

## Zoom Prayer Meeting - Friday - 04 December 2020

---

*(All Delegates are reminded to pray the Covering and Sealing Prayer prior the Prayer Assembly and afterwards, a summarised version is available on the Event Link and in more detail in the Repentance Book – Restoring your Generational bloodline by Apostle Natasha Grbich)*

---

Apostle Natasha Grbich welcomed group of new participants and all other participants joining from various nations to pray with The United States of America.

Delegates from U.S.A. gave feedback that there is uncertainty, and many are unbelieving and others are believing still for the miracle. *“We are still in the fight”*. There was Prayer gathering with Lance Wallnau and General Flynn and others. They are presenting evidence. Georgia the governor agreed to go through (review) votes, of the election, again.

Apostle Natasha opened in prayer and asked everyone to start praying in tongues.

We want to lift up the Name of the Lord, and pray that Your Kingdom come and Your Will be done. We are here to pray what You want us to pray.

Vision - as we started tonight. I saw the feet of a dove flying over us, and Dove made a turn in front of us (there is a high mountain in background) and as Dove came over us again he split us in two groups and he had olive leaf in his beak calling us to the river. Scripture I got was Joshua 3:8

Joshua 3:8 *“And thou shalt command the priests that bear the ark of the covenant, saying, When ye are come to the brink of the water of Jordan, ye shall stand still in Jordan.”*

Apostle Natasha explained that this is about Jordan and Joshua, standing in the river to let the priests cross and stand still at the brink. Joshua refers to Jesus. Jordan speaks about going down, laying down your life, going into a new season, into the Promise land, transition and new nation.

Yes, Lord we will carry the Ark (What God is wanting to do, His Presence).

There is a division of left and right and we are called to cross over. The word here in this scripture of Priests are *‘Cohen’*: so we are dealing with Priests not the Levites, Aaron and his family, the Melchizedek order.

At the brink of the water we are standing still. Why? We are speaking / declaration to principalities and powers that we are standing and waiting for the rest to cross over. Let us pray.

We are calling people to Cross. This is a place of holding for others to catch up and that they cross over. Many People will be left behind, especially how with how the prophetic have dealt with this situation with Trump or not dealt with it.

Father, in the Name of Jesus, we are stepping into this river of the Presence of the Lord and we want to hold it, and wait until You tell us to move and call them who are at risk to miss it that they must move and cross over will cross over out of the wilderness.

Let us Pray and call them to come – Pray in Tongues.

Vision - as we praying, I see the dove coming down from the mountain, and when I look back I see sandy / rocky place behind us. Many people sitting by a cave with rock in front of it, it seem to be the grave of Moses and people are mourning and dove is calling them to move away from the grave. The ground on the horizon seem to be burning coming our way.

There is a scripture where God tells Joshua to stop grieving for Moses, we have people disappointed, people are throwing in the towel and people angry at the church and others are hiding and they don't know how to stand and fight. People are not going to transition in time as they are worshipping an old Move.

Kent Christmas was saying do not let that spirit of Jezebel keep you in a place that you want to go hide in a cave - you have to stand now! ([https://fb.watch/24gnrHF8\\_i/](https://fb.watch/24gnrHF8_i/))

Delegate from USA was requested to repent into this, people are over reacting and having fit that their prophecy did not happen and they don't know how to stand and Fight:

Father, we repent for bringing what we wanted, what we willed out of a soulish place (soulish expectations) and not seeing what You want us to see. We repent for listening to my perverted heart for choosing my soulish- entitled, my own will, my desires instead of what You were saying. Father, forgive me for bringing strange fires to the altars, for saying You said, but You did not say. We repent for being like Balaam prophesying for money and bringing the will of man into this arena and not Your Holy Spirit. We repent for witchcraft in the church, for saying things that is not You, for allowing Jezebel and Ahab and participating. We ask forgiveness for not speaking Your Truth. We repent for following the path of Balaam. We repent for walking away from Your Precepts and laws – what You said is Life and us making covenants with death instead. Forgive us for leaving You and worshipping other gods, idols in high places. We repent for idolatry. We divorce the spirit of witchcraft, in Jesus Name, we repent for the witchcraft in my generation. Forgive us for our selfishness in the Church, lack of the Fear of the Lord and our lack of honour. We repent for our impure intercession that was not made from pure heart and clean hands. Forgive us Father for this falsehood. We return back to You and walking in Your Ways. Cleanse us with Your Blood. In Jesus Name, Amen.

The Priests are standing in the water, and some people are not going to transition in time...

