March 2007

ח 18

Now it came to pass in the eighteenth year of King Josiah.... 2 Kings 22:3

In February 2007 Beverley and myself went to the QUANTUM GLORY conference in Coeur D'Alene, USA. Shawn Bolz delivered a very significant word to us which I felt worth sharing as a NOW word for this ministry.

Shawn Bolz (author of Keys to Heaven's Economy):

"....over 18 years ago ... He began to ask you to move in ... a governmental anointing and mantle ... that was intercession for 18 years, but now ... this mantle is going to release the government on earth ... by positioning people for their destiny, positioning nations to receive their destiny, positioning people for transformation in regions."

The crux of the word is that Shawn saw a governmental angel (he has had many angelic visitations), who was repositioning us for God's governmental purposes in this coming season. He was so specific to name "over 18 years ago" - I have been a Handmaiden for over 18 years but not yet 19! These last 18 years were marked by prayer for the nations - Psalms 2 - Ask of Me and I will give you the nations....

Now, we have prayed through 18 years - the Hebrew number reads CHAI or life! We have moved into a house, the number is 18! 2 Kings 22:3 says that in the EIGHTEENTH year of Josiah's reign the Book of the Law (verse 8) is discovered. Josiah started reigning at age 8, (2 Kings 22:1) and was the most revolutionary reformer of biblical times! He was 8 when he began! A new breed generation is arising!

After the Law was "rediscovered" reforms were instituted through the whole of the government and land of Israel! I feel like the Lord is speaking to us about our intercession that has been about the nations for so long - but now, renaissance and revolution is about to be birthed because a new breed generation of reformer Kings is arising!

Natasha

PROPHETIC WORD FROM SHAWN BOLZ

I am seeing over you Natasha, I'm seeing a governmental angel next to you, in the Spirit, I saw it in my head but - a governmental angel, he was standing next to you and he is standing behind you and he was repositioning you for government in this next season and there is something that is going to break through. I feel like even as I gave the word to Stacia I thought of you because you have been such an intercessor and you've been in apostolic intercession where you have been shifting government, but the Lord's also asking you to be an answer to your prayer for the apostolic to rise up. So you've been praying this prayer, but the Lord is asking you to be an answer to your prayer for the apostolic and I feel like He is putting a mantle on you to mantle apostolic people throughout Africa and other nations.

He is putting a mantle on you to mantle Apostolic people so it is not just your own mantle but it is a mantle to mantle Apostolic people and there is an angel with you that deals with the government of God but also the governments of earth. So where you mantle people you won't just create networks of relationships among churches but you are going to create people who begin to move in the natural government anointing. Some of them will be literal in the government offices at the same time as they are doing church. I feel like you are going to have at least 50 people who are involved with what you are doing that will be in natural offices throughout the earth, and they are not there yet, but you are going to help launch them into a governmental anointing because you are going to see ... I feel like you have this justice anointing, but if you limit it to the church alone you will only build churches, but I feel like the Lord asked you a number of years ago, I feel like it's over 18 years ago, He asked you and you can track back 18 years ago, He began to ask you to move in government, a governmental anointing and mantle, and you know what, that was intercession for 18 years, but now its time to move in the full authority of the office of the governmental anointing that God's called you to.

So Holy Spirit we ask right now, even as she helped us to access a mantle, we pray that you will help her access this mantle of governmental anointing that is going to release the government on the earth. Not just through intercession, but positioning people for their destiny. Positioning nations to receive their destiny. Positioning people for transformation in regions. Wow.

I feel like you came here to receive this angel because there is something that was over America that is being activated tonight, that there is something that you are receiving in this conference that was in America. Where there's people who moved in government in America on this level and there's people in South Africa who moved in this but they didn't maintain it, and there's people who did maintain it in America. And there is angels that were from America that moved with people that are going to go home with you.

I feel like there's a company of angels that is going to move with you. You are going to see your days get so much more clearly marked out for responsibility for what God wants you to do, not in a burdensome way but in a way that is so exciting because the operation of God is going to so increase and the divine appointments and He is going to tell you, you need to be here tomorrow and there is going to be so much more fruit cause it is not intercession you are going to walk into; where you are supposed to pray at a governmental building or you are supposed to go to a certain place, but it is literally divine appointments just to establish the government of God. So instead of going to pray places, instead of going to break it open, now you are going to be an answer to your own prayers that you prayed for years and years and years. Wow, and bring a company into it.

Council of African Apostles

January 2007
Nairobi, Kenya

At the 2nd Apostolic Summit in Nairobi, Apostle Natasha was invited to sit as the apostle representing South Africa. The Council of African Apostles (which was formally named during the summit) is an emerging, strategic voice to the leaders of the church and the continent of Africa. Natasha really believes that the Lord is releasing the spirit of counsel and wisdom over these apostles to access heaven's plans and strategies for effecting change in Africa and it is a real privilege to be a part of it.

Please be praying for these apostles, especially Bishop Tudor Bismark and Dr Mensa Otabil who chair the council. They are carrying a heavy load and it is a part of our mandate as Ariel Gate to raise the wall of fire for these apostles. (Word given by James Goll on 30 April 2006.)

QUANTUM GLORY

Coeur D'Alene, Idaho

What a privilege to attend this conference! God just shifted us into a whole new level of the glory and we will never be the same again! The conference was hosted by "The Gateway" - a phenomenal church co-pastored by Kari Browning who was with us last year.

