

## **Zoom Prayer Meeting – Monday – 23 November 2020**

Apostle opened and welcomed everyone, delegate (Israel) was asked to share what was going on in Israel.

He shared about the meetings he's been having and the upcoming zoom meeting praying for the election that will be coming up and the situation in Israel. The Zoom meeting will discuss the next strategy for the Jerusalem Prayer Breakfast. He also share about their visit to Dubai as an exploration of possibilities there and that there is a big Christian community and there are great opportunities.

Delegate (Namibia) was asked to pray and covered him: We lift up everything they will be doing as Jerusalem Prayer Breakfast. We cover him with the blood of Jesus and that the 7 Spirit of God will lead him. May he be led by the spirit of wisdom and understanding. May the spirit of truth lead them. We pray for angels to be released to cover them as they gather to intercede. We lift up Israel and the group, we pray for the spirit of truth to reign over them. Lord be glorified in their meeting and may Your will be made manifest.

Apostle Natasha prayed a blessing over the Jerusalem prayer breakfast call.

Delegate (Israel) in return prayed for the Zoom meeting and blessed Apostle and those connected. Thank you Lord, for having knitted our hearts together.

**Vision** – Delegate (Israel) went to measure the stepping stone, with the previous meeting he went to. There is a square stepping stone that he measure, you can see the width, the depth, the height of the stepping stone. He is busy with clay forming the stepping stone. The wire that he is using to cut the wet clay with is Psalm 1. Psalm 1 is cutting the clay to the right length, depth, width and breadth that he needs.

*Psalm 1 "1 Blessed is the man, Who walks not in the counsel of the [a]ungodly, Nor stands in the path of sinners, Nor sits in the seat of the scornful; 2 But his delight is in the law of the Lord, And in His law he [b]meditates day and night. 3 He shall be like a tree, Planted by the [c]rivers of water, That brings forth its fruit in its season, Whose leaf also shall not wither; And whatever he does shall prosper. 4 The ungodly are not so, But are like the chaff which the wind drives away. 5 Therefore the ungodly shall not stand in the judgment, Nor sinners in the congregation of the righteous. 6 For the Lord knows the way of the righteous, But the way of the ungodly shall perish."*

Father, we thank you for the way of the righteous and we are choosing to step in that way, in that road, in that street, in that direction, in that habit, in the attitude, in the behavior on

the righteous. The message is, if you are walking in the way of the righteous, you are going to prosper.

Vision - Seeing so many stars aligned to the purpose of the call.

Apostle Natasha added, that hopefully we are going to be stars, that are bright and not dark because of wisdom according to Daniel 12:3:

*“Those who are wise shall shine, Like the brightness of the firmament, And those who turn many to righteousness, Like the stars forever and ever.”*

We are supposed to be like stars turning many to righteousness in this time.

Father we pray that people are going to turn to righteousness, the righteous way, the correct way, Your way because that what we need to do.

Psalms 85:10,13 was shared :

Psalms 85:10: *“Lovingkindness and truth have met together; Righteousness and peace have kissed each other”*

Psalms 85:13: *“Righteousness will go before Him and will make His footsteps into a way.”*

Lord Jesus we want to follow You and follow Your footsteps because they make a way for us. You are the righteousness One. We want to follow You even as days are getting dark, we want to turn away from the deep darkness and walk in the light. We want to walk in Your way when Your word is a light onto my pathway and a Lamp upon our feet.

We repent for not being in the Way – The Torah is not about the list of rules, but walking in The Way. The first Christians were called people of **“The Way”**. It is not a Do’s and Don’ts issue, but about our daily life. It’s about the heart. It is not about having a list of rules to tick to prove that you are a good person. It is about our daily life and doing something out of our hearts and not being religious.

We thank you Father, God, that we are able to lay down our lives. We want to walk in Your ways Father, we are returning to Your ancient paths and be able to walk with You. We want to walk in righteousness and true holiness. Father, lead us into a path that You have set for us to walk today Help us to do according to the book in heaven for this time. Lord we want to align ourselves with what You want to do from heaven.

Thank you Lord, that You have put us on the earth as a restraining force. We want corporate with You and Your plan a purpose for the nations.

