

DAY OF AWE - DAY 2 - 25 SEPTEMBER 2020

Apostle Natasha greeted everyone on the zoom call.

A Person shared how they had gone through the repentance book and was drawn by the Lord to think of the immense grace of God, especially because of the wicked altars built by us. Holiness, purity and sanctification are extremely important if you want to stand before God, to repent and represent people and nations. Very grateful to be part of this zoom prayer meeting and to be able to repent and be cleansed and acceptable to the Lord in this very serious time.

Father, we come to lay down our lives on Your altar, spirit, soul and body and we come to be in agreement with what Jesus Christ died for, what He gave His life for and what You, Father, wrote in our books for these days of awe in 2020. Father, You have written us to be alive at this time, to be on this call to repent at this time and we come to agree with You and what You wrote for our lives at this time. Father, may You be satisfied and glorified through our repentance tonight, in Jesus name.

Vision of the spine of the person being inspected. The vertebrae and the muscles are being inspected. The left part of the spine is under developed and the right side is developed. Feet are also being examined – the left foot is under developed and right foot is over developed.

This is about the strength to carry the burdens on the left, but not able to administrate the hidden things fully, as the spine and left side of the back is under developed. We are out of balance, somethings are over developed and other things are under developed. As we pray through this we are going to find out what this means.

Father, I come to lay down my life before You and I know my priestly service is not balanced as yet. As the body of Christ we have not developed in the secret things, which can be good, but also can be, not good. Father, help us with the burden of the Lord, at this time, we must be concerned with what concerns You, Father. You are our primary focus and pleasing You is our prime objective.

Vision – an angel looks at side of the spine which is hunched forward. Looks like the bone development is good, but the muscles are not aligned.

So this is about alignment to the headship of Jesus, so maybe we need to adjust our opinion with what we are aligned with and lets agree with God.

I come to repent and to align with what Jesus thinks is important. Lord, I come and align with You, Lord and what You say about Your church. Forgive us for pulling burdens, going into wars, pushing into things we should not have pushed into. Father, we come to You for correction, in Jesus name . Psalm says a rebuke from a righteous man is oil on my head, how much more is a rebuke from You Lord, oil on my head.

Psalm 141:5 NIV “ *Let a righteous man strike me--that is a kindness; let him rebuke me--that is oil on my head. My head will not refuse it, for my prayer will still be against the deeds of evildoers.*”

Lord, where we thought we were successful according to our focus, but we were not convicted by Your Spirit and what You said about building Your church, I come to repent for thinking my opinions are so important, but not allowing Your Spirit to convict me. I repent Lord, for we have done church according to our desires, our comfort, we shut down the church where there was travail, weeping, whatever did not sit well with us, we need to align with Your truth, in Jesus name.

Vision of feet and eyes that are not in alignment, but as we praying, head and feet come into a line to be able to see the path. *'Halak'* means *'to walk or proceed, or live, or the way you lead'*.

We talk a lot about *'halak'* in Ariel Gate. The word *'halak'* is H1980 Hebrew Strong's, which means *'to go, walk, come, proceed, to be a traveller'*. The root word is H3212 *'Yalak'* which means *'to walk, to come, to proceed, to die, live, manner of life'*.

How do you walk if your feet are over and under developed, your spine is bent. We are over developed and under developed by the type of doctrine we have preached, placed upon our shoulders, formed ourselves into as priests, what we have agreed to, what we have walked in and walked as in a formation. We are coming to God for healing tonight. We need to love His law, as His priesthood. If we love His law, then we can hold back wickedness. We are looking for a chiropractic shift to align us with Jesus. We sold out Jesus in our false and twisted doctrines, beliefs, politics, beliefs, and so much more.

