Christ and we love You Lord, in Jesus name.

Heavenly Father, thank you for this opportunity to stand in the gap for all the prodigals and wayward spouses, in Jesus name. I repent for breaking Your heart for my sin, the choices I made which opened doors for the demonic world. I repent for my defiance against You. Thank you for never giving up, for loving me, despite myself. I also stand in the gap for every family who is hurting and feeling torn apart. Help them, strengthen them and may Your perfect will be done. You don't want anyone to perish and we call every prodigal. Open their eyes Lord, may they turn to You, in Jesus name.

Pray in tongues.

Thank you for everyone who is standing in the gap for families and nations. We have many testimonies of what God is doing in people's lives and healings which are taking place. One gentleman who has Lyme disease has experienced a real shift and healing and his doctor is very happy with the results of his blood tests. He has not been prayed for on this zoom prayer group, he just is faithful to attend the calls and pray with the group.

Fransi shared - We are in a crucial time regarding finances. Genesis 28 God confirms his covenant with Abraham and Jacob. God made the covenant but Jacob responded by saying, that he would bring his tithes. Psalm 100 says, you enter a gate with thanksgiving, which means an offering. The way you enter is to bring an offering.

Excerpt out of Financial Freedom & Stewardship by Fransi Van Wyk:

*“Firstfruits has been part of God's way of dealing with mankind from the beginning. When God created Adam & Eve, He placed them in the paradise called Eden. Eden was God's firstfruit – the first fruitful place He gave mankind to enjoy. When God commanded Adam and Eve to fill and subdue the earth, He wanted them to use Eden as a template for their work. They were supposed to replicate what they saw in Eden throughout the rest of the earth (Genesis 1:28). Adam and Eve was supposed to make everything as fruitful as God's paradise. Eden was their picture of what God originally intended for the entire creation. The whole earth was supposed to look this picture when they were done with it.*

The firstfruits is a downpayment and a guarantee for the rest of the harvest that will soon follow (Ephesians 1:14).

Jesus is the firstfruits of all mankind. He's the first of many that will be saved. When we give firstfruits, we honour Jesus as our Firstfruits. We celebrate His resurrection from the dead which brought us to God."

We know Jesus came as the second Adam and opened the door in the Cross to step back into the original plan for us, when we bring the firstfruit, we are in agreement with God's original plan. When I bring my firstfruit, I say I return with everything in my life back to Your original plan. So this season of firstfruit is a crucial time to honour God, with firstfruit, to align us with what God wants us to move into. Apostle Timothy Carscadden spoke on the scriptures where they sold their possessions and brought their offerings, he said they knew the Romans were going to take their possessions, so they sold everything in order to further the kingdom. We are in a crucial time and our finances are to honour God in this season. We need to move to where we are under Gods supernatural provision.

If you wish to give an offering, you can do this via our website's PayPal ([www.arielgate.com](http://www.arielgate.com)) if you are overseas or email us ([office@arielgate.co.za](mailto:office@arielgate.co.za)) for the bank account information.

United Nations would like us to all live in cities, bearing the mark of the antichrist, needing the government to give us food, depending on the government for all resources.

Apostle Natasha was giving a summary of what we did last night. President Trump seems to have gathered a coalition of people who would like to be at peace with Israel. Apostle Natasha shared this morning that the Jewish rabbis have invited President Trump. USA recognizes Jerusalem and have moved their embassy back to Jerusalem.

To the Jewish people, this is indicative of the time of rebuilding the temple and they are speaking of the Daniel 9, "70 year prophecy". They have minted a new temple coin which has picture of President Trump on one side and King Cyrus on the opposite side. The coin also says to fulfil 70 years. If you read Isaiah 45, you read about Cyrus. President Donald Trump is the 45<sup>th</sup> present of the USA and they are recognizing him as Cyrus.

I don't know if this is the peace treaty we are waiting for, or waiting for others. If this is the precursor or this is it, we are closer to the end, than we ever thought. So our preparation needs to go up a few notches. Israel is going back into lockdown this Friday. Israel was in total lockdown during Passover for the first time since they were in Egypt and in 2020 they were locked down in their houses due to Covid.

