

DAY 3 - DAY OF AWE - 26 SEPTEMBER 2020

Apostle Natasha greeted everyone on the zoom call.

Father, we come to lay ourselves on the altar and say please burn up everything that does not look like You. I give up all inheritance, benefits, and spiritual gifts both, on my mother's bloodline and father's bloodline, cleanse us from all the transgressions and iniquities, please wash us Lord. We want to belong to Jesus and Lord grant us greater understanding and may we be the priests You are looking for in this hour. We want the souls of men in the nations to know You Lord, in Jesus name.

Today is called '*Shabbat Shuvah*' – the last Shabbat before Yom Kippur. It is Shabbat from last night to now, and it is the Saturday before Yom Kippur ends.

Vision - Cloud of witnesses watching us, there is a sense of being positioned to continue to repent for the priesthood.

God is desperate to see a new priesthood emerge. It is intense and it is like God will not relent or allow the mismanagement, transgression or the same old, same old pattern to continue.

Vision - Snake on its back and it is cut open and its treasures are open to view. Massive marble stone building on a hill, with columns and pillars in front. Pitch roof in front and flat roof at back.

Father, we come to lay down our lives as a living sacrifice on the altar. We want to be Your burning ones. Forgive us for leaving the altar and we flirted with convenience because we wanted popularity and convenience. Lord forgive us, since the beginning of the year, You have been announcing a new order of priesthood. The priesthood is so important to Your nations, Lord. We repent for misadministration of Your priesthood. We deny the order of Eli and we repent for the administration of duties in the way of Eli. We appeal for Your mercy and grace and we ask You, God help us to seize this opportunity to repent. We realize You have decided and made a pronouncement and we must align. Not only have You called for us to receive and accept You, but You have called us to align. You are knocking and we are continuing in our own business and not recognizing the Head of the church, knocking at the door. Lord, forgive us, in Jesus name.

We are dealing with priesthood and we have become like Eli and trained people in the ways of Eli.

Father, in the name of Jesus, thank you for this time and opportunity to return. I lay down my life, spirit, soul and body on Your altar. Correct my passion, my walk, my life, my heart with Your desires. I repent for not teaching truth, I taught according to the itching of ears. I repent for not upholding righteousness. I repent for all the places I am not in line with Jesus, burn everything in me, that does not look like Jesus. I repent for leading people astray, You will judge the shepherds for leading Your sheep astray and I am guilty Lord. I wanted personal gain, judge it in me, judge me, for all my compromise, all the false teachings, all the trading of Your truth, deal with my heart and my passion which does not align with Jesus. Lord Jesus, you live to make intercession for us, Lord, I lay every part of me on Your altar, send Your fire and

burn up everything that is not of Christ. Where I am not aligned to the path of righteousness and holiness, I repent, please Lord, forgive me and cleanse me, in Jesus name.

We praise You our King, and all I can say as a leader, I lay down my life spirit, soul and body and Lord I know as a leader I have not functioned according to what You wanted and I repent for this. I have not led according to Your way. I have not shown Your heart and Your grace and I built my kingdom instead of Yours. I have been building a kingdom and not allowing You to build it through me. Please forgive me, I am guilty. I surrender everything into Your hands, I want to become the priest and leader according to what You want. I want to build Your kingdom and not mine, in Jesus name.

I come and lay down my life on Your altar. I repent for wrong motivations, not walking in Your ways. I ask forgiveness for all the prostitution of Your ways. I did not walk as a leader and pastor and minister and did what I thought was right, I did not seek You, I did not passionately seek Your ways. I repent for losing my first love and became lukewarm and I prostituted the work of God and allowed other voices to speak through me. Father God, I repent and ask for everything that is not of You, please consume it all. All wood, hay, stubble, anything in me of Lucifer, burn it up, in Jesus name. Lord, may I become clean and purified through Your fire. Let Your fire consume everything not of You. We want to live according to Your way and teach others to walk in Your ways. Lord, may we have clean hands and a pure heart. All pride, arrogance, self-centredness, selfishness, Lord forgive me, I lay it down, please send Your fire and consume it. Cleanse us with Your Blood to walk in Your way, to know Your heart, to cry for what You cry for. Lord, I desire to have the passion and burden of the Lord, for what is on Your heart, in Jesus name.

