

Zoom Prayer Meeting – Wednesday – 14 October 2020

Apostle welcomed everyone on zoom.

Representative opened in prayer. Thank you Lord for who is like our God! We are so grateful Lord, for who You are. We love You Lord and want to love You more with all of our hearts, in Jesus name.

We lay down our lives, spirit, soul and body and all the places in our ancestry where we were part of Halloween, worship of all souls of the dead, we observed days of the dead, whether through ancestral worship, through demonic rituals and sacrifices, we repent and ask for mercy Lord, in Jesus name. We refuse to be part of this wickedness, where our family was part of it, we are repenting for our generations, our parents, our nations for we have all sinned against You. We did do this, we prayed to the dead, connected to the dead and did all these things and are guilty, Lord have mercy, in Jesus name. We are not celebrating the witches, divination and witchcraft. We refuse to give any honor to those who have died in the sense of appeasing our dead ancestors. We say no, we are not going to burn candles to them, entertain them, sacrifice to the dead in any form or ritual, in Jesus name. I refuse to be the priest of the dead. I am not here to speak to the dead, if they want to speak to me, they can speak to Jesus and He can judge their speaking. Lord, forgive me, forgive my ancestors, forgive my nation Lord, for we have agreed with witchcraft and have transgressed against You.

Father, we come before You to repent, for idolatry, ancestral worship, worshipping demonic altars, calling up the spirits of the dead which are demonic spirits. We say we repent for spiritism, we repent for calling up the dead, for bringing offerings and sexual orgies in cemeteries. Lord, we repent for serving these demons and for all the witches and we repent and say we are guilty Lord. Forgive us Lord, cleanse us by your Blood, Lord Jesus. We divorce Baal, we divorce these deities, we refuse to serve these deities anymore, we only choose to worship God, in Jesus name.

Pray in tongues and ask for the Lord, to send His fire to cleanse our bloodlines and cleanse us of this unrighteousness.

Father, we refuse to connect to the dead, we don't want anything from the spirit of death, we repent of all covenants we have made with death and we ask Lord for these covenants with death to break off me, break off us, in Jesus name. I choose life and not death. I choose obedience to Christ and I choose life in Christ. I repent for where my testimony was not good and I was disobedient to You, Lord, especially where I thought Your commands were suggestions and instead followed my opinion. I repent for this Father, in Jesus name. I stand in my society today and repent for all my opinions and ask for mercy and forgiveness, in Jesus name.

We gave our children everything they wanted, where they wanted to go on holiday is where we as adults took them. We allowed the children to rule and reign in our households and this has produced a belief of entitlement in the children and the adults they have become now believe the world owes them. There is a belief of negotiation for everything that I want, I negotiate with God, I refuse to die to self, for I believe God also owes me everything I desire. These children and adults are rebellious, self seeking, selfish and only committed to themselves and their desires. There is no respect for anyone else or anything others own.

Father, I come in the name of Jesus and I am a parent and did not discipline my children and did not teach them Your word. Every place I gave everything to them that they wanted and that I thought they should have, I repent for spoiling them and have created an expectation of immediate gratification in my children. They cannot work out their salvation because they have been taught that everything should be theirs with no cost required from them. I repent Lord, where I allowed the system to become their parent, television stars, sport stars to become their parents. I did not parent my children. I allowed them to live in deception because I did not want to hurt them or make them uncomfortable. I chose my child's side in all battles and did not receive wisdom from You, Lord. I allowed rebellion in my household. I rebelled against You Lord and I repent for I have gone into witchcraft and allowed my children to go into witchcraft. I ask You to forgive me, forgive my children. Lord, I give You my children and ask please Lord, gather them to Your bosom, to Your heart . Lord break my heart, break my children's hearts for what breaks Your heart, in Jesus name.

I repent for allowing my children to look at movies which are demonic and dark. I repent for allowing them to absorb the darkness and preferring the darkness to Your light and Your word. I repent for not speaking out against the dark programs of witchcraft and vampires. I repent for not stopping the children from watching these movies because I was afraid they would no longer love me. I repent for not seeing how the darkness twists the children for instance in following and participating in Halloween. I repent for allowing my grandchildren to go the Halloween parties. I repent for not teaching them to have relationship with You, but instead teaching them to call on You, only when they are in trouble. I repent for not teaching them about Your righteousness and holiness Lord, please forgive me, forgive us, in Jesus name. Send Your fire on me Lord, forgive me, forgive our families Lord. Lord, turn the nations back to You, the generations back to You, Lord. Lord, may we come out of the darkness of our minds and return to Your light and Your truth and Your holiness. Lord, may the fire of the Holy Spirit send His fire upon all the witchcraft and may there be a turning to righteousness, in Jesus name.