I repent for all my activities, where I became head of my life, my political beliefs, my heart desires and my beliefs were more important to me, than what Jesus desired and spoke as truth by His spirit and His word. Lord, I repent for my walk has not been straight, not been aligned with You, I am sorry Lord for hurting Your heart, for my walk has been on a different path. My headship did not allow Jesus to be my head, the one I bowed to or be directed by. Lord, I lay down my life, my emotions, my thoughts, please burn out everything in me which is against Jesus Christ, everything in my family, my generations, my nation. Lord, You are my breath and I want to belong to You, I desire to come under Your headship Lord, every part of me must be aligned to You, Lord. Lord, everything in me must align with You and Your purposes must have a landing place in me, in this family, in this city, in this nation and in the nations, in Jesus name.

I repent for every place where I ran after prophets to get a word from them, a prophetic direction, where I listened to man and what they said, their interpretation, their word. I went because of my flesh and my desires. I never came to You and asked You. I ignored Your voice of warning, but my stubbornness took me onwards, because of what I felt and wanted now. I listened to the opinions of pastors and other people and I am guilty Lord, I repent. I also repent for not listening to Your spirit but I rather accepted the seductive words which soothed the idols in my heart. I repent for not listening, for being stubborn, it is all about me and my needs. I repent for blaming You Lord, when things go wrong, but it is actually because of my wickedness, my disobedience Lord and I come to repent. Lord, I led others away from You, because I led them away from Christ and I repent Lord, for lifting myself as their salvation and their answer. All I did was lead people into self-worship and wickedness and I am guilty Lord, I repent for my wickedness against You and against Your body, in Jesus name.

Col 2:6-8 NIV “ So then, just as you received Christ Jesus as Lord, continue to live your lives in him,⁷ rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness. ⁸ See to it that no one takes you captive through hollow and deceptive philosophy, which depends on human tradition and the elemental spiritual forces^[a] of this world rather than on Christ.

I repent Lord, for worshipping myself, worshipping others, worshipping demons, worshipping prophets and other leaders and men and women of God. I repent for wanting to be worshipped, wanting the adulation, wanting the awe of people. I have become like Lucifer and traded with the people and with the glory which You should have received. Lord I am guilty Lord, I have gone out of the pattern of Your house. I have not brought the proper worship, the proper walk, the proper sacrifice, and have not bound myself to Your truth and Your word. Forgive me Lord, cleanse me, sanctify me Lord, that Your name would be glorified. Lord forgive us, we want to be holy, for You are holy. To return to You by your Spirit, Lord close every demonic altar in us which functions against You. We want to align with You and hold fast to the headship of Christ and grow according to Your truth and Your word, in Jesus name. Lord, grant us mercy and give us eye salve to see the truth and be aligned and to walk in the truth of God again, in Jesus name. Lord, our gifts do not make us cleanse and holy. We ask forgiveness for using our gifts as a trade and a mindset that we are special and should be worshipped. Cleanse us Lord, in Jesus name.

God we come to repent tonight for being pushovers, because we as Christians don't know how to take people out of captivity and we are consumed with ourselves. I bring repentance as the body of Christ for we have not walked with You, not brought a proper offering and I come to repent Lord. Lord, come clean us out, cut it out, we receive the correction, the discipline, whatever is needed to be able to be aligned with You and we say we have made lots of mistakes and we look weak. Lord, for the sake of Your name, please we humble ourselves and are bending ourselves low before You and saying God have mercy, teach us, discipline us, rebuke, whatever is needed, Lord, please help me, help us, in Jesus name.

Vision - Saw the head which was out of alignment, pop into alignment and then pop out of alignment. A snake pulled the head out of alignment again.

Vision - Priest who looks all twisted and out of shape. The priest is supposed to bring a righteous offering and be part of the altar, but he can only bring a demonic offering, for he looks like the demonic world. The Father is crying for the priest is supposed to eat from the altar and neither is holy.