Malachi 2 :1-2 NIV *“And now, you priests, this warning is for you. ²If you do not listen, and if you do not resolve to honor my name,” says the LORD Almighty, “I will send a curse on you, and I will curse your blessings. Yes, I have already cursed them, because you have not resolved to honor me.*

Father, I come as Your priest and every place I have not honored You completely, in everything I do, I agree with Your word and I have no excuse, nor justification and You are right to send a curse. I repent for what is my example then to people, I pray for, prophesy over, teach. In verse 2 You say, You have an issue with Your priests and I say I am guilty and ask for the grace to repent through this tonight and tomorrow until Yom Kippur closes. I want to take to heart to honor Your name the way You want Your name honoured. Forgive me Lord, teach me to bring You honor that would please You, in Jesus name.

Malachi 2:3 NIV *“Because of you I will rebuke your descendants^[a]; I will smear on your faces the dung from your festival sacrifices, and you will be carried off with it.”*

Verse 3 says You will spread the refuse, the dung on the faces of people, I know that for some of us, we may have this on our face already because we as Your priesthood have not honoured You correctly. May we come to cleansing so that the dung will be washed off, Lord, please may we not be disgraced. Lord, we are guilty for abortion, child trafficking, sexual sin. Lord Jesus, please deal with this wickedness, examine my heart, I come to ask for judgment of my heart, my

motivations, my desires in my heart. Lord, we want to be a pure clean priesthood before You in the pattern of Your Son, in Jesus name.

Malachi 2:4-5 NIV *“And you will know that I have sent you this warning so that my covenant with Levi may continue,” says the LORD Almighty.* ⁵ *“My covenant was with him, a covenant of life and peace, and I gave them to him; this called for reverence and he revered me and stood in awe of my name.”*

Verse 4 tells us that God has a covenant of life with Levi, because Levi stood with God at a time when the other tribes did not. We have had a vision of the snake in us and Father, we do not want to have anything to do with the snake and be in collaboration with the snake and the witchcraft. We are stubborn in our ways and we want to teach and take offerings according to our own desires and lusts. Verse 5; Father, I want to return to the true covenant with You. I want to turn many from wickedness, Lord.

Verse 8 *“But you have turned from the way and by your teaching have caused many to stumble; you have violated the covenant with Levi,” says the LORD Almighty.* ⁹ *“So I have caused you to be despised and humiliated before all the people, because you have not followed my ways but have shown partiality in matters of the law.”*

Father, I come to repent for what the church allows to operate within the body, will be represented in the world in a greater degree because the church is supposed to be the salt to the world, who are without salt. We as the church did not discipline like we should and so we see the lack of discipline in the government. I repent for not disciplining correctly, being a priest like Eli, no discipline for himself and no discipline for his children. We lost the ark of the covenant because of our lack of discipline and I come to repent and ask for mercy for those who have heard the wrong instruction from my lips. I was far too casual with Your word and did not take You seriously and I made others comfortable in their sin and I repent for my transgressions against You, Father, and against the church, Your body, Lord. Please forgive me, in Jesus name.

We as priests are operating in witchcraft which is rooted in rebellion. I repent for all my stubbornness and rebellion. I chose as a priest for not being obedient to You, for the envy and the jealousy of others, I repent. I repent for all worship of myself, idolatry of self, wanting recognition in my gifting and where I have put others into idolatry because I worshipped their gifts.

Vision – the Priesthood cannot cross a threshold and when they come to the threshold they prophesy holy, holy, holy and then they walk away and spit black things out. They are tearing their garments in confusion.

Every place in me where there are snakes and black stuff, I want it out now and fast, I am asking for the Holy Spirit, to convict me. Lord, even if I am being exposed, I want to be exposed by your Holy Spirit. Lord, if You can correct us now, we can be healed and delivered.

Pastor from Cape Town spoke about Eli’s two sons representing two priesthoods, one is a serpent and the other is a fighter.

Father, I repent for turning Your house into a boxing ring, always ready to fight and agreement with the snake who is whispering from the side. The spirit of Phineas, the serpent tongue, where we needed to speak the oracles of God and instead we spoke satanic oracles. The Hophni spirit is a Pugulis spirit always wanting to fight. You called us as priests of Christ, that we would speak truth and exultation of God for the edification of Your people and to honour You. We bullied Your people, where they called us to accountability, we fought them, boxed them, humiliated them, forgive us Lord, in Jesus name.

Vision - Angels came and inspected the mouths and tongues of people and went to the serpent and compared the DNA of the serpent to our tongues.

God is comparing our DNA – who is our father. Who is the one who is being honoured.