People are not going to transition in time as they are worshipping an old Move. Some having voices (leaders) yesterday, won't have voices tomorrow because they couldn't hear in this time. Things people got away with before in saying the Lord is saying, they will not get away with tomorrow.

Father God we just want to say Moses is dead, the Old is OVER, whatever we felt comfortable with yesterday we lay it down, the voices we were listening to yesterday. We just want to lay down our lives here tonight and we are willing to pay the price to come into the place where You want us to pray for America.

WE HAVE TO KEEP GOING FORWARD.

Father I want to pray specifically for the Americans on this call to go forward.

During our Wednesday, 02 December 2020 service, Apostle Natasha was teaching and sharing in the sufferings of Jesus, and then Kent Christmas was releasing a word on the same day preaching the same message in principle more or less, **that there have to be a time where you have to go through the fire**, there is a price we must pay too. That we must press through. It is the fire that brings the rain. (<https://fb.watch/2fc54XoNDn/>)

2 Timothy 2:12 *"If we suffer, we shall also reign with him: if we deny him, he also will deny us."*

Father, we lay down our lives, spirit, soul, and body, we are standing in the water so that America can cross over.

Joshua 3:8 *"And thou shalt command the priests that bear the ark of the covenant, saying, When ye are come to the brink of the water of Jordan, ye shall stand still in Jordan."*

We are the priests we are holding up the presence of God now - pray in tongues.

Father, whilst we can, we ask for Mercy for those who have been presumptuous. Father, we want to come and repent for Presumption and assumption.

Father, we repent for being a presumptuous one believing we know everything, and telling them to rejoice instead of to repent, for telling what they want to hear. Causing people to be led astray and people putting me on a pedestal. I repent for making people believe, like I believe and not what You want us to believe. We ask Father, that you would forgive me and allow me to speak the words I was supposed to speak but didn't. We repent for the leaders using people for self-enrichment, we repent for people who assumed Your word but did not spend the time to hear You and from You. We have prophets running around looking for excuses and how to make comebacks, we ask Father, Heal the people who were led astray.

Vision - some of the people look like olive trees, and some dead from roots up but have one small branch that is green, dove came and take off the green branch and took to the mountain. Dead parts were burned to ash. I now see there are children, the dove is leading the children over the river under his wings.

Everything of old doctrine, yesterday, and **dead things are not crossing over**. Some of you need to let go of the past-, things and people.

Delegate from Croatia, shared she had a vision as well that there is 2 teams and 1 team is in river and other team pushing stones some are round and others are cube shaped.

There is a place further in Joshua where they were to pick up stones out of the river, to build an altar / a Memorial. (See Joshua 4)

Thank you Father, for them that we can stand, the other team need to bring the stones for a Memorial and it is to say Thus Far the Lord brought us. Father we thank You, that we can bring the stones, and we Thank You for the Corner Stone and Your Plan for the Church and what You want to build.

**God want to build on the other side of this River.** We are in agreement.

Vision - as some of this trees crumbles, a whole congregation were led off out of it. The big stature these people had, they will lose it and will have to grow from the small green branch again.

Apostle Natasha explains that she believes much of the voices will lose its stature that will have to start over.

*Joshua chapter 4 :4-6*

*Twelve Stones from the Jordan*

*"...So Joshua summoned the twelve men he had appointed from the Israelites, one from each tribe, and said to them, "Cross over before the ark of the LORD your God into the middle of the Jordan. Each of you is to take a stone upon his shoulder, according to the number of the tribes of Israel, to serve as a sign among you."*

We need to understand that everyone on this call who prayed from before Rosh Hashanah and 40 days fasting and even before, during our intercessions, God is going allow us to build a memorial. The Jordan - There is something about being cut off, leaving something behind and then a memorial.

**We have to make up our mind, we are not going back** and thinking we are going back. We are at **Watershed moment**. Its saying, what is being described in Joshua 3 and 4, water pulled back and being shed. What is past is- passed and finished.

Father, we just want to declare this is a watershed moment and we thank You that You are teaching us how to cross. What is green are crossing and what is dead are not.

Vision - see women and children running ahead to crossing the river, and now men are coming running away from the fire to the river.

Apostle explained that we are seeing those who are trying to preserve and hold on what they use to have (mainly men), but Children and women are running to the river.

