

The 23 May 2007 (23/05) marked the beginning of the Feast of Pentecost this year and was a significant time. The feast is sometimes called Atzeret which means 'the conclusion'. One of the themes of Pentecost is that it signifies the conclusion of the Feast of Passover. So Pentecost 2007 marked the closing of the season of "passing over". A door closed on our wilderness season as well as our season of transition into the promised land. A new era began on 23 May 2007 and we can now truly say, "We are in our promised land and we are beginning a time of continuous war that will see us taking this land little by little until we receive our full inheritance!"

At our 2:12 Africa Convention, Apostle Tim Carscadden was wearing a jacket that he had not worn for sometime and just before the service started he reached into his pocket and found US\$23 and 5 plastic straws (23/05). He told us that the Lord was impressing the number 23 on him. He then expounded on this and spoke to us about the significance of Exodus 23...

Exodus 23:20-22

Behold, I send an Angel before you to keep you in the way and to bring you into the place which I have prepared. Beware of Him and obey His voice; do not provoke Him, for He will not pardon your transgressions; for My name is in Him. But if you indeed obey His voice and do all that I speak, then I will be an enemy to your enemies and an adversary to your adversaries....

Verse 30

Little by little I will drive them out from before you, until you have increased, and you inherit the land.

He shared about this Angel of Exodus 23, which he called the "Breakthrough Revival" angel. In his session Double Fruitfulness (see page 2 for report), he described the release and operation of this particular angel.

Since the April convention and especially since Pentecost we know that we have crossed into a new dimension. There has been major acceleration in every area and it is keeping us in a place of humility before the Lord, seeking His counsel and wisdom for the way forward. We have experienced a tremendous shift on every level - reports are flooding into our offices about projects, ministries and churches who have understood and implemented the principles of Kingdom Protocol and Apostolic Alignment and in doing so have connected to a new governmental authority. (Both messages from our convention - see page 2)

A NEW ERA PENTECOST 2007 BEGINS

In the Limpopo region there are approximately 15 churches looking for apostolic covering. One of the projects for this region is the building of 10 000 houses! We are commencing discussions with them as to where do we and they go from here.

Nine chiefs from the Polokwane region want to hand over land for training and empowering their people. Biodiesel agriculture is on the table to be launched for this area and a company to administrate it is being formed by another group.

In the Free State networks of intercessors are feeding and empowering people - and see us as their main resource. So much so that a Free State Conference is being planned for August (details on the back page). In Umtata, we have people involved in city projects, some which will be funded by the European Union. In Pretoria, several people are involved in feeding the homeless and providing aid and ministry at street shelters.

George now has launched the Kingdom Khoi Business Network after the Ariel Gate team presented the vision for Kingdom Business in March. We expect to see new business, new ministries and new endeavours all over the country.

It is incredible to hear these reports! All of the people in charge of these projects, assignments and various ministries believe that the conference was the 'catalyst' for them. They have shared with us that the apostolic anointing released at the conference dealt with issues in their lives and accelerated them into their destiny. So now they are all looking to us for apostolic oversight and input.

We have never been this way before, but we know that we can trust Him. It is God who has brought us this far and it is God who will lead us on from here until we see these small beginnings become established works that will extend His kingdom in the earth until the kingdoms of this world become the kingdoms of our Lord and of His Christ. We HAVE entered a NEW ERA!

Natasha

AFRICA CONVENTION 2:12

"I kissed the Son, and he changed my life..." The words of this prophetic song echo in the heart of every delegate who attended our 2:12 Africa Convention. Our week was packed with life-changing revelation and impartation. We were serious with God and He is serious about making us into territory-taking kings whose lives are laid down to see His kingdom come on earth as it is in heaven!

This was a convention for those who are **SERIOUS** about seeing change come to

their nations and communities. The worship was awesome and took us into new realms of glory.

Every message was challenging and we had to say "ouch!" or "amen!", but we received a new level of freedom, healing and revelation.

We encourage you to get the CDs or DVDs if you missed out on the convention, they are full of wise instruction and revelation for the new dimension that we are breaking into!

THE SPIRIT OF BREAKTHROUGH

Tudor Bismark

Breakthrough should not be a once off event in our lives because then we will become event-driven and need to continually create an emotional atmosphere to breakthrough. Bishop Bismark encourages us to rather pursue the spirit of breakthrough. This important message explains what that spirit looks like and how to cultivate it.

HOW TO CONCEIVE YOUR DREAM

Dr Pat Francis

When we cross into our promised land, it seems that the very thing God wants to give you is being kept from you—your promised land is shut up. But what do YOU SEE? Do you see the problem or the solution? Dr Francis declares it is a new day - the time for kings. She challenges us to shift our thinking so that we will not, like Moses, die in the wilderness but rather take the land that God wants to give us!

SLAYING THE GIANTS

Dr Pat Francis

Do not listen to this message unless you are ready to **REALLY** take the promised land. Dr Francis releases a spirit of entrepreneurship and creativity as she challenges our traditional ideas of the promised land. She teaches us about the various giants we will have to face and defeat if we are to possess and live in the fullness of our destinies as kings on the earth! Not for the faint-hearted!

THE SPIRIT OF MAINTENANCE

Tudor Bismark

If you are about to break into a new level, this message is for you! Before God will release us into a new level, we need to be able to maintain the standard that we have at the present level. God gives the strategies for growth and Bishop Bismark shares some key principles for implementing these strategies.

HIDDEN MYSTERIES (only on CD)

Tudor Bismark

Bishop Bismark teaches us that God always mandates us to do something that we do not have the ability to do. We should not grow discouraged or weary in our calling. This message will open your eyes to the hidden mysteries that God has set in our path as signposts on our prophetic journey.

