

## **Zoom Prayer Meeting – Tuesday – 17 November 2020**

Apostle Natasha greeted everyone coming onto the zoom call.

Apostle played Pastor Kent Christmas <https://youtu.be/BUc24lt9Nvg> November 16, 2020 as an excellent word of encouragement for those who are having trouble sleeping, feeling tied, depressed or carrying a heavy weight.

Prayed in tongues.

We bless Your name Lord and we thank you for allowing us to come today. We lift up the USA tonight. Thank you Father that the news is good. Things that have been hidden are being discovered. We are grateful that we are involved and can pray.

Delegate (Namibia) prayed. Oh heavenly Father thank you that we can come before You tonight lifting up every representative and nation on this call. We cover everyone in the blood of Jesus. We lay our lives before You spirit soul and body and we bring everything we are Lord God. Without You we are nothing. We ask Father God that as Your royal priesthood You would hear our voices. We lay everything down. We take everything captive, every vain imagination and we pull it down. We choose to take captive every single thought that is not centered on You Lord God. We want to lift every country before You especially America. We give You America and we lay her on Your altar. We lay our prays on Your Altar Lord God. We want nothing that is not of You. Holy Spirit lead us tonight. We lift up Apostle Natasha and all the seers. Lead and guide us, open our ears and eyes Lord God. May the seers see like never before Father. We want to hear Your voice and hear Your purposes. We submit every part of our brain. May the blood of Jesus speak against every principality, every power, every way of wickedness. We bow low tonight in the blood of Jesus Christ. Crucify our body soul and spirit Lord God. We agree with every accusation and we say yes Lord we are guilty. We ask Your forgiveness. Jesus Christ is Lord God almighty. He is the Lord of all, El Shaddai, Elohim, Lily of the valley, the bright morning star. You are the King of kings and the Lord of lords. Lord we ask that the seraphim will go forth into every nation and that the cherubim be released to show forth the glory of God. That Your presence will be among every one of us. We want to hear what You want to say. We come in unity as Your word says where there is unity You command a blessing.

Father we lift up Donald Trump before You Lord God and we cover him in the blood of Jesus. We humbly lay ourselves down and say have Your way in our lives. We want to bless Israel Lord God. You are holy and righteous and worthy to be thanked and praised. You are the Lion of the tribe of Judah, our Lord and savior and very soon coming King. Amen.

Apostle Natasha asked a delegate from Lesotho who is an Advocate to pray for America as the election results are now going through court process, through constitutional, state and federal lawyers. Pray for the people that now have to suddenly process all this.

Father thank you that You are such an awesome God. We are so blessed to have a Father like You. You are faithful Father in all situations. You are the creator of the heavens and earth. We bow before Your throne. If where we are is because of our sin, things that have happened to us... it's because You are a righteous Judge. It is because we have done it to

ourselves not because You are a bad God. Father we lift up America. You are our judge, have mercy and judge rightly in this case. We are praying for people that are going to testify. We pray for divine protection because they are testifying for the blood of Jesus, for what is right. Not only for this generation but for future generations. Father would You give the lawyers Your Godly wisdom. Jesus You are a senior advocate. Would You take control of them and speak through them. Let the judges be filled with Your fullness and let everything that they have to say be in accordance with Your plans in Heaven. As we are testifying about Your goodness Lord let Your will be done on earth as it is in heaven. We are standing with Your testimony for America and for the nations of the world. Remember America and what she has done for Israel. You are the God that never forgets. We thank you and give You all honor. Let the nations of the world testify that You are God. Let Your sound run forth. Thank you that You are faithful. You are the God whose Kingdom never ends. The King of kings. The Lord of lords. You are awesome. There is none like You in all the earth. We bless Your Holy name. Amen