Jesus did not come to allow us to be happy and comfortable. We are dealing with the idolatry of children. God sent us to have dominion, Adam and Eve were created in God's image and He was training Adam and Eve to have dominion. In our fallen state, that place of dominion becomes twisted and defiled to be formed into entitlement and selfishness and demands for self gratification. We are to learn to rule over ourselves first.

We repent for not stewarding the generations like Abraham did. We did not represent You properly in our families and we repent for worshipping our children and placing them as gods in our lives, in Jesus name. Many parents are in competition with their children, or trying to be their friends, the one acceptable to the child, or to the young adult. It is a social gospel of politically correct doctrine and we must tell principalities and powers we refuse to do this and agree with the Lord, in Jesus name.

Forgive us Lord, for we have incorporated all these unrighteous practices into our lives. We are guilty Lord. We have formed these ungodly patterns in our lives, which is a perversion of righteousness, the unrighteousness, self-gratification, vampire movies, and movies on witchcraft, we are guilty. We have brought this wickedness into Your priesthood. It is rampant in society. We laid the line and wicked standard in our lives, in the church and in the nations. We are guilty, wash us Lord, cleanse us, purify us of all forms of satanism, and satanic practices. Lord, I lay down my life, and of my bloodline, in Jesus name. Your Glory has departed for I have created a different normal which is not of You, Lord. Forgive me, forgive us Lord, in Jesus name. Wash us and cleanse us, in Jesus name. Cleanse us as generations and as nations, in Jesus name. We have allowed the demonic priesthood to supersede anything holy and thus we are holding back the generations to come into salvation. I am guilty Lord. My testimony is not good Lord and my instability of holiness and then unrighteousness and the see-saw between the two standards has influenced my children in a standard of unrighteousness. I have been part of the parties, the dressing up, the movies, the standard which has been laid, I have done this to the generations and our lifestyles have enabled growth of the witchcraft and iniquity. I am guilty Lord, we are guilty and Lord I repent for all of this, in Jesus name. I have been part of the misrepresentation of Jesus. I take responsibility for bringing orgies, witchcraft, wrong doctrines, practices of witchcraft and Halloween into the church and I repent of my wickedness, Lord, in Jesus name. We have been like Eli and allowed our children to do whatever they felt like without disciplining and teaching them to be holy and I am guilty for the standard I have raised on earth which does not glorify You. Forgive me, in Jesus name. I ask for the Blood of Jesus to redeem what we have done. We have sold our inheritance, Your inheritance, we have traded it away. Forgive us Lord. Redeem the priesthood again, in Jesus name.

Foundational truth or lies which are programmed into young children. If our children train us to believe that they are there to make sure we are happy, that becomes the foundational lie in us. In the previous generation the foundational lie was rejection which then caused the parents to want to give everything to their children so they won't be rejected by their children. So the foundational lie is in me and I have to come out of it and allow God to destroy the foundational lies in me and I need to turn and choose the truth of God. Our gospel is all about what I can get from God and from others and then I brag about how I got whatever I got and God gave it to me. Israel is God's favorite nation, we are not all the same, there are some people who are more important than you. These are facts and no matter what I believe, all my sense of entitlement does not make the truth a lie.

Lord, we are here tonight to lay down our lives and we say the foundational lie in me of entitlement must die. I refuse to continue to give it life. All the entitlement in me for whatever I think I am owed or should receive, none of those goods will produce salvation and none of it impresses God. All my selfishness and entitlement must die a good death in me Lord, please kill these roots in me, in Jesus name. I am taking all my lusts, all my wants, all my desires, all my sense of entitlement and I want to kill it. I must decrease that Christ increase. I repent for the ambition, jealousy, envy, selfishness, all this pattern of thinking in me is not okay, it does not glorify God and I repent. Lord, kill this wickedness in me, in Jesus name.

God, examine me. All the denial in me, the veils in my heart, the blindness of my eyes, the dullness of hearing of my ears, please heal me, in Jesus name. If I think this is not in me, Lord, come show me the dark side of my heart. Not how I think I look but what I really look like to you, Lord, tear this dark veil off my heart. I want Your truth Father, forgive me and open my understanding to Your truth, in Jesus name. Help me to be cleansed of this defilement and transgression against You, in Jesus name.

