ETHSA June 2005

CONVENTION REPORT

As we completed our 10th convention, we know that there has been a closing and a sealing of the prophetic word of the past 10 years. The nations were gathered to worship before Him and we received awesome apostolic teaching and instruction for the season ahead. Each speaker ministered a message full of "meat" that challenged the comfort zones in our lives.

On Sunday, 24 April, we redeemed the mantle brought by the German fathers to South Africa. It is interesting that, as we were redeeming this mantle, a GERMAN pope was being inaugurated at the same time in Rome. Over the last 9 years we have been redeeming the batons brought by fathers to this nation and this was the last one to be restored. We believe that, now, the birthright of South Africa has been redeemed.

MESSAGES

THE PILLARS - NATASHA VERMAAK

God is looking for pillars to hold up the weight of His glory in the house that He is building. Will you submit to the process of being transformed from a reed to a stone to a pillar? Revelational teaching from the Scripture on the process of becoming a pillar in the house.

THE REVELATION OF THE PILLARS - SEAN GARDEN

God is the Lord of our past, present and future and His Word over us IS settled forever! Sean prophetically declares a sealing of the prophetic word of the last 10 years and encourages us to walk through the open door set before us for the next 10 years.

THE BIRTHRIGHT - DENNIS WIEDRICK

Everyone has a birthright - the "title deed" of your life! If you are seeking to walk in the fullness of your destiny and calling, you need to hear this message. Discover your birthright - who owns you, what are your boundaries, what spiritual debts are against you, what is your inheritance... Dennis answers these and many other questions in this must-have message.

THE ADVANCING KINGDOM - TUDOR BISMARCK

Are YOU one who is violently advancing the kingdom or are you standing still and simply being swept along by the momentum of others? Bishop Bismark preaches a revelation-filled message that challenges us to move to the next denomination and keep moving with the advancing kingdom.

OMNIPOTENCE AND YOU - STACEY CAMPBELL

"Teacher, do you not care that we are perishing?" Mark 4:38. When we stop looking at our situation and look at Him instead, we will begin to see who He really is and we will think differently. God is all powerful and He has sent us to not just make an impression - but to TAKE OVER! An inspiring message by Stacey that challenges Africa to rise to her calling in this hour, as the nations of the West are waiting for her.

KINGDOM COVENANT COMMUNITIES - TUDOR BISMARCK

Ready for a new level of spiritual warfare? Then this powerful message is for you. In our individual capacity, God can empower us to slay the giant, but it takes a kingdom covenant community to destroy regions of giants. It is time to take cities for the kingdom and Bishop Bismark clearly articulates a strategic key for this hour.

DOUBLE PORTION PEOPLE - TUDOR BISMARCK

This is the year of the double portion - if you can receive it! There are about 10 messages in one regarding the characteristics of a double portion people - a meal of meat to chew on for a while!

UNLOCKING SPIRITUAL PRISONS - DENNIS WIEDRICK

Many of us never experience spiritual freedom because we have been locked up in prisons of unforgiveness. Dennis Wiedrick ministers a line-upon-line teaching which will teach you how to use the keys of the kingdom to unlock these spiritual doors and walk into true freedom.

THE COMPELLING LOVE OF CHRIST - STACEY CAMPBELL

God is emotional and He wants us to experience His emotions because it is these emotions that will drive us to places we will not normally go. The lost are not coming into the four walls of the church but the church must move outside of its building. The church needs to become flesh in unholy places and only God's compelling love will move us.

LEVELS OF LOVE - STACEY CAMPBELL

From personal testimony, Stacey shares some of the difficult experiences she has endured that led her to a deeper understanding of God's love. She challenges us to embrace the hardships in our lives that God has placed there in order that we may move into a fuller and deeper understanding of who He is and His boundless love for us.

DEDICATION SERVICE - SEAN GARDEN / NATASHA VERMAAK

Natasha reminds us of that this is a service of dedication and consecration. The Lord has called us to lay our lives down so that he might be revealed through us. Sean exhorts us to keep our eyes on Jesus even through the trying times, which will come. It is through tribulation that we enter the kingdom!

CALLING FORTH LEADERS - DENNIS WIEDRICK

We call ourselves the army of God and yet we so often lack protocol and discipline. In this vivid prophetic enactment, Dennis calls us to wake up and take stock of our situation. Africa needs leaders and there is a call to the church to provide them. Dennis articulates 10 principles in this excellent teaching on leadership which we need to lay hold of and apply in our lives if we want to make a difference! You need this one on video!

REDEEMING THE BIRTHRIGHT OF SOUTH AFRICA

- NATASHA VERMAAK / DENNIS WIEDRICK

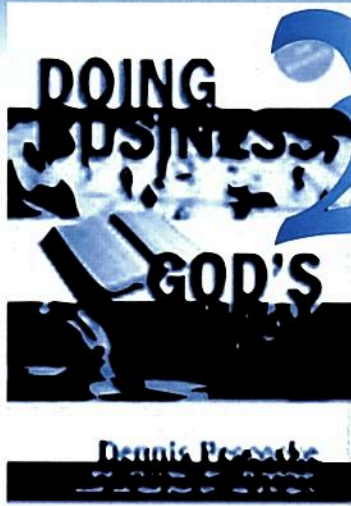

Over the last 9 years, ETHSA has been restoring the mantles and batons brought to this nation by different fathers. Natasha reviews this history and explains that the last mantle to be redeemed is that of the German fathers. Together with Dennis Wiedrick, they lead us in repentance and the redemption of this last mantle and the full redemption of the birthright of South Africa.

COMMUNION SERVICE - NATASHA VERMAAK / DENNIS WIEDRICK

This service was a God appointment! Natasha had hands laid on her and she was ordained and commissioned as an apostle.