Apostle Natasha prayed. God we lift up all the judges and lawyers, all the paperwork, the testimonies, the affidavits, the witnesses, all the information that is being gathered and everyone involved. Father we are asking that the blood of Jesus covers it all and Father we want to see the end from the beginning. It is about resetting America and her constitution. We want to agree with what You have written for this time. Father we know that everything in Law has to be tested in court and it's significant that the courts are involved in these elections. It's not about who wins but about the actual constitution, how it was written and its original intention. We are in agreement with what Jesus birthed as the destiny of America. What was birthed out of His side. Why He bled on the cross for this nation and all nations. Salvation is a gift to anyone who calls upon the name of the Lord. As Christians we repent where we have used and abused Your word, where we have taken all the benefits and not wanted the responsibilities. May it be notated that we are repenting as part of the Heavenly courts' evidence where we have taken things for granted. America has sent missionaries into the world. She has done great things for Israel. Father we are reminding You tonight to bless this nation. We are reminding You as the nations we have received missionaries, charity, loans, medicines, technology, trade agreements etc. But Father most of all we have received the preaching of the gospel of the Lord Jesus Christ. It's in our history and we thank you Father.

A vision is given of Donald Trump being fitted for a suit. The box he is standing on in the tailor's shop has Psalm 121 on it. The seer saw that the left shoulder for his jacket is not complete. However, the jacket on the right side is complete. The jacket is dark blue with a very thin pin strip. The stripe can only be seen at close range. His shirt is a very formal white one. The buttons were hidden underneath the shirt. The tie is a very shiny royal navy blue one that hangs all the way to his belt. His shoes are made of rough black unpolished leather that are still shining even though they are not polished. His pants are the same as his top - dark and neat. However, Donald Trump's left arm is exposed – You can see his white shirt. The cufflinks he's wearing are a golden coin with a golden eagle on it but the back of them are silver. The buckle of his belt is also silver. Yarn is hanging from the jacket down his arm and they are measuring the yarn to make the sleeve for the jacket. His left arm is massive like a body builder. The shirt, the jacket, the pants are all made of fine woven linen.

Apostle Natasha explained that linen is about the priesthood and blue is about royalty and the prophetic. It's also about the Holy spirit, the sky and gifting. He is dressed like a priest within his office. The white fine stripe in the suit is about drawing lines and boundaries, thus far no further. It's about accountants and economy. President Trump has changed the economy of America. His suit, formal white shirt and cufflinks speak of his priestly office and stewardship before the Lord except he has no left sleeve on his jacket. Left has to do with secret things and mysteries and what is being done in secret. His left arm is built like a body builder so it's really developed. He has developed some things in secret that are hidden and are playing out. He is very strong in this. He understands what his job is, the destiny of the United States of America and what he is supposed to do. His blue sleeve is being measured right now. Why now? Because it's a fight over America's destiny.

Delegate (France) prayed in French. Apostle translated. Thank you for the new mantel that is coming upon Donald Trump. We are praying for the anointing of the order of Melchizedek on him right now. Thank you for the anointing that You gave to Joshua. Thank you that You are making a new covenant with him. Thank you for giving him protection. Lord we are asking for a super natural peace on his life. Lord we are praying that he will fulfill that which You have portioned for him in the name of Jesus. Delegate felt that as he was praying the Judge is writing something in Donald Trump's book. Something is being activated. Thank you Lord that You are allowing us to read from his book. Lord we say that it's going to be released in Jesus name. Amen.

The seer saw the soles of Donald Trump's shoes are being highlighted. They were made of light colour wood almost white. The box that he is standing on is glowing. There is a lot of feathers which are making a circle around him, protecting him.

Delegate (Israel) explained that Psalm 121 is a very special psalm and was meant to become Israel's anthem. It is what people often pray in their daily prayers. People in the army pray this psalm. Delegate spoke Psalm 121 in Hebrew.

Psalm 121 A song of ascents.

1

I lift up my eyes to the hills-- where does my help come from?

2

My help comes from the LORD, the Maker of heaven and earth.

3

He will not let Your foot slip-- he who watches over You will not slumber;

4

indeed, he who watches over Israel will neither slumber nor sleep.

5

The LORD watches over You-- the LORD is Your shade at Your right hand;

6

the sun will not harm You by day, nor the moon by night.

7

The LORD will keep You from all harm-- he will watch over Your life;

8

the LORD will watch over Your coming and going both now and forevermore.

Apostle Natasha declared Psalm 121 over Donald Trump.