Father, we come and lift up the Cross of Calvary, the name of Christ the Eternal Sacrifice, the Lamb of God. Israel had the temple and brought many sacrifices according to the pattern given by the Lord. We need to bring intercession from the nations and agree with heaven. This is the sacrifice we bring, the Lamb of God who died for all nations of the world. The sacrifice has been made and lifted up on the Cross. The word of God say *'If you lift me up I will draw all men unto me'*. We say this sacrifice is speaking for everyone and we agree with what has been written in peoples and nations books of destiny recorded in the Blood of the Lamb.

We pray for the representative of Israel and the prayer breakfast he is hosting; Everything going on between Kosovo and Serbia. We pray for USA, Israel, Kosovo, and Serbia. We come into agreement with what God has purposed and planned and what He has written in the Blood of the Lamb. We want what You want Lord, what You prophesied and sealed in Your Blood, what

has been recorded in the books of heaven, what God has written for these nations, in Jesus name.

We agree with the parliamentary decrees of heaven sealed at Yom Kippur and we are fighting for a landing place for the purposes of God as set when the books were closed. We say this is not a negotiation, we are standing our ground. For Kosovo and Serbia, God we agree with Your plans. We are pegging Your plans into the ground, in Jesus name.

Psalm 33:10 NIV the counsels of the nations will not have affect. *“The LORD foils the plans of the nations; he thwarts the purposes of the peoples ¹¹But the plans of the LORD stand firm forever, the purposes of his heart through all generations.”*

The counsel of the lord stands forever. Your plans are forever. We agree with Your plans for prayer breakfast, for Serbia, Kosovo. Lord establish Your plans, in Jesus name.

We come before You tonight and lay down our opinions and ambitions and agree with Your plans and purposes Lord and ask that Your will be done in Serbia and Kosovo.

God we give You glory and Serbia and Kosovo you both align to the purposes of God. We agree with Gods plans for you, and we are praying and declaring what God desired for Serbia and Kosovo will happen in these nations. Gods plan will be released, in Jesus name.

Father, You have an agreement on earth, three people have prayed from the family line representing Kosovo and Serbia. We are asking for salvation for the president of Kosovo and the nation. God be glorified. You know all things, from beginning to the end. Father, we praying for the USA and all the nations getting together with Israel and whatever that is about. We are in agreement with You and what You are declaring over USA, Israel and the other nations. We remind You Father of many martyrs in Kosovo. We are asking for salvation, we don't revenge, we want salvation for Kosovo. Lord, we asking for a move of God in the Balkans, in Jesus name. Where the enemy has a plan, so do You and we ask for Your plans to take hold. May there be no connection to the violent groups, we want a connection to the God of Israel for the nations. Your ways are not our ways, we want Your will established. Lord, burn up whatever is not of You. We want souls for Your glory. We are asking for the nations, we ask You for the these nations Lord and we are coming to serve the King of Kings and Lord of Lords, in Jesus name.

Vision - Altar of the prayer breakfast – seems to be place of walking softly and carefully. Wood being placed on the altar very meticulously according to the pattern of God.

Representative of Israel – Lord do a miracle for those who should attend to come and attend and not be restricted due to the COVID restrictions. Lord, establish and release Your purposes,

as You gathering the nations to come and participate, as You are preparing them. In Mathew 25 when You come as a King to judge, You will gather the nations on Your left and Your right, You will separate the sheep and goat nations. I know that even at the very last moment, a goat nation can be turned to a sheep nation. You say what they did to Your smallest brothers is what You will judge. In the holocaust some nations hid the Jews during this time. Others committed atrocities. A call to align with Your purposes is coming out of Your throne. Turn the nations, judge the nations, allow them an opportunity to become a sheep nation. Lord, may the nations recognize and heed the call in Yeshua's name.

Genesis 22:9 NKJV *"Then they came to the **place** of which God had told him. And Abraham built an altar there and placed the wood **in order**; and he bound Isaac his son and laid him on the altar, upon the wood."*

The word 'place' is Hebrew concordance H4725 'maqowm' which means 'station, post, office, place, region'.

The word 'in order' is Hebrew concordance H6186 'arak' which means 'set or lay in order, prepare, set forth or prepare a legal case, set the battle, join the battle, tax, reckon up, also means to stretch out or lengthen'.

This is not just a laying of the wood any which way, this refers to coming to a set place designated by the Lord and having the wisdom and understanding to prepare, lay the wood on the altar to bring about the purposes of God within a specific battle. We are the ones who are to lay our lives on the altar, and to do this in such a manner that there is a preparation, a setting forth for God to receive the glory. If we are set in order before the Lord, He can send His army to fight on our behalf.

