MARK THIS DAY!

† APOSTLE NATASHA VERMAAK

"I call you to raise up the wall of fire for the continental apostles. Yes, what you have done shall continue, for you did it in the secret place. It just now grows in its impact and it grows in its placement. The work of prophetic intercession continues but now there will be label changes for I now call and decree that it will now be called "kingdom intercession."

For I give a stewardship of kingdom intercession for a continent and I will surround you and I will surround the lion gate with a wall of fire... Mark this day, mark this day, mark this day, mark this day - A day when kingdom intercession is born."

(excerpt from prophetic word by James Goll on 30 April 2006.)

This prophetic word was given on the last day of the convention, 30 April 2006. 30 is the number that signifies entry into the Levitical priesthood. Before this word was given, we had an incredible prophetic act ...

We had a dedication of the first born son of Seth and Sharron Stutzer. Some of you may remember when this couple had their marriage blessed by David Demian at our 2001 convention - *The Voice of the Bride*.

They have now given birth to a miracle child. In 2004 Seth was diagnosed with testicular cancer and the doctors told him that he would have to undergo surgery which would mean he would not be able to ever have children. But the Lord had given him a dream of his son and daughters that would be born to him so he refused to undergo the treatment. He stood in faith and around our 2005 convention - *Forever, O Lord your Word is settled in Heaven*, - Sharron fell pregnant.

In January 2006, Abijah Melech Stutzer was born. He was 3 months old at his dedication on 30 April 2006. This baby is a prophetic sign to us as a ministry.

Abijah means "Jehovah is your Father". For the first time we had all of the spiritual fathers of Ariel Gate together at the convention. They all

prayed over and blessed the house of Ariel Gate.

Melech means "King." In his prophetic word after the dedication, James Goll prophesied that kingdom intercession had been born.

In the dedication service, Apostle Natasha prayed out of Isaiah 54:1 that Africa would no longer be barren, but a fruitful continent. Both Bishop Richard Heard and James Goll prophesied that Ariel Gate would impact all 54 nations of Africa.

We truly feel that the house of Ariel Gate, which first became flesh in 2005 when we introduced it at our convention (the same time that Sharron fell pregnant), has now been dedicated and set apart to the Lord. The fathers have blessed it, called it by name and prophesied its destiny!

30 April 2006 - Mark this day, mark this day, mark this day, mark this day - A day when kingdom intercession is born.

We have included as many of the prayers and prophetic words as possible in this newsletter. We are busy producing a DVD on the story of the House of Ariel Gate which will include the complete prophetic words. WATCH THIS SPACE!!

PROPHETIC WORDS

TUDOR BISMARK

25 April 2006

Heavenly Father, I now release apostolically in this house, a Jabez anointing for an increased capacity. We loose it in Jesus name.

We loose a Jephta spirit to enlarge us, to increase our capacity to receive. We release in this house a Hannah anointing to increase our capacity to hold a Samuel. We loose in this house by the name of

Jesus the power and the force of an Abigail anointing to increase our capacity. We loose by the power of the Spirit the anointing of Deuteronomy 28 to enlarge our capacity to walk in blessing. Father, we loose a capacity to walk in kingship, to walk in an increased capacity to speak words that are not easily understood but are translated by the spirit. We loose a capacity to walk in phenomenal blessing, things that we have not understood before. We declare an increased capacity. We loose a capacity for banking, a capacity for ruling, a capacity for revenue, a capacity for revelation knowledge, a capacity for kingdom rulership. We loose it now in the name of Jesus.

We loose an increased capacity of angelic activity, we declare that angels will be active even while we sleep. We declare an increased capacity for authority, give us an increased capacity of authority in Jesus name ... We declare, beyond what we planned or dreamed that a Joseph anointing is coming upon us, that can only be realised in Africa. Increase our capacity to be world rulers in the name of Jesus.

WESLEY CAMPBELL

25 April 2006

Father in the name of Your son, the Lord Jesus Christ, we declare Ariel Gate as an apostolic ministry out of South Africa for the continent of Africa and the nations of the world ... we pray for another lapel of authority be upon Natasha's shoulders and the team's shoulders ... We are call-

ing blessings, governmental blessing, economic blessing, civil sector, the whole global call for the continent of Africa and the nations of the earth. We pray for economic strategies, businesses, finance, capacity, governance, we ask for these things in the name of the Lord Jesus. We pray for strategic intercession, Danielic intercession to go to that next level for the United Nations, the IMF, the World Health Organisation, literally the international power brokers. We ask that they have authority to shift in the heavens these things that must be shifted. So we ask for *that* in the name of Jesus – grant that to this mighty apostolic ministry we pray in Jesus name.