A delegate prayed. Oh Father God we lift up Donald Trump to the Heavens and to You. We dedicate this process to You. We are Your servants. You said where 2 or 3 are gathered there You are, so Father please hear our cry for the nations and for America. We look to You and we ask that You look down from Heaven and You hear us Father God. We thank you that You hear us and You can change the course. Thank you for everything that You have exposed and brought to light. That Your seed is incorruptible and what You declare will never return void. We thank you for Your help, that Heaven and earth will be in alignment and what You decreed will fall into shape. You are a righteous God, a righteous Judge. So we bring America and Donald Trump before You and thank you for everything that has been hidden and which will be exposed. Thank you that You are faithful. Amen.

We say to Donald Trump You will “lift up your eye to the Lord from where your help comes”. Yes, your help comes from the Lord who is the maker of Heaven and Earth. You will know it, you will feel it, you will experience it in the name of Jesus. God will not allow your foot to be moved.

He who keeps Israel shall not slumber or sleep. Father we want to declare that the keeper of Israel does not sleep. He notices everything and its being recorded and filed correctly in heavens courtroom which is perfect. Lord we pray what is happening in heaven will manifest on the earth. You keep Israel like a shepherd. Thank you that You are Donald Trump’s keeper and his shade. Thank you that there is a covering over his right hand, covering its executive power. Thank you God that all the decisions he is making, the conversations he’s having, the people he’s briefing are being protected by the shade of Your right hand. We say the sun shall not strike you by day nor the moon by night. Witches think they can curse Donald Trump. So many people want to curse him. This is the verse that shows this is not going to happen. Anything that is going on at night, all sacrifices, all witchcraft that is being planned under the moon and stars we say no in Jesus name. We say no to all planned assassination attempts of Donald Trump for it says the Lord shall preserve you from evil. All your going out and coming in, now and forevermore.

Prayed in tongues covering President Trump

Seer said when Apostle said “he shall lift up his eyes” wings started coming down and as they were flapping they released rings of fire that hit the ground and started burning the ground. The fire burnt towards him and when it hit the box it went out like a ripple effect into the world. The wings touched the ground forming a room. Feathers were all around him and the floor was burning and then a door opened up through the feathers and angels were coming in. He is still standing on the Psalm 121 box.

Apostle Natasha confirmed we are in Psalm 91 under the shadow of the wings of the Lord where His refuge and strength, protects me from the snare of the fowler. A fowler is someone who is wanting to catch your soul like a bird catcher. We are dealing with people who understand witchcraft and who will want to take your soul.

## Psalm 91

- <sup>1</sup> Whoever dwells in the shelter of the Most High  
will rest in the shadow of the Almighty.<sup>[a]</sup>
- <sup>2</sup> I will say of the LORD, "He is my refuge and my fortress,  
my God, in whom I trust."
- <sup>3</sup> Surely he will save you  
from the fowler's snare  
and from the deadly pestilence.
- <sup>4</sup> He will cover you with his feathers,  
and under his wings you will find refuge;  
his faithfulness will be your shield and rampart.
- <sup>5</sup> You will not fear the terror of night,  
nor the arrow that flies by day,  
<sup>6</sup> nor the pestilence that stalks in the darkness,  
nor the plague that destroys at midday.
- <sup>7</sup> A thousand may fall at your side,  
ten thousand at your right hand,  
but it will not come near you.
- <sup>8</sup> You will only observe with your eyes  
and see the punishment of the wicked.
- <sup>9</sup> If you say, "The LORD is my refuge,"  
and you make the Most High your dwelling,  
<sup>10</sup> no harm will overtake you,  
no disaster will come near your tent.
- <sup>11</sup> For he will command his angels concerning you  
to guard you in all your ways;  
<sup>12</sup> they will lift you up in their hands,  
so that you will not strike your foot against a stone.
- <sup>13</sup> You will tread on the lion and the cobra;  
you will trample the great lion and the serpent.
- <sup>14</sup> "Because he<sup>[b]</sup> loves me," says the LORD, "I will rescue him;  
I will protect him, for he acknowledges my name.
- <sup>15</sup> He will call on me, and I will answer him;  
I will be with him in trouble,  
I will deliver him and honor him.
- <sup>16</sup> With long life I will satisfy him  
and show him my salvation."

So Father we are here to make a decree that You are Donald Trump's refuge, his dwelling place, that no evil shall befall him and no plague shall come near him, for You will give Your angels charge over him to keep him in all his ways lest he dashes his foot against a stone and least he treads upon the Young lion and the serpent. You will deliver him and set him on high. He shall call upon You and You will answer him, You will be with him in trouble and give him long life and show him Your salvation, Your Yeshua.

