MARCH 2006

CONSIDER THE LAW OF SIX

2006 – AN INCREDIBLE YEAR!

The Hebrew numbers for this year are 5766.

Hebrew letters are alpha-numerical – this means the letters can be read as alphabet or numbers, simultaneously they have a numerical value and a word meaning.

60 – is the Hebrew letter SAMEKH – we understand the letters to mean the break out of an old cycle. Also to break out of old patterns we have been in so that we can do what we could not do before!

6 – is the Hebrew letter VAV – meaning hook or peg. It speaks of pegging out or measuring territory that has never been measured before. We are going to put the tent peg through Sisera's head. We are going to kill old patterns and systems of thinking in this season.

CONSIDER THE LAW OF 6

Traditionally, man and the labour of men is marked with the number 6 and there has always been a negative connotation to this. But God has His purpose for the number 6.

God created everything in 6 days. On the 6th day he creates the pinnacle of his creation, Adam. All the potential of what God was going to do was done by the 6th day. Then He hands the stewardship and administration of His entire creation to Adam and He rests on the 7th day. There is a completion by the 6th day of labour. This is 2006 – we are in the 6th year of the 7th millennium or 7th day. God is getting ready to hand over the stewardship and administration of the universe to us. God is getting ready to rest in this 7th day.

Ex 24:15-16 "Then Moses went up into the mountain and a cloud covered the mountain. Now the Glory of the Lord rested on Mount Sinai, and the cloud covered it 6 days. And on the 7th day He called to Moses out of the midst of the cloud." After you have done all the things you were meant to do for 6 days i.e. waiting on God, God will call your name and you will receive an instruction from Heaven.

Luke 1:26 "Now in the 6th month, the Angel Gabriel was sent by God to a city of Galilee, named Nazareth, to a virgin ..." Get ready for angelic instruction in the 6th day.

Joshua is the 6th book of the Old Testament. The first city they take in the promised land is Jericho. They march around it 6 days and on the 7th day, the walls come down.

Leviticus 25:3-4 "Six years you shall sow your field, and six years you shall prune your vineyard and gather its fruit, but in the seventh year there shall be a Sabbath of solemn rest."

For 6 years we have sowed and pruned and gathered and we must continue this year. But it is the year to sow your best seed. It is the year to bring your best offering. Why? *Leviticus 25:21 "Then I will command My blessing on you in the sixth year, and it will bring forth produce enough for three years."* What you sow now, God is going to command a blessing on and you will be eating of the fruit until 2008 and into 2009. The 6th year is a year to be careful how you pray, be careful what you say, be careful what you sow – You are affecting the next 3 years!

2 Samuel 6:13 "And so it was, when those bearing the ark of the Lord had gone 6 paces, that he sacrificed oxen and fatted sheep." David is a man who understands sacrifice and trading on the sea of glass. When he takes the ark back from Obed-Edom, he offers a sacrifice after every six steps.

Luke 23:44 "Now it was about the 6th hour, and there was darkness over all the earth until the ninth hour." At the 6th hour on the cross, darkness comes on the land until the 9th hour. After this Jesus makes a sound on the cross and dies. Graves are opened. In the 6th hour, after we have been crucified, after we have bled a little, suffered a little bit, died to ourselves, after a momentary light affliction – there is resurrection. Graves will open, those things that you thought were dead will be resurrected.

Matthew 17:1 "Now after 6 days Jesus took Peter, James and John his brother and led them up on a high mountain." After 6 days, the 3 disciples have a transfiguration experience. God is about to transfigure Africa – we have been known as dark, poor Africa – but after 6 days - transfiguration is coming!

Genesis 31:41 "Thus I have been in your house 20 years; I served you 14 years for your 2 daughters and 6 years for your flock, and you have changed my wages 10 times." After 14 years, God gives Jacob a dream strategy to breed Laban's flocks. Six years later, God releases Jacob from Laban and a transfer of wealth takes place. Where Laban intended for Jacob to leave with nothing – God commanded a blessing on Jacob's possessions and he left with Laban's wealth. After 6 years of being obedient to God's strategy, a transfer of wealth is coming!

Deut 15:12 "If your brother is sold to you and serves you 6 years, then in the 7th year you shall let him go free from you ... you shall not let him go away empty-handed. You shall supply him liberally from your flocks, your threshing floor and your winepress."

This is the year 2006!!

APOSTLE NATASHA VERMAAK

NAMIBIA REPORT

This was our 6th Namibia convention in the year 2006! We had more delegates than ever before, many of whom were pastors from across the nation.

Apostle Natasha delivered a key teaching on travailing intercession. In this season of transition, God is looking for people who will bring heaven's purposes into the earth realm. To do this, God needs people who are prepared to become pregnant with His Word, carry it to maturity and birth it into the earth. This was a NOW word for Namibia and they were ready to push!

Apostle Natasha also taught on Trading with Heaven, Body intercession and ended the conference with a strong apostolic word for 2006 and prayed for Namibia's headship to be anointed.

A comment from one of the delegates -

"The womb of Namibia has been overshadowed by the Holy Spirit and we as the body of Christ received the mandate to birth and bring forth the purpose and destiny of God in our nation and consequently that of Africa. Namibia is blessed with abundant rain this season and it is a transition from old mindsets to the new wine as well as a new apostolic headship. We are in exciting times in our nation and the whole of Africa." Carol Adams

Tsumeb

Some of the team travelled to Tsumeb (a city in the north of Namibia) to take part in the "Breakthrough" conference being hosted by Jorrie and Ronell Jordaan.