Father, I come and accuse myself tonight of having a DNA which does not look like You. I look more like satan, I have inherited this DNA and have continued to operate and build it stronger. Lord, please bring Your sword and cut between the truth and the lie, the holy and the vile. It is satanic and demonic. It separates me from You and it gives me, no testimony, no authority, no voiceprint before You. I divorce everything that looks like Lucifer in me. It started in the garden, I rebelled against God in the garden, it is still in me and I agree that this is in me. I hate being told what to do and how to do it. I come to repent and say it is in me and I repent. I divorce this serpent, this snake in my bloodline. All the rituals being done, we are not so far away from the priesthood of satan, we want to function like they do, we want to operate in the spirit like they do. Where I want to make witches jealous, I repent, in Jesus name. It is a twisted DNA and I want to return to what You say. Whatever psychic gifting I received. I choose to say 'no', in Jesus name. Where I see things in the spirit, and it is not from You I don't want it. I don't want to see anything, prophesy anything, anything in me not of Jesus, I don't want it, in Jesus name. Anything in my soul that is not of Jesus, all manipulation, all witchcraft potential, my motivations, emotions, anything I use to sell the point, to promote myself, burn it up, pull out the hooks, I don't want this snake nor anything of its eggs. I do not want to look like the devil and refuse to take on his image, in Jesus name.

Father, in the name of Jesus, I say I am declaring I want a divorce from every satanic altar that I traded, covenanted, approached and where I allowed my DNA and RNA to be changed, inscribed with their marks and sound, their fingerprint, their agenda, philosophies and doctrines into my DNA, I repent and plead the blood of the Lamb to be a boundary around me, as I walk away from these altars and I ask for my name and my generations to be removed off these altars. I return back to You, send Your fire onto me and my DNA, make my DNA straight in Your original image and pattern, in Jesus name. Your schematic of how You formed us. Restore us to Your original first estate. Clothe us again in white garments, in Jesus name. Have mercy according to the multitude of Your tender mercies and kindness, in Jesus name.

Vision - angels come and examine our mouths and cut the DNA of the snake out and throw the cut out parts by the snake. Especially the areas of our tongues. Angels want us to swallow the silver trumpet.

Vision - We swallowed the silver trumpet. Fire consumed the pieces of our DNA which had been cut out of our mouths. There is a pathway to the temple and the fat belly of the snake is being looked at.

I repent for all the abuse that has been happening in the church and in the world. This is such a huge thing, but Lord please somehow deal with this enormous sin, that has gone on in the church, in the world and in Your people. Lord, cleanse us, in Jesus name.

We prostituted the worship, our offerings, we took hold of the nephilim and snake worship and we brought it all into our worship. We took of all the temples and brought the practices into our worship. Burn our lips with Your coals. We made our lips a form of prostitution before You, we did this with our bodies and our minds as well. We rend our hearts and not our garments for they are already filthy. The thoughts and song in my heart is an abomination before You. I have eaten from satanic worship and from demonic table. I have done this and I say as a witness, I am guilty. I don't want this anymore, I am guilty, I have willingly received this licentious wickedness, I have wallowed in it. Your word says, You see the secret things of my heart, and I made it acceptable before the people. I covered myself with the skin of the snake and I covered myself with the DNA of the snake. I transposed the snake into Your priesthood and it is a stench before You. Lord, I don't want to look like Lucifer and the nephilim. Lord, as the false abominable priesthood, look at me, judge me I don't want this anymore. I don't to look like Eli, like a prostitute in the temple. We have made the holy profane, we have put blood on the altar, which is a stench before You. Forgive us Lord, for all the abominations we have brought before You and expected You to accept it. I am part of the priesthood and I am guilty of destroying Your name and I am guilty Lord. I have nothing to give except every part of me. Burn on me, burn on every part of me, my tongue, my eyes, my ears, every part of me, I am guilty. I am guilty as the priesthood. I don't want to look like Your enemy. Wash us, cleanse us, judge us Lord, we choose to judge ourselves. Destroy and remove the wickedness. We don't want to be vomited out of Your mouth. Burn everything up, I lay every part of my body, soul and spirit, all of me, on Your altar. Burn on me. Lord wash me, cleanse me, I want to return to Your holiness, to Your priesthood. Forgive me, forgive us for we have trampled Your blood underfoot. We want to be holy, we choose to be holy, we choose to repent, forgive us for making Your priesthood an abomination before You. Lord, have mercy, whatever it takes, cleanse us Lord, in Jesus name.

Representative of America and Hispanic nations repented through the prayers for Illegal Trading – refer page 91, Section 7.6 of Repentance - Cleansing your Generational Bloodline book.

Pray in tongues

Sons of Belial

Revered to in 1 Samuel 2:12, 2 Samuel 23:6 and 1 Kings 21:10

Sons of Belial are about wickedness and a representation of where satan has put his own agents into place in the church. We then need to be separated from all forms of evil so that there is a distinction between holiness and wickedness. Belial is totally sold out to satan. We

have murders, child sacrifice, child trafficking. We need to repent and say 'no' and allow God to deal with this.