Vision - There seem to be some dust but it shifted and the stars seem closer and brighter. There was also a Dove, there is flying backward and forward in the heavens

Vision - See a stepping stone – although its shallow but what will be prayed will determine the depth of the well of the water inside the stone.

Father we want to be planted by the river. We want to come into alignment like those stars. We are laying down our lives and coming in the pattern of the tabernacle and to the first altar to do this. We are assembling for your purpose and we want to be a place where we release the river of living water.

Prayer in tongues

We present the living water that in our bellies. We are presenting that with spiritual tongue. We want to fill up whatever needs to be filled up.

Vision - There are vats, like those in the wedding feast. They were empty but one vat was filling up, the master of ceremony tasted from it and said it's good. There is still 4 empty vats to fill up and the first one is not totally full yet.

Vision - Seeing Jesus breathing and as He breaths the Spirit of God goes forward to go do something and comes back and Jesus breaths again and He sends the Spirit.

Apostle explained that we are dealing with the Water and Spirit and the breath of God and that we need to pray in order to fill up the 5 vessels.

Prayer in tongues

1 John 5:7-8; *“7 For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one. 8 And there are three that **bear witness** in earth, the spirit, and the water, and the blood: and these three agree in one.”*

We have the agreement with the Godhead through the Water and the Blood. As we receive the witness of man, the witness of God is greater.

We thank You that as Jesus in breathing something as the Word of God, that Holy Spirit doing what He should be doing and coming back. Something is happening as we are praying.

Vision - It has something to do with the new Jerusalem rising

Vision - The first vat is starting to overflow but slowly filling up. As it overflows, its overflowing into the second vat. It also seems like the stepping stone needs to be baked. The fire is burning in the background. While the water is overflowing slowly filling up the other vat.

Apostle explained that, it's like we are in the wedding with the Lord in the New Jerusalem. It's about the wedding to come, the bridal company, and about what God is going to establish.

Father thank you, that what You have planned is magnificent and what You have set Your mind to is higher than what we could think or understand. Your ways are higher than our ways and thoughts higher than our thoughts. Thank You Lord that Your word is framing Your will on the earth. Allow us to know the path.

Apostle Natasha explained that the words "**Bear record**" in the Greek G3140 '*Martureo*' means '*Witness, Testifying, Martyr*' – It's a clear voice.

What the Lord is saying is that there are three voices on earth and heaven and these three voices are the same as the martyr – someone who has died.

One of the Martyrs or Witnesses is God, one of the Martyrs or Witnesses is the Son and one of the Martyrs or Witnesses is the Holy Spirit. There is a Spirit bearing witness on earth and heaven, He is the only common denominator between earth and heaven.

When we pray in tongues we are connecting, hooking into what God has spoken and He is still speaking. We receive the Father as the martyr, clear voice and legal judicial voice. We lay down the many prophetic and false media and we are receiving the true witness. We are receiving the voice from the Word, Jesus and the Holy Spirit, we are receiving only from the Water, Spirit and the Blood. You have given us a voice on the earth to echo back what we are receiving from heaven. We are refusing to receive on the earth anything that the Father, the Word and the Spirit are not saying. We receive those that are bearing witness, the Spirit, the Water and the Blood. Thank you Lord, that the water is filling these measurements.

Something is happening with the water when I pray in tongues. There is a testimony. The testimony is being received in the court of heaven and we are filling up with the witness from heaven so that there is agreement between earth and heaven.

Prayer in tongues

We want to give You all of us and want to give You our agreement. We are witnesses on the earth right now. We are in agreement with the witness of heaven and the witness on the earth. We are part of the Spirit – we have been baptized by the Spirit, we are part of the water through the baptism, cutting ourselves off from demonic covenants and the world. The water is the reason we can present a testimony before principalities and powers. We are part of the Blood. The Blood of Jesus has been shed for us and martyrs have shed their blood. We are coming into agreement with that.

Vision - The breath of God has gone into a huge golden trumpet and the sound of is coming over the earth. So that the sound over the earth is as it is in heaven.

Vison - As we were praying the water started to accelerate, starting with one vat into the second vat . The acceleration is cause the wind to blow. The more it flows, the stronger the wind blows and that blows into the fire and making the fire hotter and hotter. This is baking the stepping stone in the furnace. The second and the third vat are now full and there are two vets to fill.

