THE MILLENNIAL BLESSING

"May the Lord God of your fathers make you a thousand times more numerous than you are, and bless you as He promised you." Deuteronomy 1:11

I believe the year 5766 that we have just entered is about the anointing of 1000 times more. In our previous convention – our 10th – we restored the German mantle and redeemed a birthright for South Africa. On the Sunday, 24 April, I was ordained as an apostle and at the same time Pope Benedict was sworn into office – the 111th pope to hold this position.

The number 111 always speaks to me of Deuteronomy 1:11 – the 1000 fold anointing. Many of you will remember Charles sharing on 111 on the last day of our 2002 convention! Sister Gwen has also just held her 30th convention at the Millennium Hotel. 30 is the age at which the priests are eligible for service in the temple. In light of all this, I believe that God wants to release a millennial blessing to us – the anointing of 1000 times more!

Tudor Bismark says in his book **The Anointing of 1000 Times More...** "The anointing of 1000 times more is a spiritual anointing and is going to be given to accomplish specific tasks within the Kingdom."

This anointing is going to be dispensed upon us for one primary purpose: enlargement. God is not interested in merely changing your life, but desires to change nations through you as He did in Biblical times."

We live in a time when our mandate as the ekklesia is to take nations and bring the kingdom on earth as it is in heaven. It is time to invade the marketplace, government, social and educational structures. God is giving us the land – we are well able to take it.

Our 2006 convention will be Ariel Gate 1 and 11th ETHSA convention. Deuteronomy 1:11! There will be a release of this anointing to empower us to take the land!

Fully paid up, pre-registered delegates will receive a FREE copy of Bishop Bismark's book - *The Anointing of 1000 Times More*.

So book your place TODAY and position yourself to receive this people-changing, life-changing, nation-changing anointing of a 1000 times more!

ZIMBABWE REPORT KINGDOM NDABA

A group of about 25 from all over South Africa were privileged to be a part of the Kingdom Ndaba - Possessing the Heavens convention hosted by Bishop Tudor Bismark in Zimbabwe 2 weeks ago. What a life-changing time... From the moment we arrived we felt as if we sat down at a banqueting table that had been prepared just for us!

The messages stirred, inspired and challenged us.

We loved having opportunity to be with Bishop Tudor and Pastor Chi Chi Bismark - the only downer was that we only got to hear the Bishop preach one time! He ministered on **The Anatomy of a Resurrected Man**.

Bishop Michael Pitts from Toledo, Ohio set the tone of the convention with his revelatory message on **Looking into the Heavens**. He spoke about creating the glory - face to face. Bishop Joseph Garlington inspired us further with his messages on **Engaging your Purpose and Vision** and **Preparing for a Significant Encounter**. He then challenged us to **Press for the Tipping Point**... you never know just when God is going to step in to your situation. you never know just where the tipping point is!

Bishop Mensa Otabil continued his message from last year - Buy the Future. He ministered on **The House of Jacob**. The first part of this message gave revelation on **Dealing with the Spirit of Laban**. This message should be heard by every Christian who wants to prosper in

his life! The 2nd message on **Being Fruitful in the Land of Affliction** will challenge you regarding the Ephraims and Manassehs in your life. He also ministered an excellent teaching on **Pulling Down Strongholds**.

Bishop Pitts continued to blow us all away with phenomenal messages like **The Power of Relationships** - a power relationship is God's blessing for transition. Dormant potential can be unlocked by getting around the right people! **Recognizing your Miracle Moment** - the season of harvest is upon us and it is one of unpredictability and instability. Natasha's favourite message was - **Now Jericho!** Bishop Pitts continued his message on Moses and Joshua and talks about the next place - Jericho. What happens as Jericho comes into view! How do we respond in this time?

It is almost too difficult to explain the incredible impartation one receives at this convention - so begin making plans now to be there next year!

CANADA / USA 2005 REPORT

How exciting to be with Patricia Fraser and the End-Time Handmaidens and Servants of Canada at their 9th convention. "Touching Heaven, Impacting Earth" was the theme and with the powerful line-up of speakers, you could not leave there unchallenged to go out and IMPACT your city or your nation!

Bishop Tudor Bismark preached an electrifying message on the Spirit of Elijah which is the spirit of intercession. EVERY intercessor needs to hear this message! Debbie Bolton, an entrepreneur, who has started businesses in 25 nations showed us that no matter who you are – you can make a difference! Kimberly Daniel's message on witchcraft and intercession was also very important.

This year marked Sister Gwen's last world convention "Behold I make all things New" – held at the Millennium Hotel in St Louis. Here is an excerpt from her newsletter:

We have completed our thirtieth and last, End-Time Handmaidens and Servants World Convention, and I can truthfully say that **the heavens were opened and many saw wonderful visions from Heaven.** It was a glorious, hallowed, and nostalgic convention. It was a mixture of tears and joy as we remembered many of our past conventions of the past thirty years when the Lord came down and revealed Himself and the wonders of Heaven to us. There have never been conventions like these.

From there I traveled to Canada to take part in the One Heart Conference with David Demian and Watchmen International. It was here that French Canada prophetically married English Canada and declared a new found unity. It was a real privilege to be a part of this event.

HEATHER CLARK LIVE

ARE YOU READY FOR A NEW SOUND?

ARIEL GATE AFRICA PUBLICATIONS

is privileged to present
the music of
Heather Clark

"Sitting in my parents living room, my husband prophesies over me. 'I feel like you're going to be a worship leader and you're going to lead worship from the piano.' I knew nothing about music. I didn't even know a G note on the piano. But I believed. Two weeks later I led worship from the piano for the first time."
Heather Clark

HEATHER CLARK is acknowledged as one of the most consistently sensitive-to-the-Spirit and spontaneous worship leaders ministering today. Many of you would have heard her music played at our ETHSA conventions. Together with her husband, Nolan, they pastor a church in Kamloops, BC Canada. She also is invited to lead worship when the church leaders and fathers of Canada gather to seek the Lord for their nation. Most of her music is composed spontaneously as she ministers and echoes the music and the prophetic decrees that she is hearing from heaven.

TESTIMONY FROM THE ELIJAH LIST

Special featured story about Heather Clark's prophesying an open heaven over the Albany, Oregon Region.... as discerned by
Kim Clement

Heather Clark is one of those individuals who ministers under an Extremely Deep prophetic anointing!

I remember when the Elijah List sponsored 2 events simultaneously, in November of 2003 (both in Portland and Albany - they were hours away from each other). On Saturday night, the 22nd of November, as we were sponsoring Joel's Army (in Albany), Kim Clement began to prophesy over both Oregon and the United States (in Portland).

He said roughly (I don't have the exact quote). . . . "I would love to claim credit for what I'm prophesying but I can't. . . . Something has just happened in Albany, Oregon . . . something has just been prophesied and decreed in Albany that has opened the Heavens over this entire region!" I looked at my watch and it was exactly 8:45 pm (Pacific Time).

Later I discovered that Heather Clark was prophesying and decreeing the Kingdom, the Power, and the Glory over the Albany region at that exact time.

Kim Clement, an hour away, picked it up in the spirit and said, "Something has just happened in Albany, Oregon that has affected and opened up this entire region." (Or words to that effect.)

This is the level of prophetic anointing that Heather ministers under....

Blessings,
Steve Shultz