THE SPIRIT OF MAMMON

Adeyemi Adafarasin

God has called us to be stewards of the earth and the resources of the earth. In order to do this successfully, every person needs to be free from the spirit of Mammon and the system of Mammon. In this revelational teaching, Apostle Adeyemi lays out the strategies of Mammon and shows us how to be delivered from its grip. Powerful instruction for every kingdom believer!

DOUBLE FRUITFULNESS

Tim Carscadden

Pastor Tim shared how God had prophetically been showing him the numbers 11 11 and the significance of these numbers. He released a word that God is calling Africa back to meet Him at an appointed time and he administrated the release of mantles to help us in our journey.

KISS THE SON - PROTOCOL

Natasha Vermaak

We are called to represent the Kingdom of Heaven, but do we really understand what that means? If we say we represent heaven and we are about God's business, why do we see so little change in the world around us? Apostle Natasha challenges us to move to a new level of discipline and truly be God's representative on earth.

GOD GAVE ME A DREAM

Adeyemi Adafarasin

Why do so many Christians seem to be caught up in trials and struggles all the time? God places us in barren places so we can learn to make streams flow in the desert. Sharing from his life testimony, Apostle Yemi's message will encourage you to press through your present afflictions and reach for the greater glory God wants to give you. Receive an impartation for perseverance!

THE GLORY REALM

Kari Browning

Pastor Kari shares on what the glory of God actually is and how it manifests in the earth. She also shares testimony of their church where gemstones are arriving from heaven and miracles are being experienced.

PSALM 2:12 KISS THE SON

KINGDOM PROTOCOL

Natasha Vermaak

Apostle Natasha explains that as representatives of the Kingdom of Heaven, we need to know how to behave according to Heaven's protocol, but many of us do not know what that is or how to align with it. This message includes a testimony from Frans Joubert on prophetic protocol and how the lack of it can cause serious problems for you and the people around you.

ALIGNING WITH AND ADMINSTRATING KINGDOM AUTHORITY (Pt 1 & 2)

Richard Heard

Bishop Heard gives a phenomenal teaching on the nature of kingdom authority and how it works. A new dimension will open, once we grasp this kingdom understanding of God's authority structures.

WOMEN ARISE!

Adeyemi Adafarasin

Whenever God wants to do a new thing - he looks for a woman! Apostle Yemi speaks a word of release and healing to women. They are the signposts we should look for when God is taking His people into a new season!

BEING IN ALIGNMENT WITH APOSTOLIC AUTHORITY

Richard Heard

The instruction that Moses received on the mountain, in the glory, was used to administrate government among the people when he came down from the mountain. God is looking to raise a people who can bring decrees and word out of the glory and administrate them in the earth. In order to do this, we need to understand the principles of the Kingdom that we belong to.

PROPHETIC WORD FOR ARIEL GATE FRANS JOUBERT - 20 APRIL 2007

Yesterday when Pastor Tim was ministering, just before he started to minister, a new angel was released to us. He had white clothes on and then he had a maroon sash that had the Ariel Gate logo (exactly like the t-shirt). At the sides was gold. God told me it was a new angel that has been released from the throneroom of God to help us in our ministry that we are about to do.

What I saw was that he was on this side (right side) and on the left side there was a scroll released. The scroll that I saw on Monday with the first word being protocol and the rest of it was written in a very ancient language. God started to read for me from the scroll and I could read it all of a sudden. It started by saying:

If this apostolic family - I believe it was speaking about this apostolic house and other apostolic houses that is connecting with it - if this apostolic family does not follow God's instructions for this continent, then God will contend with them and fight against them. But if they do, God will give them much more than they understand or even can perceive in their minds. What I saw was that God will start to release apostles that will speak to the physical structure of the continent and there will be change and real breakthrough coming.

Then I heard God asking me in this voice (it was not a very nice voice, it was a very strong voice, like many waters) and He was asking me, "Is this a ministry?" And He said to me, "This is a mountain of Zion. This is Zion" And I saw God coming down on a cloud and on the mountain He was on His throne and he is standing up from His throne and He is declaring word over the continent. Then He said to me, "This is a gate" and I saw a golden gate with diamonds in it as almost like the marbling of this gate. God said to me, "Through this gate saints and angels and scrolls will come through to minister to the continent at all times." It is as if this gate is opening so that there is always an open portal over the continent for release.

What I saw then is that God said, "I give you a library for this ministry" and I saw us coming into a library of the destinies and calls of nations and peoples and apostolic callings and ministries and all of this. God says, "I gave you, I give you mantles". We were coming in the room and it was filled with clothes of righteousness. White clothes. Different ministries and callings and things.

God said to me, "This ministry is a platform and it is a platform of nations, tongues and tribes." God said this and I saw it that many mantles will come here just to be kept safe and I saw that God is bringing the apostles to this platform to speak. The calling of this place is to almost like form a protection for him and God said - It is to release the pressure of the apostles on the continent so that they will not die. Just to release the pressure and keep them safe.

What I understand from this vision and from God is - Everything must come in order now. Everything must align apostolically and that in this apostolic family, God wants to release the ancient destiny of this continent and what he has originally thought and treasured in His heart for this. And I could hear him ask that He is looking for a people that will do just that. Without any claims on anything, without any ownership of anything. I saw that the reason that this platform can be a platform of nations is because it is not linked or held by a church or an organisation or anything. It is just held by God so God can just bring the nations together.

So God is looking for a people like that and I believe that in the apostolic family, God has found that. And the challenge to this family is to submit to God completely so that He can just do whatever He wishes to do.