Delegate (Israel) prayed. Father we thank you so much. It is hard for us to understand what President Trump is going through personally but I pray You would strengthen him and place him under the shadow of the Almighty. Father would You place him in the secret place. Protect him and may he utter these words “My refuge and my fortress, my God in whom I trust”. Thank you that You will save him from the snare of the fowler and from all pestilence. You have done it already Lord and saved him from this corona virus. You will save him from the snares that his enemies have put before him. Father cover him with Your wings that he will find refuge and Your truth shall be his shield and his protection. Thank you Lord that he will not be afraid of the terror by night nor the arrow nor the bullet that would fly by day. Thank you Lord that Your super natural protection is upon him. Thank you Lord God that no pestilence in the darkness or destruction that destroys in the noon day will harm him. Even if a 1000 fall at his side and 10 000 at his right hand he shall not be attacked. Thank you that destruction will not come near him. He will see with his eyes and behold he shall see the reward of the wicked. Lord I ask You that he would say these words, “Lord You are my refuge, You have made my soul Your habitation”. We pray no evil will befall him, nor shall any plague come near his dwelling for You Father will give Your angels charge over him to keep him in all his ways. They shall carry him up in their hands so that he will not dash his foot against the stone. Lord I pray that President Trump will tread on the lion and the adder, on the Young lion and the crocodile, on every demon, every demonic creature, every evil that has been unleashed against him. Lord I thank you that he will stand upon them, he will trample them because Lord You have given us the power and authority to step upon all evil forces. We thank you Lord for he has set his love upon You, therefore You will save him, You will set him on high because he knows Your name and You will answer him. You will be with him in trouble and yes there is a lot of trouble now especially with these media channels that have been mocking him and saying evil things about him but You will save him. Lord would You cause them to honour him and would You give President Trump long life and satisfy him and show him Your salvation. Amen

In Psalm 91 Your “salvation” is “Yeshua”. So Father we thank you that Jesus is becoming more and more real to Donald Trump. Thank you that the Most High is his dwelling place and his high tower. Thank you he is running into the presence of the Lord to be safe.

Delegate (Namibia) prayed. Father we thank you for Donald Trump. We come as nations and we speak Isaiah 54 .17 over our brother Donald Trump that no weapon formed against him shall prosper. Father every demonic tongue that is rising up against Donald Trump we say You shall not prosper. Every knee will bow low. We speak Isaiah 54.17 over the purposes and the destiny of America Lord God. We cover Donald Trump from head to toe with the blood of the Lamb. We cover every garment with the blood of Yeshua and we thank you that Your peace and righteousness will triumph over every opposition that has been raised up against him. Whether in word or deed. Thank you Father that You will unveil and expose every demonic activity that is coming forth. We roar against the enemy and speak the blood of Jesus against every principality and power that is coming against him. You will bow. The blood of Jesus has paid for the destiny of America. It has paid for every soul from every tongue and tribe in America. We come as nations, as witnesses Lord God. Our destinies are at stake. Donald Trump we speak to you and say arise and shine for the light has come and the glory of the Lord is in you and has risen against your enemies in Jesus name. Amen.

Delegate (Israel) said it's not been an easy time for everyone because we have so much media noise with all the lies. We have to pray for the people who dare to stand up and expose the truth. I sense that there are many that are under tremendous pressure and we cannot imagine what has been offered to them to silence them. That they will not take back their testimonies or be bullied out of what they have seen and know.

Seer's vision has moved and the angels coving Donald Trump with the feathers started singing Holy Holy over him. As they did they are blasting all the negative things off him. The room turned into a UV light and I saw a scarlet thread running through the material of his suit. The angels are trying to find the scarlet thread on the shoulder to start weaving with it.

Scarlet thread speaks about the purposes of the blood throughout the bible from beginning to end. Jesus is the Alpha and the Omega. His blood is speaking right now.