Lord, I am asking You to come and burn on me, burn on everything I have done. Take it all away I have nothing to boast in and I am in deception and lying to myself, I have done nothing good before You and Lord as Your priesthood, I have looked like Your enemy and I agree with You Lord. We are willing to put our prayer life on the altar, everything of us, let it burn. I am clinging to the Cross and the mercy of the Lord today and it is by the grace of God I am called to be a priest. I say I have messed up and if I could see my life, it would look terrible and so thank you Lord, come and judge it and bring it all to ashes Lord, for I only want the real and the true. If it is not the Cross, I don't want it. Lord, burn everything up so that Jesus can be glorified and

You can be glorified. There is only one head and His name is Jesus Christ. Let me be brought back into the right balance and alignment with Your headship, in Jesus name.

John 5:26 NIV *"For as the Father has life in himself, so he has granted the Son also to have life in himself. 27 And he has given him authority to judge because he is the Son of Man.*

Father, I am willing to be nothing, to die to myself, to give myself to You Lord. I tried everything, to change my way up to now, but I cannot change myself, Lord change me, I am willing to be changed. I lay myself on Your altar, burn on me, change me Lord, please Lord, forgive me, I am guilty, I beg you, for mercy on me. I want to become like Christ, to be completely owned by you, in Jesus name.

I come to repent for listening to the gossip, trying to be part of groups and listening to the gossip and latest news which has polluted me and poisoned me. I rejected the Holy Spirit, I repent for listening to the wrong sounds. Retune my ears, to the sound of Your Spirit, make my ears deaf to the sound of the world. Forgive me, for seeing what I want to see, focused on my desires and hurting myself and being involved in stuff not of You. Set my eyes like dove eyes back on the Cross and back on You. Readjust me to what You see, cleanse me of the pollution and the poison of what I have spoken and listened to, watched and been part of, Lord forgive me. I made a dwelling place for the demonic, built a house for the demonic Lord and I am guilty, forgive me, Lord. I do not want to make any space for anything that is not of Your Spirit. Forgive me Lord, for not being able to serve You properly, take the snake out of me, pull it out of me, burn it out of me, I refuse to allow this snake to continue to live in me. I ask for the Cross of Calvary to be formed in me. Align my spine, align me spirit, soul and body to the Cross of Calvary, that is my measuring stick, Lord, measure me to the Cross, to the death and resurrection of Christ. Where stuff is compressed in me because of the worldly stuff, the wrong burdens, come and align me to what is on Your heart, in Jesus name.

Vision - We are standing before the Lord and the Father is listening and is excited for our repentance, it is giving Him grounds to change a sound over His priesthood, in the nations. Principalities are watching.

Vision - See an old man going onto his knees, as we saying we agree, we are willing. Apostle Natasha is holding the snake up and the snake is being pulled out. We are on our faces weeping. Snake eggs are hatching and coming out of the overdeveloped foot. Snake is burning in the fire. Every spine is being adjusted, bone by bone, cleaning the nerves and areas in-between the spine.

Lord, where I have sold out my church and have esteemed myself highly, have brought myself worship and lauded myself, Lord, please forgive me, kill this in me. I want to be a priest that is holy and pure, can stand in Your glory but must be empty of my ambition and my desires.

Lucifer is walking up and down in the throne room and his heart was lifted up in his beauty. Ezekiel 28.

We want to *'halak'* in the proper way, we want to walk where You give us place to walk, we repent for the arrogance, presumption, the pride. Lord, where I have traded with my giving, and

my fasting. Lord, where I demanded stuff from You and quoted the scriptures, I repent. I have not taught people to love You, instead, I have taught them out of my self-entitlement. Lord, forgive me, I repent, in Jesus name.