Man Delegate from Namibia repented for not moving forward on the Lead of the Holy Spirit: As a Man and Priest we repent where we as 5-fold ministry where we have built altars we want to live in, and our hands and feet are dirty. Wash us Lord. We lay down everything that is holding us back. We allow ourselves to be caught up in platforms. Wash us God. Everything where we bought into the lies and soiled/defiled our garments— Forgive us GOD. We were supposed to show the way, but we didn't. We willingly come to Your altar laying down everything that is perverted in us. Forgive us for camping at the grave of Moses. Hear our prayer Lord, especially in the USA now, and we say forgive us for buying into the money brackets, we choose to repent. Please break off everything that does not want to roll / cross over. We look towards You Lord God and Holy Spirit. Forgive us Holy Spirit for grieving You, and a men not wanting to be moved by You. Forgive us Lord, wash us Lord. We come and receive the Blood of Jesus. We raise our hands and say forgive us Lord, wash us with the Blood of Jesus. We will move and built what you want us to build. Thank You for your Mercy God. In the Name of Yeshua, Amen.

All the Men in the assembly spoke and saying they are in agreement with this Prayer. Amen.

Vision - As Namibia delegate was praying some men got angry and walked back and their feet got stuck in the stones. The other men who bowed and repented, were picked up and swooped over the river, and are sitting at the other side of the river but are naked, their clothes were stripped.

South African Male delegate – prayed into this.

Father, forgive us for not renewing our wineskin and not trusting You daily. Father, we cry out to You to clothe us with the Lord Jesus Christ and with garments of Praise. Lord we have not gone this way before, please give us the grace and strength to follow with strength and obedience that we don't look back like Lot.

*Revelation 3 : 17-18 "You say, 'I am rich; I have grown wealthy and need nothing. But you do not realize that you are wretched, pitiful, poor, blind, and naked. I counsel you to buy from Me gold refined by fire so that you may become rich, white garments so that you may be clothed and your shameful nakedness not exposed, and salve to anoint your eyes so that you may see....'"*

South African Male Delegate prayed into this - Thank You Father for stripping us of that that is not pleasing to You, and Purging us and Pruning what does not bear fruit. You want us to be fruit bearing, Your sons you're crossing over. Thank You that You are faithful and You alone are GOD. We submit ourselves to You. Your will be done in our lives, businesses, communities and Nations. Let God arise and Your enemies be scattered. We pray for Men around the world, we commit them all to You Father GOD to strip us of every dead thing, jealousy, envy, divination and I speak to every man to Rise up to your Call.

The vision revealed they have been already stripped.

*Rev 3:18 "I counsel you to buy from Me gold refined by fire so that you may become rich, white garments so that you may be clothed and your shameful nakedness not exposed, and salve to anoint your eyes so that you may see...."*

Apostle explained that white garment is something that is Cleansed. She requested more men to pray into this to attain the white garments.

Delegate from North Africa prayed into this to attain white garments:

Father, we receive Your commendation and ask that you will give us the raiment of Righteousness and Holiness. We choose Your Righteousness, Your Holiness and what is not of You we reject it- we reject the filthiness and what is in the world. We receive Your Counsel and we receive the White Garments.

Vision - Tongue of fire falling over the men crying on their knees. And when some men stand up the wings of the Dove is covering them, others still crying.

More Men Delegates requested to pray for the Men:

Father, we want to repent for us looking in the worldly way that we think we are self-sufficient and full of pride that we thought we need nothing. Forgive us Lord, as in Your word it is written we are actually wretched and naked. We agree for the stripping, and cleansing Abba Father. I repent for pushing You aside and not depending on You. Please Father we take on Your Garment, Cleanse us and clothe us.

Father we ask for compassion and mercy for men as they have to do much and we repent for men for presumption in planning the way we plan.

Male Delegate prayed:

Father, we always have a plan and ponder on our plans. Father, I ask for Your Fire to burn on my plans, especially where my plan is all about my own kingdom, my image to the world and my influence and my number of contacts. Father, I give up my idolatry image, the only image I want is Jesus Christ. We didn't want to identify with Jesus's pain, because then we had to cry and we don't want to do it – we Repent for it Father. Father, burn the hardened skin off me that I can be a broken vessel before You to pray and cry with You Father. If You teach me, only then I can ask to be clothed and look like You and only then I can buy from You gold and white garments. I ask for Your Fire to cleanse my DNA and wash my DNA with the Blood of Jesus, that we can be One. One in the spirit and also in flesh, in the Name of Jesus.

More Male Delegates prayed for the Men:

We know Father that we mostly seek our will and not Your will for my wife, for our lives, our communities, the Church, the Nations – we repent and ask for Your forgiveness. Help us to depend on You and ask for Your will. Tonight we stand before You asking for forgiveness and help. Thank You Holy Spirit for being there, Help us to listen to You.

Vision - as we now pray, we see other men stand up being clothed in the wings of the dove. Seeing the mothers and children running back into the father arms. The Order is now Correct.

Apostle explained that God is resetting Family Order.