So Father we want to present the blood of Jesus speaking over this election, over Donald Trump, over America and the people that have to be witnesses. We are holding onto the scarlet thread and the history of the blood which speaks from Genesis to Revelation throughout the bible; every incident in Jesus name. Father we thank you for Donald Trump's blood line that is believed to go back to the revival in the Hebrides. Whatever that means we are in agreement and we say amen. We are holding onto the blood of Jesus, to the mercy seat, to the horn. We thank you Father that the altar began to make the sound of the blood. Right now we are speaking from every nation on this call for the witnesses, the people that need to come forward to give a testimony. Just like those witnesses in Revelation under the alter. They are saying "How long Oh Lord until You avenge our blood on those that live on the Earth." So Father we say that we did not come to this point in History to lose because there is the sound of the blood from Genesis through every book of the Bible, every person who stood as a witness for the name of Jesus. Father many people gave their lives because they had a Bible, wrote or translated a Bible. Father remember the Rabbis that died in pogroms holding those scrolls. We are bringing to Your remembrance every witness, every martyr, everyone that spoke for the blood of Your Son in Jesus name.

Delegate (Israel) prayed. Lord we lift up Donald Trump's legal team. They are working day and night. I pray that You would give them supernatural wisdom so that they would know which testimonies and witnesses to use. Lord that You would give them key people. I lift up all of them that have seen and testified to this fraud. Those that know about the Dominion machines and software. I pray that even among those people, some would flip. I pray that You would turn their hearts Lord. Even those that know and are so well buried in their story that You would raise them up and they would not be silent. They would testify about these faulty machines and the tricks against Donald Trump and the Republicans during these elections. Lord I pray that all of this will come out. Even people who shouldn't have won their elections but did because of these machines. Lord I pray that there will be whistle blowers like Ed Snowden. We call forth the whistle blowers. Even the ones that operated these machines so they would expose this evil scheme. Amen.

Apostle Natasha asked all the nations on the call to agree because the American elections affect every nation, not just America. Lord let it be registered in Heaven that the nations have also come to vote and agree.

Europe was asked to repent because of their involvement in the American elections through the power play with George Soros, Lord Mark Malloch-Brown, the EU, the UN, the Dominion/Skittle voting machines etc.

Delegate (Croatia) prayed in Croatian. Apostle Natasha translated. Lord we worship You. I'm placing my life on Your altar. I repent for my nation; we did what we wanted to do. We have sinned against You. Every place that we were hiding things under the carpet, behind our backs. We sold out our nation for money, it was all about what we could get out of it. Father we repent. We want to turn back to You, myself, my nation, the Balkans, Europe we want to come back to You. Amen.

Delegate (UK) prayed. Father Your word talks of trickery of the hands. Father I'm here to say that the UK and in particular Lord Mark Malloch-Brown is guilty of trickery of the hands. I repent where we have manipulated things. Father we are guilty. We have done this as a nation. People of this nation have planned and strategized on how to use trickery. Father we ask that the blood of Jesus blot out this sin. May Your blood wipe every slate clean. Cleanse our iniquity, our transgression and every strategy pending for more trickery of the hands. Father would the blood of Jesus blot out any secondary and tertiary plans still to be executed. We ask that they be destroyed, lost and thwarted in the name of Jesus.

Father God we are praying that if these people want to be part of the Illuminati that they will reap what they have sown. Where they have sown confusion would it be uncovered so people can see what has been done. Smartmatic is the voting machine company that has worked over 3000 elections and they are connected to Dominion and Skittle.

Father we thank you that the heads of Your enemies are about to roll. They don't care what happens to ordinary people. They think they have the right to decide who wins elections and who will be president. Father thank you that it's not just about America but it's about pulling the carpet out from under these powerful people. The dominos are about to fall for a lot of nations. Father may Donald Trump come through as the first one to be saved from this corruption, so that other nations can say what about our elections. Who did we really choose? Father we are asking for a global reset and a harvest globally of souls. We are all being put into lock down because of these people. Thank you that things are being overturned in Jesus name. All people standing with Biden don't want this thing to go further because they don't want people to see behind the scenes. Father thank you that this exposure will keep going and not stop until it's dealt with in the name of Jesus.

Congress put out a letter saying there is no such office as President Elect but many counties, SA included, are ignoring it. Biden is making plans and meeting people even though there is no new president until the inauguration next year. Father thank you that we are not going to allow it. That this is being uncovered, for France too.