Father, I lay my life down on Your altar, I am guilty, I am an accomplice and guilty of merchandizing Your word. The tables were overturned for nations to be able to come in. I was there for the merchandizing, for being elders in such meetings, where we were not good custodians of Your laws, I repent. I repent for being part of the administration of the merchandizing of Your word, causing people to be afraid that they would come under a curse, if they did not give to us. We have used Your word to distort the truth. Forgive me, for participating in fasting for getting breakthroughs, gifts, whatever I thought You should grant me because of my giving, my fasting, forgive me for what I have done against You. I have taken Your word for granted. Fear of the Lord, is the beginning of knowledge. I have trusted in my own understanding and knowledge and this is foolishness. Lord, I want to have the fear of the Lord and to reverence Your word. Burn every area in me of the snake, burn everything in me with Your fire, that the eggs of the snake cannot hatch, cannot have space in me, in Jesus name

Vision - Down the spine all the flesh and muscle are taken away and down the legs as well. There are cobwebs, which hide the seed for the next generation.

So are you ready to pray into this and do you want the generations to receive the truth without witchcraft.

Thank you Lord, for the inheritance in the generations and we want the next generations to be cleansed from all the witchcraft. Forgive us, for the compromises we have made which have allowed the generations to be set in the witchcraft. Lord, have mercy on us. We want the truth and the righteousness of God, set in the next generations. Lord, may they walk in truth and holiness, in Jesus name.

Vision - White tendrils of smoke coming off the altar. The Lord is standing behind the altar, on our right, as we are facing the altar.

The Lord is granting us mercy and not judging our enemies, because we look like them. So let us distance ourselves from this wickedness. Many people, cloud of witnesses and angels are watching us, they are standing by the walls around the room. God is looking for a kingdom of priests from every nation and we are going to present our case, for all the nations we come from, in Jesus name.

Lord, I come to repent for Namibia, where we as Namibia have placed a lot of stuff under the rug, bring it into the light. Every priest of Your kingdom, let us come and rise up and bring our garments to You. Bring Your fullers soap and wash us Lord, cleanse us. Overturn, what needs to be overturned, Lord wash us, in Jesus name. Cleanse us, wash us, grant us ointment, for our wounds, Lord. Come and burn on us, rend our hearts before You, may Your fire of repentance burn through this nation, in Jesus name. I repent for our selfishness, our know it all attitude, the showmanship, we bring to Your body, our pride and arrogance, Lord, forgive us,

change us, Lord, shift us, in Jesus name. Lord, we come and agree and ask for the principality over Namibia to be bound according to Psalm 149 and that Jesus will receive His reward of His suffering, in Jesus name. Namibia says Lord, receive Your priesthood back and Lord cleanse this priesthood of Namibia, in Jesus name.

Heavenly Father, we thank you, for who You are in our lives and in the nations and we lay down our lives. We ask for the priesthood to stand up in USA. What You have written in Your book, that we may stand up and stand for Your nation as Your priesthood, that we may be cleansed and that the angels may release what You want us to do, to bring forth, to bless the other nations. Lord, may we as priests come and be cleansed before You, that You will have Your plans and instructions fulfilled in us, as a priesthood. Lord, burn everything not of You out of us, grip it and pull it out, help us to understand and to carry out Your purposes, in Jesus name.

Father, in the name of Jesus, we come to agree with the 10 represented of USA, we asking for a new beginning for America and we ask that Jesus would have His priesthood, in America. Lord, receive what You paid for with Your blood, Your suffering, Your death. We say to the principalities and powers over this nation, you are bound with chains and fetters of iron, we demand that the priesthood of the most high God, can open the portals of heaven. Bless them with governmental decrees and prayers. Bless President Trump and cause him to prosper. If there are ten on this call, the nation can be turned to salvation. May the priesthood come out of the chains, the principalities put them into, in Jesus name.

Namibia – more white smoke rose up on the altar.

USA have received healing for their ears to hear.

Lord, we come before You, Lord, in tears, repentance and great humility. Lord, we have not stood in Your priesthood. We have hidden in the cave, in fear and Lord, may we come forth as the 7000 out of the caves and we will take hold of Your priesthood bestowed upon us, may we be cleansed and washed and given clean robes before You and stand, as Your priesthood, for Your nations of UK, Ireland, Wales and Scotland. We repent for our feebleness and we ask for our spine to be straightened. Make us whole in Christ, we do not want to be a nest for vipers and eggs. Fill us with Your breathe, Lord, fill us with Your Holy Spirit. We present ourselves in sackcloth and ashes and may You heal us and may we walk in sync and alignment, with the Head, who is Christ, in Jesus name.