Now at the feast of trumpets on Friday, 18 September 2020, Rosh Hashanah, the whole of Israel will not be meeting in their synagogues for the blowing of the trumpets. That is very scary. That means the whole nation is on lockdown listening to trumpets and if they want to hear it, they must blow the trumpet themselves. This is unprecedented in our history.

We did a 70 day prayer time from March to May and then we did these 39 days. How important is this Rosh Hashanah. This is the time to give yourself to prayer and fasting because of the importance of where we are. This is not church as usual. Most churches are not open and if they do operate, there is a maximum of 50 people. Last year our conference was all about priesthood. In beginning of this year, we signed an agreement to be part of Gods priesthood. We have preached about an intercession and priesthood and the type of gospel which has been more about us than about God. What you think about as success or security is not what God is saying is security and success.

Read excerpt from: A Biblical Response To The 'Abraham Accords' By Christine Darg.

*Many intercessors are wondering how we should pray for Israel in light of the ongoing peace accords between Israel and her Arab neighbours in the Gulf initiated by president Trump's Administration. And what about the plans to put on hold announcing Israel's sovereignty over Judea and Samara?*

*One intercessor asked me, Does God have a special message for the world at this time? The Bible answers, YES!*

*As intercessors we must stay on the cutting edge, ahead of the curve, so to speak, concerning current events, especially in light of the Rapture and the Lord's Second Coming to earth when he will directly intervene in world affairs.*

*I was absolutely thrilled to watch Israel making an accord with her Gulf neighbours. I could think of all of the positive reasons to rejoice. We saw unfolding before us God's vision of the Isaiah Chapter 19 highway in the region stretching from Egypt through Israel all the way up to biblical Assyria. The whole region will dwell in peace and be a blessing in the midst of the earth under Messiah's future rule.*

*I could also see unfolding Ezekiel 38: 13 concerning the biblical territory of Sheba and Dedan as well as other verses concerning Arabia's salvation and acknowledgment of the Saviour, such as Isaiah 60: 6-7. All of this is good. All of this is tremendously hopeful.*

*The speeches were a blessing to hear as well. I was particularly touched by Israeli Prime Minister Netanyahu's comment, when he spoke from the balcony of the White House, "Those who bear the wounds of war cherish the bonds of peace."*

*The words of Jesus, the Prince of Peace, rung in our ears as we witnessed the signing of the Abraham Accords, "Blessed are the peacemakers for they shall be called the children of God." (Matthew 5: 9)*

*Nevertheless it is a double-edged situation, because true intercessors in this hour know what the Bible teaches.....that eventually such a "covenant with many will be confirmed" by the Antichrist. That End-time prophecy is recorded for all to read in Daniel 9:27.*

*Therefore every intercessor should be concerned with the whole counsel of God. Teaching on the Time of Jacob's Trouble in the Latter Days is badly needed. While we certainly applaud peace makers rather than war mongers, evangelical believers must pray especially for Israel and for our western law-makers who are involved in trying to make deals—to know God Almighty's counsel concerning these matters. We must pray that they, like the Children of Issachar in the Bible, will understand the times and know what Israel should do. (1 Chronicles 12: 32)*

*Bottom line: Any deal that divides the land of Israel into a two-state solution and that attempts to manipulate Israel's capital of Jerusalem will be condemned by God and will bring judgment.*

*Concerning these warnings, God says:*

*"I will gather the armies of the world into the valley of Jehoshaphat. There I will judge them for harming my people, my special possession, for scattering my people among the nations, and for dividing up my land." (Joel 3: 2 New Living Translation)*

*Zechariah 12: 1-3 describes God's coming deliverance of Jerusalem. This is the Lord's great warning to peace makers that his roadmap to peace concerns not carving up the Holy Land, Eretz Yisrael, the Land of Israel, and not tampering with his holy city Jerusalem:*

*"This is the burden of the word of the LORD concerning Israel.*

*Thus declares the LORD, who stretches out the heavens and lays the foundation of the earth, who forms the spirit of man within him:*