Example of dove wings is when Jesus were baptized the Dove came from Heaven, and Father declaring This is my Son.

The enemy have used this time but God is also using this time, and I believe God is going to do something.

Vision - Some families don't have fathers but Wings cover them too and Holy Spirit standing in for the father figures. The Procession in river is moving. There are some families that refuse to move, and river is closing. On the other side it's like a 1/3<sup>rd</sup> who made it (to the other side).

Father, we agree with You - its about Your dream and glory not ours. There are some end-time battles waiting and we cannot enter into it our way, we are aligning ourselves with You. It is going to you're your Way. We are aligning ourselves to You God. Thank You Father for allowing us to come with You on this journey. We agree with God's plan, we agree that we will not be stubborn and we will call everyone who can possibly come with us, will come that we can to cross over as we are still in this transition.

Pray in Tongues.

**We are choosing to be in agreement and alignment with GOD.**

Vision - All I'm seeing now, the wings covering the people and the wings are like on fire and everyone is facing the Mountain and on the Mountains is a pillar of smoke.

Apostle explains that the mountain is all about meeting with God.

We agree we will go up Father, we will go where You marked our path. Thank You Father for our Wilderness experience, and teaching us, and that- that time is over. We are going into the Promised Land.

It is also written where God also say you have been traveling around this mountain country long enough. Turn northward.

Meeting closure proceedings commenced.

American delegates were requested what is on their hearts. Summary of most of the commentary from the U.S.A. delegates after tonight's prayer meeting:

Reports of thankfulness for God dealing with the Families, and felt much brokenness when men was praying for the men. The captives that were set free in the revelation, we believe the country will be set free. We have so much to conquer and the conquering is in Jesus Christ. We cannot sit down, and we cannot back down, we must go forward. There is no going back to business as usual.

Deeply moved when men were praying, its not something we hear often here in America, I'm praying for the men here in America and trusting GOD that we will move forward with what GOD wants.

Loved the prayers of the men, historically the men did not attend the prayer meetings but it is now changing and men are returning to their places. Loved the Picture of the wings of the Dove wrapping the father, mother and children.

What was prayed tonight is an answer to prayer. Very Grateful for hearing the brothers praying and worship GOD in tonight's intercession. The men blew it out of the water tonight with their prayers, and the vision of the Jordan – I also saw men running to the river. I was asking God to strengthen our Gates, the gates that are righteous in America. Asking God to strengthen righteous legislature and families.

Delegate from U.S.A. prayed we want You God to reign as the King of Glory. We don't want our idolatrous altars anymore, we are asking You God to tare the evil altars down. We only want YOU

GOD. We want men to be men, women to be women and children to be children according to Your Will. Father we ask Flush our Churches, our Homes, our Cities and our Government. Only You can deliver us. Father we ask You to cut down the dragon that is raging in the USA. Amen.

When you spoke about light, it's the enemy of vandals and darkness, and I found out this year there will be a Christmas star in the sky and the last time it happened was 800 years ago, and there is proof that the Bethlehem star is real as on the birth of Christ and it is here December 2020 and are excited for what God is going to do.

USA delegate also presented heart rendering repentance in her commentary, and repented that she haven't given her husband a place of honour to be that man God wants, I believe I had a Jezebel spirit that hindered my husband to take that place because I didn't give him that place – I want to repent for the jezebel spirit, Lord I am guilty for not seeing my husband as You see him, for not letting him lead and not even giving an atmosphere and platform for him. I want to divorce the jezebel spirit, and relinquish all agreements I made with Jezebel that I decided that I will be the leader in the house. I repent Lord. I repent for not being in agreement with You over Your Will for him. I lay down my life to You God and divorce jezebel, asking You Father to realign us according to Your will. Amen.

I was also deeply moved by the prayers by the men. I was listening to a Rabbi who spoke what God showed him and he was speaking about the Marriage covenant that is holy covenants, trusting GOD as we honour what He honours He will move in our families. It thrills me to see- and hear men travailing before God as in tonight's Prayer meeting as Men have such a special place before God. We are pressing in and on, we are not giving up.

'Antifa' / communism movement / 'black lives matter' statements are against the Family Structure and states a family is not a man and a woman. So what we were praying tonight is Part of the Fight.

Lowest form of Government is the family and if God can have that, He can have the rest.

Partake in Communion:

Delegate from Israel (Jerusalem) prayed over Communion and prayed over the bread and fruit of the vine.

**It's about a new season**, a new time, and with Jordan there is a place where the waters close and crossing have stopped. Its more about the Church than anything else.

Closing of Prayer Meeting.