We want to say that Jesus may have His full complement of His priesthood, out of these nations. Your son paid with His blood and the principalities must be put into chains.

Vision - Fire increasing on the altar and garments are being cleansed and given to this priesthood. Much healing to be done.

Lord, we bring this nation of New Zealand before You. Lord, may Your priesthood rise up in this nation, Lord, raise up Your priesthood, to stand for Your purposes, to be set in this nation. We repent for having big mouths and we have a lot to say. Establish us in Your truth and Your plans, in Jesus name. We repent for we have gone astray, by the voices and we have grabbed onto all types of voices. Lord have mercy on us. May the voice of the righteous be heard in this

nation, in Jesus name. Forgive us for our waywardness, our self-righteousness, establish Your throne in this nation in Jesus name. Lord, be established in this nation Lord, in the schools, in Jesus name.

Father, we stand as the nations and say to the principalities, you do not own New Zealand. Jesus Christ nailed your claims to the Cross and we are here to execute the written judgments written in the Blood of the Lamb to buy it back for the Lord, Jesus Christ. We want to see the priesthood bought back and raised up in New Zealand and the principalities will see there is a priesthood in Zion, in Jesus name.

Vision – there is a trumpet sounding a call over New Zealand.

Father, in name of our Lord and Saviour, Jesus Christ, thank you for sending Jesus to reconcile us back to You and made us kings and priests to Your glory. Lesotho belongs to You and thank you for the opportunity to repent and that Lesotho can become a priesthood, worthy of what Christ has paid for, on the Cross. We say, in the name of Jesus, Lesotho hears Your voice, we say 'no', to the voice of the stranger. We do not want to listen to any sound which will draw us away from You. Lord, come and rule and reign in this nation, and rule and reign in this priesthood, and cleanse us and may our hearts be Your royal throne. We love You and honour You and say we want to belong to You fully and completely, in Jesus name. Thank you for equipping us and making us a true priesthood, for Your glory, in Jesus name.

We agree as nations, we say to the principality of the church, You cannot hold this priesthood anymore and we want to hear their voices and their prayers before the Father on the sea of glass.

Vision - A Key is given to Apostle Natasha and representative from Lesotho.

Father, we come to present South Africa, as the priests of the most high God. Father, we come in repentance, that we would get back, what You Father want in this priesthood of South Africa. Thank you Lord, for washing us from the lawlessness, the slavery, the murder, the shame unto You. The Blood of Jesus has brought us back from being greedy and all our abominable sexual practices, pride and idolatry. Wash our garments, in Jesus name. Cause the iniquity to be washed away, like You did for Joshua. Lord, may what Jesus died for, take form in this nation. Lord, what You want as a priesthood, let that be formed, in Jesus name.

Everyone in South Africa, we inform the principalities, we told you, we will not give you our sons and daughters, we belong to the Most High God, we are priests on the sea of glass, in heaven. South Africa has a priesthood and will bring glory to God and not serve any other god. We are putting boundaries around these principalities and we say we are going to be the priesthood God is looking for in South Africa, in Jesus name.

Vision - Scroll given up by a principality to the Lord Jesus.

Uganda, Kenya, Ghana, Nigeria and Congo - Father, we present these nations to You and say, Jesus has bought a priesthood and they belong to Him. We reverse the trading tables over these nations and we want the priesthood to be presented to the Lord. We say these nations

belong to Jesus and He will have a priesthood out of them, in the name of Jesus. We stand with them and say to the principalities, you will give up to Jesus His priestly people, in these nations and Jesus Christ will have what He paid for. Thank you for the holy priesthood in these nations, in Jesus name. We are calling forth the priesthood in all these nations, in Jesus name.

