

## **Zoom Prayer Meeting – Friday – 23 October 2020**

Thank you Father for your Blood. Cover us with the Blood of Jesus, all our families, our pets, our finances, may everything of our lives and families be covered in the Blood of Jesus.

Representative of Croatia said how amazing it was to hear what had been done in the nation of Israel and the history came alive to her as she listened to the sessions of the Jerusalem Prayer Breakfast. Also enjoyed the worship very much.

Representative of New Zealand felt such a connection to Israel and said the worship was outstanding. Was amazed at how many nations and speakers were involved in this event and the impact of what was spoken ignited a fresh fire and love for Israel in her. Thank you so much for this event.

Representative of South Africa commented on the Jerusalem Prayer Breakfast and felt there was further emphasis given of Isaiah 62, which resonated and brought fresh perspective to pray for Israel. The cohesiveness of all the messages given by the speakers was very good and the worship was very anointed.

Others commented that event was very well presented and grateful they could be part of this event.

Representative of United States of America thanked the representative of Israel for this event. The prayers offered for the President of the USA were such a blessing. Was such a blessing to be part of this and very moved and thankful for this event.

Representative of Namibia really felt there was such an incredible anointing and it was amazing to see how everything pulled together. The speakers flowed and the diversity was so exciting, their messages were such a blessing to her. Such a mind blowing conference. Also such a blessing to see the honor and gratitude expressed in the event. Was such an amazing feeling to see all the flags of the nations and to see my nations flag there, I was speechless. Thank you to the representative of Israel for you did such an excellent job. Thank you so very much for the privilege and honor to be part of this.

Lord, we bring Israel, Jerusalem, the representative of Israel and his family before You and we appreciate and thank you for them, Lord. Father, we thank you for the answered prayers in this Jerusalem Prayer breakfast and thank you we could stand as watchmen for this event and for the representative of Israel and we are humbled to be here tonight and to be alive in this time,

to have been part of this. Bless him and his family and bless Apostle Natasha and her family. Bless Jerusalem and thank you for this amazing opportunity and privilege, in Jesus name.

Representative of United Kingdom commented - It was wonderful to be part of this event and what a privilege. Thank you so much.

Representative of Israel shared how amazing he found this event as it flowed so well and thanked everyone for all their prayers for all the prayers could be experienced as the flow was much easier and the anointing to hold the event made everything easier for them.

Representative of South Africa shared what she had received from the Lord for the representative of Israel. She had been praying for godly connections and believe the connection between Apostle Natasha and the representative of Israel has been set up by God. Felt there is a parliament forming in the spirit and God is using the Jerusalem Prayer Breakfast to form a parliament in heaven through the vehicle of the Jerusalem Prayer Breakfast. Felt nations have taken their seats, but some seats are still empty and nations still to come and take their seat. God is going to shift things and draw people to come and take their seat. The decisions which would be established during this spiritual parliament is going to be amazing and it has to form from Jerusalem as this city, is the capital city. Apostle Natasha and Ariel Gate are seated on the left side to call with and pray with for the nations. The representative of Israel is called to open the ears of the right people and a sound to be released through this parliament for a sound to go out and connect to people and nations to the sound of the governing of God which He is releasing. This is a very crucial place and time which God will use to deal with what He wants to do. This is a mandate of Jeremiah – a calling to build and plant in the nations but also to break down and destroy what is not of God. May the Holy Spirit destroy the works of the enemy and may there be a positioning in the nations for the purposes of God. The anointing on Apostle Natasha is for this appointed time and assignment.

Thank you Father, for Your plans and for revealing Your purposes to us. Thank you for the past few days and all the people standing in the gap for the nations to come in. Lord, You are calling to the nations and You are targeting people in the nations and You are appointing people to specific tasks to change this planet. You will form an army and it has to do with establishment of Your army on the earth. You will return and Your kingdom will destroy the pagan demonic inheritance on the earth. You will destroy the evil of this planet, erase it from this planet and Your kingdom will come as a stone which became a huge kingdom. You will return and are preparing us for Your kingdom. Thank you for the acceleration of Your work in us.

We welcome the stone kingdom. The stone will come and we will be part of the stone kingdom and we are all chips of the old block, which is the ancient block, which is You, Lord. Thank you Father, for all the prophetic words to settle and then we will find a way forward and pray according to the purposes of God as He settles His word and purposes in us.