RICHARD HEARD

26 April 2006

... this is a ministry that God is raising up that is going to have more than just a localised, generalised focus ... this ministry is going to open doors that are going to affect the 54 nations of this continent and have tremendous impact. What I feel to pray is that this congregation, this group, this ministry that God is positioning for this purpose will remain on the cutting edge of being able to focus on those things that are going to break nations wide open.

Father I thank you for the anointing that is residing on this house and the apostle of this house. I thank you for the spiritual perceptivity that you have set them Lord, as the prow of a ship cutting into the wind in the midst of a storm on a dark night, on a continent that needs to be visited by light and by revival ...

I am praying that, Lord, this ministry will be used of God to bring together the various streams of Your people that exist on this continent. The different tribes that have not always been united, the healing among races and the healing among people that have had long standing traditions of animosity. I am asking you to break down walls through the anointed efforts of these intercessors. Let them be Josephs that like boughs reach over the wall that would keep them contained and hemmed in and then let the fruit that has been borne here be deposited all over this nation, all over these nations, all over this continent and have impact in the world.

Use this ministry, Lord, of intercessors and worshippers to change the very atmosphere in this nation and the nations of this continent. Change the atmosphere, change the complexion, change the environment, change the climate, change the leadership, change everything that must be done to bring about the restoration and the involvement, the planting of your kingdom. Lord, I pray that it (Africa) will become a model of light for the rest of the world by the transforming power brought about by intercessors ... led by this house.

JAMES GOLL

26 April 2006

I just declare in the name of the Lord that this is a starting gate. Ariel Gate is starting gate, it is a launching gate. It is a new gate and it is like in spring time when a young cow or a young calf is in a stall and it goes forth just with vigour. It goes forth with strength; it goes forth with joy upon it. This is a birthing time. It is an apostolic birthing time. We are in a shift and

this ministry will help shift this nation, this ministry will help shift this continent and it will be a gate of light.

The Lord says, "This is a gate of light. Light overcomes darkness" ... Father, we just declare that there is authentic apostolic DNA that is being released ... in a time of the fullness of times, we are crossing the threshold to go from salvation to transformation. From salvation to transformation.

Building upon all of which that has gone before, building upon the building blocks of prayer, building upon the building blocks of worship, building on the building blocks of the forerunner anointings of the pioneers. But we are shifting in this hour from salvation to transformation.

Keys, keys, keys, keys, keys, keys, keys, keys of revelation.

Keys, keys, keys, keys, keys of agreement are being released.

Keys, keys, keys, keys, keys of the father's heart for the poor.

Keys, key, keys, keys, keys that the treasures of this earth belong to the Lord and they shall be redeemed for the Lord's purpose. Have you not read, do you not know that the treasures of darkness are stored up for a point and a time to be released for the kingdom purposes?

Keys, keys, keys, keys of the kingdom are being released in this hour.

Keys, keys, keys of apostolic mandate.

Keys, keys, keys of Israel, God's heart for His people.

Keys, keys, keys that an overcomer, a warrior anointing mixed with the bridal paradigm.

Keys for the word is fusion in this hour. When multiple elements are mingled together, heated under the fire, a new birth occurs.

JAMES GOLL

29 April 2006

I will restore the fire. I will release the wind of My presence, the winds of change, change, change. The winds of change shall blow across this continent. Light shall burn across this continent as I release the fire of Pentecost.

There is coming confrontation, confrontation, confrontation. I shall yet raise up an Elisha / Elijah generation ... And they shall contend with the altars of false fire.

... that they, will have the curse broken off of them that I warned in the Book of Galatians. "Oh you foolish Galatians, you who begun in the Spirit, returning to the works of the flesh and of the law to perfect yourself. Who has bewitched you?" ... But I am coming, I am coming, I shall come, I shall come.... The birthday of my beloved was a day of birthing. Have you ever heard of quiet birth? Have you ever heard of quiet birth? No! Never in history, has there been a quiet birth. And I am coming to birth again Pentecost amongst my people.

... I am looking for unity with diversity ...