Pray in tongues.

The Priesthood is being called forth out of these nations – scrolls being given up from principalities who could have called for the death of people due to the iniquities. Thank you Father, for these people's lives to be given into Your hands, in Jesus name.

Germany, Austria, Malta, France, Hungary, Croatia and Balkans (Europe). We remind the principalities, you have lost through Jesus Christ and thus you are bound by fetters according to Psalm 149. You will hand the priesthood back to Him, in Jesus name, for Jesus Christ, has bought every nation, tribe and tongue for the glory of the Father, in Jesus name.

Vision - 4 scrolls taken out of the fire by the, Lord, Jesus and given to the Father.

All Spanish Hispanic people – Father, I present You all the Spanish nations and the priesthood of all these nations. May they serve You and come be changed from idolatry to true worship. All the iniquity in us, as Your priesthood, all the contention, division, disunity, Lord, forgive us. We come to You and ask You for healing and may we become holy, to serve You with clean hands and hearts, in Jesus name.

Lord, may the principalities be bound by the church of Jesus Christ according to Psalm 149. Jesus deserves to have His kingdom priests and we are asking these nations to hand the priesthood to Jesus.

Vision - Trumpet over the nations, which becomes a sword, cutting through other sounds.

French speaking people in Africa and Europe. I present all the French speaking people and pray that we will take our place to legitimately serve and represent the Lord Jesus Christ.

Vision – The Lord raised the Cross with His blood dripping from the Cross over these nations.

For Israel – Lord, grant Your people to see again what You said to Isaiah, shut their eyes, shut their ears. Grant Your spirit, Lord, have mercy. As we are in lockdown in this feast, pour out Your Spirit over us, we cannot, we have tried so many times and hit the walls so many times. Grant us to see again, give us hearts to understand. You have done so many great things and rebuilt the ruins. We cannot come back to You, unless, You draw us. Lord, I don't know how to overturn this enmity against You for over 2000 years, Lord have mercy, in Jesus name.

From the nations of the world, we are coming as all the different nations to vote for Israel. If You can save us, You can restore Israel, Lord. You said, if You can have a priesthood from every nation, then You can do for them, what You have done for us. Lord, have mercy on Israel, if You bless us, You cannot leave out Israel and we lift up the representative of Israel's hands again and Lord, bless Israel again. You gave us a place through Israel, Lord, now we ask for Israel, to know God. We are calling for God, to call forth His priesthood, in Jesus name.

Vision – Israel representative, tears are precious to the Lord. What is in his heart, is the intercession in Christ's heart. Jesus treasures the tears and the tears are forming a scroll.

Vision - Priest lying down and tears falling on the dry bones, got moist again and no longer dry.

Lord, keep them tonight, make Your face shine upon them tonight. When Jesus died on the Cross He made a public display to all the principalities and powers and we say Jesus has the last say and He will present a nation of priests and kings to His father and they will be presented on the sea of glass. And we want Israel in her place, in Jesus name.

Take communion.

We are showing the bread, this is a demonstration, a showing forth, this bread of Christ and the cup of the covenant, we want to become one with You and we as both Jew and gentile become one in You.

We pray for a new birthing of your priesthood in every nation, in Jesus name.

Vision - Tears falling onto the dry bones and blood sprinkled on the bones and sinews grew back. Loins are cleansed and the muscles are growing back and the growth is right and being formed correctly.

Representative of Israel was speaking about the Holy Spirit coming from the 4 directions of the earth and now he understands it is the Holy Spirit coming from all the nations and speaking life to Israel from all the 4 corners of the earth, all the nations.

Vision - Fire and smoke burning on the altar. Principalities and powers leaving the court. The Lord, Jesus, is giving the scrolls to the Father.

May God keep everyone and bless them. Go and rest and see you tomorrow night.