God is going to provide the lamb and they came to the place – 'maqowm' - and laid the wood in order – 'arak'. We come as the nations tonight and we carry our wood and we come to present our intercession, our laid down lives, our wood and we present the wood to the Israel representative.

As South Africa, Zimbabwe, Namibia, United Kingdom, New Zealand, Ghana, South America, United States of America, Lesotho, Uganda, Malta, Canada, Greece, Kenya, Austria, Hungary, Romania, Croatia, Serbia,

Each nation declared *'I come to bring the wood and lay it on your altar in Jesus name'*.

Representative of Israel prayed – O God of Israel and all nations, You see the nations brought the wood to the altar, we are laying our lives on Your altar and we know You have provided the sacrifice. We ask Lord send the fire, send the fire, let the fire fall, in Jesus name.

Pray in tongues and call for fire

Vision – huge prayer shawl on the ground which became a covering as we prayed. As the nations came in their flag was hanging before the podium. All the old fathers are sitting with their prayer shawls over their head and shoulders. It feels like when Moses saw the burning bush and took off his shoes. Representative of Israel has the scroll for prayer breakfast, set in order and a lot of preparation is taking place. The angelic scribes are in place. See the head of Christ with the crown of thorns.

Thank you Lord for the delivery of the scrolls for the prayer breakfast into the hands of the Israeli representative. We thank you this is like the continuation of the Feast of Tabernacles as the nations come together to stand with Israel. Reset us to the truth, that we come out of the wrong foundational beliefs. It is our pleasure to serve at the pleasure of the king. We want what Jesus wants for the nations. We are in agreement that this event is set. When we brought the wood it was set. We trusting the angels will do what they need to do. Not by might nor by power, by Your spirit, in Jesus name.

Representative of Israel shared how he felt deeply touched by the prayers. Thank you Father, for it is Your scroll, it will be done according to Your timing and Your script, in Jesus name.

Person from Serbia felt God is busy birthing strategic people in nations to fulfill His purposes.

We come and present the prayer breakfast for the nations, in Jesus name. We pray for everyone who needs to attend by zoom and physically. We pray that what is on Your heart, let it unfold to the representative of Israel, as he prays and seeks Your face. We are in agreement that there is wind under his wings and he will be able to do what is needed and be in a place of peace. He will know you have set these things in order for the wood is laid and the fire is coming from heaven.

Vision - the torch with the runner who is the representative of Israel. He is like an Olympic runner.

Vision – see representative of Israel sits at a table with a scroll and he is writing. Someone behind him is speaking to him about what to write.

In a Jewish synagogue there is an overseer who watches over the people who read the word. He oversees to make sure nothing is left out or not read. So thank you for the Holy Spirit who is comes as the overseer.

Blessed are You Lord God, King of the universe who came from heaven to give us life, thank you for the bread of life and the blood, You gave as the greatest sacrifice. Thank you Lord.

Blessed are You the Lord God, King of the universe who created the fruit of the vine. Thank you for the blood which cleanses us. In the blood there is life and Your life is in us, because of Your blood, in Jesus name.

Declared over the representative of Israel - This table has been set in the midst of your enemies and you will drink and eat in front of them and so are all of us joining him in this victory, because Jesus Christ has overcome, in Jesus name.

Take communion.

We are coming to depend on Your sacrifice Jesus, I am coming to proclaim the name above all names, and the enemy will not rule over us and our families anymore. We are calling on Your cross and Your sacrifice and the greatest sacrifice ever made is Your sacrifice, we are calling for Your purpose, plan, destiny in the Balkans and in South Africa. There is enough war and bloodshed and we are binding this call, for more war and more bloodshed to the Cross of Calvary, by the Blood of Jesus. We are saying Jesus purchased the nations and we are asking for the plans of the enemy to be frustrated in their demands for war and bloodshed in Balkans and South Africa, in Jesus name.

A fast was called for Friday for the event in Israel. Also to fast Monday to Wednesday for this event for Israel.

Vision - representative of Israel is seen as a conductor and everything is coming together.

Father, we lift up Israel and the conference and we call in the nations and people who are supposed to be there. We ask for the angels to prepare the way and that You would land what You want to land and there will be repercussions to both sheep and goat nations. As You give him the script, we pray that he will follow it perfectly. Thank you for the assistance of heaven, for peace to be over the whole event. We bless You for the nations who are coming in and there will be a change in the nations according to Your will. Thank you and we bless him and his family and all those who are part of this event in Jesus name.