Delegate (France) prayed in French

He lifted up France before God's throne and presented France under the blood of the Lamb. He agreed that what God has written in heaven will manifest on earth for France. He prayed a blessing over Israel. He prayed that the blood of the Lamb on the altar of France would speak. He asked for protection over the whole nation.

French delegate feels there is a battle of the blood over the altar. The blood of Donald Trump has been reclaimed for Jesus. That blood has been reclaimed from strange altars. There is a fight for the establishment of the glory of God, for the Kingdom of Heaven on France because the land is crying out because of various blood on the various altars that are battling each other. On the ground is a memory of the blood that was shed and that memory is crying out before the Lord. God is waiting for His worshippers to come and present themselves for service. It's time for a new kind of worship in America. He prayed that the worshippers would arise and do what they need to do. The worshippers need to come and decree and serve in a way that heaven needs to be served. He prayed that ears would be opened to the sound of heaven. He prayed that Jesus blood would speak very loudly and break cycles of generational curses. It's time for a new kind of worship to be established in America. There is a sound to liberate all the worshippers that will release a sound of worship for America. Stand up all the priests of God, all the worshippers. It's the season to bring new worship, a new declaration.

All the Americans on the call agreed that there will be a new sound of worship that will break through the cycles of curses in Jesus name.

The seer said that as the European nations were praying pieces of a chair were brought in but there is still a part of the chair missing. Angels came and washed the old blood off the chair. As we prayed now angels put the chair back together. They were singing Holy and reprogramming the chair's false sound. The whole chair is complete and not dirty but the base that you sit on is not there. Donald Trump is growing weary and needs to sit down but he can't.

Delegate (Hungry) explained that George Soros was originally Hungarian so as a Hungarian I want to repent. I come before You Father and want to repent for all the damage Soros has done. He is building up the new world order and I repent for Hungary that someone like this has made so much damage. I repent for all of this in Jesus name. Lord forgive us. As a Hungarian I say that Hungry and Europe say no to Soros and his agenda. We repent that we have agreed with his agenda because of the money and because we want more freedom and liberalism. I pray that Europe turns away from him and his mission and agenda and I ask that You really forgive us. Even the countries that are already congratulating Biden. Thank you Lord that You are turning Europe back to You and as a Hungarian I say yes to Trump. Amen.

Apostle asked delegate to bless Donald Trump in Hungarian, to bless Israel and to say that all the altars in Hungry will not speak with Soros because you are not in agreement. Speak for the Ecclesia of Hungry.

Delegate prayed in Hungarian.

Apostle Natasha declared that George Soros will hear what was spoken in his own language. We want to declare that there are no altars supporting you from the church of Hungry in the name of Jesus. We are in agreement as the Ecclesia in Europe. We are not supporting you. We are not behind you. We are not voting with you. You are not going to succeed in forwarding the UN agenda. It's not happening in Jesus name. Father thank you that no one has ever prayed like this over George Soros. This election is a good excuse to do this.

Seer carried on with his vision. As we were praying the base of Donald Trump's seat came in but it was covered in animal skin which was inside out and the flesh was still alive. As they were praying now the skin was pulled off and the bare wood remained and it was fitted back into the chair but there is no covering on it.

Apostle Natasha said it might not be comfortable but at least Donald Trump can sit.

She then asked a delegate from America to receive what Europe had prayed.

Father I thank you as America and we receive what has been spoken over her. We thank you Father that President Trump will sit in the authority You have granted him and that every hidden thing that has been revealed will now be judged by You. We also thank you Father that as America we stand with You from every city and every state. Father we declare that we belong to You and we want what You want not only for the America but for every nation. Father would You uncover and unravel everything that's hidden, everything that's been done in secret. Every lie, every whisper would it be uncovered and revealed on national news from coast to coast from north to south. We thank you Father that as Apostle said Donald Trump can now sit. It may be uncomfortable but we thank you Father that You have got the angels encamped about him. That he would be able to do his job unhindered and that there will be another seat that will be opened in the supreme court. That he would be able to push through even more of Your laws. God we thank you for what You are doing, for the intercessors that are praying for America. Father thank you for this appointed time. We thank you father that we will see the manifestation of the changes that are coming. Thank you for resetting and realigning things so that it might be a place of rest for You.