Apostle stated that we are in 1 John 5 which reads:

*“<sup>1</sup> Whoever believes that Jesus is the Christ is born of God, and everyone who loves Him who begot also loves him who is begotten of Him. <sup>2</sup> By this we know that we love the children of God, when we love God and keep His commandments. <sup>3</sup> For this is the love of God, that we keep His commandments. And His commandments are not burdensome.”*

Thank you Lord, for Your instructions. Thank you Lord, for the privilege of bearing Your commandments, they are not burdensome.

1 John 5:4 *“For whatever is born of God overcomes the world. And this is the victory that has overcome the world, our faith.”*

We thank you Lord, that we are born of God and because of that we overcome (*nike*) the world, the is the *world system*

1 John 5:5-9 *“<sup>5</sup> Who is he who overcomes the world, but he who believes that Jesus is the Son of God? <sup>6</sup> This is He who came by water and blood—Jesus Christ; not only by water, but by water and blood. And it is the Spirit who bears witness, because the Spirit is truth. <sup>7</sup> For there are three that bear witness [b]in heaven: the Father, the Word, and the Holy Spirit; and*

*these three are one. 8 And there are three that bear witness on earth: the Spirit, the water, and the blood; and these three agree as one. 9 If we receive the witness of men, the witness of God is greater; for this is the witness of [c]God which He has testified of His Son. 10 He who believes in the Son of God has the witness in himself"*

You have a witness inside you , you have a martyr inside of you .

Continues 1 John 5:10-15: *"10 He who does not believe God has made Him a liar, because he has not believed the testimony that God has given of His Son. 11 And this is the testimony: that God has given us eternal life, and this life is in His Son. 12 He who has the Son has [d]life; he who does not have the Son of God does not have life. 13 These things I have written to you who believe in the name of the Son of God, that you may know that you have eternal life, [e]and that you may continue to believe in the name of the Son of God. 14 Now this is the confidence that we have in Him, that if we ask anything according to His will, He hears us. 15 And if we know that He hears us, whatever we ask, we know that we have the petitions that we have asked of Him."*

Father we thank you that the testimony is not only in You but in me. I am a walking carrier of this testimony because I believe that Jesus is the Christ and He is born of God. I am part of testifying because of what I believe and because what I believe, this faith is going to overcome the systems of this world – the cosmos –

Prayed in tongues

We are bearing this witness and we are carrying the testimony. It sounds like a donkey that is carrying, like Issachar. In France the word is *"Porter"*, this where you get the words import, export. This is about carrying, it is about a door. If you are not carrying, you have no door. We have to carry Christ, the understanding of who He is, to have a door.

We are carrying Jesus and revelation in being opened, doors are being opened in the spirit realm.

Vision - As are praying the stepping stone is fully baked. There are black leather straps put around it to lift it out of the furnace and it being placed over the five vessels and the stepping stone is becoming a big a fountain with the five vessels underneath it.

Vision - There is an establishment of the foundation for the Lord to tabernacle with us. Some are taking hold of the horns of the altar, some holding the garments. Some holding on the reformation strings and mantle and pulling at it and crying for the Lord's presence.

Apostle Natasha explained that the past Sunday's message emphasized that we have to get back to the revivals and moves of God. It is like America lost the flow from this revivals.

We have got to get hold of why revival happened - *Brownsville Revival (also known as the Pensacola Outpouring)* happened why did Azusa street happened .They happened because some people grabbed hold of something.

We need to repent for not respecting those who came before us, their prayer life of the people who had revival because we are modern.

We need to grab hold of that which is good. We must grab hold of the thread of the garment of revival. Because we have modernized ourselves, thinking we no longer have to fast, repent, but we can "*Name it and claim it*", we are in false grace. As a result we have lost our inheritance however there are threads of it.

Repent for the lack of consecration, honor, and sanctification. We are selfish and self-centered, lukewarm, entitled. We repent for the entitlement and not honoring You God, we repent for treating you like a servant. We ask for forgiveness. Our ways are evil and wicked and we have left Your ways. We don't want to fast and pray because it's not convenient. We repent for preaching another Jesus.

