## SEISMIC ACTIVITY CAUSED BY TRUE WORSHIP

Around 5 am in the morning of the 5 August 2014 Katie Squire had the following vision:

AGIHOS was in praise and worship. The House of Heaven was worshipping with us because the worship was incredible we were in H7812 prostration (shachah) before the Lord and heaven was worshipping with us.

Nehemiah 9:6

*"You alone are the Lord; You have made heaven, The heavens, with all their host, The earth and everything on it, The seas and all that is in them, And You preserve them all. The host of heaven worships You."*

God allowed the G4578 (sice-mos) earthquake because we had used the right keys to change the atmosphere - and it was excellent. She saw the sice-mos begin from Ariel Gate and go up into Gabarones (Botswana) and into Africa.

Zechariah 14:5

*"Then you shall flee through My mountain valley, For the mountain valley shall reach to Azal. Yes, you shall flee As you fled from the earthquake In the days of Uzziah king of Judah. Thus the Lord my God will come, And all the saints with You."*

The Father was very excited that Apostle N had allowed the presence of God in - and that she now needed to H3384 teach (yarah) on how to get rid of the Python spirit - she, Katie saw that the shifting had happened in the administration and the controlling thing was dealt with. God would give the strategy not just for AGHIOS but the church to deal with the spirit.

She heard that we were now spiritual thermostats and that formerly the administration had positioned us

as thermometers. God is so happy about the fact that Apostle Natasha has the key to change the atmosphere. The keys to keep this Python spirit out of an atmosphere was this kind of worship and that we must stand in the original pattern for the ministry of Prayer, Praise and Intercession.

Katie saw a huge white elephant arrive and stand at the AGHIOS gate - inside of the elephant were documents and blueprints he was delivering because of the H2452 wisdom (chokmah) inside the Apostle.

There were two great beasts - big Bears who had come because of the trading floor, also a Bull.

Numbers 23:22

*"God brings them out of Egypt; He has strength like a wild ox."*

She hears that there is a mighty breakthrough of finances coming - an overflow of finances - because of the breakthrough and complete change in the administration of the House of God - this will bring another atmosphere to the House.

The Python spirit wants to stop the finances of the House.

We will know the real prophets will be repentant - they are bringing in H5164 repentance (nocham), and will bring us back to obedience of the word. God will give discernment about the false prophets who are like Pied Pipers and unsubmitted (an-oo-pot-ak-tos) G506,

Isaiah 8:20

*"To the law and to the testimony! If they do not speak according to this word, it is because there is no light in them."*

1 Corinthians 14:33

*"For God is not the author of confusion but of peace, as in all the churches of the saints."*

Apostle must train the prophets to G5293 submit (hoop-ot-as-so) or else they will begin to operate with G3132 to divine, utter spells, soothsaying (mant-yoo-om-ahee) and they will therefore interpret and strategise their words and connect to the Python spirit.

Deuteronomy 13:17

*"So none of the accursed things shall remain in your hand, that the Lord may turn from the fierceness of His anger and show you mercy, have compassion on you and multiply you, just as He swore to your fathers,"*

Young prophets will be affected with this.

She heard the angels singing Revelations 15 - the Song of Moses with us.

God wants us to deal with this Python spirit we had in the administration - it was 18 to 20 feet long and

had a H4948 weight (mishqal) of 150 to 200 pounds - a mature Python God allowed it to get to that size.  
It laid 730 eggs per person.