Apostle Natasha asked all African nations to agree that Donald Trump will take his seat as President. SA Lesotho Namibia Zimbabwe Kenya Ghana all voiced their agreement and welcomed Donald as President.

NZ agreed and welcomed him as President of America. Father we want to repent for the part we have played in humiliating him.

Vision - angels are coming in with feathers and as they are putting the feathers down on the chair there is another group of angels coming in with a white pillow with golden tassels on each corner and they put that on the chair. As Donald Trump sat down angels moved in and found the red scarlet thread and they are working on his sleeve. One angel handles the yarn and another something else but they are meticulously weaving the sleeve. Other angels are ministering over him waving a palm leaf which has Psalm 51 on it.

Everyone read Psalm 51 together.

## Psalm 51

- <sup>1</sup> Have mercy on me, O God,  
according to Your unfailing love;  
according to Your great compassion  
blot out my transgressions.
- <sup>2</sup> Wash away all my iniquity  
and cleanse me from my sin.
- <sup>3</sup> For I know my transgressions,  
and my sin is always before me.
- <sup>4</sup> Against You, You only, have I sinned  
and done what is evil in Your sight;  
so You are right in Your verdict  
and justified when You judge.
- <sup>5</sup> Surely I was sinful at birth,  
sinful from the time my mother conceived me.
- <sup>6</sup> Yet You desired faithfulness even in the womb;  
You taught me wisdom in that secret place.
- <sup>7</sup> Cleanse me with hyssop, and I will be clean;  
wash me, and I will be whiter than snow.
- <sup>8</sup> Let me hear joy and gladness;  
let the bones You have crushed rejoice.
- <sup>9</sup> Hide Your face from my sins  
and blot out all my iniquity.
- <sup>10</sup> Create in me a pure heart, O God,  
and renew a steadfast spirit within me.
- <sup>11</sup> Do not cast me from Your presence  
or take Your Holy Spirit from me.
- <sup>12</sup> Restore to me the joy of Your salvation  
and grant me a willing spirit, to sustain me.
- <sup>13</sup> Then I will teach transgressors Your ways,  
so that sinners will turn back to You.
- <sup>14</sup> Deliver me from the guilt of bloodshed, O God,  
You who are God my Saviour,  
and my tongue will sing of Your righteousness.
- <sup>15</sup> Open my lips, Lord,  
and my mouth will declare Your praise.
- <sup>16</sup> You do not delight in sacrifice, or I would bring it;  
You do not take pleasure in burnt offerings.
- <sup>17</sup> My sacrifice, O God, is <sup>[b]</sup> a broken spirit;  
a broken and contrite heart  
You, God, will not despise.
- <sup>18</sup> May it please You to prosper Zion,  
to build up the walls of Jerusalem.
- <sup>19</sup> Then You will delight in the sacrifices of the righteous,

in burnt offerings offered whole;  
then bulls will be offered on Your altar.

Father I want to thank you that this will become Donald Trump's prayer.

Apostle Natasha explained that there were 70 bulls offered on the altar for the nations by Israel every year at the Feast of Tabernacles. Father thank you that our salvation has come from the Jewish people. Father thank you that salvation has come to the nations. Thank you that psalm 51 is going to become the prayer of Donald Trump. Amen

Seer said as we read Ps 51 I saw angels came to his shoes and started crying and buffing the leather so the shoes are not rough anymore.

Delegate (Israel) prayed Psalm 51 in Hebrew

Father we pray that Your spirit will be upon Donald Trump. That You would not take away Your Spirit from him. Father You have created in him a new heart because he has become a new creation. I pray You would renew his spirit. Father return to us the joy of Your salvation and may You sustain us. Father open our mouths that we may sing Your praises. Amen.

Father we want to see the bulls back on the altar, Your priesthood back and all the nations included in the name of Jesus. We thank you for that Father.

Seer said the sleeve is complete and Donald Trump stood up on Psalm 121. It became part of his feet. The soles absorbed it and it came bronze. As he walked out I saw he has a stature upon him that I haven't seen before. The angel of America is behind him and carrying the American flag in his arms like a butler. The surrounding of wings is following Donald Trump and is enclosing him the whole time.

Thank you Father that all the pieces are in place. I think we did a good job! Thank you Father.

Had communion.