We have left your ways, we are wicked and adopted the modern Gospel and we repent for watering down Your word and not preaching the word of God .

We repent for convenience and entitlement. We have lost the power. We are not walking in holiness and consecration as our fathers walked. We repent for the lack of holiness, lack of fasting and praying and seeking Your face. We have become a powerless church. We have establish programs and monuments and called them the presence of God.

We have taken the path of a modern church. Father, we desire to return the fire. We have left the pattern of the house. Forgive us and return us to your ways. We repent, forgive us. Lord we want to return to the pattern of the House.

We thank you Lord for every revival. Every revival is the grace of God. Every revival was the voice of God , the voice of the Father, Son and Holy Spirit to the earth. God was willing to carry us and bear us to that revival.

Not only are we carrying a witness. The word witness has to do with martyrs. We must be willing to die because of the witness you are carrying. A witness, can either put you in jail or free you.

God is witnessing to us and we are witnessing back to heaven. The Holy Spirit is going back and forth between earth and heaven. Every time we pray in tongues something is happening. We are filling up something.

We are releasing the witness of what we are carrying. There is a flow between earth and heaven. There is a symphony – heaven is releasing something and we are responding. We also release something and heaven responds. We are not in a monologue – then there is no response. In a dialogue - there is a response to what we are picking up from heaven. And when we have the conversation we are speaking with heaven from the earth.

Father, we are lifting up the church of the United State. We repent for our monologue and built big stages for a monologue, concert that are a monologue – we have been presenting a monologue.

We don't want one-way traffic. We must be in conversation with heaven. Like in tennis match. We don't want to hit on a wall or receive from a machine.

Lord, we want to know Jesus better so that our testimony is deeper. We repent for the lack of testimony. We want to make up for the lack.

We want to testify for the USA, with the great testimony with the 3 testifying in heaven - We want to be in the conversation with heaven according to Philippians 3:20 *"Our conversation is in heaven"*. As citizens we are voting with God.

Prayer in tongues

Vision – Saw The Holy Bible was torn and we are putting it back together again. There is weight being added to it. The zipper is being pulled together and it's pulling the pages to come together.

Apostle Natasha explains that because of how we have handled the Gospel, we have left out repentance and began to write our own bible and the bible was being torn. It needed travailing intercession to put the zip closed like a jacket.

Vision - Apostle is looking like an ox pulling the plow and as the plow is being pulled, the zipper is being pulled and the teeth are coming together. She is teaching people how to pull the plow, how to be an ox .

We want God's word in the Bible. We want the pages back securely in the Bible. We want "1 John 5" to work, the witness of the Father, Son and Holy Spirit. We want the witnesses on earth and witnesses in heaven. We want to keep the commandments, we are sorry for not doing this.

We repent for not receiving your word, we repent for our own vain imaginations and bringing our thoughts above the thoughts of God. We have not received the witness from heaven. We want to take Your word, we choose to be washed by the word and cleansed by the blood. Breathe over the USA. Breathe on the constitution and the Declaration of Independence. We choose to receive the word of God, the Old covenant and the New covenant. Burn everything that looks like the world.

We repent for idolatry and choosing the way of Balaam, going our own way.

Father, we give up perversion and we are receiving the witness and accusation of the enemy and we say we are guilty. We repent for removing some verses from the Bible. We receive everything. Forgive us for not receiving everything for our learning. We choose Jesus Christ. We receive 1 John 5.

We are laying down our lives and we are receiving Your breathe and washing of the water of Your word. We repent for not receiving everything for our learning. We receive the washing of the water. We receive that witness.

We exalt Your word. We receive who You are. We receive the 10 commandment, just like the Lord Jesus Christ . We are bringing it back in our families and schools, in your House of prayer for all nations. We repent for false prophesying.

Apostle revisited where we are, in 1 John 5 and we are coming into line with the record. We are on the earth as we must agree with heaven.

We come as Your children, and Your children keep Your commandments. We repent for arguing about the commandment. We come against everything that comes against your word and your standards. We want to be like your children who love your law.

We thank you Lord for Your word. We love Your name.

Thank you Lord that we stand in Your witness and we declare from there. We establish Your Lordship.