*"Behold, I will make Jerusalem a cup of drunkenness to all the surrounding peoples. Judah will be besieged, as well as Jerusalem.*

*On that day, when all the nations of the earth gather against her, I will make Jerusalem a heavy stone for all the peoples; all who would heave it away will be severely injured."*

*Only Jesus, Yeshua HaMasiach, can bring genuine and lasting peace.*

*Scriptures strongly hint at Petra in the present nation of Jordan being the stronghold where the Israeli nation will flee after the prophesied abomination of desolation—the sacrilegious*

*object that causes desecration that will be set up in the rebuilt temple in Jerusalem. (Daniel 9:27) This abominable desecration is prophesied to occur in the very Last Days before the Second Coming of Jesus, when He will return to take possession of the ancestral throne of his father David. The Lord's reign on earth will be a vindication of his messiahship and will last a thousand years. (Revelation 20) That is why his future reign is referred to as the Millennium by theologians and scholars.*

*Prophecies currently being fulfilled in the Middle East concern everybody because the history of humanity is dependent upon the outcome.*

*The best safeguard against false teaching is the regular study of the Word of God, with prayer for the teaching of the Holy Spirit as we study. The Bible was given to be a lamp to our feet and a light to our path. Neglect of the Bible makes anybody susceptible to deception.*

If you have ever been serious with the Lord, now is the time to be very serious. President Trump is wanting to bring 8 or 9 nations into this accord. Maybe this is the beginning, a rehearsal, a manipulation in the opinion of the representative of Israel. We don't have a Jewish temple built yet. Hosea 6 - The Lord has wounded us and then on the third day we will live before Him. If one day is 1000 years, then when does the one day counting start. Representative of Israel believes that the countdown would be from the blood ratifying the new covenant on the cross.

Let us just concentrate on being ready for the Lord, and repenting for the purposes of God to be fulfilled on the earth.

Salvation has come from the Jews and we as gentiles have received salvation and are still receiving salvation. Lord please visit Israel at Rosh Hashanah, in Jesus Name.

Pray in tongues for Israel and Jerusalem.

Father, we are asking You to visit Your Jewish people over this feast. We have been doing the best Teshuva we know how and Lord we trusting You to help us to deal with the stuff we are carrying as gentile nations. Lord, we asking for the Jewish nation, save them in their houses, save them in their families, save them as they blow their own shofars. May the Ruach, the wind of God would blow them off their feet. May they have incredible testimonies in this Rosh Hashanah. Holy Spirit, please save Your people, please Lord. Whatever the story is regarding the lockdown in Israel, we are in agreement with You God. Lord, draw Your people to You in this time, in the name of Jesus. We are believing for the Jewish people to come in. Lord, please may there be salvation for the Jews in these days of awe and Yom Kippur. May You draw every person from the top most of government to the youngest person in Israel, God, please have mercy. The religious framework is shifting, changing and people are asking questions, talking about what is going on. Lord, may Your angels minister to people, even in Sukkot, every night there is a visitation and Lord visit Your people in Sukkot. Lord, send Your salvation, in Jesus name.

Vision of gentiles lying on their faces on the ground by the cross. Little bit away are groups of Jewish people representing Israel. Hosea 6. Read the chapter.

Raise up is the Eliakim – “key of David”. God is wanting to put the right people in the right place.

Vision of us entering the tabernacle and Lord is taking us through each part of the parts of the tabernacle. He is wanting to make a shoe but the leather is not stretching.

A shoe is about a message or the gospel.

We as gentile nations have missed it and we need to repent to Israel

In book of Daniel, chapter 12 angel speaks to Daniel, it says *‘but at that time’* which is the word *‘et’*, *‘et’* is a day, a period or a season of time. So the key is the temple, secondly there must come true repentance among the Jewish people. For Christ to return there must be a recognition of Jesus, so revival must come to Israel in order to recognize the Messiah.

So as gentiles, we can bring repentance from the nations, where we are part of the blockage, because we have behaved in a manner which offended the Jews. We want to do whatever we can to unblock and release a flow to the Jewish nation.