Paula Benne started out the conference declaring that "The Time is Now!" It is birthing time - time to stay focused and PUSH! The 'Glory Boys' (David Hertzog, Jeff Jansen and Joshua Mills) were all there and it blessed us to see this new dimension of glory that God is releasing. Heaven is truly coming closer to earth. There were many miracles, including a lady who got out of her wheelchair and walked during one of the worship times.

Shawn Bolz also ministered an inspiring message calling us into new levels of creativity and business. He prophesied an incredible word to Apostle Natasha that she was being repositioned to influence government, not only in the spirit, but also in the natural. (See full word on front page of newsletter.)

Shawn Bolz and Paula Benne did an interview with a young girl named Akiane. (www.artakiane.com) She was taken up to heaven at age 4 and met with Jesus. When she returned she was able to paint masterfully and write poetry that she does not always understand. She is acknowledged as a child genius and has been on every major US talk show including Larry King and Oprah. She is now 12 and goes to heaven frequently. Watching and listening to her just releases the atmosphere of heaven. After the interview, Shawn Bolz began to prophesy about a renaissance that God is about to release. Apostle Natasha then got up and decreed the beginning of a renaissance of thinking and creativity. It was an awesome time!

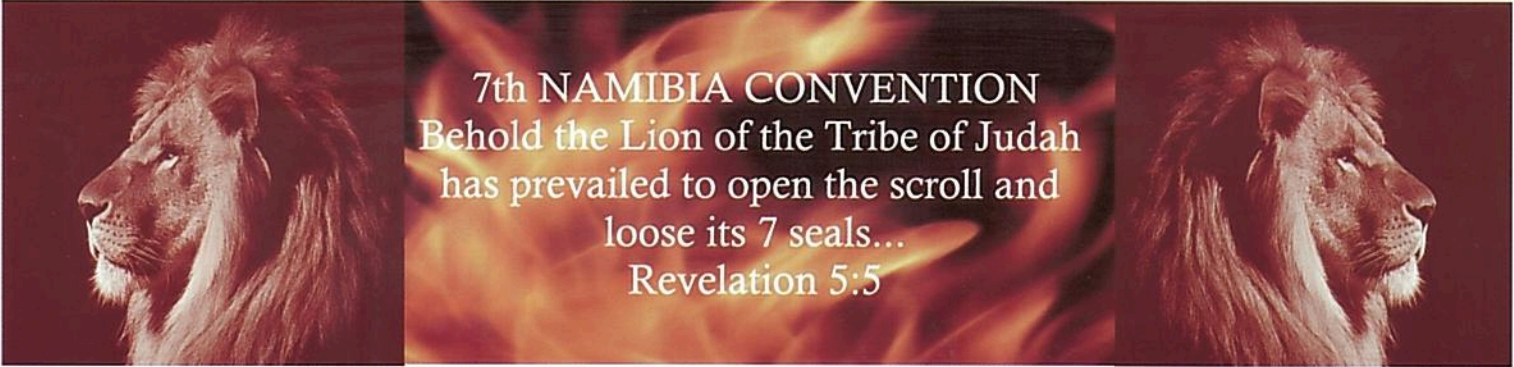

After the conference we stayed on to attend the church service on Sunday at The Gateway. Andre Ashby preached a phenomenal word that America does not need another revival, but needs a revolution! He released a spirit of travail and we helped the church to birth through - revolution and renaissance for the USA! What an honour to be a part of what God is doing in the earth today!

7th NAMIBIA CONVENTION

Behold the Lion of the Tribe of Judah
has prevailed to open the scroll and
loose its 7 seals...
Revelation 5:5

We believe this was our best Namibia conference ever! From the moment we started praising and marching with all the flags of Africa, we knew God was taking us into a new dimension.

The first night, 22 February, was the anniversary of the first time we ever fired Shebna, so Apostle Natasha felt to fire Shebna again. But this time she fired the false stewards over the prophetic. She explained that the prophetic word is as much a resource as money or minerals. After firing Shebna, she closed the false prophetic well in the nation of Namibia.

The following morning, she continued to teach about the prophetic and what the false prophetic looks like in the spirit. She explained that the prophetic word is seed and what happens when people lust after receiving a word and do not want the responsibility of carrying that word to full maturity. She taught on Jezebel's temple and how to free people from it. In the afternoon, she continued this important teaching on how to steward the prophetic correctly.

In the evening, Apostle Natasha taught us that scrolls are instructions on the government of heaven. She released revelational teaching on the key of David and standing in the counsel of heaven to receive scrolls.

At intercession the next morning, 3 different people had had visions and dreams that we were to birth 2 babies that day. Another intercessor had seen the word 'renaissance'. So we showed the interview that Shawn Bolz and Paula Benne did with Akiane (see USA report). After that we released renaissance and revolution (turning back to God) into Namibia and Africa. We had an incredible time with Pastor Bertie leading us into a declaration of R.I.O.T - Righteous Invasion of Truth!

Later Apostle Natasha preached an incredible message on water and sound - releasing the sound and symphony of heaven that cleanses the water. We finished out the conference with God taking us into a new dimension of glory. According to Zechariah 3, we received new clothes and an upgrade in the spirit to function at a new level.

Kate Squire from George shared about what God is doing among the Khoi people in George and then Apostle Natasha positioned the Khoi people of Namibia on the sea of glass. This led to a spontaneous time of repentance and reconciliation between the different tribes.

On this note Apostle Natasha declared that this is the reason that we want to read and administrate scrolls - So that each tribe and tongue can find their identity in God and be positioned on the sea of glass to fulfil their God-given destiny.