Apostle Natasha explained that you don't have to bind stuff if you have a witness and testimony. A lot of our spiritual war will be conquered if you knew how to testify, how to bear witness. Our testimony tells the demons that we are "*Mrs Jesus*" and they have to go. The spirit realm knows who we are.

Faith with will, overcome the world – will overturn and be victorious over – *Nike* ('nikeo' in Greek) counterpart Victoria – A female goddess over gladiators.

When you are an overcomer, you went into the colosseum and overcome, stood and fought over everything that was thrown at you.

We have overcome by the Blood of the lamb and the word of our testimony – we have made it as an overcome.

Apostle prayed an overcoming spirit over those who were on the call. You will testify as the gladiator testifies. We are going to keep standing regardless of what the enemy is throwing at us.

If God put me in the ring with an enemy He will not leave me there.

We come to align ourselves; we are coming to present ourselves as a witness on the earth. We are agreeing with the witness – three on earth and three in heaven . (John 17). Because You have overcome, we shall overcome. We are the one who are saying let your will and pleasure be established according to the witness in heaven and on earth .

Vision - The person that was blowing the trumpet, it looks like Hebrew word coming out of the trumpet. But everyone understood the words in their own language. There was an old man standing on a staff, who looks like a tree, his name is Reformation Revival, weeping and it raining. He is groaning and travailing. Angels are over America pushing out the dust.

Vision - Apostle handing over the pulley to the other bulls and as they pull, when they declare and decree they hit a rock but when they testify and speak the word they overturn the rocks, they are pulling and moving forward pulling the zipper closer . As the same time in the background, as we pray we are stirring up a mist and watering a tree where engrafting happened . More engrafting is happening as we pray. Some are starting to bud.

We need a revival of the reformation, because America has let go of the former revivals because of the lack of honor. This has landed us in a place where we cannot push anything.

We are declaring but not repenting. Rick Joyner is also having encounters with the Lord asking for repentance.

Apostle share an article by Amanda Shiflett – Prophetic Reformer from Facebook:

(<https://www.facebook.com/propheticreformer/posts/2776507465969960>)

There is a difference between a Prophet and Prophecy. Prophets carry something until it's done. Prophecy is about saying whole lot of stuff which doesn't mean that you are a prophet. Prophets hold the one thing properly and birth it properly.

We must birth something; we must start somewhere and finish somewhere. We just don't need revival but we need reformation coming together with revival. It does not help having people slain and falling over, we need something that will change society.

While we may have revival and falling over in Toronto and Brownsville, the enemy is reforming society by taking over media, entertainment, schools and government.

The church got bigger but the laws didn't change.

We need to get up and reform. We need to get the government right and municipalities working, we don't want to fall over, and we have to have something concrete. We are desperate for revival and reformation.

Lord we lay down our lives and Father we have to have revival reformation at the same time. We want the lost saved; we want systems change, Media, Justice System, Schooling system changed. Father we are asking for you to release it now. We need new stories and series. We need revival reformation.

Prayer in tongues

One of the things that Dr Heard prayed for was *"Don't give me this revival but give it to my children, my sons"*. He didn't just want the revival for himself but for it to go beyond him. We must be able to steward it right, because when we have it , it must change society.

Vision - There are knots in the tree that are being cut off and new trees are being grafted .

Vision - Seeing a platform for Reformation Revival, it's being lifted up and it's solid.

Thank you Lord that, our children and our children's children are going to have reformation revival. They will not just hear experience we had, but we are going to usher in a platform that is going to host – that will launch a reformation revival that will impact lives.

The reason why America has a constitution, that we are praying to hold, is because of the platform of revivals in England. We asking for mercy that the platform will not be washed out by the new world order.

We repent for being like the George Soros, we have mined the Bible for what we want and not about others. I have done things for me and not others.

Lord we are lifting up America, Intercessors and Ministers that they will cry and pray for reformation revival .

Americans agreed.

Vision - There is whole lot of mist around the tree.

Mist is about birthing. Because before God created the Spirit of God was hovering over the earth.

Vision - Rain is falling whole lot more and is mingle with his tears. The rain is falling over America.

Pray tongues that the rain soaks into every place.

Vision - More rain. Seer feeling compressed.

Apostle felt that we did what we could for tonight's prayer.

Zoom Prayer was sealed with communion.