I repent for being part of Belial, if I was his agent, I am willing to repent and take the consequences, Father in heaven, anything in me of Belial, judge me in any way You need to judge me, get the DNA out of me. Whatever You need to do, it is like a cancer and will kill the church, please Lord, if it is in me, take it out of me. If it is on me, unhook me. Anyone I am connected to who are sons of Belial, send Your fire Lord, I do not want to be part of any transactions with the sons of Belial. I disconnect now, in the name of Jesus. Lord, I want Your judgment, I want Your fire, I want Your examination, I refuse to look like the sons of Belial. This is rebellion against You and we think we can twist the things of God to suit ourselves and so today, I want to come into agreement with Jesus today, what looks good for God and His glory today. Remove from me anything that is not You, God, please help us to rebuild in the church, the structure of priesthood that is according to Your plan. We have messed up in every generation and God, I am guilty.

Vision - Excitement in heaven over rebuilding the church

Vision - Pigs belly and snake belly, the inside of the belly was aligned with coins and the pigs belly was ripped out of the priests belly and the angels are standing there with a new wineskin.

Father, we continue to lay ourselves down before You. You are the God who has a structure an order of a priesthood, who can walk before You daily? Where we have operated in our soul and not our spirit, please Lord, in Your loving kindness open the eyes of our understanding and grant us wisdom to be able to see and receive Your new wineskin. We want to desire to live according to Your will. Lord, help us to use this wineskin for Your glory and for Your kingdom. We cry tonight before You and ask that this wineskin would be Your new wineskin. We cannot patch up the old wineskin. Bring a complete separation between the pure and the impure. May the new wineskin contain the new wine You intended, please, we cry out to You, we hungry to walk in the pattern of Your way, in Jesus name.

Vision - We accepted the wineskin and the priest got more stature, still naked with only the loin cloth. The snake's pathway from camp to temple is destroyed. Angel standing before the gate and a white linen priestly robe is hanging on a coat hanger.

There is only one pathway, from the outer court to the holy of holies. There is no short cut, no five ways to do whatever. If some people seem to do it faster, it may be because they have walked this path and they carry the weight to walk it faster than you can right now. We are willing to carry the mission of the Lamb of God, every day, we return to what God says His priesthood is all about.

I repent, for always wanting and looking for a quick and easy fix, not wanting to repent, wanting to prosper without putting the effort in, have money, live in a big house and are willing to trade with hell and demonic doctrines to prosper. I repent, for being willing to trade with the truth of God and believing I can fast for 3 days and then get 10 times more. For believing that I can pay

through tithes and offerings to receive prosperity. Burn it in me, where I hunger for the microwave prosperity, burn it out of me. Teach me Your law and Your ways, in Jesus name.

I repent for all the entitlement and belief in marketing schemes which are snares. Sponsored prosperity is not true prosperity, it is about a person making people believe they should sponsor his or her lifestyle. Giving is good, but check Your motives and check with the Holy Spirit.

The absence of the head does not allow the spine to function, as we prayed through last night. If the head is absent, the body cannot function as it should. The body is dysfunctional without the headship of Christ.

Father, we repent for having denied Your headship over the body of Christ. We have exalted ourselves to be head over Your church. When satan did that, You did not spare him. You expelled him from Your presence. The body belongs to Jesus and to Him alone. Jesus alone died for the body so tonight we choose to submit as the body and we submit under the headship of Christ. Lord, connect us as the body to Jesus Christ. May the spine bring about the healing in every nerve root. We have become desensitized, because we are malfunctioning, our hearts are callous and not contrite, our liver, bellies, pancreas, kidneys need to be cleansed. Lord, please cleanse us, heal those organs, in Jesus name. We ask for healing and functionality in the body of Your church, Lord. We ask for structure to come back, we minister to the structure to align to the headship of Christ. We are out of balance, walking bent and crooked. Help us, as we are in the hands of the potter, in the name of Jesus.

Vision - Jesus holding the blueprint and smoke rising up from the altar

Vision - the priest being dressed for his duties. We are in a camp in the desert and we have a donkey to help us get to the temple which is away from the camp.

The donkey is about the tribe of Issachar, the donkey is a double burden bearer. It is about humility, carrying the Lord Jesus.

Thank you Lord, you are bringing us back into the pattern of Your priesthood and You are giving us help to get us back into the temple. Those who are afar, You are bringing them near through the blood of Your son, in Jesus name.

Thank you for the King of the universe, Who gives us the bread of life and the fruit of the wine.

Take communion.