... Even as you have been faithful in a sphere, this is a day, this is an hour when the lion appears in the gate and the roar of the lion shall increase across the land. There was a time when the roar of the lion could only be heard in a cave. But now is an hour that I am bringing the lioness to the front of the gate. To the front of the cave. The front of that cave is a gate. The front of that cave is an arch. The front of that cave is a gate. The front of that cave is a gate.

... And so now I am speaking to my prophetic cave dwellers of South Africa. There shall be a prophetic movement that shall be birthed even now in Johannesburg and it shall BURN northward.

The lion, the lioness anointing shall now come forth in Jesus name. We welcome Ariel Gate, we welcome Ariel Gate, we welcome the lion, the lion, the lioness. We welcome the lion of Judah to ROAR, roar, lion roar!

JAMES GOLL

30 April 2006

Mark this day for I will be teaching my people how to reclaim the ground as holy. Mark this day for I will be teaching my people not only how to redeem the land, but possess the land, not only possess the land, but inhabit the land. Not only inhabit the land, but how to dwell in the land with righteousness. Mark this day down. This is a day of trading. Mark this day down for this is a day of trading. Mark this day down.

For I will teach this ministry ... I will teach this ministry how to have fire houses. I will teach you how to have houses of fire, of healing presence and of worship. For there will be house groups raised up. You say, "Is this a church planting movement?" Many have said no. But the Lord says "Man's view is incomplete concerning what church actually is."

Have I not called you to be My people and have I not called you to multiply? – that is My church.

Have I not called you to be a people of My presence? – that is My church.

Have I not called you to bring in My government? – that is My church.

Have I not called you to be a reconciler in the nations? – that is My church.

Have I not called you to be a healing balm to a generation of pain, dysfunction, neglect and disease? – that is My church.

Have I not called you to be a voice crying in the wilderness? – that is My church.

Have I not called you to plow open fallow ground? – that too, is My church.

And in the midst of churchiology shall come forth a redeemed people that care not about the brand name that they wear – that too, is My church.

I will teach you how to have fire houses of abandoned worship and circles of healing and that too, will be My church.

So mark this day down, mark this day down. Mark this day down.

I will teach you about community. I will teach you about covenant loyalty, I will teach you that *there* I command the blessing. There I command the blessing of life. It is in that place of unity and covenant loyalty. There I command that Aaron's anointing flows.

I will teach you, I will teach you about apostolic lifestyle and serving and weeping and rejoicing and caring. I will teach you how to be light in dark places. I will teach you about community. Yes, many of you will be part of pockets called congregations, but you will also be a part of the community.

... I will teach you the lost art of an apostolic lifestyle.

For there will be a networking that shall occur first amongst apostolic leaders where you shall search for those who are humble and you will search for those who are bright.

... There will be a gathering of 54 apostles that will be gathered together across the continent of Africa for this will not be done in a public venue, but this will be done, as it would be in a cave of dwelling.

... Then kings shall come. Was it not stated that a new prophetic movement would begin in South Africa? ... And I will raise up a school of prophets and apostles in South Africa. I shall teach them. I will be a mentor to them. I will teach them how to be fathers and mothers of kingdom ways. Yes, a school of prophets and apostles shall come forth.

They will hear the word about trading. I have given you a stewardship, I have given you a revelation. It is embryonic in its application, but it is one that I will watch over to see that it grows. I will take a revelation of teaching and application of trading across this continent and I shall take the trading across the globe. There will be a trading in of curses for the blessing. There will be a trading in of thievery for quality control. There will be a trading in of greed, fuelled by a spirit of poverty and will be given instead, faithfulness. There will be a trading in, and when the god of this world of thievery has been fully captured, treasures of, once called the dark continent, shall be dug. Because then in that hour, the faithful stewards of the oil, the gold, the silver and the jewels, they will have a faithful stewardship in place. And then I will raise up Africa. And they will be to me a precious, royal diadem.

But I call you to raise up a wall of fire for the continental apostles. I call you to raise up the wall of fire for the continental apostles. Yes, what you have done shall continue for you did it in the secret place. It just now grows in its impact and it grows in its placement. The work of prophetic intercession continues but now there will be label changes for I now call and decree that it will now be called "kingdom intercession."

For I give a stewardship of kingdom intercession for a continent and I will surround you and I will surround the lion gate with a wall of fire. I will surround the lion gate with a wall of fire ... Mark this day, mark this day, mark this day, mark this day – A day when kingdom intercession is born.