Apostle Natasha was the guest speaker and she indeed brought a breakthrough to the region! She ministered powerfully to the city - explaining their prophetic destiny and calling as a gate city in the north of the country. After hearing that Tsumeb means

"a deep well that when you fall into it, you disappear", Apostle Natasha began to prophesy that indeed Tsumeb is a deep well. In fact, it is a Well of Salvation" (Isaiah 12:1 - 6) that when people fall into it, they enter new levels of glory and the presence of God. This word completely changed the atmosphere in the town and charged the church there with new life!

She followed this with instructional teachings on altars, gates and travailing intercession. There was also a business breakfast which gathered many of the business people from the town, including men from the city council. Apostle Natasha challenged them on how they are stewarding the resources of God in their town and business. She encouraged them that God is looking for stewards that will pray and influence the community and the country. He is looking for righteous men and women of influence to stand up and declare who He is - not just in the church, but in the marketplace as well.

It was an incredible visit to an incredible nation that is just at the beginning of a new season.

BIRMINGHAM ENGLAND

Our time in Birmingham, England was much more than we expected. Pastor Ian and Jocelyn Young of HOPE Ministries (House of Prayer for Everyone) are transitioning from a "church as usual" to "everyone an intercessor" kingdom position. The first night there, Apostle Natasha preached with Pastor Enid Stewart - a mighty woman of God from Ruach Ministries in London. Together they ministered a powerfully prophetic word on the birth of John the Baptist. Apostle Natasha also released the prophetic blueprint of the church. This was an incredible prophetic flow!

The next day, she ministered on travailing intercession. It ended with the church volunteering for the Army of God and marching around the church. We later found out that this church building had been used during the war to train volunteer soldiers and they used to practice their marching around the building!

That evening Apostle Natasha preached the transitory message - Moses to Joshua. The church really shifted its mindset and Pastor Young declared after the service - "No more church as usual!" The army of God is indeed marching!

AFRICA CONVENTION 1:11

IT IS NOT CONVENTION AS USUAL THIS YEAR!

We know that the season has changed and that we cannot simply do the things we have always done. God has led us this

GERMANY

We spent the last week of January in Esslingen, Germany with Pastor Ise and Hrvoje Sirovina for the Winter Bible School. Dr Greg Austin was with us as well, so it was a real family reunion.

Together Dr Greg and Natasha delivered powerful messages which helped the church transition to its kingdom position. Dr Greg shared that God is seeking people who are prepared to lay down their lives for God's agenda. He encouraged everyone to pour themselves out so that God could fill us afresh. He was also travelling with the martyrs of Germany for someone to stand for the purposes of God in this generation. Apostle Natasha then taught on travelling intercession – explaining that whenever God does a new thing it needs to enter the earth legally through a womb. And God needs someone to carry and birth His purposes in every generation.

Her Moses to Joshua message again shifted mindsets and got this part of the army marching in rank! The final messages exhorted the church not to wait for someone else, but to become the mature bride and BE the ones whom God will manifest His glory through. All in all – it was a powerful time and we were privileged to be a part of this house that God is raising in Germany.

APOSTOLIC SUMMITS

African Apostolic Summit Harare, Zimbabwe

Apostle Natasha was invited to be an observer at the African Apostolic Summit held at the end of January. What an honour to be among those mighty apostles of Africa.

All the apostles are saying the same thing! We must become kingdom minded people – God wants us to be influencers in government and business so that we can turn nations. The panel presentation addressed issues of dominion, spiritual engagement and political processes. Some of the points raised ... Bishop Gamedze of South Africa shared his passion for civil government and the need for the church to influence it. Bishop Ayo (Ivory Coast) exhorting us to become servants as this was the pattern set by Jesus. Bishop Yemmi Adipherson (Benin) prophesied to us that 2006 is the year of jubilee. Just to mention a few!

It was a real privilege for Natasha to meet with Archbishop Duncan Williams and hear him minister on Spiritual Engagement. He challenged us to pray again and to access the 7 dimensions of prayer in order to break through. He declared that travailing intercession is the key to birthing the purposes of God in the earth. A phenomenal message!

It is indeed an honour to be an African at this time!

International Coalition of Apostles Dallas, USA

This was the 2nd coalition that Apostle Natasha attended as a member.

The Coalition also had several panel discussions which addressed topics like Apostolic Succession, Accountability / Covering / Commissioning, Dominion Mandate and reports from International Apostles and the African American Community.

Some highlights...

"He who serves leads" Dennis Peacocke

"Are we growing parasites or protégées?" John Polis

"Apostles need to stop pastoring their networks and apostle their networks. We are not here to make each other feel better. We have a job to do – we are at war and we need to take over." John Kelly
"Apostles are master-builders who lay foundations ... an apostle is a person who gets heavenly vision to build an earthly foundation for others also to build upon. Jesus died for not only people but the whole world which includes the marketplace – when Zaccheus got saved his business got saved" Ed Silvano.

Chuck Pierce and Cindy Jacobs prophesied – The African American church had been like Jacob but now they were being released from the prison and were coming out to steward a nation. We felt that they were prophesying a shifting of the mantle from the white American church to the African American church. They said that the African American church will be the key to open many 3rd world nations.

Chuck Pierce also prophesied that in 2006 the prayer movement would become apostolic. It is the year to look into your future and stake your claim. We have 3 years to redeem the ancient trade routes and to position ourselves correctly to influence nations and governments.

We left the summit re-energised and focussed for war!