We have UK, Namibia, USA, Austria, Hungary, Romania, Lesotho, New Zealand, Zimbabwe, South Africa, Uganda, Kenya, Ghana, Malta, France, Greece, Holland, Germany, Congo, Serbia & Balkan region South America. Father, we thank You we come from all these nations to pray and repent tonight.

Father, I pray for Israel and bless this nation before You. Thank you for the marvellous things You are doing and we can see Your hand moving upon this nation. To bring a fulfilment of the word of the Lord and what You have declared according to this nation, that this nation gave us the Messiah and Messiah will come to bring salvation to Israel and all Israel will be saved. Father, I bless them from all the Latin American nations and bless them, in Jesus name.

We come from all the other nations represented here and bless Israel. Our job was to bring in the nations, we are the wild olive branches and we repent tonight to Israel, for being a stumbling block to Your people. We repent and own our arrogance, religious mindset, pogroms, forced conversions, all the history, we repent for we have lost the times and seasons, the festivals, we want to return to the roots in this Teshuva time, we return to the roots, in name of Jesus. Allow us to return in this time Lord. I pray for every person and nation on this call to have a good report, especially about Israel. We have been ignorant and foolish, forgive us tonight for all the politics, in Jesus name.

Representative of Israel forgave the nations and prayed - Bring healing Lord, to all these nations, I plead the Blood of Jesus over the nations and ask for Your mercy. It is the time of Your favour and may You hear and heal us, Lord in Jesus name heal us, in Jesus name.

Vision - pieces of leather stitched onto the shoe. Wailing wall is crying and the tears are filling a cup. Angels are standing around the nation of Israel ready to sound their shofars. Saw a banner raised over us and it is red, banner of love. Israel saw us as a shadow and we were portraying a wrong shadow and then a light came on and then through us they saw God.

We as gentile nations are still full of iniquity and hopefully something is turning for Israel tonight.

Vision of a lampstand with high base and 7 candlesticks. First five have oil and are burning. Last two only had two candles with no oil pot. The two candles are removed and being cleaned. The pot to hold the oil is being formed from metal that is shining gold, copper and silver. Sheet of metal being marked and cut, still to be shaped for the oil pot to be shaped.

Genesis 12: 3 NIV *"I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you."*

Thank you Father, for this time and we come as the nations and bless Israel and Jerusalem. Your word Genesis 12 says everyone who blesses Israel will be blessed and Lord I pray You will make Jerusalem a door of hope at this time. Lord open the doors for the Israeli representative and his team to enter into what You have purposed. Lord may the sound of the shofar rise up before You Lord and may all the nations come and embrace Israel in this time, in Jesus name.

Prophecy given for Israel – *"For all the nations will come and worship and I will be in midst of them and I have moved the pieces together. My word will be fulfilled and this is the time and I will do mighty things and many will see Messiah and have visions and I will visit my nation, Jerusalem Your King is coming. And I will seat my throne and reign in the midst of you. I heard the cry, I am answering because I am opening their eyes. They will know I am speaking to them, I will visit them, for great will be the visitation upon the earth especially among my people says the Lord."*

Vision - there was manmade understanding and manmade wisdom where the candles were removed which did not have oil.

So God is preparing a shoe for Israel and we are coming to thank you, Lord, for the spirit of wisdom and we lay down our wisdom, pride, arrogance, what we were taught by historical teachings, seminary teachings, all the wisdom we received which was not based on the Holy Spirit. Lord all the laws we have created and we departed from wisdom and fear of the Lord. We

repent and ask You to help us to have the spirit of wisdom again, in Jesus name. Father, You resist the proud and give grace to the humble, in Jesus name.

Father, forgive us for our humanistic wisdom. We have believed that we are correct, our thoughts, imaginations were correct, and we made our wisdom our god. We lay ourselves on Your altar, the way we think, our understanding, Lord forgive us for we have superimposed Your wisdom, with our wisdom. The beginning of wisdom is the fear of the Lord. Forgive us Lord, we need the fear of the Lord, we receive Your genuine wisdom, forgive us for our defiled perverted wisdom, it can never measure to Your truth and wisdom Lord. I come to repent for we have allowed our imaginations to run into the enemies camp. We have eaten from the tree of good and evil, we bought into witchcraft, humanistic wisdom. We lay it on Your altar, burn it up. We come willingly, judge what we have done, our thoughts are our gods. Trans-humanism, singularity, forgive us Lord, we are guilty and we say Father forgive us, have mercy on us. Forgive us for standing in our witchcraft of ancestral wisdom, for in James if we lack wisdom you would give us wisdom.