The Millennial Blessing

AFRICA CONVENTION 1.11

GENERATIONAL THINKERS – TUDOR BISMARK

It is time to re-program our minds, shift our thinking and learn to be strategic planners. God can trust generational thinkers! If you do not know what that is or how to become one – you need to hear this message.

SEVEN LEVELS OF REVENUE – TUDOR BISMARK

To go to a new level or new world, we need to eat something different. When we get to the new level or world, we must build something there as a testimony that we were there. This requires an increase in faith. It also requires an increase in revenue, but revenue is not just about finances ...

MOVING INTO KINGDOM UNDERSTANDING – RICHARD HEARD

There is a new leadership arising in the earth today that declares, "No more church as usual!" They are ushering in a new apostolic order and government that is radically changing the face of the church and will also influence world governments. This apostolic order is a restoration of the ministry behind the veil that is the church's destiny. This in-your-face teaching challenges us as to whether we will follow these new leaders or stay in the wilderness with old-style leadership?

THE EMERGENCE OF APOSTOLIC ANOINTINGS – RICHARD HEARD

The apostolic ministry that is presently being restored, is going to force us to re-examine everything that we know or think we know. God introduces pain into our lives in order to bring change. We must be prepared to walk through the process of change in our lives in order to be aligned with what God is doing in the earth today.

PRAYING IN APOSTOLIC ORDER – RICHARD HEARD

How do we begin to align ourselves and pray in this coming apostolic order? Everything about the kingdom is in 3's. Power is always found in the 3rd dimension. Slavery, wilderness, promised land. 30, 60, 100 fold. Blood, oil, glory. It requires mastery over the principality at one level to qualify to move to the next. We must birth ourselves from one level to the next.

THE COMING END TIME REVIVAL THROUGH MERCY AND SOCIAL JUSTICE (2 PARTS) – WESLEY CAMPBELL

This message caused a paradigm shift for a number of people in their thinking regarding the concept of mercy and social justice. It should not be a supplement to building the kingdom of God, but it should be the major emphasis and focus. Out of this position, everything else that we need to do will grow. When you meet people at the point of their perceived human need, you can then minister to them the greater need of the gospel.

ESTABLISH THE KINGDOM – CHICHI BISMARK

We, the church, can no longer afford to be ineffective. Pastor Chichi challenged us that in order to bring the Kingdom here on earth, we must have an understanding of what a kingdom really is and how it operates. A MUST-have teaching on gates and how to possess them. A real challenge to women especially!

HOW WE GOT IN THE RIVER – ISE SIROVINA

Ise Sirovina shares her testimony of how God called her and challenged her to plant a box-breaking church in Germany!

POSITION YOURSELF FOR 1000 FOLD BLESSINGS – ISE SIROVINA

The word "diakonos" means "servant" and also "to crawl through the dust." Ise challenges us as to our motivation for serving the Lord – are we truly servants or are we "using" God for our own agenda.

KEYS FOR AFRICA – NATASHA VERMAAK

We are in the middle of a HUGE shift to a whole new dimension. Philip Jenkins says that leadership of the global church is coming to the global south – leaders for the next season are coming out of Sub-Saharan Africa. That is you and me! Now is the time to build capacity and change our thinking so we can operate in this new dimension. Apostle Natasha outlines several areas where we need to begin to stretch and change our thinking to be ready!

I WILL RESTORE PENTECOST – JAMES GOLL

The Lord gave James Goll a dream in which he was standing before us giving a prophetic exhortation entitled "I will Restore Pentecost". This is that message in which God is saying to the continent of Africa that He will restore the original Pentecost. The fire, wind and wine will be a sign of authentic apostolic Christianity.

SOUNDING AN ALARM FOR ISRAEL – JAMES GOLL

Having God's heart for Israel is a key ingredient in the Millennial Blessing. James Goll shares on the present situation in the Middle East and the spirit of Haman which is still active. He calls on Africa to arise and be Esther in this hour.

THE ELIJAH / ELISHA GENERATION – JAMES GOLL

After prophesying to the House of Ariel Gate, James shares a dream that the Lord gave him on keys to building a spiritual house that will last. He also shares on the emergence of the Elijah / Elisha generation.

All messages available on CD (R20), audio tape (R15) and DVD (R65). Contact the office on 011 674-3466 to order.
