Restoring the Lost Art of an Apostolic Lifestyle

In 2006, James Goll prophesied to us that God would restore the lost art of an apostolic lifestyle to us. We believe that this weekend, God began to release something of this to us. Apostle Natasha expounded on a word from Katie in which God challenged us to come back to a place of worship before the throne.

Excerpt from Katie's word:

I see an open portal and John is standing ready with the scroll of Rev 10:10. We must enter into Revelation 4:1. I see a scroll of SHACHAH (worship, prostrate, lay down flat) and Revelation 4:4 (And round about the throne were four and twenty seats: and upon the seats I saw four and twenty elders sitting, clothed in white raiment; and they had on their heads crowns of gold.)

The Lord showed me many angels are waiting for us- because we have enjoyed visiting the throne room - but the angels really enjoy to SHACHAH with us which makes a platform for them also. Then I saw thousands of angels waiting for us. It is all about Hebrews 1:6 (But When He again brings the firstborn into the world, He says: Let all the angels of God worship Him.)

God is looking for us to come into a new place of worship in the throneroom. He is calling us to lay our lives down and prostrate ourselves before Him and there receive a fresh revelation of Jesus. We need to each consistently be growing in our relationship with God and have an ever-increasing revelation of who He is. Apostle Natasha explained that when we come to this place of worship and receive a new revelation of Jesus, it actually creates a platform for the angels to worship. Our revelation of Jesus leads them into worship.

Not only that, but angels can begin to move when we worship. Right now God is wanting His church to receive a fresh revelation of who He is, so that heaven can begin to move with us in this new season. If we are not worshipping, angels are restrained to a degree.

We believe that God is calling us to fresh encounters with Him in the place of worship. He wants us to be changed into His likeness as we behold Him. God is waiting for us to manifest Him before He can manifest Himself to the earth. Angels are looking to see Christ in us, they are also looking for the continuing revelation of Him.

After teaching this to the Leaders at our seminar last weekend, we entered into a time of deep worship where we simply laid our lives before the Lord again. We laid our crowns down and worshipped. It was an awesome time with heaven responding to us corporately.

New Product

Throughout our leaders' time together, God kept calling us back to the place of worship. It is here that He meets with us and it is only from this place that we can move. We believe that God is establishing apostolic worship as a pillar in the House of Ariel Gate.

At the last meeting, we received another word from Kate, that God was giving us the breastplate of the high priest with the urim and thummim. He also gave us the *tekelet* which is the biblical blue colour which was used in the clothing of the High Priest that has been lost for many generations. The precious blue dye derived from *murex trunculus* snail glands has been lost for many generations. It was found again in the 1950's. For more information about tekelet, [click here](#). The prophetic significance of this *tekelet* being given to us is that God is restoring something of His presence and pattern to us that has been lost for centuries. We believe that it is apostolic worship.

This is an awesome word, and though we do not understand everything, we want to receive and embrace what the Lord is giving us.

Blessings