Isaiah 51:1 NLT *“Listen to me, all who hope for deliverance— all who seek the LORD! Consider the rock from which you were cut, the quarry from which you were mined.*

Father, we thank you for all the nations and continents which are involved. We bless You Lord for what You are doing in Jerusalem and in Israel and Father we thank you for the privilege of being part of this, in Jesus name.

Pray in tongues

We are going to look at fasting for the elections in America and for President Trump and will let you know as soon as possible.

Vision – when it is raining hard in Jerusalem, there are floods in the south and the muddy water falls in the south, there is a filling of water. Representative of Israel confirmed this is true, there is rain which has fallen.

Vision – the rose according to the vision of Wednesday night. This is the first rose blooming on the bush and is a prize possession of what was accomplished. There is a vat of wine filled to the brim. A law ID put onto the barrel and sealed with wax. As wax dries and seals the barrel, wax becomes blood red. The previous year events are much smaller vats, but this vat is much larger and sense this is preparation for the wine to do with the wedding.

There were 6 gallons of water to do with the cleansing ceremony at the wedding. If God is saying He made a wine barrel at this conference, that is how exponential it was for the Lord. Every time Apostle Natasha hears of a red rose in a vision, it speaks to her about martyrdom and also about Bulgaria. This event was very precious to the Lord.

We are preparing ourselves to pray for America and Father we thank you for all people who are on today and we ask for an anointing to push and pray for America.

Pray in tongues for the anointing to pray and war for the purposes of God for America.

Croatian representative prayed and a vision was given of war horses coming from the mountains to join in the battle.

We thank God for the positioning of angels and ask for the angels of the United States of America to be ready to battle and their swords to be ready to fight.

Thank you for the governmental commissioning for the understanding of release of prayer to further the purposes of God and not giving up what the Lord has given, what the saints of the Lord came and died for through their flight from Europe. Thank you Father, You sent Christopher Columbus to take Jews out of Europe to America and we are going to go into that in the next week.

Vision - when praying for America this morning saw thousands of horses coming and the Holy Spirit lifted us up onto the horses and we are waiting for the command of charge.

Thank you Lord, Father, we are so thankful for what has transpired. So thankful for Your call going out to the nations and positioning people. Thank you for Your hand upon America, in Jesus name.

Blessed are You, the Lord God, the King of the universe, who brings forth the bread out of the earth, You are the Bread of life and You broke the bread and said this is my body, eat of me and then You took the cup and blessed it; Blessed are You, the God of the universe who took the fruit of vine, You took the cup of the Blood which was shed for many, thank you we lift up the cup before You and thank you for Your Blood heals, us, restores us, thank you for what Your blood has done for us, for eternity.

Take communion

Important:

This the point you must decide if you want to be in for this next battle. This is not a bad or good thing, it is a time for people to decide for some fights may not be for you. You are the only one to hear if God is calling you to this next fight or whether you will see us later.

Heavenly Father, we are privileged to come before You and serve Your purposes. We are meant to gather as Your priesthood to bring down the voices who have come against You. We come to prepare and ready ourselves to take on what You want us to take on. Cover us, protect us, lead us in our dreams in how we are to prepare, help us to understand the preparation for us to stand and fight according to Your purposes, that the kingdom will be seen

and be made known. We as the royal priesthood say here we are as the priesthood among nations, help us to prepare, help us to lay ourselves down, help us to stand and for the peace of God to keep our hearts and minds in Christ Jesus. Cover us in the blood of Jesus, every part of House of Ariel Gate, all the seers, the representative of Israel, Jerusalem, the representatives of nations, cover our backs Father, in Jesus name. Holy Spirit, in Your fullness lead and guide us into Your knowledge and strategies. Like the Gideon army, Father, You gave them a choice and separated them, send Your fire to separate us in our choices. We do not make these choices flippantly or easily. Sanctify our lips with Your coals from Your fire. Sanctify our hearts, our heads, our bodies, our feet, that we may be used by You, for Your glory and Your kingdom. Thank you for Your download which will help us to walk in Your purposes. You are the Bright Morning Star, You are El Shaddai, the Capstone, the Cornerstone, thank you Lord, we want to glorify You and bring thanksgiving to You. Thank you God, what would we do without You. Fill us up, guide us, in Jesus name. Amen.

God is enjoying the rose from this conference and a big vat of wine. Thank you Lord.
