Dear Friends

It is hard to believe that we are nearing the end of 2013. It has been a year of change, change, change! One thing you can be sure of when you follow God - it will never be boring! Exciting, challenging, overwhelming, but never boring!

Since our last mail, we have been to the MIDDLE EAST PRAYER ASSEMBLY in Cyprus. This was a time of making connections - both to the people of the region and to God's heart for this region. You can read the full report [here](#). Then we hosted our first NEXT GENERATION conference in Bothaville, Free State. (You can catch the report below.) As always, it is very exciting to work with young adults who are determined to make their life count for Christ.

This past weekend, we were CREATING GOD ZONES with Apostle Tim Carscadden and John West. It was a time filled with teaching and instruction on the prophetic and how we can use our gifts to extend the Kingdom of God in the world around us. Of special note was Apostle Tim's teaching on *False Prophets*. He delivered this message under such a spirit of the fear of the Lord and we had a good time of repentance. His message on *Rejection* was also very helpful for all who seek to move in the prophetic.

John's teaching on *Dream Interpretation* was really great. He taught us about the elements of a prophetic dream and how to go about interpreting the dreams that God is giving us. He included some practical dream interpretation which helped so many people. At the end of the weekend, we all felt refreshed in the prophetic. Ready to press in to hear God, step out and be the difference in our worlds!

On Sunday, Apostle Natasha and Bev will be travelling to the USA to attend the International Coalition of Apostles conference in Dallas, Texas. We are looking forward to a time of being envisioning and learning as well as fellowship.

Thank you all for standing with us and praying for the House of AGIHOS. We could not do it without you. We pray that, in this season of the open door, He would extend grace and wisdom to to you - to make YOUR transition into the new things He has for you.

Blessings

THE ARIEL GATE INTERNATIONAL TEAM

By all accounts, this weekend really changed and impacted the lives of all the young people that attended! They came from to Bothaville from Cape Town, Polokwane, Gauteng and all over the Free State with a hunger for more of God. And He met them this weekend - in times of worship, travail and fellowship.