James 1:5 NLT *“If you need wisdom, ask our generous God, and he will give it to you. He will not rebuke you for asking.”*

Lord, forgive us for our perversion, we return back to You, Lord, and ask You for Your wisdom in Jesus name. Forgive us, forgive me, Lord for having formed, entered into an abomination, and lived in this defiled wisdom and formed it on the earth. Forgive us for we have trampled the Blood of Jesus underfoot, cleanse us, wash us clean Lord, we receive the word of God, it is the truth and we say Lord, all wisdom is nothing except Your wisdom.

I come before you and ask forgiveness for nations for our ancestral wisdom, please forgive us Lord. We choose to recognize the Holy Spirit who is the Spirit of truth who will guide us into all truth. Forgive me, as Your priesthood, where I have gone into my own humanistic wisdom. I return back, Lord, take this wisdom out of me, out of us Lord God. Burn every print and every imprint. Wash our conscience where we seared our conscience Lord against You. We are supposed to have the mind of Christ, forgive me, Lord, forgive us. We want to turn for the souls that are meant to hear the genuine wisdom of God, and so here we are spirit, soul and body, here we are, cleanse my imagination Lord. Cleanse me of the perversion in my imagination and I tear down the vain imagination and wash me and us for what we have done against You Lord. I repent for monetizing Your wisdom and advertised what we know so we can trade with it and earn money. We repent for another wisdom, for coming under a curse for bringing in another wisdom. Lord forgive me in Jesus name.

There are mantles from Abraham to Isaac to Jacob to Jesus and we want to come into alignment with the light, the anointing of every generation. We come back into the priesthood, the royal priesthood, holy nation, called out of darkness and we want your light to shine properly in us, in Jesus name.

Vision of angels carrying a chest which is glowing. Almond rod being pressed into the metal to create the canister for the oil. The two canisters have almond blossoms placed on them. The almond branch is put back into the box and the box taken out. White cloth is being torn up into

pieces and then fed through the top to become the wick, oil put in and the canisters are put back on the lampstand.

Jeremiah 1:11 KJV *“Moreover the word of the LORD came to me, saying, “Jeremiah, what do you see?” And I said, “I see a branch of an almond tree. Then said the LORD unto me, Thou hast well seen: for I will hasten my word to perform it.”*

The word *‘hasten’* in Strong’s Hebrew concordance is H8245 *‘shaqad’* meaning *‘watch, watchful, awake, alert’*. God is watching over his word to perform, cause it to happen.

Take communion.

Thank you Father, for pouring out Your blood for us and for nations, thank you for the life You have broken for us, thank you for the access we have day and night for Your mercy and here we find mercy and grace and we need so much help, Lord, in Jesus name.

Thank you Father on the night Jesus was betrayed, he broke the bread and gave thanks. Jesus is the bread of life and the lamb. Blessed are you Lord God King of the universe who created the universe. As the royal priesthood, we are here to show forth, remember Calvary, remember Jesus Christ made a public display and our records were nailed to the Cross. Do you see Jesus with the sins for the nations and for us, for the children and our children’s, children, for healing and mercy and forgiveness. We demonstrate and show forth this is the bread and wine of the victory of the Cross of Calvary. Every word God has spoken from the throne will come to pass and every knee will bow and every tongue will confess that Jesus Christ is Lord.

Everyone agreed and said Amen.

Vision - As we took communion, a priest filled up the canister and rubbed the canister clean of all marks and used the old robe to put into the candlesticks. A wind came and blew the flames onto each other until the last two candles were also lit and burning.

Amen. Glory to God in the highest.

Representative of Israel very happy and in awe of the wisdom and purposes of God.

Meeting ended.
